Fascist Terror Evoked Against Brooklyn Youth Club

Gigantic Preparations for National Youth Day; To be Largest Youth Anti War & Fascism Parade

NOTICE

The Brooklyn LDS Youth Branch plans to propose at the chorus meeting tonight that they jointly participate in the N. Y. D. New York parade with a horse and wagon.
--Elizabeth Vanguards plan to hit war and fascism by participating in the New Jersey parade in Paterson. Write immediately what your branch, chorus or club plans to do.

NEW YORK. — One united National Youth Day demonstration against war and fascism was enthusiastically voted Sunday evening by 253 delegates representing over 41,500 young workers and students gathered in a conference called by the American League Against War and Fascism, Youth Section, at the Church of All Nations.

The conference unanimously decided that its arrangements committee meet with the arrangements committee of the Socialist-controlled youth conference held last week and work out detailed plans for one parade and meeting on May 30.

Many Youth Groups Represented

Represnted at the conference were fifteen shops and sixteen unions including five A. F. of L. locals, 30 social and athletic clubs, 33 student clubs and organizations, settlement houses and a Y. M. H. A. branch, six Young Circle League branches, 12 anti-war groups, besides numerous fraternal and workers' organizations and the Youth Section of the American Jewish Congress.

The great demand for a united May 30 demonstration compelled the Y. P. S. L. delegation, who had come to the conference with the intention of raising minor points of agreements which they hoped the conference would find difficult to accept, to agree to a joint meeting of the two arrangements committees.

CHICAGO, May 14. —Thirty thousand five hundred youth sent their delegates to the State Conference Against War and Fascism here Sunday. The same day, a few hundred liberals, Socialists and assorted preachers met in the Morrison Hotel to listen to the Christian Socialist team of Sherwood Eddy and Norman Thomas lecture on the same subject.

At the Youth Conference 140 delegates from over a hundred organizations hammered out a program of united struggle against imperialist war.

The question of organizing the fight against fascism and war in the factories, schools and neigrborhoods, the organization immediately of the greatest mass support for National Youth Day, May 30, the establishment of a broad commitee of the youth of Illinois to co-ordinate all activities in the State, and the planning of local conferences took up the time of the Youth Conference.

Delegates from the Youth Conference got the floor at the Morrison, when the crowd applauded their demand to speak. They urged united action. At last reports the question was still buried in the resolutions committee.

National Guardsmen at the Youth Conferencesp oke, through letters sent to the chair, pledging their support for the work. An anonymous guardsman was elected to the State Youth Anti-War Committee.

Brooklyn Politicians Sic Gangsters, Police On Social Youth; Liths Help Defend Club

BROOKLYN, New York. — Last Sunday, May 13th, the police officers of Brooklyn, for the eighth time raided the Social Youth Culture Club dance at which many Lithuanian Youths were also present.

A a group of our comrades entered the hall, most of us expecting something or other,

FILL THE COURT ROOM

This morning (Friday) at 9 a. m. the arrested members will come to trial at the Bridge Plaza Magistrate's Court. All comrades who can, are asked to come down. Last Monday, at the hearings, the court room was crowded with sympathizers.

we were met by the Red Front Members in uniform who were present in case of any physical attack on the dance by the gangsters who several times have been sent here by the local grafters to demand "protection money." These gangsters were always refused and politely asked to leave the hall. One time they came back with black jacks, but were sent to the hospital when they began to attack the members who were present.

The gangsters never came around again. Now, the police are always coming up and trying to break up all the social affairs of that youth organization. Last Sunday, a group of burly cops forced themselves into the hall. They went up to the stage and told the orchestra to stop playing, and the first one who "toots his horn will be nabbed."

The orchestra stopped. A comrade got up on the stage and explained that the police have no right to come to the hall. No admission was charged, and only members of the club together with those specially invited guests were present. It is a chartered club and has a right to hold its own private affairs.

"This club is continuously raided by the police," the speaker stated. "I would like to ask the officer if he has a search warrant?"

"No, we don't one," he gruffly answered.

"Do you know that this club's dances have been raided several times, and socials have been stopped? When the case comes up to court, the case has always been thrown out of court?"

The copper did not answer.

Youth Convention Date Set for June 20th

BROOKLYN, New York.— The definite date for the Second National Lithuanian Youth Convention has been definately set for Wednesday, June 20th, at a meeting with representatives from the ALPMS, the National Lithuanian Youth Committee and the LDS National Board, last Sunday.

The ALPMS (Meno Sąjunga) Convention will be held on Sunday, June 17th, and in the evening there will be a large banquet given in honor of the delegates to all three conventions. Monday will be devoted to the opening of the LDS National Convention.

Tuesday, the day will be devoted to continuing of the LDS Convention with a "Moonlight Picnic" in the evening. The next day, Wednesday, June 20th will be Youth Day. From morning till evening, the youth convention will take place. In the evening, the greatest youth mobilization at a mass meeting ever held in Detroit will be held. Here leaders of our youth movement and leaders in the colonies will speak on what our youth movement is and how we work. Several hundred youths are expected to the youth convention.

All Youth Branches and choruses have received calls for the youth convention. Delegates should be elected immediately. The time is short. Do not overlook this important point on the agenda of your next meeting.

To the delegates elected to the LDS Convention: All Youth delegates to the LDS National Convention or to the ALPMS (Meno Sąjungos) Convention: are also delegates to the Youth Conference. It is the duty of the secretary of the branch to add them on the credential and to send them to the designated address as soon as possible, since we are preparing a batch of material which we expect to send to the delegates [illegible]

Lithuanian Youth Hit Proposed Fascist Trans-Atlantic Flight

AROUSED AGAINST SCAB PILOT JANUŠAUSKAS

Recently, the Laisve Youth Section exposed the pilot Janušauskas as a strikebreaker and aroused the Lithuanian Youth of New York against him. All of New York is still talking about it.

Last Sunday, was the date scheduled for the strikebreaker to arrive at the Glen Curtiss Airport. A group of young Lithuanians thoroughly aroused to the situation, and that the purpose of the flight will be only to give publicity to the Fascist Smetona's murderous government of Lithuania and a few extra dollars to the sponsoring papers such as the social fascist "Naujienos" and others, gathered a group of their friends together and decided to let all the people know what it is all about.

Some ten thousand leaflets were printed exposing this "white pigeon" as his publicity agents call him. Now the question arose, what would be the best way to distribute them. Our comrades visited the airport and saw the "lay" of the land. Two or three thousand workers and small business men had gathered to get a glimpse of the "white pigeon."

They waited and they waited, but... no white pigeon. Our comrades decided that this was another fake. They made their plans. A car containing six comrades, five in the rumble seat and the driver ran thru' the crowd at the appointed time. The comrades shouted and the horn tooted. Suddenly, leaflets began to fly from the rumble seat in all directions. The car drove further into the crowd with leaflets flying right and left in the midst of the throng. Finally, all were distributed to the eager hands and the car drove away.

Everyone thought it was all over. Still, everyone did not have a leaflet yet. Another group of comrades began throwing "white pigeons" down from the high cliff which towered over the airport and crowd. It was a beautiful scene. People fighting to get a leaflet and the whole airport in black and white. The wind blew the leaflets directly into the crowd.

Anyone reading them said that it

DISTRIBUTE 10 THOUSAND LEAFLETS AT AIRPORT

was a good thing, because they did not know what type of "pigeon" this fellow was and who was behind it all.

The crowd immediately left and only a few remained to wait still longer. Finally a "new" flier, a "substitute" for Janušauskas who will not fly now, arrived at the field. He received a very dismal reception at the airport and even smaller one at Dexter Park which was to be the greatest affair of all. Due to the "chilly" reception, the local sponsorers, when reached by phone, stated that he had left Monday morning back for Chicago. So endeth another chapter in the "trans-Atlantic flight" grafters' history.

The new flier chosen for the flight, after the "resignation" of Janušauskas, is a Felix Vaitkus, whom the fascist press claim to be a lieutenant in the air forces. Little, up until now, has been learned about him. But give us a chance, dear readers, give us a chance.

Worcester Chorus to Have Debate on Women

Although the Aido Chorus Club has had two correspondents to the Youth Section within the last four months, there has been very little in the way of news about our activities from either of these people. I will, therefore, endeavor to write briefly of what the Education and Cultural Group has done during that time.

The first meeting of the group was held in the form of a discussion on War and Fascism, its purpose, developement and effect on the working class. This served as an introduction and proved to be material for subsequent questions and discussion. Practically all those present took part in voicing their ideas on the subject.

In the course of the discussion, the fact was brought out that the NRA., a stepping stone to Fascism, was a subject of sufficient interest to everyone to analyze in the form of a debate for the next meeting, "Resolved that the NRA. has improved the conditions of the Working Man." The affirmative side was weak, not having gathered even of the daily exaggerated ballyhoo regarding the improvement in conditions due to the NRA. As a result, the discussions that followed did not bring out as many points as could have been brought out. Nevertheless, I think nearly everybody present at that meeting went away convinced that the NRA. was Roosevelt's tool for increasing the profits of the already "wealth burdened" capitalists.

Our next meeting will be held Friday evening, May 18, 1934 at 7:30 p. m. in the club rooms at which time the girls will debate on the question: "Resolved that the Woman's Place is in the Home." Hitler, Fascist Dictator of Germany, thru' his idiotic rulings is constantly restricting more and more women from active participation in business, and professional life.

We invite all Youth Section readers who are not members of this group to come to this debate and hear the pros and cons of the question. It would be well for the present correspondent to also be present in order that he may be in a position to write about the outcome of the debate and the points brought out. **Correspondent Pro Tem.**

Worcester Chorus Club Opens New Headquarters

By ANTHONY KIZYS

Please forgive me if I make a few mistakes in my writing to you all, also if I exaggerate a little.

The Worcester Aido Chorus participated in the Laisves Concert held at Endicott St. Hall, Sunday, April 29. The Chorus Sang a few songs, so did the Girls' Octette and the newly formed Boys' Octette.

The Chorus also participated on May Day at the Endicott Hall. The Drama Group gave a short play which was liked by the people.

The Chorus held a successful "weenie" roast at Olympia Park on Sat. May 5. Every body enjoyed it as it was held in the evening by a big fire in the Volley Ball Court. I sure think it was a good idea to have every body do something as: sing a song, tell a few jokes, or play a couple of games.

The opening of the Club Rooms was a grand success, because the way it looked to me every chair and table were occupied. Anyway, I was playing checkers with Scotty. The refreshments did every body good. Maybe we will have some more parties like it.

Don't forget members, all be at Olympia Park for the Grand Opening, Sunday, May 20, Because we have to sing.

As I'm the newly elected correspondent it doesn't mean that the other writers should stop writing, [illegible]

Mass Youth Delegation Stops Relief Cut in Pittsburgh

PITTSBURGH, Pa., (YNS) — One hundred fifty young workers marched on the relief headquarters here and forced the local relief administrator, Mills to promise that relief would not be cut, as had been planned and announced. He also promised that the relief for the youth would be increased in the near future. The delegation forced a statement that discrimination against Negro workers would be checked up and abolished.

"TIESA" YOUTH SECTION IMPROVES

The "Tiesa," oficial organ of the LDS has greatly improved its youth section in the last issue, out early this week. It among other things has a new attractive "masthead," a picture of the Sparks Roseland Basketball team and many other improvements. All LDS Youth Branches are urged to place it on their bulletin boards each time it comes out. LDS Members get the 'Tiesa" free of charge. It is published every two weeks.

Police Attack Social Youth Club 8th Time

(Continued from Page One)

Girl Comrade Arrested for Playing the Piano

"Comrades," the speaker went on addressing the crowd, "do you want to continue the dance?"

"Yes!" those present shouted back. The orchestra was frightened however, and had already packed up its instruments. A girl comrade from the crowd volunteered to play the piano. Amid cheers for her bravery and risk of being arrested, she began to play.

Everyone began to dance. Many of our comrades for the first time. They were so angry at the terroristic and Nazi methods of the police in trying to destroy this workers club, that either the girls did not mind if their toes were stepped on or else the steps came "natural."

She played another dance, but the police officer who was told to arrest her was afraid to go upon the stage to get her down. Only when the riot squad came, and made a wedge in the crowd, they dragged her thru' the protesting crowd.

Chorus and LDS Members Militant

The YOUTH of the Brooklyn Aido Choras were militant. When the police threatened to break up all entertainment, Comrade Shelley and the chorus members went upon the stage and sang revolutionary songs. They hated the terror and together with the others, LDS members, members of the Social Youth Culture Club fought the police attacks and were ready to defend the arrested comrades from any brutality. Only a very few "were frightened" and ran away.

After the chorus was thru' singing, there was a large crowd outside, running into thousands. Speakers went to the windows and explained what it was all about to the workers who were sympathetic. Although the speakers were inside the hall, and the windows were open, the cops refused to allow the club members and their guests to express what they thought of the affair in their own club. It is true that the people outside could hear what was being said, but the police were afraid the workers might hear about the nazi terrorization. These comrades were dragged down as soon as they began to speak.

They were young workers defending their club! Their collective home! They were not only admired by all members, but by the workers outside too.

[illegible] comrades were arrested for [illegible]

The chorus members took a very active part in providing entertainment in songs. Especially must we express our admiration to Comrade Shelley, who dispite the fact that she has not fully recovered from her recent illness, had the courage to go up and lead the chorus under the threat of arrest.

Our militant chorus members must be congratulated on their stand. The chorus members knew what was going to happen before they came, still, were brave enough to participate in this particular case and help defend the comrades like the rest of us and stick up for their club. This was an expression of solidarity in the fight against the rising tide of fascism in the United States.

On the other hand, there were a few, very few chorus members who knew that the fascist police of LaGuardija, Mayor of New York, was going to come here and for that reason did not show up at all. These chorus members showed their lack of knowledge of the meaning of fascism, and lack of courage and the spirit of solidarity which will unify the workers and put a stop to the terrorization of youth clubs.

Why The Club Is Attacked

In Brooklyn, the Williamsburg section, there are many youth clubs. These clubs, for the most part are dominated by grafting politicians and aldermen. The Social Youth Culture Club, however is a workers organization. It has fought for relief for its unemployed members and non-members who later have joined the club. It has stopped evictioins of workers. It has aroused workers of the lower Williamsburg against the danger of war and fascism. It has held a number of anti-war conferences. Recently, the club began to grow. It began to draw away members from the "political heelers" in the neighborhood. It has been in existence for less than a year and has a dues paying membership of about a hundred and fifty members, according to some of the members. Such an organization is a thorn in the side of the politicians here. Therefore, they are resolved to smash it.

Will the workers allow this? That is the question you yourselves will have to answer, comrade readers.

After the comrades were arrested, those remaining in the hall together with a large part of those gathered outside held a demonstration and parade to the Police Station. Our Chorus and LDS members, again, were in the front ranks. BRAVO!

Linden "Victors" Win New York-New Jersey Cage Championship by Close Score Saturday

NEWARK, N. J. — The Linden "Victors" celebrated their victory over the Elizabeth "Vanguards" last Saturday night at their dance. The trophy was won earlier in the day when the Vanguards and Victors clashed in the long delayed game. A small crowd was present to watch them. Many—comrades, unable to attend, missed what was one of the best games of the season. Two leading teams in the league playing for the championship. It was a battle royal and the winner emerged only one point ahead of the game losers.

Several times the boys had "hot" arguments over the rules of the game, and several times it appeared that they would come to fisticuffs, but they realized they were comrades and argued their differences out verbally. After the game, the both teams shook hands and both agreed that the other had played a swell game.

School Refused for Race Hatred Trial After NAACP Withdraws

ST. LOUIS, Mo. (YNS) — After permission had been granted for the use of a school here for a mass trial of white chauvinism (race hatred), the school authorities withdrew the permission. The excuse offered was the fact that there was no Negro leaders connected with the campaign, the National Association for the Advancement of Colored People, having withdrawn from the plans to smash the trial at the last moment.

The board of education here follows the state law which does not allow white and Negro children to attend the same school.

LDS Youth Club Activities

The LDS. Youth Club is announcing the opening of the season with a Balloon Dance held Sat. May 19th at Lithuanian Hall, 818 Belmont St., N. S. Pittsburgh, Pa. It is said that the one holding the last balloon win win a prize. Let's see who wins! We must raise some funds to send a delegate to Detroit so come one and all for there will be fun galore for young and old! As every one knows that the 4 Aces can play Polkas as well as Jazz!

Preparations For May 30th

Various organizations are preparing to participate in the Nat. Youth Day Parade and we must see that all the LDS. members are there so as to make up for May 1st which some of us could not go. These parents that try to hold the youth back must realize that some day our "dear country's" call shall take them by force for the next war. So we must know how to prepare to fight against it.

Our chorus has been asked to fill out some of the program for the Youth Day rally which we hope to do. There also will be a mush ball game as well as a boxing match which we know all the youth will enjoy.

Hoping to see you all out there—

Conn. Games on Sunday

It looks as if the Connecticut Baseball League will get off with a beautiful start from the present indications. The teams have been practicing earnestly with the anticipation of the games to be played Sunday, and in next week's youth section the readers will read the outcome of the games played and then can make their decisions as to which team may be the league champion.

At present I would say that Hartford is an easy favorite over Waterbury, but the outcome is to be seen Sunday after the game is played in Hartford. Between New Haven and Bridgeport, the odds should be about even, but from last years games between these two teams, the odds can be safely placed on Bridgeport as they won the two games played, nevertheless, New Haven feels confident in assuring its followers of a victory.

In New Haven, there is another league in the formation, this one being on a more united front basis. The Red Wings, who incidently lost out in the championship playoffs in the City-wide recreation basketball league, are at present drawing up plans in which the teams of the various sympathetic organizations will take part, namely the YCL (Red Wings), the Ukrainians, Lithuanians, IWO. and possibly a negro team (this will be due to the strenuous work now going on amongst the negroes by the YCL.) If a league of this sort can be formed, (no reason why it can't) the relationship between the varous international organizations will be drawn more tightly together and in the future more successful sport programs can be carried out. An honest endeavor will be made by the New Haven LDS in bringing about such a league.

Now in getting back to the League which opens Sunday. Let's see the LDS members of the cities that are playing the games give their teams full moral support by attending the first game Sunday in a body, or group. If you give your team enthusiasm by cheering for them while they're out there playing, I am sure that you will find the team will play much more willingly and enthusiastically, so go out there with your friends and cheer them along Sunday. Let's have all the LDS members out to their respective baseball lots cheering their favorite...

Join The L.D.S.

By STELLA (STEVY) POCIUNAS

Do you want to join a national fraternal organization?
Well, read this poem for more interesting information.
Do you like sports, cultural and educational activity?
I'll bet you haven't a club like that in your city.

To belong to a club like that is a great sensation.
Especially when it's the workers organization.
The L.D.S. represents the interest of young workers,
And not like the capitalist Y.W.C.A. fakers.

Join the branch nearest your locality
You'll be received with great hospitality.
We're telling you young workers you'll never regret—
This is one club you'll never forget.

As the regular Snooper Fine is very ill, I will take that place for this issue, and be Snooper Fine No. 2. Why don't you try a dose of your own Cod Liver Oil, maybe, it will do some good in this case. All who enjoyed the lovely game of Hide and Go Seek Sunday, ought to be given credit, for not being frightened by the rats in the closets. Why did you leave so early Sunday, Nellie, you don't look as if you needed any sleep. Say, didn't the riot cars look great Sunday?

I know that most of us were quacking in our boots, but we all kept our chins up, and looked brave. Some of the "braver" ones took the easiest way out, and scrammed when the police showed up. Our two huskies (?) Frank and Tony, Y. took the run out powders when the bulls showed up and you ought to have seen their faces, they were as pale as ghosts when we met them later. Ha! Ha! you two weaklings, you can't take it.

An appeal to all the comrades who are interested in the Youth Convention. Please be so kind as to support the convention, send all the money that you can, come to the dance, and try your best to get the elder folks interested, so that they too will donate, money for our delegates. May hat's off to the Youth Convention. That was an error, I hardly ever wear a hat.

Orders

From George N. Chorus members behave! From the young and amorous males—back seats in a bus Puleese! From Bunny—The tenors will please sing louder and the girls keep quiet!

Found

A perfectly hideous woman judge in the Bridge Plaza court.

Just because Snooper Fine had a Who's Who, I must have one too.

No. 2 Who's Whoosis.

(If you can guess who this is, you must be magicians.) Is not small, and not big. Not thin and not fat. Light hair, and deep set eyes, and a nice smile. Uses big words, and knows what they mean. (Miracles!) Will graduate his term from High. Will go further to set the milestones for his ancestors. (Expects to have many.) Has a sister who is an alto, and very nice. Is a member of the most hated group in the chorus. Lives near the river. (Drop in.) Likes his girls tall, and Long legged, so that they can walk, and save him carefare. Has a passion for one named Stella. Now who is he?

"Always Ready"

The following paragraph concludes a short story of Michael Gold's entitled, "The Damned Agitator":

On the morrow he would wake and find the ring of problems haunting him again, and he would grapple them again in his big, tragic fashion till his soul bled with many fresh wounds as he stumbled home in the night. And thus he would go on and on till he was broken or dead, for Kurelovitch had dared to spit into the face of the beast that reigns mankind, and never for his sin would he be permitted to know sweetness or rest under the wide shining range of the heavens."

So it is with our leaders and "agitators"...and so it is with all class-conscious workers who have already become aware of the necessity of revolutionary struggle, fighters all, in fighting for the workers' cause.

B. SHELLEY

Last Sunday evening, a gathering in the club rooms of the Williamsburg Social Youth Culture Club was "rudely interrupted" by a "visit" of several blue-coated, brass-buttoned hefties, very intent upon breaking up the evening's entertainment, but the comrades (mostly all youth) would not be downed. When the pianist was arrested, the dancing stopped. Aido Chorus immediately claimed the stage and led in the singing of thrilling revolutionary songs. Then, there were speakers, a couple of whom were arrested because they spoke near an open window of their own headquarters! (Evidently, the cops didn't like the idea of our having attracted hundreds of sympathizers in the streets in front of the club.)

Singing, speaking, shouting slogans, booing the cops—the scores of militant youth held their own against the police, which proves they are gaining knowledge of the importance of the class struggle. Lenin, in his article, "What Our Ministers Are Thinking," brings the workers to the conclusion:

"Workers, you see how deadly afraid our Ministers are of knowledge coming to the working people. Show everyone that no force can deprive the workers of their consciousness. Without knowledge the workers are defenseless; with knowledge they are a force."

Armed with facts exposing the NRA., which is forcing great masses of unemployed into starvation, driving down the wage levels of the employed; armed with facts showing the capitalistic methods of preparations for an imperialist war; and armed with facts exposing the terrors of Fascism, the Young Communist League, and also, the National Student League are getting the workers and students to organize and protest these conditions, under the leadership of the Communist Party.

And so are developed some of our best leaders, conscious and ardent fighters who—like Michael Gold's "Kurelovitch," will go on and on till they are broken or dead,"—for the liberation of the toiling masses.

QUESTIONS AND ANSWERS

LOS ANGELES, Calif. — It really seems as though the Los Angeles Youth Branch has gone to sleep. Show some enthusiasm when the club is mentioned. Greet prospective new members as friends. As a group we have been entirely too exclusive. After all, the main purpose of the club is to organize all available youth, and in this we have failed. Let's dig up the old enthusiasm that we have kept stored away for the past few months.

Youth Section Did Its Best

The Youth Sections Did Their Best

Glancing over the Laisve Youth Section of the past year, it is most encouraging to see what a great deal of matter was covered in our small pages. Considering that it is a weekly, and only four small pages, most of the major issues confronting the youth have been well handled.

Let us take the section as a whole. It is most natural that at the beginning much space had to be devoted to the building up of the youth branches; calls to the various conferences, and to the youth schools that were being started here and there. But as our work among the youth had a start we find that our paper became more interesting, Correspondence from the various branches, choruses, students, and young workers were being sent in and published. But here we have had a weakness. Not enough were sent in. And even now much more can be written by the youth telling us what is happening in their vicinity, in the schools and factories. Some of our members tried their hand at writing short stories and were quite successful at it. Too, some very fine cartoons appeared by Pross. (I wonder if he gave up cartooning since none have appeared for some time.)

And what youth is not interested in sports? In the Youth Section we could follow the various games and activities that the branches have carried on. The LSU conferences, the basket-ball tournaments, the plans to send delegates to the World Spartakiade at Moscow.

Laisve Youth Section Handled Struggles Well

But a paper that only carries on without bringing forth the struggles of the youth will be short lived. And here is where our Youth Section gains its strength. What campaign in the interest of the workers has our youth section shunned? None, I am sure. In this crisis which has greatly affected the youth, when five to six millions of young people are out of work, a large proportion of them being under the age of 24, when educational appropriations have been cut and schools shut down, when the youth are sent away to CCC camps, military camps to train the youth for war, when the Negro youths are being lynched illegally and legally, the youth have not been passive. They have become militant and have started to organize. How did our Youth Section react to these struggles? It has brought forward these struggles to the youth and to some extent showed them the road to follow. Let us glance at some of the headlines: July 29, 1933, **"All Out Aug. 1 Against War!"** And in that issue we have articles exposing the war profits of the various American corporations, telling of the different preparations for war by the U. S., the war shipments to foreign countries. Sept. 1, 1933, **"Fight War! Demonstrate Sept. 1, Internat. Youth Day!"** Sept. 8, **"Hail The Paris Congress!"** The congress of the youth of the world against war and fascism. And we must be proud that we Lithuanian Youth sent a delegate to that congress. And on Sept. 22, 1933 we have a call to send delegates to the U. S. Ant-War Congress. October 20, 1933, **"Strauss Tours Country with Message of Youth Congress Against War as Imperialists Prepare New Slaughter."** Nov. 3, **"Vote Communist Nov. 7th."** Nov. 25, **"A. A. U. Exposed; Negroes Distcriminated; Talk About Boycott of Olympics a Joke."** Dec. 9, **"Smash the Lynch Verdicts!"** Two of the innocent Scottsboro boys were sentenced to die and a call was sent out to protest legal lynching, to protest the bloody terror against Negro Youth in the South, and a call for unity between white and Negro youth throughout the country. Feb. 1, **"Plan for the Spartakiade Drive Drawn Up; Records Approved by the LSU-Basis of Selection."** March 15, 1934, **"Force Congress to Pass H. R. 7598!"** May 5, 1934, **"'Naujienos' and Catholic Lithuanian Papers Support Flight of Strikebreaker to Kaunas, to Raise Prestige of Fascist Murderers in Power There."** May 11, 1934, **"Fight War-Fascism National Youth Day."** These are only a few headlines that catch the eyes when one picks up the Laisve Youth Section. There are the articles explaining to the youth what they should do to better their conditions and exposing the maneuvers of the various parties and leaders who try to head off the militancy of the youth.

Some Shortcomings Noted

Though the Youth Section is good we must not be satisfied with it. It can be better and we must make it better. In the class struggle many youth have lost their lives. For instance, on February 13, 1932, Harry Simms, youth organizer of the National Miners Union and Young Communist League member was shot down in cold blood by a company gun-man during the strike of the Kentucky miners; on March 8, 1932, Joe York, Young Communist League organizer, was murdered by the gun thugs of Henry Ford during a march of Ford Workers in Dearborn, yet on the anniversary of their death not a word was mentioned of them.

I am sure that it would have been of great interest to the youth to read of their fallen brothers and to honor them as is their due. Not enough is written of the strikes that are occuring in the various cities of the nation. A large number of youth are participating in these struggles for better living conditions and it is only right that we should know of them, for it is positive that we will not learn about them from the capitalist press. A more strenuous campaign should be carried on against war and fascism. Many students came out in protest against compulsory military training, war plans, and fascism on April 13. They came out because every youth is against war for who likes to be shot by a gun or stabbed by a bayonet? But can we be sure that every one of those students would refuse to carry a gun when they are called to do so. I am not so sure about that. They are against war, but yet they are in a fog as to how war breaks out and to the hidden reasons for it. That is our task, to bring out the class origin of war. To show to the workers that as long as this damnable system exists we can always expect a war. That no matter how much yelling goes on for "peace" by the capitalists, it is only a screen to hide the war preparations. That the only way to stop war is through organization and a mighty strong organization!

Fascism Not Sufficiently Exposed

Although we have not fascism yet in the United States, it has already started to sprout. The demogogic acts of LaGuardia, such as the refusal to issue a permit to an anti-nazi march in Yorkville, should be exposed; the acts of Roosevelt, Gen. Johnson, in sponsoring Company Unions and the nature of company unions, should be clearly brought forth.

"This and That" is no good

The Youth Section has had many calls for the youth organizations to endorse the workers Unemployment Insurance Bill H.R . 7598, but it did not expose the other bill now pending in Congress, the Wagner bill, the true nature of that bill wherein a very few people would be entitled to any insurance whatsoever under that bill, and wherein the burden of financing that bill would fall upon the poor workers and not the capitalists. And the article "This 'N' That" is not worth the space it receives. It is too personal. And I am sure cod liver oil given in too large doses is very dangerous to the health of a person, and no worker would give it to another. An article such as "A Night in the Million Dollar Slums" is not of much value to the Youth Section. It is an excellent article for "The New Masses" from which it was reprinted. If space had to be filled why not fill it with an article from that same magazine which would have been of greater benefit to all who would have read it, namely, "Farthest North in Race Hatred", which exposed a questionnaire submitted to students of the Junior-Senior High School, Wyack, N. Y. containing such questions as this: "I place the Negro on the same social basis as I would a mule." Answer yes or no.

The editorial committee is not expected to write up the whole Youth Section. It would sound stilted. It is up to us to discuss these things before the convention and during the convention to bring concrete plans by which we could make our Youth Section more valuable and more intersting.

From American Can Co.

By A Young Worker Correspondent

BROOKLYN, N. Y. — I work on the fourth floor on a power-press in the American Can Co. The presses are connected together by a belt-conveyer, so that your work must keep moving to supply the next girl with work. You have to keep moving like a pack-horse since most of us are on piece work.

The top pay here is $3 a day. If they start making more, the foreman will come around, make a slight change in the operation and tell you the price is cut way down.

There are girls here who have worked here for 20 years and more. Their whole life has been put into this place and their only hope is to be allowed to take time off if they want. But for the last couple of years they have had so many "vacations" without pay that they're glad to hang on if there is work.

The workers here are interested in organization but each worker is afraid to start. So I'm getting in touch with the Steel and Metal Workers Industrial Union at 80 Smith St., and I believe they'll show me how to organize the workers at least in my own department, for the fight I know is coming.

Lost.

Where have they gone, Oh, Where Oh Where? George V., Victor B., Johnny B., and our waitress Helen of Troy. We miss you vairee mooch.

Now to get down to real business. Don't ever, the chorus members think of calming down, and giving their whole hearted cooperation to our leader Bunny? After all, comrades, you are not all babies, and you must grow up sometimes. You ought to be proud of the teacher that you have. Yes, mighty proud. Even though still very nervous and irritable, the results of her last illness, she took her place as our leader, and conducted us with such admirable skill and poise, as if it were just a tea party and not a raid. She kept us, level headed, and made us take our place among the other workers. She did not shirk, and why should you? You should cooperate, willingly, and you will get better results.

I expect to see the chorus down at eight sharp, and not nine. Hats off to the one who can and will make some thing of us. To you, Bernice Shelley, we salute you.

SKANDALAS SU LAKŪNU JANUŠAUSKU IR ANTRU SKRIDIMU Į LIETUVĄ

(Tąsa iš 2-ro pusl.)

ALTASS valdyba pačioje savo darbo pradžioje tinkamų ir priimtinų sutarčių su Janušausku nesistengė sudaryti.'' ("Draugas," geg. 15).

Dalyvauja ALTASS valdyboje, svarsto tas "sąlygas," o visuomenei meluoja, kad jie nežinojo tų sąlygų!

Bostono "D a r b ininkas" taip pat rašo:

"Plačiajai visuomenei ir po šiai dienai nėra žinoma buvusi sutartis su p. James-Janušausku ir tos sąlygos, kurios ALTASS valdybai "buvo griežtai nepriimtinos''. Taip pat nežinoma sutartis ir su lakūnu Vitkum.'' ("Darb.", geg. 15).

Ir kaip gi visuomenė žinos, kuomet jūs nuo tos visuomenės slepiate teisybę ir faktus, apgaudinėjate tą visuomenę? Tas pats "Darbininkas" dar ir šiandien slepia nuo savo skaitytojų tą faktą, kad jie savo "didvyriu" buvo pasiskyrę streiklaužį.

Pasirodo, kad "Naujienų" ir "Draugo" ALTASS valdyba turėjo padarius tam tikrą sutartį su Janušausku. Bet tą sutartį slėpė nuo visuomenės per aštuonis mėnesius ir tebeslepia šiandien. Kam ta apgavystė? Kodel bijojo paskelbti tą sutartį bei kontraktą, jeigu čia nebuvo varomas bjaurus šmugelis vardan "tautos" ir "patriotizmo?" Kas yra toj sutartyje, kad ji bijoma parodyti visuomenei?

Pjovynės Ėjo Kelis Mėnesius

Grigaitis prikąstu lietuviu dabar pripažįsta, kad "buvo ištisa eilė nesusipratimų, kurie tęsėsi per keletą mėnesių." Bet apgaudinėjama plačioji visuomenė ir apie tai nieko nežinojo. "Naujienose," "Drauge" ir "Tėvynėje" buvo skelbiama, kad viskas eina kaip sviestu patepta, jokių skandalo ženklų niekur nesimato. Tuo tarpu ėjo užkulisinė politika, varinėjamos buvo šunybės.

"Draugas" palieja baršČius ir pripažįsta, kad "antro skridimo" tikslas buvo griežtai bizniškas. Tiems didvyriams rūpėjęs pasipinigavimas. "Draugas" sako:

"Gal būt tie, kurie pirmieji su juo tarėsi, nesuprato viens kito, nesusitarė ir nepaisė to tikslo, kuriam skridimas organizuojamas. Buvo manoma skridimą vykinti grynai biznio pagrindais. Tačiau dabar jau aiškiai pasirodė, kad be aukštesnio idealo tokio didelio žygio negalima įvykinti. Visuomenė dėjo aukas ne tam, kad kieno nors asmeninę garbę iškelti, ar kam biznį padaryti, bet kad tautos vardą ir jos prestyžių pakelti. Lakūnui Janušauskui, kaip pačioje pradžioje buvo pastebėta, iš tikrųjų tas tikslas, mątyti, nedaug terūpėjo dėl to jis ir pasitraukė. Tai gera pamoka visiems, kurie manė, kad be gilesnio tautinio tikslo galima tokie milžiniški žygiai atlikt."

O iš pat pradžios buvo aiškinama, kad visas užsimojimas yra "tautos garbei," kad ponas Janušauskas yra baisus "idealistas," kad Grigaitis ir jo kolegos nieko kito už dantų neturi, kaip tik tęsimą Dariaus ir Girėno žygio. Dabar jau tik Janušauskas, kuris jau pasitraukė, nesuprato to "kilnaus" tikslo!

"Draugas" bando įkalbėti svietui, kad dabar skridimo tikslas yra permainytas. Buvo pradėtas šmugeliškais sumetimais, o dabar staiga virto "augstesniu idealu," "pakėlimu tautos vardo ir prestyžo." Ponai, o jūs ponai, kaip buvote "gryno biznio" ricieriais, taip ir pasilikote.

Bandė Skandalą Užglostyti, Bet Nepavyko

Tie kelių mėnesių ermyderiai išsivystė į tikrą votį. Ji turėjo plyšti. Bet dar paskutinėse dienose Grigaičiai bandė ją užglostyti, dar ilgiau paslėpti. Taip atrodo iš Grigaičio pareiškimo. "Naujienos" sako:

"Klausimai, dėl kurių įvyko tas lakunų pakeitimas, buvo svarstomi ALTASS valdybos susirinkime, p. Mackevičiaus raštinėje, pereitą ketvirtadienį. Jie buvo diskusuojami per septynias valandas, bet, deja, nebuvo aiškiai ir galutinai išspręsti. Buvo padaryta. tik laikina "taika," po kurios grąsino kilti nauja ir dar didesnė audra.''

Ir ta audra kilo. Išsivertė viršun visos ALTASS valdybos šmugelninkų biznis. Vieną "didvyrį" padžiovė ant tvoros, kitą iškepė. Didvyriai už pinigus, didvyriai pasamdyti! Prajovai, daugiau nieko! Senas biznis, bet naujas figos lapas. Buvo Janušauskas, dabar Vaitkus!

"N a u j i e n o s" pareiškia, kad jos "tokiu pat nuoširdumu, kokiu kooperavo su lakunu James'u (Janušauskų), rems... leitenantą Feliksą Vaitkų." "Draugas" taip pat prižada, kad "del lakunų pasikeitimo jo pozicija nesikeičia."

Taigi, saugokitės, lietuviai darbininkai, nes ponai varys savo biznį pirmyn. Plyšo vienas burbulas, jie pūčia kitą. Jie dės visas pastangas, kad kuoilgiau jus mulkinus ir nuodijus jūsų protą ir jausmus patriotizmu, kad kuotampriau pririšus jus prie kruvinojo Smetonos, kad kuotoliau atitraukus jus nuo kasdieninės kovos Amerikoje už gyvenimą, prieš bedarbę, prieš karą ir fašizmą.

WORCESTER, MASS.

Lietuvos Sūnų ir Dukterų Broliškos Draugijos susirinkimas įvyko gegužės 8 d. Skaityta ir priimta protokolas pereito susirinkimo.

Susirinkime pasirodė, kaip stovi mūsų draugijos finansai. Prie šio mėnesio pasirodė trumpa $559.25. Iždo stovis $6,332.69. Trūkumo priežastis yra ta, kad turėjome taisyti namą. Reikėjo gauti saliūno laisniai ir kiti įtaisymai. Bet dabar namas atrodo labai gerai, lyg kokia pilis.

Paskiaus galima priminti, kad prie namo yra kalnas ir ežeras, kuriame yra ganėtinai ir žuvų. Todel kaip kada valdybos nariai daug laiko praleidžia bežuvaudami.

Korespondento raportas priimtas vienbalsiai. Tik šalavijus pradėjo kelti klausimus, kad ne viskas teisingai aprašyta. Bet kuomet paklausta, kas neteisingai parašyta, tai jisai nutilo.

Paskiaus tie žmonės turi ir kitas priekabes. Jų LDD 8 kuopa per savo "vadą" D. J. Jusių pirmiaus pridavė draugijai rašytą prašymą, kad jiems duotų parką del pikniko ant birželio 27. dienos. Draugija sutiko duoti parką ir aš, kaipo sekretorius, užrašiau, kad parkas jiems yra išduodamas 27 dieną birželio. Bet po kiek laiko Jusius kreipėsi prie manęs, kad jiems pakeistume dieną, nes 27 pripuola trečiadienį. Aš pasakiau, kad tik draugija tai gali padaryti, nes aš negaliu vienas tai pakeisti. Tas klausimas buvo pakeltas direktorių susirinkime, bet tenais palikta taip, kaip kad jie reikalavo. Paskiaus tas dalykas nutilo. Manėme, kad jie jau nei netaisys savo klaidą, o gal parengimą rengs trečiadienį.

Tačiaus gegužės 8 susirinkime vėl D. J. Jusius pridavė raštelį ir klausė, ar mes taisysime tą klaidą, ar ne. Bet susirinkimas gerai žinojo, kad ta klaida ne mūsų draugijos ir ne sekretoriaus, bet jų pačių. Todel ir nutarė, kad nemainyti. Kokią dieną jie norėjo, tai tokią ir gavo.

Parko Atidarymas

Didelė mūsų iškilmė yra jau veik čia. Gegužės 20 dieną Olimpiada Parkas atsidaro. Šis parengimas bus labai turtingas programa ir įvairiais sportais.

Dainuos Aido Choras; bus ristikai, kumštynės, virvės traukimas, volly ball lošimas, plaukiojimas ežere ir kiti žaislai.

Visi kviečiami dalyvauti ir pamatyti mūsų moderniška parką. Kitur niekur nėra tokio parko. Visoje Naujoje Anglijoje nėra taip gerai įtaisyto parko, kaip kad pas mus.

Todel visi lietuviai dalyvaukite šiame parengime. Jūsų dalyvavimas bus ne tik tai, kad jums patiems labai sveikas ir naudingas pasilinksminimas, bet sykiu paremsite ir šią organizaciją. O ši organizacija yra naudinga darbininkams visais atžvilgiais. Be to, ši organizacija kovoja prieš darbininkų klasės tikrą priešą ir oportunizmą.

NEW YORKO IR APIELINKĖS ŽINIOS

Didvyris Daugiau Jau Nebedidvyris

Vienas pilietis pasakoja, kad jo kaimynas, kuris skaitė priešdarbininkišką spaudą, buvo taip suagituotas "skridimu," kad savo namuose išsistatė James-Janušausko paveikslą ir laikė jį šale šventų abrozdų. Janušauskas tam žmogui buvo, kaip kokis dievaitis.

Sulaukęs pereito sekmadienio, šis asmuo buvo vienas iš pirmiausiųjų, nuvykusių į Curtiss lauką pasitikti "didvyrio" Janušausko!

Mato jis ten komunistų lapelius, aiškinančius visą skridimo "monkey bizni" ir apie Janušauską; iškarto pasipiktino žmogus komunistais. Kaipgi jie gali mūsų "tautos didvyrius" streiklaužiais vadinti, manė jis. Tie, anot jo, "Maskvos bernai"!

Bet... Tas "bet" viską sudaro!

Laukia žmogus, laukia, ir menševikų "didvyrio" nesulaukia. Pagaliaus atpučia vėjas lėktuvą, o "didvyrio" Janušausko jau nėra. Jau jis nedidvyris.

Sukeikia žmogus. Ima jis iš kišeniaus komunistų lapelį ir vėl skaito jį. Nugi, ištikrųjų, jie bus teisingi, mąsto jis.

Ir va, parėjęs namo, pirmiausiai ima už "didvyrio" paveikslo ir jų neša...

—Bet ar tamsta manai, kad vietoj išmesto "didvyrio," tasai asmuo netalpins kito—naujo "didvyrio"? — užklausiau aš:

—To tai nežinau—buvo atsakymas. **Steb.**

Į Aidiečių ir Aldiečių Parengimą

Brooklyniečiai, draugai ir draugės! Sekmadienį So. Brooklyne įvyksta Aido Choro ir ALDLD kuopos (per pus) smagus parengimas. Dalyvaukime ten visi ir paremkime mūsų darbštųjį chorą. Šios smagiosios pramogos vieta: **Darbininkų Centras,** 723—5th Ave., So. Brooklyne. Laikas: vakare. Bus gražus koncertėlis ir šokiai.

350,000 Užsivilkę Su Taksais

N. Y. valstijos valdžia sakosi dabar pradėsianti kolektuoti taksus iš tų žmonių, kurie juos užvilko. Tokių žmonių New Yorko mieste randasi apie 350,000.

Bankininkai Konvencijoj

New Yorke įvyko taupinamųjų bankų (savings banks) viršininkų konvencija, kurioje dalyvavo arti 1,000 bankierių, iš 18-kos valstijų, atstovaujančių 13,500,000 depozitorių ir apie $9,500,000,000 sumą sudėtų jų pinigų.

Bankieriai susirūpinę baime del "socializmo," kurį, pasak tūlų, Rooseveltas norįs įvesti.

New Yorko Miestas Gavo Pinigų

Miesto majoras LaGuardia trečiadienį buvo nuvykęs į Washingtoną prašyti žadėtos miestui paskolos. Kadangi, pasak vidaus reikalų ministerio Ickes, miesto biudžetas esąs sutvarkytas, tai tą paskolą federalė valdžia ir suteikia sumoje $37,558,500. Pinigai paimti iš Public Works Administration (PWA).

Šie pinigai, sakoma, būsią išleisti baigimui kasti pradėtų miesto subvių, o taipgi steigimui mokyklų ir tt.

Pasak p. LaGuardijos, greitu laiku bus galima duoti darbo 5,000 darbininkų. Kadangi mieste bedarbių randasi šimtai tūkstančių, tai davimas darbo 5,000 reiškia tiek, kiek lašas jūroje.

Laivakroviai Tęs Savo Streiką

Clyde-Mallory Steamship linijos laivakroviai pereitą trečiadienį milžiniška balsų didžiuma nutarė tęsti streiką, atmesdami kompanijos siūlymus. Darbininkai skelbia, kad jie neis į darbą, iki kitų uostų darbininkų reikalavimai nebus išpildyti.

Dvasia ir pasirįžimas streikieriuos pakilusi labai aukštai.

Gers Prie Barų Kiek tik Norės

N. Y. valstijos alkoholinių gėrimų kontrolės komisija, su Mulrooney priešakyj, patvarkė, kad su sekančiu pirmadieniu visuose saliūnuose, kostumieriai laisvai galės gerti degtinę ir vyną prie barų.

Kita, degtinės krautuvės galės laikyti atdaras duris iki 12-tai val. naktjes, ažuot laikius iki 10 val. nakties (šeštadieniais bus galima laikyti atdaras iki 11 val. nakties). Na, o saliūnai dabar galės laikyti duris atdaras iki 4 val. ryto, vietoj 3 val., kaip buvo iki šiol.

Kitais žodžiais, New Yorko valstijoj sugrįžo beveik senųjų saliūnų sistema.

Reikia pasakyti, kad daugelis saliūnų davė gerti degtinės ir vyno prie baro, kiek kas norėjo, ir be p. Mulrooney pavelijimo.

Išrinko Delegatus

LDS Jaunuolių Kuopa (101) pereitą trečiadienį laikė savo mėnesinį susirinkimą, kuriame dar darinko porą delegatų važiuoti į Detroitą. Išrinkta Aldona Klimiutė ir Antanas Sinkus. Seniau ši kuopa išrinko Aldoną Kairytę. Pastaroji dalyvaus LDS seime delegate, o pirmieji du—Jaunimo ir Menininkų suvažiavimuose.

Dabar LDS 101 kuopos nariai rūpinasi sukėlimu pinigų pasiuntimui delegatų. Jie tai padarys, nes yra entuziazmo.

Telefono ir Telegrafo Kompanijos Milžiniški Pelnai

Kad American Telephone and Telegraph Co. daro milžiniškus pelnus, tai paliūdija ir sekantis faktas: už pirmąjį šių metų bertainį kompanija išmokėjo savo šėrininkams po $2.25 už šėrą. Tai reiškia, kad metinis šėrininko pelnas bus $9 už šėrą. Išviso kompanija išmokėsianti per metus savo 600,000 šėrininkų $42,-000,000.

Na, o darbininkams algas kapoja ir darbo sąlygas sunkina!

Grafteris-Žulikas

Charles Remer, dirbusis kaipo tyrinėtojas tų žmonių, kurie užsiregistravo imti iš miesto pašalpas, yra grafteris-žulikas. Suradęs vargingą šeimą, kuriai pašalpa būtinai reikalinga, jis gąsdindavo ją, reikalaudamas, kad jam pažadėtų tam tikrą sumą pinigų, tai tik tuomet gaus pašalpą. Vargšai ir mokėdavo jam po tam tikrą kiekį kas savaitė.

O Remer iš to tuko. Teisme išaiškėjo, kad jis tuo prisiplėšdavo daug pinigų ir puikiai gyveno. Valdiškas teismas jį pripažino kaltu. Jam gręsia 10 metų kalėjimo, bet, žinoma, jis tiek negaus.

Andai mes rašėmė, kad daug tokių žulikų tapo susekta. Jie dirbo prie Home Relief Bureau. Kiti dar bus teisiami.

O kiek jų nesusekta! Suimti tiktai smulkųs vagišiai, nes prie aukštesniųjų sunku prieiti.

Jau Žmonės Kalba apie "Laisvės" Metinį Pikniką

Viena philadelphietė rašo "L." redakcijai, kad ji užtikrina, jog liepos 1-mą dieną būsianti "Laisvės" metiniam piknike, Brooklyne. Bet atvyksianti ne viena, ale suorganizuosianti būrį savo draugų.

Puikus dalykas, drauge! Darbuokitės! Mes jūsų lauksime.
