

THIS DAY and AGE

WIT, WISDOM AND WHAT NOT

Ben Ulan, local Lithuanian Romeo, is getting more or less a monopoly on one of the sixty-sixth street lassies. Better be careful son, this is leap year you know.

Sincerest wishes for a speedy recovery go to Julia Halaburda, well known St. George Choir and Sodality member, who is convalescing after a recent operation. Here's hoping you'll soon be with us again.

I hear Julie Skarnulis is wearing an engagement ring. The lucky boy is Vic Tulauskas. Best wishes to the both of you.

The Young Ladies Sodality of St. George's Parish are going to have an outing at the beautiful Wildwood Park July 20, where all will have a good time. The girls are to bring their escorts.

Mrs. Victor Arko, a member of the Twelve Belles, is celebrating an eight month anniversary of married life at the cottage at Menor.

The day has come for which young and old alike have been looking forward to, the day of the First Parish Picnic, which is this Sunday, July 7. Dancing, racing for the boys and girls and it will be fun for the kiddies. A CYO baseball game is also on schedule. You, you and you being there will help to make it a great day.

The CYO a program for Catholic Youth

Youth is full of energy and it must be expended in recreation of some kind. The CYO provides an extensive athletic program for boys and girls of all ages under conditions that are conducive to good sportsmanship and development of character.

Then there are parties, dances, companionship, indoor games that satisfy the social needs of the youth. The creative instinct is satisfied in the hobby groups and crafts.

Nor is the intellect neglected. The study club, discussion group, reading and the dramatic and art groups offer cultural and intellectual opportunities.

Youth is given an opportunity to develop religious and spiritual ideals based

upon deep religious convictions. By means of the study clubs, the young men and women become familiar with the doctrines of their faith; they live what they believe and they can explain and defend what they practice.

As in ages past, so today, the Church has solved the problems that have faced its members. We have the leaders, the facilities and the program that is to aid the youth of our nation. But one thing must be present—the whole hearted participation and co-operation of the young.

Thought on leading a good life: It's better to smoke here than thereafter.

On Friday July 5, the St. George Choir will hold its monthly meeting. Picnic plans are going to be completed. Will all of the members and their friends who plan to attend please come to the meeting?

Traffic laws were in effect in England as early as 1835, long before the invention of the automobile.

Ice Cream From Orient
To Marco Polo goes credit for giving western civilization ice cream. He brought the first recipe from the Orient some six centuries ago.

Popes Voice is Peter's and is Never Silenced

From a building surrounded by the City of Rome is raised to the world time and again the voice of a single man. Often his voice is raised in benediction, in spiritual direction, raised to fulfill the obligation imposed upon his predecessor, the first Pope, by command of our Lord to St. Peter: "Feed my lambs! Feed my sheep!"—raised by authority of Him Who said: "Who heareth you heareth me."

No army or navy or air fleet or submarines has the Holy Father. No forts on entrenchments or weapons of defense. Yet time and again his voice rings out, rebuking war-lords, deploring murder and persecution and cursing those who deny God, who make a god of the state, who make of their own race the elect of mankind. Again and again without

fear or favor, the Voice of the Vatican is raised against the enslavement of the laboring man through excessive capitalism, the slaughter of the innocent through so-called mercy killing, the crime against man's body through sterilization, the sin against God and nature through contraception, the threat against civilization through Godless education, the ruin of family and state through divorce.

Peter, the first Pope, and many others raised their voices and were murdered. Our present Holy Father may suffer a like fate; but the Voice of the Papacy cannot be stilled; for that voice is the echo of another which its own perpetuity by the 1900 years ago guaranteed promise: "Heaven and earth will pass away, but my words will not pass away."
