

THIS DAY and AGE

Lithuanian A. C. Plays for Inter-Lodge Basketball Crown

By defeating the Serbs last Wednesday night by the score of 31 to 22, the Lithuanian A. C. basketball team eliminated the Serb quintet from championship play.

The Lithians got sweet revenge in this victory for the two defeats handed them by the Serbs earlier in the season.

The championship series got underway last Wednesday night, March 5, and it's a two out of three series. The games are being played at the St. Clair Recreation Center on Wednesday nights.

If you missed the first game, don't miss the second one. During the regular season, the two teams playing in their series, broke even each winning one game. So that shows that both teams are about evenly matched and the fans will see some thrilling games before the 1941 Inter Lodge

League championship is decided.

All Lithuanians are invited to come down to cheer their athletes on to victory. Lets have a good cheering section down their Wednesday night and the following Wednesday if necessary.
