

THIS DAY and AGE

A Proclamation

STATE OF NEW YORK
Executive Chamber

The citizens of America resolved to defend their liberties at home and to champion the cause of representative government abroad, feel deep sympathy for the peoples of those small republics whose independence either has been crushed or is threatened.

Among those enslaved nations are the Republics of Estonia, Latvia and Lithuania which have provided this country with many loyal citizens now banded together in the Baltic American Society to preserve the democracy here and to restore its benefits in their home lands.

Estonia, Latvia and Lithuania have long been symbols of liberty. Their people have for centuries made great sacrifices for freedom and democracy. It is fitting, therefore, that the citizens of New York formally convey their sympathy to the people of these enslaved nations and give public expression of the hope that they will soon regain their freedom.

NOW, THEREFORE, I Herbert H. Lehman, Governor of the State of New York, do hereby designate Sunday, June fifteenth, as

BALTIC STATES DAY

upon which appropriate exercises may be held to celebrate the bonds of affection and regard existing between America and the distressed Baltic peoples.

GIVEN under my hand and the Privy Seal of the State at the Capitol in the city of Albany on this twenty-eighth day of May in the year of our Lord one thousand nine hundred and forty-one.

Herbert H. Lehman
By the Governor:

Walter and Brown
Secretary to the Governor.
