Should We Change Our Family Names?

Josephine Aleksa

Family names, why do people have to change them? Are they not proud of them? Are they not good enough for them?

The surname tells the world that we are Lithuanians and we are proud of the fact. These names, our fathers honored. They carried them and handed them down to us, as they had been handed down from father to son for generations. Some of these names were connected in history, others in music, still others in literature, art and government. But, the most honorable name of all is that name which simple, honest, courageous agricultural folk have born. These are the folks which are the closest to the heart of the nation and nature.

These, than, are the facts and reasons which give us the right to carry with highest esteem, the name of our father's unchanged and untampered.

[The GOSSIP COLUMN]

The biggest event of the year is about to come off. The gala occasion is due this Sunday at the Sokol Hall. And do you know who is giving this affair — "Birutes" Chorus. The most glamorous rhythms, the enticing melodies and an enchanting and mysterious plot are all rolled into one grand "splash". It's "Pericola", "Pericola", the operetta we have been waiting for.

The time for "Sandara's" picnic has rolled around again. This time it is to be held on Sunday, May 22, at the Royal Oaks Grove. So! Don't forget! It's a standing date! I'll be seeing you.

Mother! We all bow our heads in honor and love for the most grandest person in the world to us. Again, the time has come when mother receives the thanks that are she deserves. The day of May ninth is set in her honor.

A member of "Jaunoji Sandara Chorus" has just returned from a visit to Canada. And, is also planning upon going to Lithuania this May or June. He goes under the name of Kazys Pocius.

The well known radio singer, Mr. J. Romanas and his charming wife shall celebrate their silver wedding this Saturday. The place is Woodman's Hall.

The Lithuanian Auditorium was filled to capacity. The reason for this is Mr. Saltimieras who gave the program.

In Brooklyn a new magazine "The Voice" has recently appeared. The magazine is for the American-Lithuanian Youth. The arrangement of it

is well done, but it leans a little towards extreme radicalism.

The last chavalier to be honored with the medal of Gediminas is Mr. John Dimša. The presentation will occur this Sunday at the St. George's Parish Hall.

Hail To The Young Chorus!

After last Saturday's dance it seems that our Young Sandara Chorus is on its way up. All the people leaving the dance seemed very enthused over the work being done by the new aspiring Chorus. Under the tutoring of Mr. Kvedaras the chorus should rise to untold heights.

The chorus is planning ma-

ny outings this year. Among them will be trips to the beautiful dunes, picnics, and boat trips on our own gorgeous moonlight nights.

We are asking you, one and all, to come join our group as soon as possible. If you can read Lithuanian come to our chorus. We meet on Tuesdays at 7:30 p. m. Sandara Hall, 814 W. 33rd St.

MORE GOSSIP

What's the matter with Miss J. and Miss K? Do you think you are too good to come to the Sandara affairs?

Mary Barnett really limbered up and really let herself go at the dance last Saturday at Sandara.

The President didn't seem to be having a good time at the dance. Come now Mr. President you better limber up and let yourself go.

Would it have not been exemplifying if our young choristers would have taken their parents out to dance at least once.

New "Winner Bread" A Pleasant Surprise To All Housewives

In a meander through the neighborhood last week we came across something we felt the housewives of this community should know about.

A number of our visits were to grocery stores and after seeing loaves of bread in each with the name 'Winner Bread' across the wrapper, we decided to try a loaf. One bite, at dinner that evening, convinced this writer that he had been missing something for a long time. Upon further investigation we found that this new delight in bread was baked by PIVARONAS BROS. Inc., at 4620 South Marshfield Ave.

We called at the Pivaronas Bakery one afternoon and Mr. Pivaronas showed us how he makes his delicious "staff of life." One of the outstanding features about this bread is the fact that each loaf is made of more than half milk, making it wholesome and healthy. We could go on for

hours telling you about our new find but the best thing we can do is to advise you to try it. If your local merchant doesn't already carry this bread he can get a supply by calling Boulevard 5576.
