

**Besikalbant su Žmonėm**

(Pabaiga nuo pusl. 2)  
 Schenectady gyvuoja Lietuvių Apšvietos Klubas, turi apie 34 narius, LDS 18 kuopa su 36 nariais ir Literatūros Draugijos 91 kuopa, kuri turi tik 9 narius.

Butinai reikia pasirūpint, kad visi vietos progresyviai lietuviai priklausytų prie Literatūros Draugijos.

Meilunai gyvena Ballston Spa. Jų vaikai jau išaugo. Drg. Meilunas labai norėtų, kad Schenectady įsikurtų choras. Kur choras — ten tuoj daugiau gyvybės, daugiau veiklumo. Bet choro nėra ne tik Schenectady, bet ir Rochesterį.

Bendrai imant, rytinėse valstijose bloga su chorais. Net tokiam Brooklynne tėra tik vienas "Aido" choras.

Chicago tuo atveju daug daug laimingesnė.

**Kodėl "Keleivis" Pyksta?**

Ne tik politiniai, bet net psichologiniai gana lengva išaiškinti kodėl "Keleivis" taip pyksta ir rustauja.

Geo Shimaitis (Montello, Mass.) man pasakojo, kad penki "Keleivio" skaitytojai pas jį užsirašė "Laisvę." Tą patį pasakojo ir "Laisvės" vartininkas K. Čiurlis (Bayonne, N. J.). Brooklynne, ant standų, "Keleivio" ne tiek išsiplatina kaip budavo seniau.

Panašių žinių aš girdėjau ir kitur.

Iš tos desperacijos "Keleivio" šulai pradeda smarkiai meluoti. Dėl tos priežasties iš nykščio išlaužta melas, buk d. Abekas įieškąs darbo Lietuvoj, o d. Mizara norįs buti ambasadorium.

Iš tų melų žmonės juokiasi.

L. Pruseika.

**Rumunija Atsaukia Savo Atstovybę iš Anglijos**

Londonas. — Rumunijos pasiuntinybės charge d'affaires Rodu Florescu pranešė anglų užsienio ministerijai, kad esąs įsakytas uždaryti atstovybę ir konsulatą ir nevilkinant su štabais vykti į Bucharestą.

**Pranešimai iš Kitur**

**PRANESIMŲ RAŠYTOJAMS**  
 Prašome draugijų valdybas ir komitetas siųsti savo pranešimus anksti, kad užtikrintumėm vietą tai laido, kuriai jie talkom. Pranešimai turi pasiekti raštinę prieš pietus pirmos dienos, kurios laidas jie skiriam. Pavyzdžiui, jei pranešimas talkomam autradienio laidui, tai jis turi būt jau raštinėj prieš pietus pirmadienį. Visus atėjusius pranešimus spaustuvai sudaro nemažai kablumo: tankiai tenka išardyti jau subudavotą puslapį, kad įdėt pavėluotą pranešimą.

Jums, draugai, paskubėjimas nieko nekainuoja. Jei su mūsų prašymu nesisikaltysite, tai prašom nesusykti, jei kada pavėluotas pranešimas laikui nebus įdėtas arba visai neįdėtas. —Spaustuvai Vėdžjas.

## FILOMENI VYRŲ CHORAS DAINUOS "VILNIES" KONCERTE SEKMADIENI

Vasario 16 d. Sokol Hall koncerto programos bus vienas iš gražiausių ši sezna.

Tik trys dienos iki didžios pažangios spaudos iškilmės!

Visi vilniečiai, visi geros valios lietuviai, prašomi per šias tris dienas pasidaryti "Vilnies" metinio koncerto tikėty platinimui. Koncertas įvyks ši sekmadienį, vasario 16 d., Sokol Hall, 2345 S. Kedzie ave. Svetainės durys bus atdaros nuo 1 val. po pietų, programos prasidės lygiai 3 val. po pietų.

Tikėtai išanksto parsiduoda po 60 centų, prie durų bus 75 centai, vien tik šokiai 35 ct. Šokiai bus du orkestrai.

Ona Petrutienė Kulturos Choro Mokytoja

Programas bus labai gražūs. Apart plačiai išgarsėjusių Laisvės Kanklių Mėraus Choro, vadovybė J. Kenstavičiaus, ir Moterų Kulturos Choro, vadovybė Anna Petrutienės, dainuos Filomeni Vyrų Choras. Šis choras yra garsus visoj Chicagoj.

Apie solistus ir grupių dainavimą bus galima prisiminti vėliau. Dabar svarbiausia priminti, kad visi vilniečiai ryžtingai imtumeis platinti tikėtus. Tenka ir tas pažymėti, kad ši sekmadienį bus paskutinis toks

puosūnis lietuvių koncertas ši sezona. Chicago lietuviai žino, kad dienraštis "Vilnis" visuomet duoda šaunius programas. Šio sekmadienio programos bus puošnesnis ir visais atžvilgiais gražesnis už pirmesnius programus, nes programą pildys geriausi meno talentai.

Dainuos solo Chicago Opera Ensemble dainininkai Florence Hafse, soprano, ir John Contro batso, tenoras. Jie taipgi dainuos dueta.

Apie kitus programo dalyvius parašysiu vėliau. O dabar prašysiu visų vilniečių, tai patys dalyvaukite koncerte sekmadienį ir pakalbinkite savo kaimynus ir pažystamus, kad ir jie dalyvautų.

Kvieslys.

## Šiandien "Vilnies" Koncerto Darbininkų Susirinkimas

Ketvirtadienį, vasario 13 d., "Vilnies" salėje, 7:30 val. vakaro, įvyks "Vilnies" metinio koncerto darbininkų susirinkimas.

Administracija išsūtinęjo laiškus kviečiant draugus ir drauges apsiimti padirbėti ateiantį sekmadienį, vasario 16 "Vilnies" metiniam koncerte, Sokol Hall. Kurie negavote tokių pakvietimų ir tie kviečiami susirinkime, jeigu jaučiate, kad galėtumėte padėti dirbti.

Juo mes geriau susiorganizuosime, tai tuo geriau koncerto dalyviams patarnausim. O mandagiai ir gerai patarnauti yra vilniečių tradicijos.

Todėl draugai ir draugės, šiandien vakare kviečiami visi dalyvauti "Vilnies" koncerto darbininkų susirinkime.

Koncerto Komitetas.

## Konstancija Abekienė Išvažiuo į Rytines Valstijas

Konstancija Abekienė šiandien išvažiuo į rytines valstijas moterų veiklos reikalais. Ji bus tūlą laiką Naujoj Anglijoj. Taipgi apsilankys New Yorko apielinkėje. Iš rytų grįždama į Chicago pasakys keletą prakalbų pakelyj, Rochesterj, Detroito, Grand Rapidsje ir tt.

Massachusetts valstijoje ji aplankys beveik visas žymesnes lietuvių kolonijas. —Rep.

## LKM Choro Uzdaviniai

Šiandien daug darbo guli ant choristų ir mūsų vedėjo J. Kenstavičiaus. Kankliečiai mokinašis ne tik operetę, kuri bus suvaidinta kovo 30 diena, Sokol Hall, bet turi daug ir kitų darbų. Šį sekmadienį Kanklių Choras dainuos "Vilnies" koncerte.

Vasario 9 d. Gramonto salėje įvyko choro pamokos. Mokinimosi darbas eina sėkmingai. Šį trečiadienį vėl įvyks choro pamokos Gramonto salėje.

## Prisirengimas Prie "Vilnies" Koncerto.

LKM Choras stropiai rengiasi dainavimui "Vilnies" koncerte, kuris įvyks ši sekmadienį, Sokol Hall, 2345 S. Kedzie ave. Programas prasidės 3 val. po pietų.

Kankliečių pareigos ne tik pamokas lankyti, bet reikia ir kitus darbus dirbti. Nustatėm rinkti šelkėmus į programus.

LKM Choras žaislų parė įvyks vasario 23 diena, Hollywood salėje.

Mūsų choras kovo 2 dieną suvaidins Lietuvių Liauovybės salės metiniam parengime komediją "Svetimos Plunksnos".

Kaip matote, darbo yra daug. Todėl visi prie darbo, kad viską gerai išpildytume. —Širdukas.

## Literatūros Draugijos Pirmo Apskričio Komiteto Susirinkimas

Ketvirtadienį, vasario 13 d., Lietuvių Literatūros Draugijos Pirmo Apskričio Komiteto susirinkimas "Vilnies" svetainėje, Pradžia 8 val. vakare.

Visi Apskričio Komiteto nariai susirinkime dalyvaukite. Butų gerai, kad iš knuopų komitety kas nors susirinkime dalyvautų. Tiesa, kad mes neturime tekių didelių darbų šiam susirinkime, bet prieš mus šių metų naujų narių vajus.

Apskritys nusitarė gauti naujų narių toki pat kiekį kaip ir pernai. O vajus baigsis gegužės mėnesį. Todėl šia proga tenka priminti, kad jau dabar knuopas pradėty naujų narių vajų.

Komiteto Narys.

## LLD 104 Kuopa Parėmė Harvester Streikierius

Aukavo iš kuopos izdo ir kuopos nariai.

Pirmadienį įvyko Literatūros Draugijos 104 kuopos susirinkimas, kuriame atsilankė nuo streikierių atstovas ir paipašė paaukauti del knukios.

## Streikierių prašymų kuopos susirinkimas apsvarstė ir nutarė iš izdo paaukauti \$5.00

Taipgi kuopos nariai tarp savęs parinko aukų. Viso streikieriam ši kuopa parūpino \$10.01.

Per patyginamai trumpą laiką, biškį daugiau kaip per savaitę, pažangios organizacijos streikierių knukniai suaukavo virš \$80. Taipgi pažangūs biznierių jau nemažai aukavo.

Man dar neteko matyti, kad butų ką nors aukavę streikierių reikalom tokios organizacijos, kaip Chicago Lietuvos Draugija, kaip Keistučio Klubas ir tt. O ši organizacijų diktas skaičius narių dirba Harvester Co. fabrikuose ir yra daugelis streiko lauke.

Streikierių knuknei parama greitai reikalinga.

## Keistučio Klubo Choro Valentine Pramoga

Lietuvių Keistučio Klubo Choras auga ir lujoja. Šį ketvirtadienį po choro pamokų nariai turės Valentine pramogą. Pramogos komisija, kuri susideda iš jamuolių, Emil Schneider, Aldona Mažėka ir Elizabeth Dagis, sako, kad tą vakarą bus daug įvairumų.

Pirmas šokis bus "susipažinimo šokis". Kaip tas bus įvykin-

tu, tai pamatysite ketvirtadienio vakare.

Bus gėrimo ir užkandžių. Po to rinkinsime Valentine karalių ir karalienę. Be to, bus skrajojanti pašta. Bus galima sūsti atli-rutes. Sako, kad per Valentine laiškus galės mergelės sužinoti, ar jas berniečiai myli.

Dainas galės dainuoti visi. Atrodo, kad bus įdomus vakaras Keistučio Choro nariam ir draugiam. Tik Aš.

## Threat To Health Is Seen in War 'Boom'

DETROIT. — The health of the people will suffer a serious let-down as the national defense program unfolds. Epidemics of contagious diseases and an increase in industrial ailments and accidents, loom in the coming years.

This is the conclusion that doctors of some of the plants here, or physicians whose clients are largely auto workers, draw here.

Detroit is perhaps the best ground for such study as it is common knowledge here among physicians that hospitals and doctors are taxed in the same proportion that auto plants work. Only the war boom is making this fact much more emphatic.

The National Defense Program with its speed-up of work, its introduction of new processes, and its increasing of the length of hours of work will expose workers to the poisons of industry, and by increasing fatigue will decrease resistance to disease and increase the potential accident hazard. Add to this the increased cost of living with the relative decreased purchasing power will reduce the diet of the people, and thus bring about diseases of dietary deficiency and a break-down of the resistance to disease.

### DEPARTMENT INADEQUATE

Defense orders have already increased the hazards in industry. In Michigan, the Department of Industrial Hygiene, Board of Health is five months behind its schedule of plant inspection for industrial hazards.

This Department has a budget of around \$40,000.00 per year which is less than 1 per cent of its need.

The National Defense budget which proposes to spend many billions of dollars for munitions and for the means of producing death and destruction at this moment is resisting any effort to appropriate money to protect the workers from diseases and accidents in industry, or to protect the public from the spread of epidemics.

Dr. Paul A. Neal, Chief of the Division of the Industrial Hygiene, United States Public Health Service, stated that at this time one million workers were exposed to silicosis, one and one half million to other dangerous dusts, one million to carbon monoxide, three-fourths million to lead, and thirty-four thousand to arsenic.

Every indication points to increase in diseases. A drastic step to improve housing and some serious investment to provide for health protection and enforcement of industrial hygiene laws, could at least prevent the blow from being too serious.

### Unions Back Hearst Guild Fight in Chicago

Pledges of intensified support for the Hearst unit of the Chicago Newspaper Guild in its current fight against the Herald-American are mounting daily as CIO unions from coast to coast join in the battle against the notorious labor-hating publisher.

Reports from CIO headquarters indicate that many international unions already have placed all Hearst publications on their blacklist.

## Hundreds Siezed In Nazi Raids

STOCKHOLM. — Reports of continuous street fighting and hundreds of arrests in western Norway growing out of opposition to the puppet Nazi regime of Major Vidkun Quisling emanate from Oslo.

In an address at Springfield, Ill., on Jan. 27, 1837, Lincoln, then a member of the legislature, said in the course of a discussion of the dangers to free institutions:

"At what point shall we expect the approach of danger? By what means shall we fortify against it? Shall we expect some trans-Atlantic military giant to step across the ocean and crush us at a blow?"

"Never! All the armies of Europe, Asia, and Africa combined, with all the treasure of the earth (our own excepted) in their military chest, with a Bonaparte for a commander, could not, by force, take a drink from the Ohio or make a track on the Blue Ridge, in a trial of a thousand years.

"At what point, then, is the approach of danger to be expected? I answer, if it ever reaches us, it must spring up among us. It cannot come from abroad. If destruction be our lot, we must ourselves be its author and finisher. As a nation of freemen, we must live thru all time, or die by suicide."

## VILNIS CONCERT FEB. 16th IS ELABORATE AFFAIR

Chicago Lithuanians will again be able to witness an All Star Program when on February 16th, at Sokol Hall, 2343 So. Kedzie Ave., the Vilnis concert evokes. The committee in charge of arrangements has gone to great lengths in order to insure a varied program and to date it includes such notables as:

- (1) Paul Stogis, notable Lithuanian basso who has on other occasions delighted audiences with his well rounded voice.
- (2) Bob Ballantine, NBC artist. His harmonica solos rate high over the airwaves. The committee has been fortunate in contracting him for the concert.
- (3) M. Sarapu, is a youthful Latvian soloist. She is noted for leading roles in operettas and only recently appeared in a production sponsored by the LLD, at the Lithuanian Auditorium.
- (4) Youth classical dancers, S.

Sakauskas and S. Brazis will do several classical interpretations. Though quite young, both have made an enviable record for themselves through past performances.

(5) The Grenadiers. And who hasn't heard them before. F. Jacobs, A. Brazis and M. Batutis are in a class by themselves. F. cools, A. Brazis and M. Batutis Jacobs recently soloed and it is quite possible that the audience will demand it at this concert.

(6) L.K.M. Chorus. Under the direction of J. Kenstavicius, musically, the group has built up a powerful repertoire. It is the finest choral group in Chicago.

The concert end brings forth a snappy dance band and the floor is cleared to make way for swaying couples.

Tickets for the arrangement sell for 75c at the door, and 60c if bought in advance. For the dance solely, tickets are 35c.

## AMERICAN YOUTH 'WANT PEACE' CRY IN WASHINGTON

WASHINGTON, D. C. — America's youth gathered in Washington and more than 5,200 strong to tell their Congressmen and Senators that they want no part of Europe's imperialist war.

Under the auspices of the American Youth Congress, young people came here from every state in the union from California to Maine conducting what was literally called, a Town Meeting of Youth.

At this Town Meeting, the young people representing a multitude of organizations, trade unions, civic, fraternal, church, YMCA and YWCA groups, exercised their democratic rights in proclaiming determination to keep America out of the war.

### PARADE IN CITY

The entire body of delegates paraded through the heart of Washington to the tall white spire of the Washington Monument and then to the open-air Sylvania Theatre where they were addressed by Rep. Marcantonio.

As it gradually became dark, marshals lit the flares which the delegates carried and their march became converted into a torch-light parade.

The delegates, who packed every seat of the Turner's arena which is usually the scene of prize fights and wrestling matches, broke into a spontaneous demonstration when McMichael, chairman, shouted the familiar AYC slogan: "The Yanks are not coming."

The delegates gave McMichael a prolonged rising ovation when he called "all out for a real, program to defend the security and democracy of the American people."

### INDICT BETRAYERS

But even if the speakers had to get up in a prize ring in the center of the hall and could only face part of their audience at a time, the delegates made up in enthusiasm and applauded for all the inconveniences.

AYC Chairman McMichael devoted a considerable part of his keynote address to proving in detail that the break between the administration and the AYC was due completely to the administration's betrayal of its former social program.

After the McMichael keynote, the delegates discussed the problems of civil liberties and of young trade unionists. During the civil liberties session, called "Youth as Citizens" they cheered a strong plea for the protection of the civil rights of Communists and other minority groups.

### PASS YOUTH ACT!

After analyzing the administration's job-training program as an instrument to gain the manufacturers' higher profits, call for the passage of the American Youth Act as youth and labor's real solution to the problem of job-training was issued.

Warmed up by the eloquent voices from every corner of the country, the thousands of young delegates tore their throats yelling "organize Harvester" when the chairman introduced Tom Foley, strike leader at the Chicago plants.

"There's no doubt that if you help us win and we get our demands it will sweep the country," said young Foley. He urged Youth and labor "to stick together to fight this last battle of democracy in America."

### LITHUANIAN YOUTH PRESENT

Among the number of delegates present, some were Lithuanian youth. They too played a leading role in voicing their opposition to war and war participation. They represented some of the leading Lithuanian American organizations in the United States.

## Youth Assail N.Y.A. Militarization; Knock Undermining Tactics

The original aims of the National Youth Administration are being undermined and the Administration itself is being "transformed into a program exclusively for production in war industries", it was charged by the two youth members of the Advisory Board of NYA, Howard Lederer and Frances M. Williams.

In a formal statement, the youth leaders appealed "to the public for active support of the original principles and purposes of the Youth Aid program."

"We are certain," they said, "that public efforts can restore the NYA program to its original purpose of providing vocational guidance, training and part-time useful employment for young people to find work in private industry."

### NO SHORTAGE

With concentration in war industries, the statement declares, "has come the elimination of any semblance of sound vocational guidance. . . Young men and women are now working on a mass production basis in the manufacture of war materials and equipment.

"The only kind of training possible with this type of production is that which is creating a vast army of unskilled and semi-skilled assembly line workers; no one is being prepared for a lifetime or useful employment at a peace-time occupation. The fact that there are still millions of unemployed in our nation proves that no shortage of workers exists to justify the absorption of youth into this dead end production program."

### ON INDEPENDENCE

The 16th of February will witness defunct tribal gatherings of individuals whose aims to keep the Lithuanian state in degradation and dictatorship, have fallen through.

In the name of independence and democracy these individuals for years have worked hand in hand with the ruthless plans of Antanas Smetona, now refugee president of Lithuania.

Lithuania under the Smetona regime suffered a burden untold. Unemployment, starvation and wholesale imprisonment of peoples who fought for decency and a right to live, was the order of the day.

Today Lithuania, freed of the yoke of oppression marches on to a healthier life. A life of opportunity, of happiness and a guaranteed future. Lithuania belongs to the people now. Gone are the landlords, the exploiters and deprivors of civil liberties. The prisons that once overflowed with fighters for democracy are emptied. Firing squads are no more. Never again will the shooting of innocents, of true fighters of freedom and independence like Giedrys, Pozela, Griffenberger and Ciornis, take place. Lithuania is truly free. The right to vote, the right to work and the right to live, is the constitution of the new order. Lithuania today is truly independent and guaranteed independence by that great socialist state—the Soviet Union.

The individuals who sponsor the so-called "independence" meetings on February 16, gnash their teeth in anguish at the thought of a free people. They and their "comrades" work and wish for the return of the fascist state. Even here in America they look forward to the establishment of a system of fascism. They lend all possible aid in this direction.

Lithuanian American youth would do well to check on these typical fifth columnists and aides of Hitler. In the name of independence, they work for fascism and the corporate state,

### ON LITHUANIA

Recently there has been issued a pamphlet called "The New Lithuania." Written in popular style, Anna Louise Strong noted journalist and author, gives a graphic description of events that lead to the eventual formation of a new government. Vividly portrayed are the connivances and "back door" schemes of the Smetona regime, including the planned betrayal and sellout of the nation to German Nazism.

Miss Strong was present in Lithuania during the course of events and witnessed the total proceedings.

## Just Commenting

"JUST COMMENTING" is a second series of articles written by a youth who is trying his best to analyze certain situations. The writup in this issue is in reference to the Lend-Lease Bill just passed by the United States House of Representatives. We welcome the comments of this young Lithuanian and hope that more writups by him and by others are sent to the Vilnis English Section. We invite you to write your version of the situation according to your own understanding. In this way only, can we arrive at a definite and truthful conclusion. (—Ed.)

Well it shouldn't be long, now; we won our independence and freedom in 1776 and may lose man's thousands of years of progress in bill HR 1776. House bill 1776 is called Lend and Lease Bill—lend to England means give to England—lease materials and men until they are released by rust and providence. The House of Representatives passed this pet bill of F. D. R's almost unconditionally and voted DOWN a CLAUSE TO PREVENT the sending of an A.E.F. to Europe. Unless the Senate does some tall paring our money, materials and men are once more on the road to Tipperary.

**Leave it to England!** According to Lloyd George, "England made a profit in the First World War." It cost the people of the United States 27 billion dollars during this war and more than 200 billions of dollars after the war. And it's still costing. Billions mind you, not millions.

England with its Empire has a smaller public debt than the United States and we aren't even in the war. Or are we? In the next one and a half years we are going to mortgage, says our current financial sheets, "our future to the tune of the pied pipers of England for 20 billions of dollars," all for gratis in bill 1776. The diplomatic English in order to insure all this have put on the squeeze play. "If you don't do this," they say, "we will stop buying from you." They have already done this to exert pressure toward the passage of bill 1776 by not placing any large orders since last December. In other words unless we give them the war materials they won't buy anyway? In fact, they even threaten to stop fighting. Whose

war is this anyway? The English say it's ours and our statement are bumping their heads in the haste of giving them anything they want.

The English admit they have over 15 billion dollars in overseas capital investments, but they say, "can't you see that this belongs to the Lords, the Dukes and other title holders. They have taxed their people almost to the limit and unless we help them—the Lords etc., may have to cough up. This can not be, so they come to the richest colony and say to the big business men: "We are not asking you to use your own personal fortunes—tax your people like we tax ours. Your industries will hum and we'll all make money." Bonds are being printed right now and in a short time you are going to be buying American Defence Bonds and like it, for dear old England. Get ready to dig and dig deep—for Dear Old England.

In the event that you have the World's troubles all in a nut shell—most of us do these days—and my comments do not chime with yours, keep your shirt on and remember you can comment on my comments just as I am commenting.

## AS I SEE IT AMONG LITHUANIANS

By GEORGE STARKAUSKAS

### "GETTING PERSONAL"

The expose of Frank Stulgis' "Fifth Column Amongst Lithuanians" appearing in past issues of the "Tiesa" must have hit the nail on the head. "Jaunimas" (Lith-American newspaper) has been bellowing since. One thing about facts are that they hurt. Especially when one is fascistically inclined. Or are we putting it mildly?

### A. SMETONA

Since that outstanding occasion when he had to hightail for cover in order to escape the wrath of the Lithuanian people, Antanas Smetona has been growing a beard. It seems that there was a necessity to disguise himself when making his rapid exit, so he shaved off his beard. Now under the careful guidance of Adolph Hitler, the old gent is regrowing his beard and primping himself for a personal appearance on the American continent. "Jaunimas" claims that the beard is a necessity, "otherwise, without it, he would be unrecognizable by the people."

We beg to differ. Beard or no beard, Lithuanians can smell polecat anytime.

### LITHUANIAN UNIVERSITY CLUB

The "Smetona Front" is boiling over the fact that the students who comprise this organization refuse to listen to them. It seems that they prefer to follow facts and are not willing to be lead by the nose. The essence of intelligence is when one uses his own head and not somebody else's. The "Front" thinks otherwise.

### VITALIS BUKSNAITIS

This writer of the "Take It or Leave It" column in Jaunimas is worried over the funds that are being collected to aid Lithuanian "refugees". In the January issue of "Jaunimas" he writes: "Of course, it may be that my suspicions are base and unjust (in relation to the fund). But when questionable methods are resorted to in order that the funds be collected, is it unreasonable to suppose that the expenditure of such funds will be equally questionable? After all, I'm not bringing up this question as an outsider, but as a member of two of these funds. Just what percentage of the collected money will reach Lithuanian refugees? How much of it will be used for the relief of needy Lithuanians. How will this relief be administered? Or will all the money be used to maintain only members of the former government of Lithuania and their relatives in reaching the United States of America?"

Lithuanians would do well to note the above quotation. The fund in question is for furtherance of Nazi propaganda in this country. If funds are collected, and I say if because a minute section of American Lithuanians have supported the fund, they will be sent to the Berlin headquarters of the now defunct Lithuanian government. Working hand in hand with Nazis, it can be expected that more Nazi Lithuanian propaganda will reach these shores. Furthermore, none of these fund collections agencies are registered or sanctioned by the state or any governmental agency. The result is that they can fill their own private coffers under the guise of "aid" to refugees. The federal government would do well to inquire into this fund and its management.

### "JAUNIMAS" RHAPSODY

So you don't read "Jaunimas"? Well you're a Red! And you don't believe what we write? Bolshevicki, thats what you are! Don't take our word for it? Communist, you! Won't support the "refugees"? Stalinist! Read the Vilnis? Godless! Support the new Lithuania? Fifth columnist! Honest, believe us. We're telling the truth. They're starving out there. Everybody is starving. You have to work for a living now. Not so before. Please. Please take our word for it. Those Russians, they eat Lithuanian babies for breakfast every morning. Don't believe your friends. They lie! Anybody who doesn't believe in our wire service direct from Berlin must be a liar. We print the truth. See!

### ON SPORTS

The Lithuanian American Athletic Association has just announced that under their sponsorship a "national" bowling meet will take place in Cleveland, Ohio. One of the dates selected for playoffs is said to be May 3-4. We wonder why?

# CHI FEMS KNOCK 'EM FOR A LOOP

Hello, Cleveland. Here we come, well, almost anyway. If each LDSer and their friends come to our Journey-Tourney Dance, on March 1st, at the Lithuanian Auditorium, we can start shining up the bus.

As we predicted last week that the Skraps are bound to win one game from the Chubbies, really did come true. Despite the 400 series each Chubby raked up, the Skrappies beat them by thirty one pins.

The Squaws covered their eyes with their hands, and cried "No, No, it can't be true," when they thought they lost that second game against the Monarchs "Miladies." Fortunately an error in addition of one hundred pins was found. Do we need an adding machine, or do we? However, this wasn't enough, the Squaws won the last game by one pin. We then heard one of the Monarchs remark, "There just isn't any use in arguing with the pins."

Little Anne Peters finds Butcheriene Kwains coaching helpful, she increased her score with 13 more pins immediately. Gussie came down to the alleys last Thursday, after nursing two colds. We hope you will be in condition to participate tonight, Gus.

Hy there, Joe Sherlock Sacal, back from Noo Yawk, eh? We'll bet you came down for some pointers on bowling, so that you could enter the bowling tourney in Cleveland too.

Frances Arlis did not wear her bowling shirt, consequently she bowled some low games, or was someone else using your ball?

Watch out there, Lil Retis, you'll have house maids knees yet, by bowling that way.

The girls are now keeping one eye on the foul line, but before long we will find it necessary to take the benches out to provide room.

The Redwings "Squaws" have once more captured first place which may be short lived when they face the Chubbies tonight. Here are the present team standings:

	Won	Lost
Squaws	33	15
Chubbies	32	16
Skraps	17	31
Miladies	14	34

- First ten high boppers:**
1. Cel Riva ..... 156
  2. J. Shaiko ..... 153
  3. G. Machen ..... 151
  4. L. Retis ..... 143
  5. B. Kunsy ..... 132
  6. N. Gizevich ..... 131
  7. J. Kunsy ..... 129
  8. B. Zalatoris ..... 127
  9. B. Urbelis ..... 124
  10. I. Stankus ..... 120
- 1850 is quite a long time ago when the first bowling ball came out with holes.

# NOTED LITH PIANIST IS TO MAKE DEBUT AT ORCHESTRA HALL

CHICAGO, Ill.—On March 16th, at Orchestra Hall in Chicago, the city's Lithuanian Americans will have the opportunity to hear and witness Vytautas Bacevicius, noted Lithuanian pianist-composer.

Arriving only shortly from Lithuania, Mr. Bacevicius has toured the South American continent and now, after successes in New York, Boston, Cleveland and Detroit, he arrives in Chicago.

# THE OUIJI BOARD

Turn the lights out—turn them out.... ah, now we want you to concentrate, concentrate, concentrate on the subjects at hand. For you beginners we are conducting an LDS Seance—our aim is to contact all the missing members of that old gang of ours and of course to ferret out any secrets any of you might have. Ready? Well, here goes—quiet please, quiet, quiet....

No, no, this isn't a construction gang where men might be working Mook. After all, if you can't concentrate at least be still. Well, shiver my timbers if our first venture into the realm of spirits isn't about — about Mook—it seems that he is a jack-of-all-trades especially when it comes to bartending for the Sparks Social—serves beer and still manages to keep his weather eye open for any prospects among the fairer sex.

The fairer sex reminds us that Tony Guzauskas and Aldona G. are seen together quite often and just between us she's wearing a locket he gave her. Could be in lieu of a — well — a engagement ring?????

Must run in the family cause our Board says that Alex Klaud is seen in the company of Aldona's cousin pretty steadily lately....

Now, now, yes we're trying our level best to contract Wally Stein but he's an elusive customer right now—who knows but what we may see him at our next session which is at the Vilnis Concert Sunday.

Poor Cookie, ever since he bowled with two of our prettier league girls he's been bowled over by a cold—we've been missing his brother and cousin too—but maybe next Sunday?

Now it can be told, if you live with a person you generally start looking and acting alike but we can't understand it; Jessie and Mr. Kenosha smile alike and resemble each other a lot—

Cupid seems to have pierced Bertha Z. and Bruno's hearts—or is it just a deep understanding—come, come, you can tell us, we won't tell A soul....

Education is a fine thing we always say—just see what it did for Paps.... He just graduated High School but can certainly handle any lady that rings his doorbell... and we DO mean handle.

Flash! Did you ever wonder who was the ideal married couple in the LDS? We have, and now for the final decision made by a personal survey on the Ouiji Board we are proud to announce: Mr. and Mrs. John Petritus—Are we right? The vote is unanimous so here's our congrats.

Yes, we see that Joe Sacal is back—but can it be that he's changed somewhat? Somehow he seems stuck-up or more reserved since we saw him last—perk up and see if you can smile and say hello the next time we meet, will you?

Everyone is looking forward to

# "SPARKS" PREPARE NOVELTY

This year the LDS Sparks will hold the Monte Carlo Nite on their own; instead of in conjunction with any of the adult branches. The Sparks committee for the affair have the most novel innovations and plans imaginable and are looking forward, with optimistic glee, to Saturday, March 8th.

It's scheduled to be a big affair—with a nifty musical group, featuring an electric guitar, to provide listening and dancing music, the dancing in one hall with the bar and refreshments handy—with many types of skill and chance games; an archery elimination tourney, "Sparko" the "game of wealth," car racing, room for card playing, etc.; and even a "mystery" fortune teller who might change the course of your future life. A door prize of five dollars, winner need not be present, is another attraction.

To make the Sparks Monte Carlo Nite a success to the fullest extent, the assistance and co-operation of the total membership is needed. Each member can aid in one way, at least: by selling tickets, by getting booster money (25¢ a name, which will be printed in a Monte Carlo ad-program book), by working that night (at a game, or the bar, etc.) and by publicizing the event to your friends (and even enemies).

# DO YOU READ THE V. E. S. REGULARLY?

the proposed Cleveland trip yet there's one lasso that is extremely interested—some interference on our Board—and we can't tell exactly; guess it must be a man! It's static or somepin' but we notice a faint echo of "I do"—that will be put into use by two very good friends of ours within the next six months and we don't mean yehoodi....

Yesiree Bud Jasen is getting or has already a Brand New 1941 car, already he's promised a young lady the first ride goes to her... We'll be awfully quiet so can we be chaperons?

Someone in the audience wants to know "What has happened to Rube". In just another seance we'll be able to inform our inquisitor (female) so pull in your ears....

Our guess is that the mailman who delivers the mail to 7030 So. Campbell wishes Eddie Kovell would send his books—pardon—we meant letters less frequently. Our latest reports show that he's getting flat feet so when and if Ed gets a furlough in April we think we should at least buy the guy a pair of arch supports—all in favor say "Aye". Oh, well, we don't blame him cause that's showing true love.

Turn your lights on now, folks—the next session won't be held until next Sunday so see you all at the Vilnis Concert...  
Fish ala Posh.

# Aido Bits From Detroit

February 9th is now history, the day of our big semi-annual election meeting has come and gone. But the significance of the day has been assigned to Sunday the 23rd; the Sunday following our concert of the 16th of February. This was necessary to cause as little disturbance as possible to the machine organized to conduct the affairs of the concert. A lengthy practice also added weight to the argument of delay. Wally didn't want to stop practice early because we got a late start and since we will have to sing this Saturday at Yemas Hall, 7:30 P.M., practice is all important. Everybody turn out this Saturday and Sunday. Till next time.

# LDS GRADS GRADUATE AT TODD'S

CHICAGO, Ill. — This weekend will mark the 6th week of sessions on varying subjects at a school organized by the LDS (Association of Lithuanian Workers).

To date some fifteen students have been attending regularly. They are representatives from practically every LDS branch in Chicago.

Held at the Mark White Park Center every Friday evening, the students have gained tremendous knowledge that will aid greatly toward understanding the organization and will throw much light on organizational tactics for the future.

Sessions to date have included: Lithuanian History, Parliamentary Procedure, Internal Organization Structure. Following classes will deal with: LDS Structure, Current Events and Youth Movement in America.

On the 22nd of March graduation exercises of the students will be held. They will take place at Michael Todd's.

# LITH TAKES BALL TITLE

Joe Platak, young Lithuanian of the Lake Shore club won his fifth consecutive Illinois State Central AAU singles handball championship in the Midwest Athletic Club. Platak who is also six time national singles champion, dropped only 3 points in winning from his opponent George Di-Re, 21-1, 21-2.

Platak has been going to town since he entered handball playing. His consistency and speed makes him a tough customer to handle. We'll be hearing more about Joe in the near future.

# HOUSEHOLD HINTS

HINT—To save steps when tidying up living and dining rooms, have at hand a paper bag into which you can empty ash trays and waste paper baskets.

# REDWINGS COLUMN

A very enjoyable evening can be had by attending the Redwings Merit Award Banquet. It will be held at the Bungalow Inn, 5850 W. 111th St., on February 22, 1941. Chicken dinners and other refreshments will be served and the price is only 65 cents per person. Real danceable music will be on hand for the people to enjoy, as popular requests in songs can be had, Jackie Lee and his orchestra promises to have a large repertoire that dates back-way back when. Make your reservations calling or seeing Jessie Shaiko or calling Laf. 2329. The meeting place will be at Hollywood Hall, at 7:30 P.M., Saturday night. And the dinner will be served promptly at 10 P.M., Saturday night. Transportation will be there to accommodate the people who wish to attend.

# SPARKS SOCIAL

I wonder what the Sparks would do without the Redwings loyal attendance. Next time, Sparks, have it in the Brighton Park district so we, Redwings, won't have to go so far. Ha, ha! Bertha Zalatoris of the Moanarks came in late with three escorts, mind you, but of course, Bruno Baron was the actual heart throeb. She received some of her Valentines prematurely but tomorrow she will receive the real thing! A gorgeous "Double Dribble" all wrapped up in cellophane from we know who! don't we!

A collection was made by a Redwinger (?) to have the nickelodeon know what money looks like—Am still wondering if that little shoe shine boy really had to kick in with 10 per cent of his earnings—Bronie being a gentleman—and taking opportunity to dance at least once with all of the Sparkettes—I would say presidential propaganda—or was that the Sparks technique, Bronie?

After a two bit entrance fee, each person was given two one-cent Valentines to send to their choice and the receiver of most cards was to receive a prize.—Bronie and Helen Lane were so voted as the "Sweethearts" of the social.—Satchel Joe came in late, I wonder where he left "the Handle" or doesn't he know—we sort of miss her, Sully, minus the crop from under his proboscis, trying to convince a very lovely lady the advantages of being a L.D.S. member, did you convince her, Sully?

President Urbickas using plenty of charm on diminutive Mary Shimkus.—We bowled lousy anyway, pres, but the spaghetti was swell.—Al Vestart and Frank M., showing the wall flowers new and intricate dance steps, the kind usually made on the spur of the moment.

San Antonio Rose seemed to be the favorite record, which was played so often I'll bet it sprouted buds.—To give a personal invitation usually comes from the heart, I guess, but to fail to carry it out is a cause from some explanation even if she is a very popular Sparkette—so with my two one-cent Valentines in my pocket, unsigned, I left with who?

# The Escort.

## LDS MERRY GO ROUND

### LDS TRAINING SCHOOL

At last Friday's session the students of the school witnessed a very interesting talk on organizational work by Miss Thompson who is a representative of the I.W.O. Since the regular classroom is being decorated this week the students will meet at Miss Lane's home at 646 W. Garfield Blvd. There are just a few more sessions left for those wishing to attend. There will be a fee of ten cents for each session attended.

### SEVERAL MEETING NIGHTS CHANGED

Since the bowlers meet each Monday and complete their games rather late the Sparks have decided to change their meeting night to the first Wednesday of each month to see if the turnout of membership will be greater. It is reported that the Cicero Zips will meet jointly with the adult branch this coming month, as the youth do not attend regularly. The Monarchs will retain Monday as their night for meeting leaving Roseland and the Redwings to bring forth their report. The council appreciates the co-operation of the branches that have made it possible to make the changes.

### JOURNEY-TOURNEY DANCE

Is just what the dance represents that the bowling league is sponsoring to raise funds for the journey to Cleveland for the LDS National bowling tournament. Chicago will be represented fully as the directors George Kwain and John Petritus are ardently making final preparations for the affair March 1st at the Auditorium. ### IDLE LOQUACITY

Monte Carlo Nite will soon be here and every Sparks member is out selling their tickets like mad as there will be a prize awarded to the member with the highest sale of tickets.... Of course you would like to know Frank Cook's given name. You would guess forever and never think that it would be Cyprian. Rather odd isn't it...? When Tex Zebraitis wants to spread a bit of gossip he says, "You know my wife thinks this of you and said the other about you".... What will happen when Kay is approached with this gossip.... Look out Tex.... Ray Russel has a new camel hair coat and insists upon dancing with it on... He sweats like a bear but refuses to part with it...

Redwings and the Monarchs will soon sponsor their dances and the girls are just pestering every LDS'er to be a well wisher for the ad book. High pressure sales talk was displayed by the girls of these branches at the bowling alleys last Thursday.... Delia Yurkonis has gotten the Chubbies to talk baby talk.... My, my such overgrown babies.... Since the rules were published for the bowling tourney the girls are doing their best in observing the foul line... No more sliding down the alley and gutter to greet the pins eh girls.... Real bowling etiquette will be displayed and observed from now on, so help you... Joe Satchel always gets such a nice welcome by the girls each week.... great to popular.... Stella Kolesky is the calmest bowler if you will notice... while Lil Jukubonis gets very excited when she gets a strike that she wishes she could do it all over. With a few weeks several bowling teams will scooterpump along the highway and prairie to Rockford for a few games and will cherish their raving hospitality... Now don't bring out the boys from Camp Grant to welcome them. Just friendly LDS'ers will do... Better prepare Rockford, for they really are looking forward to the trip.... When the girls finish bowling Julius Urbieks steps in to bowl with the Squaws... Should watch him for he may become one of the team in the future.... Gussie Macken, after a long illness, visited the girls and watched them as they bowled... The Skrappies will look forward to her return very soon.... ALL OUT TONIGHT TO THE AUDITORIUM SUBWAY BOWLING ALLEY FOR MORE FUN WITH THE GIRLS...

## GUTTER GAGS

Say! Did you get your tickets for the Journey-Tourney Dance? No? Well, its not far off so get a few now, from any Chicago L.D.S. Bowler. Take two at least, one for yourself and for the honey bunch. The place is Lithuanian Auditorium on March 1, 1941. The best in musical entertainment and first rate refreshments will be offered.

Every person who attended the Bowler's Dance on January 18, can really say they had a good time there. So come out again and help the bowlers raise that Lank account as well as enjoy yourselves meeting old and new friends. On May 3 and 4 the Chicago teams will attend the National Bowling Tournament in Cleveland and thus it is the hope of everyone that Chicago come out on top in honors.

"Darn it! Look at that hit, right in the pocket and what do I get! a "railroad" or a "tap", such was the constant jabber and moans heard from the bowlers last Monday night. Very new pins were used and as result, the "Key to the Crying Room" was used frequently.

Pop Kwain really a good bowler, made the scores of 115 and 102 for the first two games. So the Redwings "A" team are considering a change in anchor men, eh, George! While Pop was struggling, Tony Paulus blossomed out five strikes in a row in his first game getting a 225 game.—Also Al Klauud "kicked" his way to a 213 game in the middle encounter but—what was the score of the third? It was, let's see now—oh, yes—104—tch, tch, Al—the most spectacular shot of the evening was made by Paskier. He got the hard 6-7 "railroad". Tony Guzakus, new member of the Sparks B team displayed a three inch scratch on his right hand—it must have been some "wildcat" he went out with over the week end—or was it some redheaded blonde with curly dark hair, Tony.

It looks like the Foul Balls are a cinch to break the tape for the coveted first place prize. They doused the Sparks "B" team to an ash pile when winning all three games.

As their stablemates were beaten, so were the Sparks "A" team by a 2 to 1 smear from the Redwing Bombers. Tony Paulus' 225 game and spurge on strikes paved the way for two wins for the Jeeps were nosed out of a whitewash by dropping the third to the Kings.

G. Kwain ought to bring his adding machine next week to get a correct answer in addition. After adding the scores in the last game several times the "A" team of the Redwings gained a 1 to 1 decision over the Stars.

## MIDWEST LDS BOWLERS

## RUN "TOURNEY" DANCE

By OBSERVER

CHICAGO.—In preparation for a mass sendoff of bowling teams for participation in the LDS National Bowling Tourney in Cleveland, Ohio, midwest youth are rallying their forces. Already a number of plans have been worked out indicating to a great degree the wanton urge to have the total midwest area represented.

At the present time, the committee in charge is working heatedly on financial obligations that will have to be met in order insure success.

Here in Chicago a "Journey, Tourney Dance" arranged by the local committee will pave the way to meet some of the financial pressure. The dance arranged to evoke at the Lithuanian Auditorium on March 1st, will lay the basis for future references on how to raise finances.

So that the above mentioned affair will be a huge success, hundreds of tickets have been distributed amongst local branches of the LDS and among individuals who are interested in seeing the teams off. Local branch support plays an important role in shouldering responsibilities for this mass fund drive.

Aside from the fund and finances, stringent rules and regulations pertaining to the tourney have been applied to the groups. As was announced in last weeks writeup, participants will have to "toe the line" in more ways than one. This especially pertains to groups who as yet have made no effort to correct certain players, irregularities.

Pertaining to entries of other areas aside of Chicago proper, news emanates from Rockford, Illinois that their teams are preparing for the jaunt to Cleveland. Plus the jaunt, Rockford will meet with several Chicago teams in order to test their strength. This bowling meet will take place in Rockford, several weeks from now.

As yet Kenosha, Wisconsin and Springfield, Illinois, have been unheard of. What their plans and preparations are, possibly the near future will tell. Who knows what they have up their sleeve?

Plus the "Journey Tourney, Dance", the Chicago committee is contemplating the issuance of a program booklet as a means of raising cash. This can be one of the greatest sources of income providing every individual does his share of work.

Meanwhile, as plans push forward, as committees meet and function, teams hammer away at a grueling pace. Week in and out alleys resound with shouts and clatter of pins. Youthful sportsmen, eager alert and enthusiastic look forward to the date—May 3-4, Cleveland, Ohio.

### New York - New Jersey "Metrops" Bowl And Prepare for Tourney

BROOKLYN, N. Y.—Brooklyn Builders smashed their way for another clean sweep victory over the lowly Maspeth LDS Cavalcades crushing all opposition in three straight strings. Al Dobinis, who was putting on a special performance for his Pop who was present to see "sonny boy" bowl was the shining star of the day, hitting 192 twice with a low 132 sandwiches in between the two highs.

### BAYONNE'S SHOWING

Much comment is heard in Brooklyn about the surprise showing of the Bayonne five which set the Brooklyn Builders team down twice in a game a few weeks ago. The Builders were taken by complete surprise and although the Shields have but three wins and have six losses to their credit, it would not take them long to pile up their points to overcome the mighty Newark team which has won six and

### NATIONAL TOURNEY

The Metro bowlers are all discussing participating in the National LDS Bowling Tournament. Nothing is definite yet, but there are rumors that the Builders, win or lose will soon launch a money raising campaign to send their team to Cleveland and there is also talk that the Bayonne team is also considering the possibility of going. So far Newark has not been heard from and the Maspeth five, the only team so far which has fine uniforms, has not committed itself either way about the possibilities of making the trip. But Maspeth is a surprising bunch and they may make up their minds and pack their bowling shoes, shirts and toothbrushes at deadline time and scamper off to the National games.
