Lotynų Amerika Hess'o Misija Kas Jiems Apmoka?

Jau 18 Lotynų Amerikos valstybių pasisakė už nutraukimą ryšių su ašia, Brazilija ir Ekvadorius pasirengė tai padaryti.

Hitlerio planai pasinaudoti Pietų Amerika nuėjo vėjas.

Winston Churchill pagalios paaiskino Hess'o misiją Anglijon. Hitleris atsinešė Hess'ą nuversti Churchillio vyriausybę. Nacių lyderiai nedeklamavo angliū nusistatymą prieš Hitlerį, taipgi perkainavo pro-nacių įtekmę Anglijoj.

Kaip ir visi niekšai, Hitleris ir jo klika, nenori likėti, kad visi dori žmonės baltai neapkenčia nacių ir piktinasi jais. Jie manė, jog užteks pabalginti anglus bolševizmu, pasiūlyti "išgelbėjimą" ir Anglija su Hitleriu.

O taip nebuvo.

Finų valdžia, kuri įsikinkius Hitleriui, kelsianti protestą prieš Amerikos ir Anglijos valdžias, kam jos gaudo Suomijos laivais. Jau 42% Suomijos laivų žlungo.

SSSR partizanai užmušė du vokiečių generolus Ukrainoj. Oriole partizanai susprogdino viešbutį, kuriame buvo 150 nacių karininkų. Sovietų kariuomenės dalis jau tik 80 mylių nuo Latvijos sienos. Hitlerio "žiemos linija" sulaužė.

Rymo radijas stengiasi bauginti svietį, kad per karui SSSR status didelius reikalavimus kitoms šalims. Tai fašistinė propaganda.

"Naujienos" irgi taip rodo; jos dar "pafiksino" tą propaganda, kad jau dalar "Sovietų valdžia" reikalauja Lietuvos, Kokis supulimas!

Ang dieną "Naujienų" redaktorius piktai kolkolijos už nurodymą, kad tas "Stofas" "Laiskų" par Lisaboną, "Laiskų" propaganda. O vakar tam laiske prasitaria, kad medžiaga jame yra iš nacių laikraščio "Krakauer Zeitung".

Argi bent kas nežino, kad nei vienas lietuvių laikraštis negali palaikyti korespondentų Portugalijon. Net ir Amerikoje nepalaiko apokamų korespondentų, o tai jau kalbėti apie užsienį? Ką kas apmoka tiems, kurie šalinėja Hitlerinę propagandą iš Lisabonos? O jie "dvasia šventin" negi gali gyveniti.

MASKVOS PROVINCIJOJ NELIKO VOKIEČIŲ

Ties Rub Nežium Ivyko Rumunų ir Vengrų Susikirtimas

GENEVA, saus. 28.—Esa patikrinta, kad tarpe rumunų ir vengrų sienų sargybinių įvyko keli smarkūs susirėmimai. Rumunai dega neapykanta prieš vengrus nuo tada, kai Hitleris atidavė jiems pusę rumunų Transilvanijos.

Neapykanta dabar padidėjusi delto, kad vengrų valdžia sutinka duoti Hitleriui daugiau kareivių, bet už tai reikalauja sau daugiau rumunų žemės.

Mato Medį, Bet Miško Nemato

Airijos premieras Eamon de Valera smarkiai užprotestavo dėl Amerikos Ekspedicinės Armijos atvykimo šiaurinėn Airiją. Jis sako, kad tuomi suaužytas Airijos neutralitetas. Jis užsiritęs ir dėl to, kad siūsdama savo ekspedicinę armiją Amerika nepasirūpino gauti iš jo leidimą.

Savo protestą Airijos valdžia remia tuo, kad šeši apskrčiai, kurie sudaro šiaurinę Airiją, nėra inkorporuoti į Airijos valstybę, bet yra po Anglijos valdžia.

Kad ne visa Airija yra sulietta į vieną politinį organizmą, tai Anglijos kaltė. Tas airių reikalavimas, kad ir tie šeši šiauriniai apskrčiai būtų priskirti Airijai yra teisėtas reikalavimas.

Bet ar iš jo reikia išvada, kad šiame demokratių krauje prieš Hitlerizmą Airija turi teisės atsukti nugarą demokratijsoms?

De Valeros protestas padarys labai gero įspūdžio Berlyne, bet jis padarys prastą įspūdį visame demokratiniam pasauliu.

Jeigu Hitleris laimėtų karą, tai Airija būtų jo, o de Valera būtų Quislingas.

Sielodamas dėl to mažo krašto, kurį sudaro tie šeši apskrčiai, de Valera patavimas prarasti visą Airiją. Tai trumparegiška politika, politika asmens, kuris mato medį, bet paties miško nemato. Airijos valdžia daro gėdą sau ir išdaviškiškai pasitarauja visai Airijai.

Dėl Raporto Apie Pearl Harbor

Izoliacionistai, Chicagos "Tribune", Hearsto laikraščiai ir politikariai a la Wheeler nori pasidaryti sau politinio kapitalo iš Roberts'o raporto apie tą baisiąją dieną Pearl Harbor'e. Jų demagogiška linija yra ta: Kalta esanti Roosevelt administracija, o ne admiraolas Kimmel ir generolas Short.

Kas kas, bet tie prokurorai iš izoliacionės klijos tikrai turėtų tylėti.

Ar ne jie, ar ne tie komitetininkai iš America First diena iš dienos įrodinėjo, kad Japonija nepus Amerika, kad Roosevelt valdžia be reikalo priekabauja, be reikalo klišasi į Pacifiko sritis. Japoniją jie piešė ramiu Amerikos kaimynui! "Tribune" įrodinėjo, kad užpuolimas ant Pearl Harbor fiziniai nėra galimas, net jei ir Japonija to norėtų.

Teisėjo Roberts'o raporte yra šis reikšmingas sakinytis: "Tarpe atsakingų Hawaii komandierių ir viršininkų, be jokių išimčių, iki 1 d. gruodžio 1941 m., viešpatavo įsitikinimas, kad Japonija neturi jokios intencijos padaryti tokį užpuolimą."

Kas jų galvosė sudarė tokį įsitikinimą? Ogi, Wheelerių, Lindbergh'ų Wood'ų, "Tribunų" ir Hearstų propaganda.

Politiniai dalykai imant, negalima kitos išvados padaryti.

Kalbant apie tuos Hawaii komandierius, reikia pasakyti, kad politiniai jie tikrai buvo apspanę, jei nei tiek nesu-prato, kad pamatinis agresorių įrankis yra blitzkrygas, surpyzo ataka tuo laiku ir toje vietoje, kur to mažiausia laukia-ma.

Iš teisėjo Roberts'o raporto taip pat matosi, kad karo ir laivyno departmen-tuose kaip kas taip pat neuztenkama gerai įsigilino į situaciją, kuri smarkiu tem-pu vystėsi į karo situaciją. Bet iš tų de-partamentų Hawaii komandieriai gavo už-tenkamai įspėjimų. Prezidentas Rooseveltas pradėjo gerą

darbą, šalindamas nekompetentiškus karo pareigūnus. Tas darbas dar tik pradėtas ir neabejotinai jis bus tęsiamas toliau.

Linciaus Teismas Missouri

Sikeston, Missouri, gauja patrakusių asmenų žveriški mūlinčiava negra Cleo Wright. Jis nebuvo nuteistas, jį nuteisė gauja žverišku linciaus metodu.

Visi padorus Missouri piliečiai tuo pil-tinasi. Missouri gubernatorių Forrest Donnell, reikalauja, kad linciuotojai būtų nubausti, nubausti be pasigailejimo, kaip to reikalauja įstatymai. Jie yra žmog-žudžiai.

Prokuroras D. Blanton sako, kad bus pravešta stropi investigacija, bet ligi šiol, nors jau praėjo trys dienos, nei vienas iš tos gaujos nuresureštuotas.

Chicagos "Sun" įtarpino savo skiltyse stiprų protestą dėl to įvykių, kuri to laik-raščio redakcija vadina bestijiška.

Mes sakome, kad kovojame prieš bestija-nacius, mes sakome, kad kovojame už laisvę, civilizaciją ir teisėtumą, o mūsų loejoj šalyj dar gali įvykti tokie pasiba-sėtinai dalykai, kaip negrų linciuavimas!

Chicagos "Sun" reikalauja, kad tai barbariški linciaus praktikai būtų užduo-tas smugis, galutinas smugis ir kad kon-gresas turi pravesti federalj įstatymą prieš linciuotus.

Jeigu tuos patrakusius niekšus, kurie dalyvauja linciuavime, baustų be pasigailejimo, tai ta barbariška praktika tuoj iš-nyktų.

Apsigynimo Fronte

"Laisvė" rašo:

"Aną dieną naujai paskirtasis Civilinio Apsigynimo (Office of Civilian Defense) veikiantysis sekretorius, James M. Landis, buvo sušaukęs Amerikos Darbo Federacijos, CIO ir Geležinkeliečių Brolių atstovus pasitarimui. Buvo svarstytas klausimas, kaip labiau pasiruošti civili-niam apsigynimui. Landiso nuomone, organizuoti darbininkai turėtų imti dalyvumą tame darbe.

"Landis pasiūlė, kad ADF, CIO ir Ge-ležinkeliečių Brolių nariai įtęti į šį taip svarbų darbą. Kaip tą padaryti? Civilinio Apsigynimo vadnas pasiūlė, kad valstijų ir miestų civilinio apsigynimo tary-bos pakviestų organizuotus darbininkus prisijusti savo atstovus, kad jie dalyvautų, kaip jo tarybų nariai, visuose sumany-muose ir vadovybėje. "Mes kovojame už demokratiją—mes kovojame prieš bent kokį tam tikro luomo ar grupės žmonių izoliavimą nuo civilinio apsigyni-mo," pareiškė ponas Landis.

"Dabar viskas priklauso nuo valstijų gubernatorių ir miestų majorų. Jie, vyk-dami Landiso pasiulymą, turėtų tuo-juo pakviesti visas unijas, kad jos prisijustų savo atstovus į civilinio apsigyni-mo tarybas."

Seniausias San Francisco savaitraštis "Argonaut" pasisakė už Schneidermaną ir tikisi, kad Augščiausias Teismas ap-gins jo pilietines teises. Jam negalima atimti pilietybę tik dėl to, kad jis komu-nistas.

"Argonaut" giria Wendell Wilkie, kad jis apsiėmė būti Schneidermano advoka-tu.

Chicagos "Daily News" rašo: "Mes tu-rime ruoštis ilgam karui. Bet bergždžias dalykas būtų spekuliuoti kaip ilgai jis už-sitęs, nes to niekas nežino."

"Daily News", kaip ir visi Amerikos pa-triotai, neabejoja, kad karą laimės Alian-tai.

United Press korespondentas praneša iš Filipinų, kad jei generolas MacArthur turėtų daugiau lėktuvų, tai Filipinus ga-lima būtų apvalyti nuo japonų.

Amerikos butų viršus. Prezidentas Rooseveltas pareiškė, kad karinė pagelba smarkia srove teka į Pa-cifiko frontus. Ji pasiekė ir Filipinus.

Kad tik ji kuo greičiausia pasiektų.

Holandų Rytų Indijos

UPARTĖS KOVOTOJAI

Tarp Malajų, Filipinų ir Australijos yra virtinė didžiųjų salų, kurios sudaro Rytų Indiją, arba Indonezija. Tai Holandijai priklausančios kolonijos.

Didžiausios iš tų salų Java, Sumatra, Celebes ir Borneo, nors ne visa Borneo sala priklauso Holandijai. Tos salos užima labai didelę teritoriją — 735,000 kvadratinį mylių. Jose gyvena 70,000,000 žmonių.

Iš to skaičiaus pačių holandų nėra nei pusės milijono. Indus ir kiniečius bus apie milijonas. Yra kiek tiek ir japonų, jų tarpe visuomet buvo didelis nuosimtis šnipų.

Daug holandų jau nuo labai senų laikų susiję su vietos moterimis. Todėl Rytų Indijoj yra labai daug maišyto kraujo šeimynų. Daug tų šeimynų narių užima atsakingas vietas valdžioje.

Holandai tvarkė savo kolonijas geriau, liberališkiau negu angliai ir todėl šiandien jie turi geresnių pasekmių.

Holandijos vyriausiu atstovu jos kolonijose yra ge-neralgubernatorių. Be to yra dar visa eilė gubernatorių.

Indonezija valdyti sudarytas "Volksraad," arba Liaudies Taryba, kuri sudedasi iš 25 holandų, 30 indonezų, 4 kiniečių ir 1 arabo. Taigi, vietos gyventojai turi balsą šalies tvarkyme. Nors paprastai kolonijose

jų valdovai nesiskaito su vietos žmonėmis, arba skaitosi labai mažai, bet holandų kolonialėjų sistemoj vis tik yra daugiau teisingumo. Kolonijose įvesta visuotinio apmokymo sistema. Vietos žmonės turi savo teismus. I holandus, kurie veda vietos moteris, nežūrima su papela. Tas skaitosi visai normali reiškiniu.

Rytų Indija yra turtinga savo plantacijomis, ypač gumos ir cukraus plantacijomis. Tos plantacijos daug geriau sutvarkytos negu plantacijos kad ir Indijoje.

Holandai ir indonezai jau išanksto rengėsi prieš šio karo. Jau keili metai atgal jie pradėjo stiprinti savo orlaivyną. Jų lėktuvai daugiausia Amerikoj gaminti.

Nėra tikrai žinoma ar holandai turi savų dirbtuvų, kuriose gamintųsi lėktuvus.

Rytų Indijos laivynas ne taip jau didelis, bet stiprus. Keturi holandų kruizeriai pasekmingai išplaukė iš Rotterdamo pačioj karo pradžioj ir pasiekė Indonezija. Nei vienas tų kruize-rių ir po šiai dienai nesumai-kintas.

Holandų laivynas or orlaivynas kovoja gerai. Be to, Rytų Indijoj yra ir nemaža armija, kuri taip pat pasižymėjo kovose su japonais. Prie reguliariės kariuomenės yra ir milicija.

Holandai ir indonezai mušis gerai. Jie yra upartūs kovotojai. Jie turi patva-ros ir užsigrūdinę.

Vilniškis.

Pavergtoj Lenkijoj Mirtingumas Padvigubėjo

Jau ir nacių laikraščiai, leidžiami Krakovoj ir Varšuvoj, pabrėžia, kad okupuotoj Lenkijoj žmonių mirtingumas padvigubėjo. Prieš pat nacių užpuolimą, 1939 metų rudenį, tukstančiai gyventojų lenkuose išpuolė biskį daugiau kaip po 11 mirimų. Dabar ant kiekvieno tukstančio miršta po 22 ir pusę.

Nors nacių spauda ir rašo apie padidėjusį lenkų mirtingumą, bet susirūpinimo jokio nerodo. Okupantim naciam lenkai žemos rasės žmonės, verti tik vokiečiams vergauti.

Įstatymai išleisti, kad už darbą lenkams būtų mažiau mokama negu vokiečiams, kad nebūt jiems mokama už šventadienių darbą ir ne-teikiamos jokios lengvatos. Už važinėjimą gatvekaruose lenkai verčiami mokėti brangiau už vokiečius ir griežtai draudžiama jiems viename gatvekarije su vokiečiais važiuoti.

Prie rankovių lenkai kasdien verčiami nešioti prisutą raidę "P", kaip ženklą, kad įsiai lenkas.

Lenkas dabar nusikalsta nežūrint ką įsiai imasi dar-ryti, Krakovos jaunuolj nu-teisė sušaudyti tik už tai, kad dviračiu važiuojo į dar-bą.

Savaitė prieš tai dvi jau-nos Poznaniaus lenkaitės nuteistos sušaudyti už nu-ėjimą į operą.

ADVOKATAI IR DIES

Ir Amerikos Advokatų Gildija (unija) pasisakė prieš Dies'o amendmentus prie biliaus, nukreipto prieš svetimų valstybių agentus. Dies butinai užsispyrė, kad prie svetimų valstybių agentų būtų priskaityti ir komunistai.

Advokatų Gildija sako, kad Dies'o amendmentai destruktivio charakterio. Jei priimti, jie labai skaudžiai pažeistų nacionalę vienybę.

Advokatų Gildija sako, kad Dies nori pasiknisti po pačiais pamatais demokratinės santvarkos ir sukurstyti vienus Amerikos žmo-nes prieš kitus.

Nacionalės Gildijos pirmininkas išsiuntinėjo laiškus visiems kongresmanams ir senatoriams, kad jie balsuotų prieš Dieso amendmen-tus.

Kaslink darbininkų orga-nizacijų, tai jos taip pat iš-stojo prieš Dies'ą. Pusė mi-liono CIO narių New Yorko, savo susirinkimuose, priėmė atitinkamas rezolucijas ir pasūntė jas kam reikia. Tą patį padarė ir Massachussets CIO unijos ir daugelio kitų vietų. Pacifiko darbi-ninkai, o ypač Seattle unijos, pasmerkė Dies'o pasiuly-mus.

Kuomet Teisingumo De-partmentas pasiūlė savo propozicijas prieš svetimų valstybių agentus, tai jis specifiskai neįvardijo jokią grupę. Registruotis turėjo tik tie, kurie iš tikrųjų yra svetimų valstybių agen-tai. Tuo pasiremdamas senatas ir priėmė atitinkamą bi-lių. Bet atstovų bute, kuomet posėdyje nedalyvavo net ketvirtadalis jo narių, Dies'ui pavyko pravesti savo amendmentus.

Siuo laiku dėl to biliaus tariasi senato ir atstovų bu-to juridinių komitetų atstovai.

Reikia tikėtis, kad senatori-ni nenusileis Dies'ui, nes jie gana gerai žino ko ver-ta to asmens politinė veikla. J. S.

VISA EUROPA APIMTA NEPAPRASTAI ASTRIAIS SALCIAIS

BERNE. — Šiomet Europą suspaudė atstrosi šalčiai negu pernai. Pradectant Ispanija ir baigiant Turkija iš vienos pusės, ir pradectant Švedija ir baigiant Italija iš kitos, siaucia astraiai šalčiai. Kanados Lietuviai

Remia Raud. Kryžių

Kanados lietuvių atsakymas į Kanados Raudonojo Kryžiaus atšaukiamą del medikales paramos Sovietų Sąjungai labai gražus. Lietuvių skaičius Kanadoje nedidelis, palyginus su kitų tautybių atieivių skaičiumi, tačiau suaukavo jau virš \$1,500. Aukos dar plaukia ir galima manyti, kad pasieks iki \$2,000. Jeigu lietuvių sukelsime \$2,000, tai mūsų duosumas bus lygus ukrainai duosumui. Ukrainai, kurių Kanadoj prisikaitome arti 500,000, nusistatę sukelti \$100,000.

Parama Sovietų Sąjungos kovotojams reikalinga. Tokioj milžiniškoj kovoj būna daug aukų. Sužeisti skaitomi milijonais. O dar ne galas. Dabartinės kovos, kurios vedamos už nacių jėgų sutruškinimą, taipgi neapsieš be aukų. Reikia neužmiršti, kad dabar tenai didelė žiema. Pavojus sužeistiesiems dar didesnis.

Sovietų žmonės, kurių tarpe yra ir lietuvių, kovoja ir kraują lieja ne vien už savo reikalus, už savo namus. Toj kovoj yra dar aukštesnis tikslas. Jeigu Sovietų Sąjunga būtų norėjus, ji būtų susidėjus su vokiečiais ir tuomet nebūtė reikėję kovoti suož žemėj. Bet Sovietų Sąjunga to nepadara, kadangi jina nenorėjo matyti laisvės priešus laimėjimais.

Ant kiek Sovietų žmonės nusilpnins Hitlerizmą, ant tiek bus lengviau ir mums, kanadiečiams, o kartu ir visam demokratiniam pasauliui. Apie tai nekarta kalbėjo daug žymių Kanados žmonių. Tą paneigia tik tie, kurie trokšta nazių pergalės. Tokių žmonių yra ir Kanadoj. Jie šaukia prieš paramą Sovietų Sąjungai ir dabar, nors jeigu jiems reikėtų pakelti tuos smūgius, kokius pakėlė Sovietų Sąjunga, nežinotų kur bėgt. Tokių žmonių netrūksta ir tarp lietuvių.

Lai priešai staugia. Mes teskime darbą tolyn. Padėdami Raudonajam Kryžiui sukelti \$500,000, mes atliekame kilnų darbą. Tuomi mes pagelbesime ir Sovietų kovotojams ir Kanados interesams. Kuomet pergalė bus laimėta, mes nesijausime nieko nevelkė. O tie, kurie bus išgelbėti Kanados lietuvių aukomis, prisimins ir bus dėkingi už pagelbą. Gal ne vienas ir lietuvis bus išgelbėtas nuo mirties.

Raudonasis Kryžius prašo mūsų perduoti visiems aukotojams širdingą padėką už paramą sukelimui \$500,000. ("L. B.")

CRIPPSUI CHURCHILL SIGLO MINISTERIO VIETĀ BE PORTFELIO

LONDONAS. — Churchill pasiūlė Sir Stafford Crippsui vadalyti valdžioje. Į pasiulymą Cripps atsakymu duosias už poros savaitę. "Evening Standard" spėja, kad Crippsui vieti-kiausia siūlo ministerio vietą be portfelio. Tačiau Cripps geriau norėtų įeiti į ministeriją, kuri tiesioginiai surišta su karo vedimu.

SSSR PARAMAI MITINGAS BUS MILŽINIŠKAS

APIE 16 HOLLYWOODO ŽYMLIAUSIŲ ŽVAIGŽDŽIŲ REMIA MITINGĄ IR ŽADA JAME DALYVAUTI

SSSR Ambasadorius Litvionas ir Mr. Davies Kalbės

Atrodė, kad vasario 22, Washingtono gimimo dienai, Chicago turės visų didžiausią ir įdomiausią parengimą. Rengia tai Rusian War Relief komitetas.

Will J. Harris, pasižymėjęs teatrininkas, pasiėmė sudaryti programą.

Tarpe šimty žymių asmenų, kurie remia mitingą, yra šie Hollywoodo aktoriai ir direktoriai:

Maksim Litvinovas, SSSR Ambasadorius

Charles Chaplin, Frank Kapra, Ilka Chase, Ronald Colman, Katherine Cornell, Lynn Fontanne, Alfred Lunt, Helen Hays, Ben Hecht, Miriam Hopkins, Miša Auer, Burgess Meredith, Orson Welles, Dame May Whitty, Darryl F. Zanuck ir Tallulah Bankhead, mirusio senatoriaus dukte.

Kalbėti kviečiamas Joseph E. Davies, buvęs Amerikos ambasadorius Maskvoje, ir autorius knygos "Mission to Moscow".

Kalbės taipgi ir Maksim Litvinovas, Sovietų ambasadorius Washingtone.

Pakviesta taipgi ir mokslininkų ir rašytojų dalyvauti mitinge.

Iš to jau matyti prie kokio didelio parengimo ruošiamasi.

Mitingas įvyks Chicago Stadione, kur telpa apie 27,000 žmonių, tai vietos irgi yra apėčiai.

Tai ne tik bus pirmas tokis didelis parengimas Chicagoj Sovietų Sąjungos naudai, bet tai retas parengimas išvis. Niekada pirmiau nebuvo tokių žmonių programė, kaip čia bus.

Chaplinas, Orson Welles, Frank Kapra ir Darryl Zanuck yra žymūs Hollywoodo direktoriai ir juos nelengva gauti. Matyti jie tvirtai pasiryžę remti SSSR, kuri taip heroiška kariauja prieš demokratijos priešus, o tai ir Amerikos priešus, kad sutinka prisidėti prie šio mitingo gan daug.

Kiti suminėti Hollywoodo žmonės yra patys geriausi aktoriai, kai kurie jų estradoj pasižymėję, kaip pavyzdžiui, Helen Hays, Burgess Meredith, Tallulah Bankhead, ir Lunt ir Fontanne.

Veikiausia tie aktoriai duos labai gerą programą.

Kadangi Stadione yra gera sistema garstikalių, tai visur bus girdėti, nežinurint, kad svetainė milžiniška.

Taigi, pasižymėkite vasario 22. Atsiminti nesunku, nes tai gimtadienis George Washingtono, pirmojo mūsų respublikos prezidentas.

Melrose Park

LDS Kuopos Veikla

LDS 88 kp. susirinkimas įvyko sausio 6 d. Apšvaros visus kuopos reikalus, išrinkta nariai — V. Kasparunas ir V. Poška — komisija, kad surengti kokią pramogą LDS apskrįčiai paramai, nes jam reikės daug išlaidų panešti ruošiant LDS seimą Chicagoj.

Nutarta kuopos susirinkimus perkelti į kitą vietą — Vitarto svetainė, 714 Broadway, Melrose Park. Susirinkimai bus laikomi tą pačią dieną, butent, pirmą utarninką kiekvieno mėnesio, 7 val. vakare.

Sekantis susirinkimas bus vasario 3, nepamirškite, jau bus naujoji vieta. Visi nariai dalyvaus, yra daug svarbių reikalų.

Šiame susirinkime bus nominacijos centro viršininkų, o juk labai svarbu nominuoti tinkami viršininkai.

Mūsų komisija jau pradėjo darbuotis. Turėjo posėdį su draugysčių atstovais — Rusų IWO ir Rusų Nacionaline organizacija. Nutarta pakviesti vokiečių draugystės bendrai surengti pramogą ir skirti pilną Raudonąjam Kryžiui ir Rusų Medicalei Pagelbai.

Imkimės už darbo. Išgelbėkime Melrose Parką iš didelės sarmatos už neveikulumą. Aš manau, kad galima veikti ir pas mus, tik kai kurie mus įskalbam, kad negalima. Meskime tinginystę į šalį ir viskas bus galima. Visi stokime į veikimą dėl demokratijos labo, fašizmas bus sunaikintas.

V. Kasparunas.

KITI REIKALAI

Pas mus gerokai apleista LLD kuopa, o nereikėjo tai padaryti. Subraskime visi, užsikokėkime duokles ir palaikykime kuopą. Apšviestos organizacija labai reikalinga, o po karui bus dar labiau reikalinga. Mes galėsim padėti ir Lietuvos žmonėms šviesti, siųsime jiems knygų.

Advokatas Kal Aiškina Naujiem Piličiam Kaip Balsuoti

Ši vakarą, 8 val., P. Šaltinio patalpoje, 6912 S. Western Ave., advokatas C. P. Kal aiškina naujiems piličiams ir tiems, kurie tuo jau pataps piličiais, kaip balsuoti, kad balotai nebūtų pagadinti ir balsai nebūtų numesti.

Kal yra parašęs knygutę kaip tapti piličiu. Tais reikalais jis gerai nusimano ir veikiausia duos įdomią prelekciją. Reporteris.

Po dvidešimts metų grįsta atgal į "horse and buggy" gadyvę. Viena Chicago pėninė per 20 metų nebenaudojo arklių. Dabar, kada tarjariai ir net trokai apbružiuoti, vėl grįstama atgal į senovę. Šis atvaizdas nutrauktas aną dieną, kada Bowman kompanijos pėninės prezidentas Dr. D. B. Peck pristatė dėžę pienonų į vieną šio miesto viešbutį.

AR PASIRUOŠĖT VASARIO PIRMAJAI DIENAI?

A. KENSTAVIČIENĖ, Solistė

Vakar buvo rašyta apie "Vilnius" koncerto programą vasario 1, Sokolų svetainė. Kaip naujienybė nepamintė didelės lenkų chorų. Pirmą sykį turėsime lenkų chorą savo progrome. Bus proga paklausti, palyginti su mūsų chorais.

Paraginkite ir kitus dalyvauti koncerte. Tikėtus įsigykite iš kalno, kad nereiktų prie durų eilėje laukti. Būkite laiku. Programas prasidės 3:30. Rep.

"Vilnius" koncertai, kaip žinoma, yra paprastai mūsų meno išlaidė. Tai didžiausias žiemos sezono lietuvių pažmonys, kur susieina daugiausia lietuvių iš Chicago ir apieinkiu, smagiai ir naudingai laiką pralaidžia.

Vokiečiai Turės Masinį Mitingą Pareiškimui Lojalumui

Pagalios Chicago vokiečių pažangios organizacijos ruošia mitingą sekmdienį, Social Turner Hall, 1653 W. Belmont St., kuriame bus pareiškta lojalumas Amerikai ir pasiryžimas kovoti prieš fašistinę sąj.

Bet šiandien norime pakalbėti iš kito taškaregio, būtent, kad kiekvieno progresyvio lietuvių pareiga ne vien dalyvauti šiame koncerte, bet ir kitus paraginti.

Kalbės ir CIO ir ADF kalbėtojai, taipgi teisėjas Gutknecht ir valstijos senatorius Saltiel.

Žinoma, ar sužiniai, ar ne, bet ir "Sandara" tą pačią dieną turės koncertą. Jei užsimota tuomi "Vilnius" koncertui pakenkti, tikslas nebus atsiektas, griečiau sau pakenks. Vienas kitas žmonių, kurie bus "Vilnius" koncerte, veikiausiai būtų nuvykę į sandariečių koncertą, jei būtų ne tą pačią dieną. Dabargi nenuvyks.

Bus sukelta pamoros Raudonam Kryžiui.

Visi pažangūs lietuvių laikys sau pareiga dalyvauti "Vilnius" koncerte, nes šis dienas visuo met priekyje progresyvio judėjimo, skleidžia apsvietą.

Kankiečių Bankietas Man Priminė ...

Jau buvo plačiai aprašyta Kankiečių Choro bankietas ir gražiai kredituota jo gospadinė. Man gi čia norisi pabrėžt liūdus atsiminimus apie draugę Dabulskienę, kuri mirė ketetas metų atgal. Kada aš tik neuėmį į progresyvių parengimus, visados man prisimena draugę Dabulskienę, nes tuose parengimuose matosi rūpestingai veikiant jos dukrelė Birutė, gavėjusi visus motinos gabumus ir tą maionią šypsena, kuri žavi kiekvieną. Nors ji dar jaunutė, bet labai darštė.

Kada kiti Chicago lietuvių laikraščiai reiškė norus, kad Hitleris laimėtų, "Vilnius" smarkiai stojo prieš fašizmą. Dabar jau visiems aišku, kas būtų jei Hitlerio kruvinos gaujos laimėtų karą.

Birutė, taip ir eik motinėlis tau išmintu takeliu ir nesikelk į puikybę, nesididžiuok savo gražumu. Žinok, kad jaunystė greit susilks, kaip stiklas; o gražūs elgėsi ir darbai pasiliks ilgam, ilgam.

Seniai ir Birutės sesutė Helenutė dalyvaudavo su lietuviams, bet ji kažkur dingo. Birutė tačiau pasilieka su mumis ir veikia mūsų parengimuose. Kankiečių vakariene tenka pasigerėt. B. Gurskienė.

Chicagiečiai Kariauja Filipinų Salose

Narsioj generolo Douglas MacArthur armioj, kuri heroiskai kariauja su japonais, yra ir lietuvių. Pasirodo, kad du chicagiečiai ten grumiasi.

Eilinis kareivis Jonas Galdikas, 22 metu, nuo 12200 S. Emerald Ave., yra anti-aircraft vienete. Kitas chicagietis kareivis Edwardas Guokas, 23 metu, yra prie medicinio skyriaus. Jo tėvas Jonas ir motina Veronika, taipgi sesuo ir brolis gyvena ant 4508 West End Avenue.

Velkiausia yra ten ir daugiau lietuvių, bet apie juos žinių neturime. Garbė narsiems kariaims, kurie grumiasi su nuožmiu priešu—Japonijos fašistais, kurie yra dalis fašistinės sąsies, užsimojusios užkarti svietai vergiją. Rep.

Drafto Dienoj Mokyklos Bus Uždaryta

Majoras Kelly paskelbė, jog vasario 16 bus mokyklos uždarytos, nes tai bus drafto diena. Jis ragina vyrus ir moteris liuosnoriai stoti padėti drafto registracijai. Jie gali kreiptis išanksto prie savo apieilinkės drafto bardo pirmininko ir pasiūlyti jam savo patarnavimą. Daug registravimo vietų bus paskelbta vėliau.

Manoma, kad reikės apie 20,000 ekstra darbininkų registravimui apie 610,000 nuo 20 iki 44 metų vyrų. Girdima, kad karo žinių žmonės labai laukia ir jų atžydži klausosi. Žinių davimas patinka ir stoties vedėjams. Stotis turi automatiškus žinių priėmimo aparatus, ir tankiai mūsų žinių davėjams pasitaiko pamint žinių paskutinės minutės. O žinios dabar yra valdžios prižiūrimos ir todėl patikimos.

LKM Choro Padėka

Sirdingai tariam ačiū gospadinėms, kurios dirbo LKM Choro bankiete.

Sekandios buvo gospadinėmis: J. Stančikienė, K. Guzevičienė, A. Stukienė, S. Budrienė, A. Snyder, M. Zuraiteienė ir M. Klastauskienė. Taip pat, taram ačiū programo dalyviams, A. Kentsavičienėi, D. Yuden, C. Abekienėi, A. Dočkienėi ir Valerijai Bernot.

Kult. ir Meno Kliubo Radijo Pusvalandis

7:30 iki 8 Vakare

PEREITO ANTRADIENIO PROGRAMA

Lietuvių Kultūros ir Meno Kliubo radijo pusvalandįj dainavo Franas Vėbra. Jis patiekė tris dainas:

- 1. Kam Šėrei Žirgelj, 2. Temsta Dienelė, ir 3. Until.

Dainininkas buvo pasiruošęs sudainuot ketvirtą dainą, Juozo Žūrono kompoziciją, Rusija Brangi, bet dėl stokos laiko turėjo ją palikt.

Ant rytojaus teko girdėt komplimentų Fr. Vėbrai.

Vėliausias karines žinias perdavė Leonas Pruseika. Šiuo sykiu jų duota daugiau nego kada pirmiau.

Girdima, kad karo žinių žmonės labai laukia ir jų atžydži klausosi. Žinių davimas patinka ir stoties vedėjams. Stotis turi automatiškus žinių priėmimo aparatus, ir tankiai mūsų žinių davėjams pasitaiko pamint žinių paskutinės minutės. O žinios dabar yra valdžios prižiūrimos ir todėl patikimos.

Dėl Priekaištų

Tūli žmogiukai bando mus kandžioti, būk mūsų žinios esančios tik Maskvos žinios, ir kad mūsų dainos esančios tokios, kurias Stalinas supranta, nors jų žodžiai ir lietuviški.

Ko verti tie priekaištai, tatau geriausia žino mūsų programų klausytojai. Mūsų dainos veit visos yra lietuvių liaudies dainos. Žinias patiekdamos tokias, kokios iš Europos kapitolių ateidavo. O kad per visą vasarą ir rudenį karo žinios buvo daugiausiai iš Sovietų fronto, tai jas paduodavo ne tik Maskva, bet ir Londonas, ir Ankara, ir Stockholmas, ir Washingtonas. Kodėl? Viena, todėl, kad per tą laiką kito karo fronto nebuvo; o antra, Raudonosios Armijos smūgiais naciams vis demokratiniai kapitoliai gerdavoms, aukštai raudonarmiečius komplimentuodavo.

Dabar, kai mūsų šalis veda karą prieš Japonijos užpuolimą Pacifike, ir kai anči pradėjo ofensyvą prieš fašistinę sąj Libijoj, tai jau turime daug žinių net iš kelių frontų, ir kiek laikas leidžia mes iš visur žinių paduodame ir jų lietuvišką tekstą visuomet stočiai paliekame, ir mus kontroliuoja stoties priežiūras. Mūsų žinios yra valdžios žinios.

Tai dėl ko tie lietuviški politiniai pagėdėliai prie mūs kabinėjasi? Atsakysime jų pačių žodžiais, išsypsaudintais ant kampo 18-tos ir S. Halsted, Chicagoj: "Three cheers for Hitler."

Ant šitokių žmonių mums daromų priekaištų kiekvienas demokratinis lietuvis gali tik su pasibiaurėjimu nusisipaiti! J. K.

U.S. MARINE POSTER HAS LITHUANIAN

BINGHAMTON, N. Y.—Upon Julius Blinkovitch, formerly of Johnson City, New York (a neighbor village of the city of Binghamton), has been conferred an unusual honor. A recruiting poster has been made of his pictures, which was painted by the celebrated artist, James Montgomery Flagg. The figure of Julius will be seen by thousands, as the poster is to be placed in front of every post office in the United States. It is a letter to read: "The Marines have landed."

Julius was born in Johnson City and attended Johnson City schools.

After graduating from Johnson City High School, he received employment with the Endicott-Johnson Shoe Corporation. Last May the 26 year-old service man enlisted in the Marines and at present is a clerk in the payroll office of the Marine Barracks of the United States Navy Yard in New York City. Always an avid reader and a constant searcher, he has declared that he is going to learn everything he can while he is in the service of Uncle Sam.

20,000 LITH JEWS HERDED INTO GHETTO

Via Radio:—20,000 Lithuanian Jews have been herded into a Kaunas ghetto by Nazi authorities. Each and every one of them are forced to wear the star of Judea on his clothing and thus distinguish himself as a "Jew" to citizens. Large numbers of Jews are being shifted to other areas besides Kaunas. A new ghetto is being established in Viliampole.

It was reported that starvation was rampant among the Jewish Lithuanian citizens. They have been deprived of all rights and many have been shot and tortured by Nazi authorities.

IN THEIR OWN FORESTS

From out of a Luzon Forest, an armed Filipino band stole cautiously. They advanced upon a Japanese air field, catching the airmen and ground force by surprise. The Tokio troops ran for cover, leaving 110 dead behind them. The air field was wiped out. One more base for carrying death to the gallant American troops on Bataan Peninsula and to the Filipino people had been erased.

General MacArthur's report on this exploit by Filipino partisans is one of the best current pieces of news out of the Pacific. The armed Filipino people—armed in part, least—are beginning to wear down the invaders of their home land with the same dash and daring as marked Francis Marion in our own Revolutionary War. They are beginning to write the same chapters of courage and intrepidity in defense of their country as have been engraved on world history by the Soviet partisans and by the people of China. Hitler's hordes have not only found themselves smashed and battered from the front. They have been harassed, with their resources eaten away, by the partisans attacking from the rear. Tokio has been unable to stabilize her gains in North China, through the surprise raids of the guerrillas of that country.

General MacArthur is to be commended for having cooperated with the Filipinos in initiating this guerrilla warfare, as seems to have been the case. The island, which are home to these friends of the Allies and their cause, are covered with dense vegetation which makes guerrilla warfare easier to conduct than in areas where almost treeless stretches of flat land are prevalent. Every bit of firearms that the United States can put into the hands of the Filipino people will serve to break down the Tokio invaders, will sting them continuously and will aid immeasurably in the final victory. Britain, too, in the Pacific could do no better in this war than to equip the Native populations on every island and outpost with those weapons by which they can surprise and weaken the Tokio invaders.

These people of the Pacific, fighting for their independence, will battle with the fire and ingenuity of men to whom freedom is dear. They will fight in their own forests, their own marshes and will torment to the death the invaders who bear with them the slavery of the Berlin-Rome-Tokio Axis.

LITH YANKS FIGHT JAPS IN PHILIPPINES

Serving with General MacArthur's forces in the Philippines, are a number of Lithuanian-Americans who have distinguished themselves in action against the Japanese - Axis invading forces.

Although a thorough check as to the exact amount of Lithuanian-American boys engaged in the bitter life and death battle is impossible, a recent release discloses two heroes who have withstood the Japanese onslaughts. They are Private John Galdikas and Private Edward J. Guokas, both of Chicago, Illinois.

Pvt. John Galdikas, 22, of 12200 Emerald av., Chicago, is a member of an anti-aircraft unit at Corregidor, island fortress at the entrance to Manila Bay. His parents, Walter Galdikas, employees of the Peoples Gas, Light & Coke Co., and Barbara, have not heard from him since the new year began.

Another Chicagoan, Pvt. Edward J. Guokas, 23, was on duty with a medical detachment at Sternberg General Hospital, Manila, before the evacuation of the Filipino capital. He is presumed to be with a field hospital unit in the Bataan peninsula. His parents, John A. and Veronica, sister Bernice and brother John Jr. live at 4508 West End avenue.

"WE'LL GIVE 'EM HELL"—SAYS WOUNDED LITH

DAUNTLESS SPIRIT OF AMERICANS IN HAWAII REVEALED IN LETTER

By JOSEPH SACAL

The attack on Pearl Harbor, murderous bombardment from planes, the stolid courage of American forces and their reaction to Japanese-Axis aggression is vividly described by an Illinoisan.

Felix Lukosus, Lithuanian-American of Spring Valley, cousin of Frank Ku, the hospital at the time of the attack. He had a minor ailment but is okay now. As you realize, I am unable to give out any sort of information regarding the attack or any military information whatsoever so whatever the government may give out for publication must suffice. But you may take it for granted that we'll give 'em hell. The morale here is tops with all concerned—military and civilian as well.

Writes our American hero with courage and firmness that spells ultimate doom to the Axis forces:

Hello again, from the gang from the "Valley." First I'll say that we're all intact, with but two injured during the attack on Hickman Field. Imagine that you have heard long ago that Sgt. Dwyre received a shrapnel wound in the right shoulder, but he's in the pink of condition now. The shrapnel was removed from his shoulder a few days ago and he has it in his possession. A souvenir of days before.

Yes I just left Thurm and he's feeling fine, ready to go back to duty as soon as the doctors give him the go sign.

"COUPLE OF SLUGS"

I had a couple of slugs in bedded in my carcass, too, nothing very serious of course. One piece is in my leg, another in the arm and a bullet in the right side. The shrapnel has been removed from my leg and arm, but I still carry the slug in me. The doctors say I'll have the bullet removed in a few days. Then I'll have another souvenir. So you can see we are really on the mend.

I was kept in bed for fourteen days and just yesterday was allowed to get up. It surely felt grand to be on the go again, I'm just waiting to get back to the field once more.

"WE'LL GIVE 'EM HELL"

Sam Kerulis, Sgt. Kerulis now, came through without a scratch. Bob Blum was also among the fortunate. Not a nick on his hide, either. Leonard Gailis was in

the attack. He had a minor ailment but is okay now. As you realize, I am unable to give out any sort of information regarding the attack or any military information whatsoever so whatever the government may give out for publication must suffice. But you may take it for granted that we'll give 'em hell. The morale here is tops with all concerned—military and civilian as well.

Well, give our regards to all our friends, especially (Felix's) to the Mahoney family. Someday we'll be back to renew old friendships, but for the time being, there's a job to be done.

Disease, Starvation Rampant In Nazi Occupied Lithuania

KUBYSHEV, USSR.—Lithuania has since the German occupation become prey to the typhus, cholera, plague and leprosy. Contagious disease in some places has become so menacing that the authorities deemed it necessary to close all the public office, schools and churches. Unemployment has reached gigantic proportions.

The requisitioned foodstuffs are shipped to Germany. To prevent the population from acquiring foodstuffs their sale and purchase has been prohibited, under pain of severe punishment. Sale and purchase of means of transport including peasants' carts and sleighs has likewise been forbidden. But even this seems inadequate to the Nazis and they are confiscating the few wretched crumbs which they themselves at first allowed the peasants to retain.

The heavy German losses on the Eastern front and the growing unrest in the Nazi's rear compels them to concentrate on increasing the reserves in the Baltic countries. Quartered on the

Governor Thanks LDS. For Support Of Civilian Defense

BOSTON, Mass.—The offer of LDS members in Massachusetts to fully participate in any national or local civilian defense program was cordially received by Leverett Saltonstall, the Governor.

In a letter to Mr. Anthony Vasaris, Secretary of the Bay State LDS youth council, the Governor said:

Mr. Anthony Vasaris
The Massachusetts LDS Youth Council.

Dear Mr. Vasaris:

Thank you for sending me your patriotic offer of assistance and your organization's pledge of support. Will you please convey my appreciation to your members? It is such spirit that will pull us through the grave struggle ahead.

There are many things to be accomplished involving all the ability and effort we can muster. Through various channels, many groups are already enlisted for specific jobs and if such is not yet the case with yours, you may be assured that the call will soon come. I am transmitting your efforts to Mr. J. W. Fareley, executive director of the Committee on Public Safety, which is our general headquarters for defense activities.

Sincerely Yours,

Leverett Saltonstall,

Governor of the Commonwealth.

LITHUANIANS CONDUCTING STRUGGLE, WAR AGAINST GERMAN OCCUPATIONISTS

MOSCOW.—In the towns and villages of the Soviet Baltic Republics, Lithuania, Latvia and Estonia, the German occupationists have failed to create even a semblance of normal life. They themselves admit that the population continues an active and passive struggle against the Germans.

3 Women Pilots Are Accepted For O. C. D Air Patrol Service

CHICAGO.—Three Illinois women have been enrolled in the civil air patrol of the Office of Civilian Defense.

According to the announcement made by Lieut. Col. Floyd E. Evans, regional patrol director, fifty applications of private fliers in Illinois have been accepted, among them those of the three women.

"Women," he said, "will perform the same duties as the men. These activities will include ferrying of army ships, training aircraft watchers, antisabotage patrols and towing of aerial gunnery targets."

The civilian air patrol has already flown over Chicago with observers to study the best means of blacking out the city.

Noted Aviatix To Recruit Women For Plane Ferrying

Jacqueline Cochran, America's leading aviatix, and first woman to pilot a bombing plane across the Atlantic, announced yesterday she will recruit 25 American women flyers to do ferry service in England with the Royal Air Force.

Miss Cochran, who took up flying nine years ago in her spare time from a beauty business, said her project has the blessing of the British Government, the American Government and the personal benediction of President and Mrs. Roosevelt.

The women will serve in the British air transport auxiliary of the Royal Air Force and will ferry military planes from factories to bases, and do other transport work in England and Scotland.

The constantly repeated threats which accompany orders to take up work in employment by the Occupation authorities, quite clearly show that only under compulsion can the working people be made to do this work.

One November 6th the Deutsche Zeitung in Osten, appearing in Riga again called attention to the fact that: "All are obliged to work." In Lithuania, in Kaunas, the city commissar warned that all those who were not working were to immediately request work in the labor department, otherwise the most stringent measure would be applied against them.

The German occupationists are encountering similar obstacles in agriculture, where according to the Deutsche Zeitung in Osten, the Nazis issued an order permitting former landlords or their relatives to "take over the management of the estates and the possession of land which formerly belonged to them." The landlords were promised "the armed protection of German troops."

The situations in transport can best be seen from the data on destruction caused during military hostilities. Again to quote the newspaper Deutsche Zeitung in Osten: Out of a former 111 locomotives but 33 are left. Of 33,478 freight cars 159 remain and of 352 passenger cars only 36 remain. The news paper deplores the existing state of affairs on the broad gauge lines in Estonia. The losses are just as great on the narrow gauge lines; one third of the freight and one-sixth of the passenger cars are left.

The situation is no better in auto transport. Estonia is left with only 300 to 500 trucks as compared with 2,476 at the beginning of the war. Formerly auto transport was used to a wide scale in delivering supplies to different cities, whereas today there is not only a shortage of cars but also of fuel.

THE SPORTS ROUNDUP

By Al Klaud

Bowling is the only active Chicago L.D.S. sport which has not lost its place from the limelight. As the weeks pass by we notice some league records are broken. Either by the teams or by the individuals. The competition is much keener this season as far as the teams are concerned. Also in individual averages the records show each bowler is improving right along. Now for last weeks resume.

OSINSKAS SMASHES RECORD

I want to present a new record smasher in the personage of Osinskas, new recruit for Royal Blue team. The bowler entered the season late but already he is breaking records. Osinskas shot a 233 game with 27 pin handicap making a 260 game and second place in individual standings. He will, however, be ineligible for the prize because of having to play at least 1/4 of schedule. With Osinskas' 535 series and Batutis' 494 the Royal Blues still lost two games to the upcoming Sparks. The Sparks won two games even though high men, Dober with 483 and Riva 481 scores were nothing to rave about.

LA DEE DAS ADVANCE

The Redwing La Dee Das are coming up so fast that they "sabotage" can stop them. They defeated the lowly Monarchs in two games while dropping one. Tony Pauls with his 546 series help vanquish Captain Moaner's team. The "Cop" himself collected 533 sticks to help at least gain one game.

KRAML WINS TWO

Kraml Dairy won two games from the Foul Balls and dropped one. These Milkmen really went

to town gaining scores for the book. Rizkus had 538, Bogden 499, Gricius 560, for the Kraml's while dependable Jim Usauskas again led the Foul Balls with 490.

Point of confidential information: What happened to Pop Kwain last Wednesday. He celebrated his birthday by getting a measly 396 series.

BOMBERS TAKE TWO

Still trying to beat records the Redwing Bombers gained two games from the Cherry Branders. The Bombers fell about 20 pins short of the league record in team game. They really are going after something—look at their scores—! Norvil had a 565 series, Jacob a 502 and Klaud had 524. Captain Urban's 493 led the Cherry Brand team.

UNIFORM—When it comes to ease of movement in uniforms, not to mention brevity of material to save cloth, Ann Miller, Columbia dancing starlet, has right idea. She has named it "right dress."

The long awaited initiation has come and gone. Everyone was worried about the procedure but when it finally came it was solemn and beautiful. The pins were presented and the girls no matter where they went they were sure to wear them.

Helen Kwain just before going home took pictures of all the girls of the sorority.

Stephany Lukas was taken to the hospital Friday for an appendicitis operation and is recovering at the St. Anthonys hospital. For those that want to visit her she's located on 22nd and Marshall.

Jennie Mitchell, Sylvia Binikus and Vellie Juska went to the restaurant to get something to build their muscles and after sitting for 45 min. they decided they were better eat their dessert first.

If Frannie Yurgil didn't whistle after she got a strike someone would think she was sick.

Helen Armon after waiting on tables got such sore feet she took her shoes off and nearly forgot them when it was time for the chorus to sing.

Popeye isn't letting anyone say that he isn't a man. He was dancing every dance with a different girl mostly with one dressed in red.

What's wrong Peggy?? Sailor seems to have wandered away from you quite a bit.

Lennie "Blimp" Klastow thinks he can get in the air corps but he'll get quite a surprise when he can't get out of the cockpit.

Detroit Celebrates June In January; Party And Play Are Scheduled Soon

Things are happening and I hope that they are for the best. Most of our boys, it seems, are going to be working on a seven day week for defense—so that means that virtually all appearances of the Aido Chorus will be filled by the Girls Ensemble.

"JUNE IN JANUARY"

"It's June in January"—and two couples have taken the final leap into matrimony. On January 17, Joanna Budris and Walter Jakstys were made one, and a week later, Algird Geralt and Wanda Druotchais paid a visit to the person in Ann Arbor. Mr. and Mrs. Walter Jakstys are honeymooning in Florida. Who says that romance is dead?

Everybody listen! A gala Valentine Party is planned for February 15, at Lithuanian Hall by the Chorus with part of the proceeds going to the USO. All men in uniform will be admitted free. We will have the Buccaneers to play for us again and

you and I know that they are good. Everybody turn out for this affair. Advertis it among your friends.

PLAY TO BE GIVEN

Mr. John J. Butkus's play, "Isvyta Dukta," will be given by the members of the Aido Chorus under his direction on March 22, at Finnish Hall. I understand that the play has been sent in to the Meno and that they are going to publish it for use among the other colonies.

As far as I know, these people are in the cast: Antoinette Daubar, Violet Karolis, Lillian Gugas, Mrs. Demskis, Joe Palukaitis, Albert Rye, Walter Gugas and Alda Liminsky.

Bowling flashes! Albert Rye picked up the jack pot today for having the highest game which was 208. Among the girls, Violet Karolis is improving her game by leaps and bounds. Maybe Fritz's coaching helps.

"Spring, Spring, Oh Grand Spring" Chant The Springful Spring "Three Shadows"

BEAUTIFUL Spring, OH grand Spring! My we're a bit off, but this weather has got us. We are having very nice weather so we should talk about it.... While riding around Sunday we ran out of gas and where do you think we were? Why right in front of the Lithuanian Audi. So we went in to snoop around and we found out from some well advised people that the well known L. K. M. CHORUS was giving a Boosters Banquet. So we thought we should stay and taste some of the turkey.—OH, BOY, what TURKEY! Our mouths are still watering— (From the gravy). After our grand meal we had to get down to brass tacks, you know what we mean, why, spy on people, of course.

Here's what we mean:..... HELEN A was waiting on tables as usual. Always glad to give a helping hand.... LILLIAN S. sure looked as if she stepped out of a book, dressed so mighty pretty, she was.... VALERIA B. has finally made her debut. She helped fill out the program, singing a solo (well done).... STELLA K. was looking very well, after her illness.... STEVIE is in the hospital after an

Burnetskys bowling.

Phyllis Rasins must have had quite a few drinks Wed. night because she bowled three extra high games.

Bertha Baron came up with a couple of jokes that were boners. Anyway Phyllis laughed even though some of the others didn't.

What's wrong Alma? Does the chorus sound better when you singing in it or when your listening.

Angel Pye.

DON COSSACK CHORUS TO PERFORM IN CHICAGO FOR RUSSIAN WAR RELIEF, INC.

Chicago's Lithuanians are preparing enmasse to attend the Don Cossack Russian Male Chorus benefit performance for the heroic sons and people of Soviets who have withstood the mad Nazi onslaughts and who now, are driving the invader back pursued relentlessly by the courageous Soviet Red Army.

During the fifteen years as an organized chorus, the General Platoff Don Cossacks, under the brilliant leadership of Nicholas Kos-trukoff, have been acclaimed throughout six continents, and made musical history as the greatest singing ensemble of their kind.

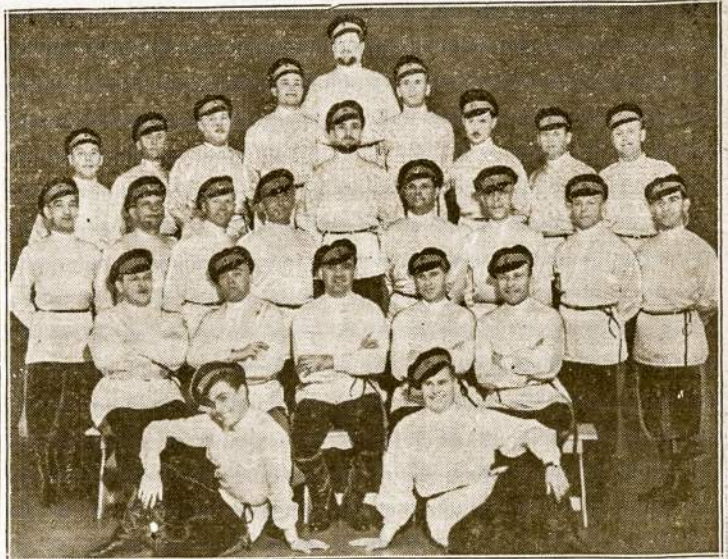

The exultant fervor of the voices is heard in the beautiful liturgical music of the Russian-Orthodox Church

and in the exquisite, haunting melodies of Russian folk-song. To these are added the wild Cossack songs with their exciting mixture of interspersed shouts and whistling.

Finally, there is the thrill of the dances—of the Caucasian Lesginka, the popular Kozatchok, in which the members of the Chorus take part, and which brings the performance to a thrilling close.

The Don Cossack Chorus which has offered its services free for the benefit of Russian Relief, Inc., will be heard and seen at the Civic Opera House, Monday evening, February 9.

Tickets for the performance sell for 83c, \$1.10, \$1.65 and \$2.20 including tax. They are on sale at the

box office and Marshall Field's.

Another benefit performance for Russian Relief, Inc., is being given by Maria Kurenko, Soprano, with Sergei Tarnoweky at the

piano. It will take place on January 31, Saturday, at 8 p. m., Leon Mandel Hall at the University of Chicago.

The entire proceeds of both affairs will be used to send food, clothing and me-

dical supplies to the Russian people. Transmitting agency is the Chicago Committee for Russia War Relief, Inc., 80 East Jackson Blvd.

Sacrificing Girdles Is Nothing; Chicago LDS Fems Arrange 'Cupid's Party' For Soldiers

Many of you have already noted the attempt that has been made by the LDS sorority sisters to aid the LDS young men who are in the United States Army, by sending them smokes which were collected during a series of campaigns at LDS affairs. The "Good-Deed" sorority sisters are out this time, on a bigger scale, to raise finances to send the men gifts as well as offer a good time to all who will be present at the coming Cupid's Night.

Be sure to tell your friends about the "CUPID'S NIGHT" which is being arranged at the Hollywood Inn, 2417 W. 43rd St., February 14, 1942, Saturday evening. The entree fee is but 33 cents which will include many surprises. A program of entertainment is being arranged as well as dancing. We hope all who will attend will be participants and get in the circle of fun. The newly organized sorority sisters have "something new" in the line of refreshments and we just know that it will be hard to resist the temptation of trying a few.

INITIATION A SUCCESS

Since the first initiation party took place last Friday evening at the Nantucket Inn, all of the members of the sorority feel that they are the full-fledged members of the newly organized group of which there are twenty at the present time. We received the member emblems during a candlelit ceremony and it signifies that we are members of the Lambda Delta Sigma. All of the girls will wear them Cupid's Night. We will also be recognized by our attire. All of us will have little aprons alike and we will try very hard to be the charming and welcoming hostesses for that evening.

Not a thing will be forgotten. Even a postman will be present to deliver the amatory and satirical messages which will be found in the Valentines which will be available that evening. So if the bashful person hasn't gotten around to brave his courage, the postman will aid by delivering the messages to the one and only. This is going to be an extra-special kind of affair so chalk it up on your calendar. A Dartlette.

Redwings Push "INI" Party Plans; Prepare For Combined Adult-Youth Affair Also

This Sunday at the Sokol Hall, at 3:30 P.M. the Vilnis Concert is to take place. The Vilnis group are presenting a very superb program with many popular groups participating. The L.K.M. Chorus, that untiring group of people are to give a few renditions of famous songs. Also will be a few new features in the spotlight. After setting through a two hour program the youth will be able to stretch their legs to the merry dance tunes of Mike Batutis orchestra.

REDWING PARTY

The Redwing Bunco Party and Dance is coming soon so watch for the date in the language section.—Now that the Girls Sorority have received their pins last

Friday at their initiation, they will show off at their Cupid's Dance which takes place on Feb. 14th at Hollywood Inn. Many of our girl branch members will be there so let's give the "bags" a success in their initial affair since their organization.

MONTHLY MEETING

Our Redwings Meeting will take place Monday evening, February 2, at Hollywood Inn and it is requested all members attend. Many details are to be taken up so important to the progress of the club.—The announcement of the Merit Award Banquet committee. This affair alone should draw interest because it is what one would call the foundation of the club's enthusiasm.

Defense Film Shows How To Fight Bombs In Case Of Air Raid

"They're Dropping Incendiaries" is the title of a new film now being shown at the New York Museum of Science and Industry at Rockefeller Center.

Prepared by a group of fire insurance companies, it shows in detail how the small magnesium incendiary bomb most commonly used against a city burns and how to combat it.

Actual scenes of the havoc wrought by an incendiary after plunging through a roof and landing in a bedroom are shown, together with the right and wrong ways of trying to put it out.

Also are various important committees to be elected in regards to the National Convention, membership drive and Civilian Defense.

CONVENTION TIME

Speaking of the Convention—this affair alone will take much time of the members in the months to come. What Chicago wants to do is to present a Convention extra-ordinary to prove that the East are not the only members in the L.D.S.

Now to sign off with the "Scop of the Month" which is—Barbara U. and Joe Stalor M.Y. C. drama director are so lovely dovey that it may become serious in the convention time—and I am sure that their attention to each other make other love affairs seem like dry ice.

TIMED CAMERAS REPLACE BULLETS IN NAVY'S SHAM AERIAL WARFARE

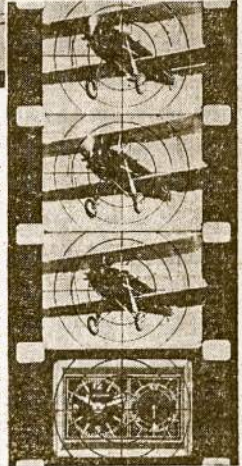

Pilots in Combat Practice Fire Away at Each Other With "Machine Gun Cameras"—Watch Shows Exact Second of 'Killing'

A MACHINE gun camera, fitted with a watch that records the exact moment of scoring a perfect hit, is the unique device now being used in Navy airplanes to test a pilot's speed and accuracy of gunfire. This equipment invests sham battles with all the reality of actual fighting aloft, for it provides a highly accurate comparison between two combatants. Except for the substitution of film for bullets, practice battles are war "to the death."

The Fairchild Gun Camera, slung and operated precisely like a machine gun, is of the motion picture type and contains a second-recording Hamilton Watch. Another device marks each individual section of film with thin lines—both concentric circles as on a rifle target, and cross lines similar to those in a surveyor's instrument. Thus, pictures taken of an "enemy" plane show the exact point at which it would be hit with bullets.

In sham combat, planes dive, circle, and manoeuvre each other into position just as they would in a real "dog-fight." When the "enemy" comes within range, the pilot or gunner then presses the trigger of the machine gun camera, which takes a motion picture of the opposing airplane. After a burst of shots has been made, and when the

(Above) The strip of film on which is recorded the "hits" and "misses" of the machine gunner. The Special Hamilton Clock records instant of hit.

gunner thinks he has made a perfect "hit", he releases the trigger and the camera automatically changes focus to take a picture of the watch. When the airplanes return to the ground the films are developed and projected on a screen, revealing the progress of the battle and showing the precise time of the first successful shot. The pilot whose first hit is registered a few seconds later than that of his opponent may then imagine himself actually losing the battle, falling to his death in a smoking, flame-ridden airplane.

RED BAITER'S DILEMMA

We are quite sure that our Lithuanian pro-Nazis won't like the United States House and Senate Judiciary Committee's action in eliminating the Dies amendment to a bill which would have put the Communist Party in a "foreign agent" category.

We are also quite sure that they will continue their red-baiting in a line that only helps one group—the Axis. That has been their aim continuously.

The action of the House and Senate Judiciary committee goes to prove conclusively, that the American Communist Party is AMERICAN. And that it is serving in the interest of the people of the United States, and no other nation. For had interests other than that been involved, we are quite sure that an opposite decision would have come out of the committee hearings.

We welcome the decision of the House and Senate committees. We think that they acted in the interest of national unity. They have strengthened that unity by casting aside, once and for all, a charge against a political party that is contributing all its strength toward the defeat of Axisism.

Now that the veil is lifted on the Communist Party, we suggest that a thorough investigation of the "communist howler's" be conducted. For it is a known fact that those who vociferously cry "communist" have been utilizing the term to cloak their active aid and support to friend Adolph Hitler.

WORKING FOR HITLER

"A Communist paper reports that one of their youthful staff members "is considering enlisting in the U.S.A. armed forces." That reminds us of the days when young commies in numbers rushed all the way to Spain to participate in the civil war. The average then was MUCH higher".

No. The above is not taken from Hitler's Berliner Zeitung. It appeared in the Lithuanian American WEEK, once called "Jaunimas." Seemly innocent, the paragraph comment of "WEEK" is deadly propaganda which aids no one but Hitler. For inherent in that writup is a ridiculing sneer at a person who is joining his country's armed forces to combat the Axis menace. It is a type of sly propaganda which Hitler henchmen are utilizing in America to stir up distrust, antagonism, and disunity.

"WEEK" under the name of "Jaunimas" was accused of pro-Nazism by the fifth column routing bulletin "THE HOUR." The stigma still remains. Under a new name it is putting into effect words that it uttered at one time and which were "Three Cheers for Adolph Hitler."

FACTS ABOUT ILLINOIS

ILLINOIS PLOWS IN CALIFORNIA

Farm implements, made in Illinois, especially plows, were transported across the Isthmus of Panama en route to California before the Civil War, according to the Illinois Writers' Project, W.P.A. Wagons, harrows, planters and cultivators were other items that made the long journey, and brought fame and prestige to their makers. Besides supplying Iowa, Missouri, Kentucky, Tennessee, Mississippi and Arkansas, heavy shipments were made for California. Newspapers of 1857 recited the fact that they went by way of the Illinois and Mississippi rivers; the Gulf of Mexico, Isthmus of Panama, and the Pacific ocean.

FORTS MARKED PASSING OF WILDERNESS

Construction of forts by the young American nation after the War of 1812 marked the end of the struggle of nations for Illinois dominion, and also marked the transition from wilderness and unbroken prairie to civilized communities, reports the Illinois WPA Writer's Project. Among the principal strongholds were Fort Armstrong, on Rock Island; Fort Clark, at Peoria, and the re-built Fort Dearborn, at Chicago. These established and maintained lines of communication and protection for settlers and town builders, and were challenged for the last time in the Black Hawk War. Thereafter the garrisons were gradually reduced. Fort Clark and Fort Dearborn are today only historic memories. Fort Armstrong is on the military reservation which is also the site of the Rock Island Arsenal.

CHOCOLATE CORN DEVELOPED BY FARMER

An Illinois history published in 1857 describe a type of corn known as "chocolate corn" that was developed by a St. Clair county farmer, reports the Illinois WPA Writers' Project. According to the history, the corn had a black seed, and "when carefully prepared tasted and looked almost exactly like light chocolate." One and one-half ears were said to be enough to make the equivalent of four pints of chocolate, and the ears, when used as a vegetable, were said to be "very palatable." Recipes and directions for preparing it, as a beverage and a vegetable, were contained in the history, which urged its use as a substitute for coffee, then a scarce and expensive item.

COURT APPROVED PLOWING CORN ON SUNDAY

Plowing corn on Sunday does not disturb the peace and good order of society, and is not a violation of law. Such was the ruling of the Appellate Court of the Fourth District of Illinois in a case originating about a half century ago in Mount Vernon. The defendant farmer had been arrested for plowing corn on Sunday in sight of church-goes. The action was brought under a "Blue Law" section relating to disturbance of the peace by labor on Sunday. Convicted in the local court, he appealed the decision, and the Appellate Court reversed the lower court, on the ground that the section does not prohibit legitimate, necessary work or amusement on Sunday, which does not conflict with peace and good order.

BLACK HAWK COUNTRY RICH IN DRAMA

Romance, drama and tragedy are all included in the history of the Black Hawk country, according to the Illinois WPA Writers' Project. Near the confluence of the Rock and Mississippi rivers, Black Hawk was born in 1767, and there he lived for 65 years until banished after the Black Hawk war. The site of this historic Watch Tower fronting on the Rock river is now a state park. The Sauk village is now residential Rock Island. Here French soldiers, en route to Fort de Chartres on their retreat from Quebec, wintered during 1760-61. Here a contingent of George Rogers Clark's little army fought in 1780. Here Zebulon M. Pike hoisted the Stars and Stripes in 1805. Here Jefferson Davis met and courted his bride, and here he and Abraham Lincoln received their baptism of fire in the Black Hawk war.

As We See It In Lith Circles

By GEORGE STARKAUSKAS

Not Even Figuring

The Russian Red Army, America's ally isn't even figuring in this war if one glances at copies of the newspapers "Naujienos," "Kelevis". But every English newspaper is carrying three inch headlines on the defeats being administered to the Nazis by said army.

From all appearances the editors of said papers react with the blare of Nazi victories. And like the Nazis, when things are black, remain very quiet as regards defeats. Could there be a connection?

Salute To The Quislings

"Captain" Labanuskas who came to the United States from Berlin, Germany only a short while back, did his good deed for Der Fuehrer at a banquet sponsored by the newspaper "Draugas" recently. He asked the audience present, to rise and honor Quisling Lithuanians who revolted against the Soviet government at the time that the Nazis launched their attack against the small nation.

Who said we had no pro-Nazi Lithuanians in America?

An Attempt to Quench A Stench

"Three Cheers For Hitler" by "Jaunimas" was enough to incite violence against the newspaper. This was the feeling of AMERICAN Lithuanians. Now attempting to whitewash itself, a new name has been added. Said name is Lithuanian American WEEK.

Regardless of the change, the odor which emanated from "Jaunimas," emanates from WEEK.

Personally we think a more appropriate name can be garnered from the present one. Such as: The Lithuanian American pipsqWEEK. That's all it is in Lithuanian American circles.

It'll Happen Yet

Why is it that with every Russian victory against the Nazis, a strain on blood vessels is apparent as regards certain Lithuanian newspaper editors?

Not enraged are you?

Better watch that blood pressure. Vessels have been known to burst. We'd hate to write you up in an obituary column.

Not Good Enough

According to some Lithuanian "leaders" an American Lithuanian Army, apart from our regular army should be organized. The reason behind this move is of course, obvious. They would love seeing such a group act as an army of occupation in Lithuania following war's end. This army would dictate, such as the phony "Free Lithuania Committee" would like to, the type of government the Lithuanian people SHOULD have.

Since when have the United Nations against the Axis needed assistance from nincompoops such as these "leaders"? And since when have the Lithuanian people asked, these "leaders" to decide for them what type of government THEY should have after the war?

Furthermore, isn't the American army as is, good enough for our Lithuanian Americans? Thousands are in it and we have yet to hear complaints. They want to whip the Axis, and they know the army that IS, will do it!

LAMBDA DELTA SIGMAS

This is going to be a poem about the captioned,
And the words are not going to be rationed.
Everyone has heard of these sisters
Who are admired by their misters. (Those who have'em)

We do hereby confess, that we all belong to the L. D. S.
To the Redwings some of us belong,
And the Sparks too are in quite strong,
Then the Monarchs whom we cannot forget
Or else they might make us dance a minuet.

Every other Friday at about half past eight,
You can find us in the middle of a debate,
Deciding which draftee should get the cigars
To while away his lonely hours.
For cigarettes we really did campaign,
But when we got cigars, we didn't complain.

Here we are tonight at Nantucket for dinner,
Boy that steak was sure a winner.
We are having what you call an initiation
Which is done by all clubs in creation.
We are also to receive tonight,
Our pins which have been made just right.

Then, of course, if you have been reading the papers,
You will note that we are to have our capers.
This will occur on Cupid's Nite
When, if you wish, you can get tight.
And those of you who are wise men,
For dancing and valentines prizes will win.

On that night you can find fun and hearts galore,
Which I am sure you will not find a bore.
And when Cupid's bow does twang
And finds your heart with a bang,
Just wait and see, you will have to respond,
To the whims and wishes of the girl of whom you are fond.
Here's hoping you attend our affair
Where you won't remember a single care.

About the Lambda Delta Sigmas this is all I have to say
And about this poem think what you may.
I am not a poet, and I know it,
But this is something I had to do,
So I hope it hasn't bored you.

Aline Zimont.

It was with fare as outlined above, that the Charter members of the Chicago Lambda Delta Sigma sorority initiated into its circle nine girls, making a total membership of twenty. The formal initiation took place at Nantucket's, 104th and Western last Friday. The sorority is representative of all the LDS branches with the exception of Roseland.

All sorority sisters took a solemn pledge to support the ideals, aims and purpose of the sorority and to work in unity with the LDS.

The necessity of an LDS sorority in times like these was stressed. Since women everywhere are doing their share to win this war by working with the Red Cross, assisting in civilian defense and maintaining contacts with the boys in the army, it is evident that little can be accomplished by individuals. Where the purpose is broad, the effort to accomplish that end must be strong and united. So it is with the Lambda Delta Sigma.

Individually it would not be possible to work out those things to which the sorority has pledged itself. Its chief aim at this time is to provide for the welfare and entertainment of all LDS boys at camp. So far, their efforts have resulted in generous collections of cigarettes, cards and round robin letters. The approaching Cupid's dance, the first public affair given by the sorority, is arranged for the soldiers' benefit. All profits of social in the future will also be arranged for the purpose of providing something for our boys.

And why is work of this nature important in times like these? Thoughtful, considerate ministrations on the part of the sorority sisters has resulted in making the boys stronger, better soldiers since he knows that his service is being recognized, and the boys who have not yet been called to the army, know in advance that members of the Lambda Delta Sigma will devote time and energy in his behalf. Many of the LDS boys are transferred to parts of the country totally strange to them. It gives them a wholesome feeling to keep contact with the LDS, and an LDS that reaches into every corner of the United States, remaining prominent and unforgetten in spite of great distances, creates unity, a vital necessity in times like these.

The recent initiation of members does not, of course, close the doors of the sorority to girls who have not yet joined. To continually strengthen the group and enable it to engage in other fields makes it important to continue to increase the membership. The Red Cross requires that at least thirty girls be in the group before a representative is available to the sorority, and it is therefore incumbent upon us that the membership increase rapidly. In the interests of Red Cross or civilian defense, sorority sisters are joining other groups. It would be appropriate for the LDS as a whole to maintain unity in all phases of war work and the sorority can do its share.

Soviet Union Youth Cable Appreciation To Lincoln Veterans

Veterans of the Lincoln Brigade have just received a cable from the Anti-Fascist Soviet Youth Committee in Kuibishev, USSR., reporting the destruction of the "Blue Division" of Spanish volunteers by the Red Army.

The cable was sent to Major Milton Wolff, commander of the veterans, in gratitude for presents, which the veterans' organization sent for distribution to Red Army soldiers.

The presents consisted of cigars, flashlights, watches, heavy woolen socks, gloves and other useful articles.

In a cable announcing the sending of the presents Wolff had pledged the Soviet Youth Committee that the veterans would continue fighting fascism on every front.

The news from Kuibyshev, said Wolff yesterday, is further proof that veterans did not die in vain in Spain.

"Madrid was not the tomb of fascism," he continued. "But, with the present inspiring unity of all the democratic peoples and governments of the world, Moscow can and will be."

Sunday At Sokol Hall Will See Grandest Artist Presentation

We're not continuing the discussion on the merits of Mozart and Donizetti. Following last week's article we were stormed by Schubert and Strauss enthusiasts who thought these two noted gentlemen deserved a note of mention. So to offset the violent attack, all we have to say is the following:

You will recall no doubt that we said only part of

DOROTHY YUDEN

1. The 75 voice LUTNIA Polish Chorus under the direction of Dr. E. G. Urbanowicz who will appear on the concert program.

Now add the total group (as announced) up and what do we have.

Rounder Upper Writes: LDS MERRY GO ROUND

STEERING COMMITTEE SELECTED FOR CONVENTION

At the last meeting of the LDS 2nd District, representatives from adult and youth branches were present. There was a lively discussion on arrangements for the LDS convention program and for how many days the convention sessions will last. A steering committee consisting of Stanley Juska, Julia Skeberdis and Joseph Sacal were elected. They will be responsible for engaging the needed places for holding the convention sessions and events, also see that the other committees are functioning properly such as housing, sports, drama, advertising, entertaining and several others. It will be necessary for the Chicago branches to bring up all of these points at their meetings from now until convention time. By doing this, plenty of time will be allotted to each committee and the work will be carried out successfully.

7th DISTRICT TO AID 1942 CONVENTION

Realizing the importance of the 1942 convention within the Mid-Western area, the branches of the 7th District have pledged themselves as aides in a financial manner. They realize that this aid will be very beneficial as it will go toward entertaining the delegates. This support is to be highly appreciated and the Chicago branches are urged to take similar steps.

MIDWEST VOICE ELIMINATED

Due to a number of difficulties, revolving around the Chicago Leaders meeting and convention arrangements, the council finds it necessary to eliminate the Midwest Voice. All announcements are urged to be sent to the official organ, Tiesa, for publication. It is hoped that the LDS members will not feel too disappointed when they come to their meetings this month and find out that the voice has been eliminated.

CHICAGO LEADER'S MEETING

A conference is being called by the Midwest Youth Council February 15 at the Morrison Hotel, so that the various convention items may be discussed fully as each Chicago member should feel the responsibility they will have during convention time. Representatives from the youth branches and their executives should be present as well as membership drive workers of the past and present drive. A line of events will be discussed fully, such as sports, membership drive, drama, also the participation in national and civilian defense as well as Red Cross. A luncheon will be served and a bit of entertainment will follow, possibly a theatre party.

LAMBDA DELTA SIGMA HOLD SUCCESSFUL INITIATION PARTY

At last the planned initiation party took place last Friday at the Nantucket Inn. All the members of the sorority were present, with the exception of Anne Peters who is still convalescing at home after an operation. While the "sisters" were indulging in their dinners, Helen Lane the Chairman of the sorority presented a wedding gift to Frances Stein who was the first bride since the sorority was organized. The beautiful frame which she received will be used in framing her wedding picture. Corsages were placed at each place on the table and the girls pinned them on themselves.

There was a planned solemn ceremony in which all the members took part. The candlelit ceremony almost brought tears to some of the members who were initiated by the charter members. It was so touching. All received their emblems and repeated the pledge with Helen Lane who is the chairman.

Frances Yurgil acted as chairman in calling upon the ten victims who were to be initiated. Pictures were taken of the charter members and the new members. After the proceedings all the girls felt assured that they have a better outlook and aim which should be beneficial to the LDS and sorority. This ceremony will be continued each year for the new members who will be welcomed into the sorority.

CUPID'S NIGHT BY LDS SORORITY

Within several weeks the Cupid's night will take place. The girls of the sorority have chosen just the night for the event, Valentines night, Sat., February 14, where many a heart will flip into the Hollywood Inn Post Office. A post-master general will deliver your messages that you will address to whom ever you will desire to receive them. All the while these messages are being delivered, please remember that many an LDS soldier would like to have been at this affair. So as not to forget them, gifts will be sent to them from the proceeds of the Cupid's Night.

This is the first affair the girls sorority is sponsoring since they have been organized and it is for a worthy cause. Please keep the date in mind and tell your friends about the affair. Come and acquaint yourselves with the sorority sisters, February 14, 2417 W. 43rd Street. They will keep you entertained throughout the evening as they will be your hostesses.

Arrangements For Chicago LDS Leaders Meet Moves Ahead

Calls and special requests are being delivered to Chicago LDS youth leaders for the forthcoming Windy City Youth Leaders Conference.

It is expected that some 25 to 30 representatives drive workers, executive board members, Midwest Youth Council members—will comprise the total group.

Every branch in Chicago will be involved in the serious deliberations. For under discussion, besides the coming convention, will be LDS youth participation in the country's efforts to win the war against the Axis invaders.

Already a number of LDS midwest youth are involved in civilian defense, Red Cross activity and in service with the United States armed forces. An outgrowth of the youth leaders conference will be intensification of midwest LDS effort in this direction.

The LDS Youth Leaders Conference will take place on February 15. Place, date and complete arrangements will be announced shortly. Responsibility for the calling of the conference is in hands of the LDS Midwest Youth Council.

CHICAGO MAPS PLAN FOR NATIONAL CONVENTION OF LDS, ALSO SPORTS MEET

Soviet War Film Being Shown At Chi. Lith. Auditorium

The modern mechanized Red Army that is out-blitzing the Nazi hordes will be seen in film form, Friday, February 6 at the Chicago Lithuanian Auditorium, 3133 S. Halsted St.

Chock full of action, taken on the scene of bloody struggles with the invaders, the film depicts the heroism and sacrifice, the fight of the Russian people to maintain their democratic way of life.

To be seen is the armaments, the people who use them, their way of life under the Soviet regime, all this will be graphically illustrated in "Soviet Frontiers."

Two showings will be available to the public. The first is at 7:30 p. m., the second at 9 p. m. Admission including tax is 35c.

Points of interest discussed, all of which should be given deep thought by midwest LDS members were:

1. To hold the main convention session in the Bridgeport section of Chicago.
2. That the youth sessions and possibly several adult session be held in the city proper. Most likely at a centrally located hotel.
3. That the Sunday prior to the regular convention sessions be devoted solely to the LDS National Track and Field Meet.
4. Following the second day session of the convention, it is proposed that the LDS Dramatic Festival be held. This to be in the evening.
5. Other sports ventures to be conducted by the LDS National Office, such as golf tournament, swimming meet, etc., will be either held in the afternoon or on still free evenings.
6. That on the fifth day of the week a grand concert and dance will be sponsored.

Committees Elected.
Chicago representatives, or as one might call them, steering committee, for convention arrangements are Stanley Juska, Julia Skeberdis, and Joseph Sacal. Other representatives have been assigned to the numerous other tasks necessary.

To outdo all other conventions, the Chicago representatives have made arrangements to sponsor a free banquet to all delegates present. It is assumed that this will be held in a downtown hotel.

Youth representatives have special tasks of their own. These revolve around the National Track and Field Meet, swimming meet, golf meet and the dramatic festival.

To further elaborate the numerous duties awaiting LDS youth branches, the LDS Midwest Youth Council is calling a Chicago LDS Youth Leaders Conference for February 15. It is expected to be held in a downtown hotel.

The LDS National Convention will open on July 20.
