Iš Londono praneša, jog Lietuvių naciai sušaudė 400 žmonių keršti už dviejų nacių nuožėjimą. Tie žmonės niekuo neuskūdė. Jie buvo suimiti "uzstatan" ir sušaudyti baiginiui kiti.

Tokio nuožūnus, kruvinio teoro istorija nemacija.

Okupuoto Francūzijos saudo po 100 žmonių už vieną naci, o Lietuvių dar nuožūnai, kruviniai — po 200 už vieną naci.

O kiek lietuvių fašistinai ir abelini pro-nacinių laikraščiai džiaugėsi, kad Hitleris Lietuvą "išlaivino."

Tik keletas dienų atgal "Naujienos" (nr. 121) pasidžiaugė, kad naciai "manų lietuvą" surūpė, kuris "išsinerius iš praeties" ir "išsijungia į varomają jėgą."

Kokią būturi nacių propagandai?

Teisybė, kad Hitlerio budelini "išnerius iš praeties" ir išgyvūnai lietuvius net po 400 ant skyto, bet tai naikinimas, ne kūrimas.

"Sukuriamas naujo lietuvių" yra gryna hitlerinė propaganda, bet kada "Naujienos" deda ją, tas laikraštis taip jam atskominges už minkinting lietuvių, kaip ir Goebbelėnas, kuris fašizmą gamina tuo metu.

Talpinimas nacių propagandos reiškia teikimą jiem talbos kare prieš demokratijas, taipgi ir teikimą talkos į kruvinimus.

Ateis laikas ir Hitleriui ir jis talkininkams atskaita duoti.

Ateis, būkite tikri.

Amerikos valdžia, sakoma, pasiūlė Sovjetų Sąjungai sudaryti Ekonominį Bloką ir Jungtinį Valstiją, Anglijos ir Sovjetų Sąjungos. Tas blokas veiks bendrai atstumytai prekybos ir abelini ekonominių sanktykių deriniui po karo.

Tai labai svarbus žygis,

Pastaromis pora savaičių išnūsiai vyriausybė turėjus pasiūlymų su SSSR atstovėje Washingtone. Dedama pastangos, bet ne įvykdymui ir palaikejimui.

Amerika ir Sovjetų Sąjunga vaidina vyriausybas roles šio karo laimėjimui. Naturalu, joms teis svarbiausios roles taikos ivykdymui ir palaikejimui.

Tūliliuvių Amerikoje dažnai plėpa, jog mūsų valdžia būlė palaikejant luvus Lietuvos fašistinė režimui, kad jí esanti nusiteikus priešingai Sovjetų Sąjungai ir tam panašiai.

Tai yra ili bandymas susiraminti.

Kokio gali būti mūsų vyriausybė išrokiavimo tokį nusistatymu turėti?

Nera joko.

Daugumai lietuvių nacionalistai gali laukia iš Hitlerio malonių.

Reikia pasakyti, kad prie skleidimo naciems propagandos, prie kėlimo neapykantos pries Angliją ir Sovjetų Sąjungą daug prisišėjo atvykę čia iš Vokietijos fašistai ir fašistūnanti lietuvių.

WASHINGTONAS, geg. 27.— Sovjetų Sąjungos ambasadorius Maksiminas Litvinovas manėsi su valstybės sekretoriu Hull ir apie valandą laiko jie du tarėsi dienai svartais klausimais.

Passarimo metu sekretorius Hull ištekė Lietuvos raištu pagrindiniams lenda-lease susitarimui, kuris apima karinę paramą Sovietams iki karo pabaigai ir pokariui klausimuis.

Pirmai Sovietų Sąjunga gaudavo iš Amerikos karinį reikmenį užnokant už juos grynuoju pinigais arba atitinkamom prekėm. Dabar, kaip pačių, karo reikmenis Sovietam Amerika teikia pagal lenda-lease programą.

Prrez. Roosevelto administracija siūlydama "pagrindinių lenda-lease susitarimą," turi minėti sudaryti iš trijų valstybių — Amerikos, Anglijos ir Sovietų Sąjungos — ekonominį bloką, kuris po karui dominuotu viso pasaulyje gyventi.

Prie proponuojamo trilypių bloko galėtų prisidėti bilo tada darbų prisižiūrusi prie Suvietų Tautų.

Lietuvos pasiūlymas pagrindinis lenda-lease susitarimui vieniskai tapatus anam susitarimui, kurį vasario 27 pasiūlyti Jungtinės Valstijos ir Anglijos.

Anglijos ir Jungtinijos Valstijų susitarimais ir dabar siūlomos Jungtinijos Valstijos, Anglijos ir Sovietų Sąjungos susitarimais yra paremtas Atlanto Arterijos nusakytas ekonominis pamatinis dėsnis.

Prrez. Rooseveltas aiškina, kad pagrindiniams susitarimams pamatai yra patenkinti. Sen. Rooseveltas išskiria, kad pagrindiniams susitarimams pamatinis dėsnis, Prez. Rooseveltas aiškina, kad pagrindiniams susitarimams pamatai padėjo lenda-lease sistema.

Maksiminas Litvinovas priešiūrė Hullo rašyti pasiūlymą persiūlėnai vyriausybei iš Maskvo. Nuo komentarių Litvinovas, betgi, susilaikė.

Skerdyne Lietuvoje

Iš J. Šimkaus pranešimo, tilpusio "Vilniję" ir iš visos eilės kitų pranešimų Amerikos lietuvių žino koks teroras siaučia okupuotoje Lietuvoje.

Vakar United Press' korespondentas John A. Parris pranešė iš Londono, kad nacių bukolai nužudė Lietuvos keturis šimtum. Tieki žmonių nužudyta už nušovimą dviejų nacių viršininkų.

Už vieną naciją - du šimtai Lietuvos žmonių! Du šimtai įkaitų, kurie nei nedalyvavo to nacio užnušimė.

Francuzų už iekiekvieną nudėtą naciją bukolai nužudė šimtą francūzų. Lietuvų jie padvigubino savo budelišką keršą.

Berlyno pranešimai sako, kad nužudyti įkaitai buvo "komunistai ir sabotažinkai". Tai didžiausia garbė komunistams, nora aiškus dalykas, kad nužudyta tarpe buvo visokiu žmoniu. Pa-prastai nacių visus kovočius už laisvę ir teisybę vadina komunista. Bet prieš jų pragariską maštą kovoja ne tik komunista. Kovoja viena liudais, visi, kurie neapkenčiai paverčia.

Jei naciai taip siunta lietuvą, tai jau savaimi aišku, kad Lietuvos žmonės prieš juos, kad Lietuvos žmonės žūri i juos, kaip i rakanus.

Lietuvos žmonės kaip galėdami i kuoj galėdami kovoja prieš nacijų kruvinį režimą. Bet jie taip pat troksta pagelbę. Jie, kaip ir visų okupuotų kraštų gyventojai laukia nesulaukia, kada gi pagaliaus susidarys Vakarų frontas.

Kada angliai ir amerikiečiai sudarys antrą frontą, kada jie pradės taip mušties, kaip mušasi raudonarmiečiai, tuomet visems paverčiems kraštams, taip pat ir Lietuvai prisiartins išsiluosavimo valandą.

Antro fronto sudarymas kaip perkūnas trenktų Hitlerio užnugarių.

Tai svarbiausias reikalas, tai gyvybinis reikalas visoms Susivienijusioms Tautoms.

J. L. Lewiso Manevrai

Kuomet kūrėsi Kongresas Industrinių Organizacijų, anglakasių unija ji gausiai remė finansiniais. Plečiant industrinių unijų tinklą, organizuojant naujas unijas, reikėjo labai daug ištæklių. Angliakasių unijos iždas buvo geram stovyje ir todėl buvo visai naturalus, kad unija gausiai uakavo bendrana reikaliui. Uakavo, žinoma, ne tik angliakasių unija, bet ir tūkstančiai, kuri tarpe ar Amalgameitū Rūbšiuvių unija.

Dėl ty aukų J. L. Lewis is jo pakalikai dabar kelia lermą. Jie sako, kad tai buvo ne auka, bet paskola ir todėl reikalausi iš CIO, kad anglakasių unijai būtu gražinti \$1,665,000. Be to, jie priedarė ir daugiau visokiu rokundu, pri-skaitydami prie jų ir tas pagalvės mokesčius, kurius angliakasių unijos nariai mokojo CIO centrui.

Bet Lewis'as "pamiršta", ką yra ntarusi United Mine Workers konvercija 1936 metais. Ji yra ntarusi, kad pini-gai, skirti CIO, buvo ne paskola, bet au-ka. Tai vienas dalykas. O antras dalykas yra tas: Kodėl per tuos visus metus patsai Lewis niekada nereikalovalo, nekad nei neužsiminė apie ta "paskolą"? Todėl, kad jis labai gerai žinojo, jog tai auks.

Lermą dėl ty aukų Lewis kelia iš pil-komo, iš pagiežos, kad ne jo viršus darbininkų judėjime, kad ne jo izoliacine politika pačiame viršu. Antro vertus, jis

mano, kad tai tinkamiausias pretekstas ištraukti anglakasių uniją iš CIO. Be to, jam rūpi išesti Philip Murray iš anglakasių unijos, kuriuo jis užima vice-prezidento vietą.

Tie Lewis'o manevrai, ta jø nelemta politika išsauso pasipiktinimą visame darbininkų judėjime.

Dabar, kada visus pajėgas, visas išgales reikia itempti, kad laimėjus šį karą J. L. Lewis kelia ergelius ir kėsinai griaudia ką pirmiau budavojo.

Organizuotas darbas mokes nuo jo apsiginti.

Amerika ir Sovietai

Jungtinė Valstijų valdžia įteikė ambasadoriui Litvinovui labai svarby dokumentą, kuris apima propozicijas kas dėl abiejų šalių ekonominiu bendarabaviavimo pokariniam periode. Su Angliajā ūžmoniui. Tieki žmonių nužudyta už nušovimą dviejų nacių viršininkų.

Už vieną naciją - du šimtai Lietuvos žmonių! Du šimtai įkaitų, kurie nei nedalyvavo to nacio užnušimė.

Francuzų už iekiekvieną nudėtą naciją bukolai nužudė šimtą francūzų. Lietuvų jie padvigubino savo budelišką keršą.

Tiek prezidentas Rooseveltas, tiek ambasadorius Litvinovas nepadare jokių komentarių dėl to pasiūlymo. Dar ne viskas aptarta, taškai ant "i" dar nepa-statyti ir todėl musų pačių komentarių gali būti tik bendro pobūdžio.

Tie ryšiai, kurie šio karo metu užsi-meigž tarp Amerikos, Anglijos ir Sovietaus Sąjungos negalės neturēti pasekmį ir pokariniam periode. Kalp ateityj iky-kiinti to bendarabaviavimo formas rei-kés taries dar nekarta. Néra abejonės, kad Sovjetų valdžia labai rimtai išgi-lins į Amerikos propozicijas. Pokariniai rei-kés periodi reikėtų įtemti visas pajėgas, kad atsistatyti, atsibudoti. Aiškus dalykas, kad apie kapitalizmo gražinimą Sovjetui Sąjungoje negali būti nei kalbos. Ta gerai suprantā ir Washingtonas ir Londonas.

O ką čiauška tuli "socialistiški" poli-tikieriai ir siaip jau reakcininkai, su tuo atskomiginti valstybės vyrai visiškai ne-siskaitys.

Chicago "Sun" korespondentas, pra-nešdamas apie Amerikos propozicijas, įteikta ambasadoriui Litvinovui, prime-na, kad šiaip jau Amerikos santykiai su Sovjetu šalim darsosi vis glaudesi. Jis kalba apie darbo uniją bendarabaviavimą (Anglijos, Sovietų Sąjungos ir Amerikos), apie Browderio išlaivinimą ir, kas svarbiausia, apie sudarymą Vakarų fronto.

Šiuo momentu Vakarų fronto sudary-mas tai svarbiausia užduotis. Juo grei-čiai bus sunumštus Hitleris, tuo lengviau bus išspėsti ir visi kiti klausimai.

Pasaulis nurims ir gyvenimams susi-tarvys tik ant grūvėsių hitlerizmo ir japo-niško militarimo.

Veidmainiau

Iš Ispanijos Argentinon atvyko bizniška delegacija. Tos delegacijos nariai Argentinos užsienio reikalų ministeris Ruiz Guinazu pasibažijo, kad šiame ka-re Argentina užsiaiklys "šaltakraujiškai" ir kad jis, nepaisant nieko, bus neutrali.

Zinoma, Ispanijos faistama tai labai patiko. Tas labai patiks ir Hitlerui ir Japonijai. Neveltui Hitleris nesenai at-siuntė sveikinimą Argentinos preziden-tui.

Argentinos valdžia nėra neutrali. Ji

pataikauja faistinei Ašiai, jos simpati-jos su Ašiu. Ji davė faistą agentams

visiškai laisve veikti Argentinei ir kon-

spirotu pries mūsy šalį. Ji prieverta už-

darnas visiems anti-faistams. Ji

ziauriai slopiniai demokratinių judėjimų.

Zodis demokratija jai tik ant lūpu, o

veikmuose visame kame pro-faisti-

liniu.

Kuomet beveik visos Pietų Amerikos valstybės nutraukė diplomatinius ryšius su faistine Ašiu, Argentina ne tik ry-šių nenutraukė, bet faktinių padeda Ašiai.

Lermą dėl ty aukų Lewis kelia iš pil-

kos, iš pagiežos, kad ne jo viršus dar-

bininkų judėjime, kad ne jo izoliacine

Darbdaviai Trukdo Darbų Rūbų Industrijoj

Jau antra savaitė kaip kontraktoriai, keliniai ir brusloty gamintojai uždarė savo dirbtuves, nes visi siuvinėjai, ACW of A nariai, gavo pakelti algas nuo 6 iki 20 nuosimčių. Darbdaviai, iš kur kontraktoriai gauna darbo, daugiau nemoka. Taigi, kontraktoriai atsišaukiai laikyti savo dirbtuves ir jas laikinai uždarė. Tas paliečia 900 siuvinėjų — vyruotę. Kontraktoriai oficialiai "lokauto" ne pastebė, nes valdžios yra darbas uždrausta trukdyti darbu.

Firmos ir unija pasiuntė delegacijas į Washingtoną, kad klausimą išsirikiu kartu su Karine Darbo Taryba (War Labor Board). Firmatystavo reikalauja pakelti kainas vyriškiems drabužiams, bet valdžios organai tam yra priešingi. Kol kas darbininkai yra tie, kurių daugiausiai nukentėja.

Britų konsulas Chicaguje pareikšė, kad jų nuomone karas siekia savo lemiamos fazės, kada galutinai bus išspresta, kai lieka laimėtuvė. Jis mano, kad Susivienijus Tautos bandys išveržti į Europos kontinentą, bet Vokietija tuo pačiu gali bandyti išveržti į Angliją.

Jis taipgi pabrėžė, kad pagrindiniai mūsy priekas yra Vokietija. "Japonija negalės išsilaikyti, jei Vokietija bus sutriuškinta. Todėl mes turime kreipti vienas jėgas sunumišimai nacių," jis sakė, "ir tuo būdu sumušime visą ašį."

'A 2nd FRONT, MR. FDR'

Charles Chaplin Of Film Fame Asks 2nd Front Opening; Lauds Russia

(Special To V.E.S.)

San Francisco: — Charlie Chaplin the great actor and film genius, stopped the show last Thursday with a dramatic and emotional appeal immediate action by the United States and Britain to open a second front in Europe.

More than 12,000 people in the Civic Auditorium, attending a Russian War Relief rally, rose and cheered and echoed Chaplin's plea with shouts: "Second front... NOW!"

After a tribute to the "glorious fight they are putting up at Kharkov," and appeal for direct and material aid to the Russians, Chaplin said:

"We must do something more, America doesn't want other people to fight its battles. America is dying to get into this fight."

"This is a great and tense moment. I believe if we support Russia now the war can be ended perhaps before Christmas."

"While the Germans were at Kerch, Timoshenko was at Kharkov..."

"The Germans hate two fronts. Now I say, let us have a Second Front! That's not my idea. That's the instinct of the people!"

And the house came down! Chaplin skipped a Hollywood premiere of the reissue of his old classic, "The Gold Rush,"

How Long Must Lithuanian Pro-Nazi Activity Be Tolerated?

CHICAGO PUBLISHED "NAUJIENOS" CONTINUES HATRED DRIVE AGAINST AMERICA'S ALLY; PUBLISH RELEASES PRAISING HITLER REGIME

By Joseph Sacal
(Vilnius English Section Editor)

Evidence that a tightly knit Fifth Column exists in the United States is being uncovered daily by the Federal Bureau of Investigation. To date government action has resulted in suspension of several publications whose policy has been pro-Nazi, anti-Soviet, anti-everything that stands for the winning of the war.

But what of the language publications?

What of the so-called Lithuanian-American newspapers which daily appear with pro-Nazi releases emanating from Lisbon, Portugal under the title of "By Letter Via Lisbon, Portugal?" How long must their campaign of hatred, distrust of Americas ally, Soviet Russia, "By Letter Via Lisbon" Nazi glorifying propaganda be tolerated?

Action Needed
That action against seditious

outspoken admirers of the Hitler regime within Lithuanian-American circles will be taken sometime, there is no doubt. But can we wait? Can we continue to allow Nazi regime praise to be circulated among Lithuanian-Americans and expect those who are being imbued with Nazi goodness to work for victory—for America's and an Allied Nations victory over the Axis hordes?

Certainly not! As a matter of fact, what guarantee have we that the individuals who have been reading Berlin relayed material appearing in a number of Lithuanian language publications have not been sabotaging our war production, working in the interest of Hitler? Have we that guarantee? Have we guarantee that a nationwide plot under the supervision of Lithuanian fascists operating in this country is not being conducted?

We have no guarantee. And we will continue without it as

"LISTEN, LITHUANIAN-AMERICANS"

Lithuanian Anti-Fascist Youth Congress Convenes In Moscow Sunday, Proceedings To Be Broadcast Via Short Wave; American Youth Urged To Tune In

BROOKLYN, N.Y. — According to word received here, there will be a huge Lithuanian Youth Congress held in Moscow on Sunday, May 31st, in which Lithuanian young people, representing youth organizations, Lithuanian youth serving in the gallant Lithuanian units of the Red Army, young Lithuanian partisans who are waging a heroic guerrilla warfare against the Nazi occupants of their homeland and heroic Lithuanian girls who are also serving the cause of liberation of their homeland from Nazi enslavers, shall express their determination to carry out the People's Commissar of Defense, Joseph Stalin's, order to defeat the Hitlerite scoundrels in the year 1942.

Lithuanian American youths were urged to tune in on the

Congress broadcast which is primarily being sent via short wave to the enslaved people of Lithuania. The wavelengths of the broadcast are 24, 39, 47, 59½ and 63 meters.

Lithuanian Youth Leaders who urge Americans of Lithuanian descent are: Feliksas Bileišauskas, Secretary of the Central Committee of the Lithuanian Youth Congress, Marija Bordonaite, Secretary of the Central Committee of the Lithuanian Youth Communist League, Eduardas Mezelaitis, editor of the "Komjaunimo Tiesa", Janina Narkeviciute, member of the Supreme Soviet (parliament) and Lieutenant Henrikas Reseliuskas of the Lithuanian National Units of the Red Army. The broadcast is scheduled for 2:30 p.m. Moscow time, or 7:30 A.M. Eastern War Time.

long as Nazi propaganda continues to be disseminated among Lithuanian-Americans who work in important defense plants and hold down other strategic positions.

Chief disseminator of praise for Hitlerian regime is the Chicago published "Naujienos", Lithuanian Daily News. Published at 1739 South Halsted St., the newspaper has been most vociferous in its condemnation of America's ally, Soviet Russia, and continues carrying daily releases which appear first in the Nazi issued "I Laisve" (published in Nazi occupied Lithuania.—Ed.) and then are sent to it for publication.

Hitler Propaganda

Typical example of pro-Hitler material appearing in "Naujienos" is that which was published in the May 22, 1942 issue. Under the headline of "Lithuanians Find Unity With Others of Contrary Beliefs" and followed with the sub-headline of "Now Nobody Monopolizes Lithuanianism, They (the Lithuanians.—Ed.) Attempt A Solution For United Work," the following article, all of which speaks on the present Hitler occupied Lithuania, appeared:

"The new Lithuanian (under Hitler.—Ed.) ... is not of the same vintage as produced by the Bolsheviks. He is one that is attempting wholeheartedly to do away with the negative side of life and not only makes efforts to keep trend with the new type of life, but has also thrown his full weight and support behind it."

"He (the new Lithuanian.—Ed.) is not a Bolshevik collectivized individual, but a free person ... one who understands his personal needs not only in theory, but in a practical fashion aids united aims..."

"It is because of these personal beliefs (the new Lithuanian under Hitler.—Ed.) he is not prevented from seeking association with others of different thought, finding common ground together... he does not monopolize Lithuanianism or Russify it, starting with himself as the highest grade representative..."

Charles Chaplin Of Film Fame Asks 2nd Front Opening; Lauds Russia

to come to San Francisco and pinch hit at the rally for former Ambassador Joseph E. Davies, who had been scheduled to speak but was prevented from appearing when confined to the hospital by his doctor.

Dudley Field Malone, the veteran liberal lawyer and one of the earliest advocates of diplomatic recognition for Soviet Russia in this country, read a prepared text of Davies speech.

But it was Chaplin's warm and sincere entreaty for military action in Europe that evoked the deepfelt response of the audience. At his suggestion, a mass telegram was drafted, with audience participation, to President Roosevelt. It read:

LETTER TO FDR

"Dear Mr. President:

"Twelve thousand people at a meeting in San Francisco tonight requested me to send you this message in their name:

"Hitler hates two fronts.

"Russian War Relief means reinforcements and reinforcements mean a British and American western front now."

"Most respectfully,

"Charles Chaplin."

Like his films, Chaplin's speech was waged on two fronts—humor and deep and sincere sympathy.

Excusing himself as "very much of a recluse," who was frightened at appearing before an audience in the capacity of orator, Chaplin then reassured his listeners.

"My instincts are in the right place, Russia is the aggressive front line of democracy. We in America, we in England, we all over the world should concentrate on that front line now. I know well if we concentrate on that front line now, the Pacific, that miniature front will collapse like a house of cards."

Both Davies' written speech and Chaplin's remarks assailed attempts to frighten the American people against giving aid to Russia because of the "bogey of Communism."

THAT BOGEY MAN

Chaplin spoke disparagingly of those who say, "The Russians are putting up a great fight, but they're Communists."

"I think it's about time we get rid of that bogey man," he said.

"People say they are Godless men. Any country, any people who can fight for an ideal like they have been fighting, I say they approximate Godlessness."

"They must feel eternity in their souls. Again I say, they approximate God and God will understand for He is not interested in techniques."

And again there came a roar

The F. B. I. Clamps Down!

LITHUANIAN - AMERICAN FASCISTS MAY BE SUBJECT OF GOVERNMENT ACTION

(Special to Vilnis English Section)

The recent FBI raid on the estate of A. A. Vonsiatsky, führer of the Russian Fascist Party, in Thompson, Connecticut, and on his headquarters in New York City threatens to involve some fascist Lithuanian Americans. For example, patriotic Lithuanian Americans are wondering just how much Juozas Tysliava, editor of *Vienybė*, a Brooklyn weekly, is involved in the mess. They want to know what was discussed between Mr. Tysliava and Vonsiatsky at a conference which these two held in the later part of July, 1937. Also whether there were any other conferences... When Tysliava arrived at the Nazi Vonsiatsky headquarters for the conference, he was greeted with the fascist salute by the führer himself as well as by his staff... Tysliava reportedly knows some Lithuanians who are members of Vonsiatsky's organization... On July 23rd, 1937, Tysliava defended Vonsiatsky's right to have his private arsenal of firearms and tear gas bombs... On June 5th, 1937, he published a two column photo of the swastika arm-banded Vonsiatsky together with an article outlining the aims of the Russian Nazi....

from the crowd...

"There's one thing we've got to concentrate on now and that is to eliminate Hitler and his gang right now," Chaplin resumed.

He then said, smiling, that he for one was not afraid of the eventuality of Communism.

"I can live on \$25,000 a year," he quipped.

"I am not a politician," he continued. "I'm a humanitarian. I'm for the small people, for the unimportant people of the world, and I am convinced that

Russia is for the small people."

A collection of \$10,707.79 was taken up from the floor, and this added to the gate receipts provided close to \$20,000 for Russian War Relief.

Mayor Rossi delivered a brief parting speech to the audience. Yehudi Menuhin gave a brief violin recital of Russian favorites. John Garfield, the film star, read a letter from a Russian soldier to an American doughboy. The meeting was chaired by Joseph Thompson, local chairman of Russian War Relief, Inc., sponsor of the meeting.

Editor To Leave For???

'Three Cheers For Hitler...' 'Jaunimas-Week' To Suspend Publication?

By George Starkauskas.

There's a strong rumor afoot in the city of Chicago to the effect that the weekly published "Lithuanian - American WEEK" may suspend publication. Reason for this move is believed due to pressure on the part of anti-Nazi forces.

"WEEK" is the new name for "Jaunimas" which published pro-Hitler spoutings of this character: "Regardless of our heads, our hearts urge us to give three cheers for Adolph Hitler and his unbelievably efficient legions."

Meanwhile it was authoritatively learned that Joseph Poschka, editor of the pro-Nazi ranting sheet is to wear the uniform of a U. S. soldier, soon.

Golf Journey

As you all know from our M.Y.C. Chicagoland Golf Tourney last year it was a huge success. So with the nation wide competitors to compete we again can have another success.

This will be run off on Sunday at a beautiful golf course in the outlying Chicago area. We, again, expect to use the Peoria System of golf handicap in which the good and poor golfer has the same chance.

First place and runner up prizes

will be awarded in this class of competition. An entry fee of \$2.00 plus green fee will be one of the set rules and U.S.G.A. Golf rules will govern play also course rules.

I have given a brief outline of what each sportsman can look forward to. More definite information will be issued each week whenever possible.

Detroit Bowlers Have Banquet; Chi To Get Cash Soon

First and foremost on this reporter's mind is the banquet of the LDS Bowling League which took place at the Westburn Country Club. Say, why didn't we go out there sooner? We couldn't ask for a better place to hold our so-called blow-out. The club itself has that cozy atmosphere with the quaint Colonial touch. We had the whole place to ourselves. Two of our sponsors showed up to enjoy our banquet, Mr. and Mrs. Jacionis, and the proprietor of Felix's Bar, the sponsor of the Rye Bros. team. Never have I seen such immense cuts of steaks being consumed by the diminutive fair sex. I'm gald that I had help from the side—twas too much for me to tackle.

Tony Adams did a splendid job of contacting everyone for the banquet. Through him, the Bowlers bought Joseph Adams a portable radio as a gift for his services in conducting the bowling tournament. Prize money will not be distributed until next week—so all of you anxious individuals will just have to have a little patience. Patience is our middle name when it comes to waiting for money—in anything.

I missed Mr. and Mrs. Jerry Vadovic and Isabelle Brazosky. So sorry they could not come.

Coming events—outing on June 7 to Dodge Bros. Park N°. 5—and a number of excursions to follow. For the outing, let's see if we can't get the whole gang out—so bring your lunches, wear comfortable clothes and be prepared for a day of fun in the open air.

Mr. J. J. Butkus was the recipient of a gift, a fountain pen set, from the Aido Chorus, as a token of their appreciation for making it possible to present his play, "Isvyta Dukte".

Aido Members Of Roseland Whoop It Up In Real Style

A gang of chorus members went down to the Blackstone to see "Good Night Ladies" and take my word for it, no one was sorry.

Wally and Paulie arrived late so they went to look for Johnny R. Stan R. and Vodie Y. When those 3 came back, some one had to look for the other two! — Connie M., Nancy R. and Josephine walked seven blocks for a candy store, when they returned, they discovered there was one around the corner! (Exercise is good, girls!) What's this about the sailors?

Who was yelling for the red light?

After the show they all landed at the Showboat (Strictly high class!?) where the Aido chorus entertained the patrons and entertained with Lithuanian songs. When they began dancing "Noriu Miego", even the owner began to get interested!

Say, girls! Wally! I been holding out on you—he's really a good dancer!

Who started that tickling? The girls (and fellows) almost turned the joint over in an attempt to get away! Some of the more sensitive men had to take refuge in the men's room to be safe from the girls, but Dorothy R. had Vodie cornered!

Did you see Jean trying out all stools at the bar in an effort to convince herself that they (and not she) were wobbly!—Did you see how gracefully Wally and Johnny dance together??

How does Johnny R. do it? He left the loop with five girls!

Chuck Pazar must have heard somewhere that Matro-money was a wonderful institution so he's finally decided to sign up for life! The final step will be taken June 6th.

The boys threw a Stag for Chuck last Saturday at the Rosemoor Buffet where a glorious (?) time was had. Afterwards they all ended up in Calumet City. Some fun! Woo! Woo! Johnny R. came strolling in at the Stag after work looking quite different from the rest of the boys! (They can't keep you down!)

Chuck's future bride had a shower tossed for her on the same night which all of her friends attended. Many beautiful gifts were received. Among the guests were some of our chorus members which included Mrs. Muralis, Mrs. Klibas, Sue and Mrs. Elanis and Dorothy Razmus.

Who was the important date that made Connie M. leave chorus practice at 9:30. Was the dance good?

Why does Palmitra always have to go for a drink after rehearsal, before going home? Claims her mother will throw her out if she comes home too early!

Bells to Mr. Misevich for advertising our picnic, to take place June 28, Willow West, over a microphone hooked up in his car! Thanks! No Bells to Parkay for being catty about all girls. You'll never become popular that way!

Evelyn D. and Paulie K. seem to have become a permanent team now!

The Chorus will participate at the L.D.S. Convention and at the Vilnis Picnic.

Redwings Must Get Going Says Scribe; Kwain Is Poppa!

Our Redwing Branch will have to start digging their heels in the ground and work, work, work for the coming convention.

Our Business and Sport affairs will take up much of our time. The drama group will have to hold their rehearsals with more vim and vigor to prove something more than talk.

Golf, tennis and baseball will play the most important part in the Sports Promenade. We will have to sift the members and have them enter in the respective events and of course, to win the prizes.

"SHOW SOME PEP"

The men and women are involved in all the details of every part of the program—so lets show some pep! When our sports director questions you upon entering don't hesitate but enter in whatever event you think you can compete into.

Other convention plans are to be remembered. Mainly is to present this gathering in a manner in which no other city has a yet conceived how?—why by aiding the Second District and M.Y.C. in all their outlined plans—money-cooperation and otherwise.

John Gizevich is the Redwings Housing committee man. It would be well for all those people to, who can, take in a delegate or so in your home. Another important item is advertisements for the Convention Souvenir Book. We worked hard to get dance ads—but this is something bigger—a National Convention! Ads or donations to the Convention committee would be most welcome.

Help Those Who Aid Us

(From The Chicago Sun)

One nation alone has met Hitler's legions in battle, withstood the attacks, and returned counterdrives which shattered forever the legend of Nazi invincibility.

That nation, of course, is Russia—the Union of Soviet Socialist Republics—now locked in the titanic death struggle that may determine the fate of the United Nations.

The Russians can fight.

The Russians have fought.

But, until our great military machine is put into operation, we of America are obligated, not only by our moral duty, but by plain common sense to do our utmost to aid those soldiers on the Crimea, in the Ukraine, and on the battlefields before Leningrad.

Whether we like it or not, our fate is interwoven with the fate of the Soviet Union. Uncle Sam has put his blue chips right on the table with the blue chips of Russia.

No matter what our social philosophies may be, the stark fact right now is that every time a Soviet soldier kills a Nazi invader that is one less enemy for our country to face.

The gallant Russians, however, need and deserve our aid. In the United States the Russian War Relief Fund is striving to raise \$6,000,000. Of that sum, Chicago's quota has been fixed at \$600,000.

There have been entertainments, benefits, unsolicited donations that have already swelled Chicago's contributions to approximately \$90,000. It's a start, but it is a start that needs a finish.

The Russians need our full quota for drugs, surgical instruments, seeds for the refurbishing of devastated farms, and all the other things that the horrors of war have denied them.

The Russians are fighting the battle of the United Nations right now.

Our job is to help them do it by giving.

What Are We Waiting For?

It is plain that the immediate opening of a land attack against Hitler in Western Europe would enormously shorten the length of the war and diminish the cost, in lives and wealth, of winning it.

The policy of offensive, however, would have every chance of finishing the war not later than the end of 1942.

The only thing still missing is the decision to attack now, and to win at a small price the victory which will be so much costlier later on.

Lith-Americans To Honor War Dead Memorial Day; Vow Axis Defeat

Chicago, Ill.:—Lithuanian-Americans throughout the nation will pay homage to America's war heroes this Saturday, May 30, Memorial Day. Contingents of Lithuanians representing fraternal, social and labor organizations will march side by side with others, demonstrating during this war era their determined will to crush the Axis aggressors.

Memorial Day observances will take place in principal cities with large Lithuanian populations such as, Boston, Brooklyn, Chicago, Pittsburgh, Detroit and San Francisco.

Chicago is expected to be the center of Lithuanian-American expression when some 25,000 persons gather at the Lithuanian National Cemetery in Justice, Illinois, to honor war dead and to pledge their utmost labors in the present all-out war against the forces of darkness.

"Largest Held"

Mr. Vincent Andrulis, chairman of the arrangements committee in a statement regarding the observance said:

Vincent Andrulis.

"We are at war and the fervor of Lithuanian-Americans as regards Axis bestiality is of such nature that the Memorial Day observance will be the largest ever held."

Participating in the Chicago sponsored observance which opens at 10 A. M. are a number of Lithuanian chorus groups, prominent among them being the Lithuanian LKM Chorus directed by Mr. Joseph Kenston.

The Darius-Girenas Post of the American Legion will lead the ceremonies. Among the speakers who will address the huge assemblage are Dr. Anthony Montvid and Mr. Vincent Andrulis, journalist.

Following the observance a picnic will take place in Justice Park.

HOW LIKE THE LITHUANIAN SPECIES ARE OUR POLISH BLUE BLOODS

THERE is a certain night-spot in midtown Manhattan with a French name and a certain notoriety for the ultra-fashionableness of its regular patrons many of whom are Polish emigres—refugees deprived of their Polish estates by the suddenness of the Nazi invasion but who somehow contrive to maintain a semblance of their former luxurious standards while waiting for the war to end and their former titles and estates be returned to them.

Here one runs across former bankers, publishers, diplomats, savants, even military men, who, however, nowadays are keeping their past military associations a dark secret lest they be asked embarrassing questions.

The men are for the most part pale, thin-voiced, dark-eyed, with voices that manage to glide up and down the scale with astonishing ease, especially when the subject of conversation happens to be the Polish borders.

Their wives incline to an uncontrollable rotundity, the jiggling of immense layers of flesh perceptible beneath the soft shimmer of expensive gowns. They are huge women, multiple-chinned and heavy-wristed and fond of garish jewelry. Some wear their hair in the shape of miniature Polish castles; others go in for the Sobieski helmet style of hair-do. Their expressions and manners are imperious and final. One feels they know how to address each according to his social deserts—wasting no buttery phrases on the lowly nor sparing coyness on the higherups.

Here, in a rose-tinted atmosphere of cigarettes and perfumes and soft music and unobtrusive service one meets many of the outstanding emigre writers of the Polish daily press of America. One finds them pallid-faced and gloomy creatures, heavily silent—unless The Polish Question pops into the discussion. They become boisterously alive then, overflowing with a dogged eloquence.

These scribes, in their bold-sounding articles call upon the United Nations to stop this silly war on Hitler and to beware of Stalin's next move. They demand that a blueprint of Europe be drawn up and that Poland's future borders be marked on it despite the fact that Poland is at present still a Nazi-occupied province of Hitler, and that there is a major war to be won before the territories of the Nazi-conquered nations are redeemed.

But such trifles do not trouble the genius of our emigre Polish writers accustomed as they are by long habit to snap their fingers at history itself. They do not admire the heroism of the Polish people who have not ceased a moment in their struggle against Nazism. Rather they express disdainful pity that the Polish people do not stop in the midst of their struggles and woes to worry about Poland's future borders.

At the same time these emigres hasten to correct anybody's impressions that they are unenthusiastically anti-Hitler.

"We're on guard against what Stalin might do, too," they confide, looking like chow dogs expecting an appreciative chuck under the jaw for having given the mansion adequate protection during the absence of their mistress.

While the war rages, they sit about and drink and argue and spew their contempt upon the world in articles which some Polish newspapers are glad to publish because their editors have ceased to regard their readers as discriminating or even moderately intelligent.

It is amusing to watch these same aristocrats in public—their ingratiating little airs, their apologetic manners, their theatrical shyness and uncertainty. It is only further tribute to the coldness of calculation back of all their cleverly-veiled duplicity.

Don't ask any of these blue-bloods why he is in this side of the Atlantic worrying about Poland's future instead of on the other side helping the men of the free nations to fight for it.

You see, aristocrats prefer to fight the wars over cocktails and newspapers or doing propaganda articles for the papers about "self sacrifice" and "patriotism." Few professional "patriots" can crow their patriotism more loudly than this Polish species.

Meanwhile they manage to lounge in comfort, winning and dining and waiting for the Polish people and the rest of us to shed our blood and give up our lives if need be for the precious privilege of restoring the good-for-nothings back to their former glory.

Thank goodness it will not be they but the Polish people who will doubtless have the last word to say on this.

Serpia Pinto Again: A couple of weeks ago, we read the article in Lithuanian papers about some "letters from Lisbon" which were brought aboard the ship Serpia Pinto to Brazil. The Brazilian FBI, you will remember, took over several thousands of those letters which originated in axis countries contained nazi propaganda and were already addressed to various places in USA, needing only Brazilian postage stamps to camouflage them and to be dropped into mail boxes in Rio. The crew of the ship was suspected to be composed of axis agents and \$15,000 was found on one crew member "to buy platinum" for an "agent." Several of the crew were held for investigation. Well, Smetona, ex-dictator of Lithuania, came to Rio de Janeiro on his way to the United States from Berlin (via Lisbon, too). *Smetona arrived in Rio on February 14th, 1941, aboard the Serpia Pinto!* Of course, this is just another one of those "coincidences!"

But nobody had any concrete ideas for improving the club and gaining new members. If a doctor would diagnose a case and tell the patient his ailment, and when asked, what to do about it, merely shrugged his shoulders. Well! he wouldn't be in business anymore. Another complaint was in regards to the un-friendly attitude of members. Why not take stock of yourself, maybe the trouble lies within you. The meeting was supposed to be for the benefit of the club but when the fellows got started talking about different golf clubs there was nothing that could stop them.

Our secretary Frances Stein and treasurer Ed. Demikis resigned from office because they are doing defense work.

Tex Zebraitis sprained his ankle probably trying to get a good swing with his driver.

The picnic brought out all the nature lovers. Jessie Shalko was walking hand in hand with you know who?

Al Klaud and Joe Sacal were lolling around in the grass and discussing the bowling medals.

Another reminder for the members is, give your photos of your earlier life to Bertha Baronosky because we'll never get our scrap book ready for the convention.

Aldona Pavelonis was getting quite a build up because she went to work behind the bar.

There were a number of well knowns missing, especially Frances Yurgil.

Members Of Association Of Lithuanian Workers (LDS) Contributing Share Toward Axis Defeat

In the Lithuanian-American fraternal field no organization is prouder than the Association of Lithuanian Workers (LDS). For it has in the service of Uncle Sam hundreds of its youthful members. This explains the exact reason why the association's National Track and Field Meet which was to take place in Chicago during the convention of the organization, had to be cancelled.

Stationed in Australia, with the expeditionary forces in Northern Ireland, LDS members form part of that impregnable breach which will storm and smash the Axis armies. Stalwarts as pictured in the accompanying photos are living examples of the anti-Axis forces Hitler's men will have to contend with.

There's somthing else you can do—somthing that will put him in touch with home more completely than any letter you could write. Why not give him a subscription to the Vilnis English Section... a real American newspaper... a paper that will bring his OWN home closer to him every week.

It's a little thing to do. But it will mean a lot to him. The cost is small. Time is racing. Why not act now?

LDS MERRY-GO-ROUND

COMING BRANCH MEETINGS MOST IMPORTANT

By the time each LDS member will attend the June meeting of their respective branch the National Office will have notices sent to the secretaries, urging them that delegates be elected for the LDS Convention which will take place July 19 and will last for several days. At the meetings convention committee representatives will give complete reports on housing of delegates, ads, branch contributions, drama and sport's entrees. It is the duty of each branch member to inform the convention committee with the fullest information so that they might rush ahead preparations for the program book, also convention plans. Everyone should make it a point to attend the coming meeting.

MEMBERSHIP DRIVE SOON TO END

Although very few quotas will be fulfilled there has been keen competition displayed between the youth branches. The deadline for new applications will be at the June meetings. Roseland still retains the numeral zero in the membership drive. Their golf-champ set the quota for Chicago at the last LDS convention. He was none other than Ed Kovel who is now in the US army. Meanwhile, if the Monarchs don't do some surprise blitzkrieging it will be up to the Redwings and the Sparks to display some competition.

When the membership drive was announced, the members in Chicago signed pledges which were given to them by the secretaries with the Chicago spirit of "I WILL" do my part in the drive toward seeing to it that the Midwest wins over the Metros. After the winners are announced those who participated will rest assured that they "did their part" in the membership drive.

TWO CHICAGO BRANCHES ENTER DRAMA FESTIVAL

If only two branches submit entrees to the drama festival which will take place during the coming LDS convention, and they being from Chicago, this will not fulfill the expectations of the National Youth Committee. Many localities are as yet unheard from. Their entrees should reach the National office immediately to be considered eligible for the LDS drama festival. The Sparks and Redwings have rounded up their artistic talent. They will be under the director's supervision who have hope of winning the award being offered by the National Youth Committee. Delegates should prepare themselves for cheer for their groups.

LKM CHORUS TO PARTICIPATE IN MEMORIAL DAY PROGRAM

For several years it has been a traditional custom for the LKM chorus to participate at the Lithuanian National Cemetery ceremonies. Of late very few members have been attending the rehearsals and it is very important that the LKM chorus has a large group at the cemetery ceremony Memorial Day.

CAUGHT BY THE EYE AND EAR

LDSer Pvt. Steve "Junior" Baron will cross the ocean for the unknown destination soon according to his fiancee, Nora Konrad . . . Pvt. Anthony Vasaris, better known as 2nd Vice-President of the LDS, longs to be at the convention and misses organizational activity very much . . .

In giving full support to other branches, Aldona Grazulis did her duty by being the only outsider to attend the Sparks merit award feast. Garbed with a corsage, thru a heap of smoke, one could see her indulge in a Pink Lady. Next to her was her Spark escort, Tony Guzauskas . . . Donie Pavelonis had the jitterbug jimmies all evening. Finally George Ponkauskas took her for a strut under the tree covered dance floor of the Ivanhoe . . . The Gold Dust Twins, Ann Savukas and Estelle Bedokis kept the Rivas entertained during the dinner . . . Out in the garden miniature pathways are built. Water flowed over rocks to a stream where Mary Shimkus and Joe Satchel were looking for bait to go fishing. Bennie David who now works in a cannery, told how fish is prepared for canning and had an eye on the gold fish . . . After dinner the announcement was made that the pins would not be awarded as all metals are being conserved for war materials. Therefore a substitute, possibly plastic, will be made and given at the coming meeting. Following this disappointment the Sparks commenced en masse to tour the Ivanhoe catacombs . . . Paps and John Peters had observed the old cellar before and came up to join the others . . .

Midwest Youth Council Of LDS Acts Quickly On Convention Plans

Chicago, Ill.—Meeting this past Monday evening, the Midwest Youth Council of the Association of Lithuanian Workers (LDS) rushed ahead plans and preparations for the LDS 6th biennial convention and National Youth Conference.

With youth conference proceedings already scheduled at the Hotel Morrison, sports plans which revolve around a national golf tournament, midwest softball meet and a national tennis tournament were discussed by the Midwest Youth Council and they designated McKinley Park as the site of softball events and Glenelagles Country Club for the golf tournament. Tennis courts will contract in the close future.

On the welcoming side of things, the MYC appropriated funds for the Chicago Sorority so that a reception for youth delegates can be staged at the Hotel Morrison.

Things Shaping Up

Meanwhile on a national scale things were gradually shaping up into something definite. Latest news has it that drama groups in Cleveland, Detroit, Brooklyn and Chicago are forging ahead with the idea of coping the national dramatic award which is being offered by the LDS National Youth Committee. Chicago to date has three drama groups in the running.

As regards the current membership drive Chicago still maintains the lead but faces the possibility of being nosed out by some dark horse, possibly Cleveland. These last few weeks will see remarkable developments in the drive field.

Sports which predominated at past held LDS conventions this time will be limited. With many of the male athletes in Uncle Sam's army, tennis, golf and a ball meet are the only features. The national track and field meet has been eliminated completely.

Chicago it is understood will have a sizeable representation in all sports events, especially golf, plus having two or more

inviting the young instructor to lecture at one of the branch meetings . . .

It is very important that money or tickets for the recently held LDS picnic be returned very soon so that the committee may complete their report. Your cooperation will be greatly appreciated if you give it prompt attention . . . Wonder why Johnnie Orman takes his sweet time in answering mail that he receives from a lass from Chicago regarding a little book . . . She threatens to haunt him if a reply isn't received immediately . . .

ball teams and some tennis champs in the running.

Wires Busy

Telegraphic wires have been busy between Brooklyn and Chicago as regards convention arrangements. To date all work requests placed upon the Midwest Youth Council have been fulfilled.

Aside of convention business the Midwest Youth Council this week is honoring Cleveland and Rockford, Ill. LDS youth branches with medals. They will be given to individuals who took first place in All Events in the Detroit held Midwest Bowling Tournament the forepart of the month.
