Į DARBĄ VYČIAI

Šiuo laiku Vyčiuose matosi didelis veikimo atgimimas. Per rugsėjo mėn. ir spalio mėn. pradžią atgijo 5 kuopos, kurios pasiryžo stoti į darbą. To negana! Patys Centro Valdybos nariai, rytuose ir vakaruose dirba išsirėžę, kad tik sutvarkyti mūsų reikalus. Ir kad tas mūsų atbūdimas būtų pasekmingesnis visi vyčiai, jų draugai ir rėmėjai yra kviečiami į darbą.

Ką gi mes galime padėti Centrai ir kartu visai organizacijai paklaus ne vienas?

O, mieli vyčiai, štai jums atsakymas.

1. Stokite į darbą ir aktyviai dalyvaukite savo kuopos susirinkimuose.

2. Skleiskite Vyčių vardą, ten kur jo nėra, arba kur jis yra užmirštas.

3. Prisidėkite savo pinigine parama užsi-mokėdami savo mokesčius iš anksto. Jei galite, suteikite ir aukų. (Ne pro šalį manau bus paminėti, kad 41-ma Vytauto kuopa, Brooklyn, N. Y. pirmutinė suteikė Centrai \$50.00 AUKĄ. Gražus pavyzdys kitoms kuopoms!)

Dabar gerbiamieji, belieka mums tik imtis darbo ir visa eis kaip iš pypkės. Ta plačioji visuomenė, kuri jau ketvirti metai mums terodo tik šaltą užuojautą pakeis ją malonia, prija-

čiančia materiale ir morale parama. Mūsų gera nuotaika ir didis pasiryžimas tęsti tą kilnų jaunuomenės darbą, suminkštins mūsų buvusių veikėjų širdis ir jie vėl stos po Vyčių vėliava ir dirbs drauge su mumis.

1932 metais sukaks 20 metų nuo mūsų organizacijos įkūrimo. Kitais žodžiais, Vyčiai švęs savo 20th "birthday". Sulig Amerikos pa-pročių, kiekvienas Vyčių draugas turėtų prisidėti prie mūsų gimtinės dienos puotos. Visi turėtų stengtis, kad ji būtų kuo skaitlingiausia, kad joje matytųsi visi mūsų seni veikėjai, buvu-si organizacijos šulai. Ar nemalonu būtų pa-matyti visus Vyčius ir buvusius Vyčius susi-rinkusius į vieną didelę ir malonią draugišku-mo puotą?

Tat visi prie darbo! Jūsų vadai yra pasi-rengę dirbti visomis jėgomis. Prisidėkite ir jūs o tada tikrai visi galėsime pasidžiaugti savo dar-bais ir jų vaisiais.

Neužmirškite, seime visi atstovai prisiža-dėjo dirbti ir net paraginti savo kuopų na-rius. Ar galima tikėtis, kad jūs pritariate Cent-ro Pirmininko obalsiui: Darbai — ne žodžiai.

DVASINIAI SKAITYMAI

II. PRIIMK ŠV. KOMUNIJA.

Jėzus Kristus nepaprastai mylėjo ligonius. Jis lankydavo juos. Bet prieš paliausuojant juos nuo kūno ligų, Jis pirmiau lankydavo jų sielas ir tenai palikdavo savo dieviškas malones. Jis ragindavo gailėtis už nuodėmes ir paskui sakydavo: "Eik, tavo nuodėmės atleistos. Tik daugiau nenusidėk, kad dar blogiau su tavimi neatsitiktų." Mūsų Išganytojas ne tik tada turėjo tokio gailėstingumo dėl ligonių — Jis ir dabar turi. Jis visiems sako: "Eikite pas mane visi, kurie vargstate ir esate ap sunkinti, o aš jus atgaivinsiu." Jis ir dabar traukia visus prie savęs ir nori išgydyti mūsų kūną ir sielą. Jis dar nori duoti to maisto, kuris turi savyje visą saldumą ir gyvenimą.

Ligoniai išmintingai elgiasi priimdami gydytojo patarimus ir vaistus. Bet sergąs krikščionis privalo glaustis ir prie To, kuris yra sveikatos davėjas. Pats Kristus vadina save gydytoju. Jis yra mirties ir gyvybės Viešpats. Viešpats Jėzus yra pasakęs muitininkui Zakėjui: "Aš privalau šiandien aplankyti tavo namus." Taip Jis sako kiekvienam žmogui: "Aš turiu pas tave ateiti." O ligoniui Jis sako: "Turiu su tavimi pasilikti, nes aš esu tavo išganymas".

Šv. Ambraziejus sako, kad mes turime visa Kristuje. Jei norime savo žaizdas išgydyti, Jis yra gydytojas. Jei esame apsunkinti neteisybėmis, Jis yra teisybė. Jei esame reikalingi pagalbos, Jis yra galybė. Jei bijomės mirti, Jis yra gyvenimas. Nėra mirties tam, kuris vertai priima Šventą Komunią. Kas mus gali daugiau paguosti už Kristų, kuris pasakė: "Kas valgo mano Kūną ir geria mano Kraują, tas turi amžiną gyvenimą, ir aš prikelsiu jį paskutinėje dienoje?"

Šventa Komunija geriausiai suramina ligonį. Blogai daro giminės, kurie sako ligoniui, kad ir be kunigo pasveiks. Kiek tai sielų pražūsta tokiu būdu! Kas sunkiai serga, tuojau privalo šauktis kunigo.

Pirmiausiai ligonis privalo nuvalyti savo sąžinę, atlikdamas gerą išpažintį. Po geros išpažinties vienas nusidėjėlis taip sakė: "Dabar

esu laimingas, kaip šventasis danguje." Vienam nusidėjėliui aiškinau išpažinties reikalingumą per ištisą valandą. Atlikęs išpažintį, Jis nežinojo ką daryti. Nors jo būta seno amerikiečio tačiau iš dėkingumo pradėjo rankas bučiuoti, kaip dievobaiminga kaimietė Lietuvoje.

Kai jau siela nuvalyta nuo nuodėmių, reikia priimti Šv. Komunią. Joje ligonis gauna daug malonių.

Mes skaitome šventųjų gyvenime, jog jie gavo sau stiprybės nukentėti visus sunkumus.

Kai Šv. Stanislovas Kostko susirgo, jis geidė priimti Šv. Komunią, kurioje jis rado didžiausią suraminimą. Mūsų Išganytojui taip patiko jo šventas noras, Jis liepė pačiam angelui atnešti ligoniui Šv. Komunijos. Per trisdešimts aštuonius metus Šv. Liudvina sirgdama, rado sau didžiausią paguodą Šv. Komunijoje. Paskutiniaisiais metais ji gyveno tik Švenčiausiu Sakramentu. Iš tikrųjų Šv. Komunija stiprina žmogaus sielą ir ramina jį skausmuose.

I. Malda Prieš Šv. Komunią.

O Jėzau mano! Aš tvirtai tikiu, ką Tu esi apreiškęs ir ką Šv. katalikų Bažnyčia įsako tikėti. Ypač tikiu, kad Tu tikrai ir esmingai esi Švenčiausiame Sakramente tikras Dievas ir tikras žmogus, nes Tu amžinoji ir neapsirinkanti Tiesą esi tai pasakęs: "Imkite ir valgykite, nes tai yra namo Kūnas, gerkite, tai yra mano Kraujas."

O Jėzau mano! Pasitikėdamas tavo pažadėjimais, kuris esi galingas geras, ištikimas, aš per tavo nuopelnus tikiuosi gausią visų savo nuodėmių atleidimą galutiną ištvermę ir amžiną laimę danguje.

O Jėzau mano! Aš myliu Tave visa savo širdimi labiau už viską, nes tu esi aukščiausiasioji gėrybė ir begalinės meilės vertas.

O Jėzau mano! Giliai nusizeminęs meldžiu Tave šiame Šven. Sakramente, kaip savo Dievą, sutvertoją ir Išganytoją.

O Jėzau mano! Kaip aš galiu norėti Tave priimti, būdamas visai nevertas?! Tu esi aukščiausiasis Dievas, prieš kurį angelai dreba, o aš menkas žemės vabalas, pilnas puikybės ir nuo-

dėmių. Bet tau pačiam tarus: "Gydytojo reikalingi ne sveiki, bet ligonys", noriu ir aš su giliu nusizeminimu priimti tave, kad mano suvargusi siela ir palieges kūnas galėtų pagyti.

O Jėzau mano! Visa širdimi gailiuosi už visas savo nuodėmes, kad per Tave, savo geriausį Dievą, kurį už vis myliu, esu įžeidęs. Pasižadavau tavo malonės padedamas geriau numirti, negu Tave vėl įrūstinti.

O Jėzau mano! Mano siela Tavęs trokšta. Taigi ateik ir paimk mano širdį savo nuosavybėn.

(Kunigui atsigręžus su Švenčiausia Ostija į ligonį, sakyk tris kartus)

Štai Dievo Avinėlis, kuris naikina pasaulio nuodėmes! Viešpatie, nesu vertas, kad įeimei į mano širdį, bet tark žodį, o bus išganyta mano siela.

II. *Malda Po Šv. Komunijos.*

Jėzau, tau aš gyvenu! Jėzau, tau aš mirštu! Jėzau, esu tavo gyvendamas ir mirdamas!

Kuo aš tau, o Viešpatie, atsilyginsiu už tą neapsakytą Šventosios Komunijos malonę, kad tu su dievyste ir žmogyste pas mane ateini? O Jėzau, amžinoji tiesa, tikiu į tave; Jėzau begaline gėrybe, pasitikiu tavimi. Jėzau aukščiausioji meilė, myliu tave labiau už visą; Jėzau, begalinis Dieve ir Viešpatie, garbinu tave su visais dangaus angelais ir šventaisiais. Sustiprink mane mano sopuliuose, duok man kantrybės ir jėgos atsispirti visomis mano pagundoms ir pasilik prie manęs su savo malone iki paskutinės mano gyvenimo valandos.

Marija Dievo Motina, tu esi ištvermės Motina, tu išklausai visus, kurie tave šaukiasi; su

pilniausiu pasitikėjimu laikiu iš tavęs tos ištvermingos malonės.

III. *Viatikum.*

Mirties valandoje Išganytojas ateina pas ligonį Šv. Komunijoje. Jis nori būti Jo palydovas į amžinastį. Kad Dievas ir prailgins ligoniui gyvenimą, tačiau jam reikia būti pasirengusiam į kelionę. Kai pranašas Elias buvo persekiojamas Karalienės Izabelės, jis pabėgo į tyrus. Bebėgdamas jis atsisėdo ant uolos ir užmigo. Štai angelas prižadino jį ir jam tarė: "Kelkis ir valgyk tos duonos, kuri yra čia padėta, nes dar turi tolimą kelionę."

Elias atsikėlė, valgė ir taip sustiprėjo, kad galėjo be paliovos eiti keturiasdešimt dienų ir nakčių. Elijo duona buvo kaipo paveiklas tos duonos, kurią Išganytojas atneša ligoniui. Jis kaipo Elijas guli lovoje visas susilpęs ir be jėgų. Štai ateina kunigas pas jį ir duoda tos angelų duonos. Ji padės ligoniui nugalėti pagundas ir ištverti gerame. Jei Jėzaus Vardo ištarimas šalina pagundas, ką pats Išganytojas padarys, aplankęs jį Šv. Komunijoje.

Koks džiaugsmas ligoniui priimti Jėzų į savo širdį! Ko jis turi dabar bijotis! Ar mirties? O ne, Išganytojas sako: "Kas valgo tos duonos gyvens per amžius". Kai Šv. Stanislovas Kostko buvo mirtinai susirgęs Vienos mieste ir negalėjo priimti Šv. Komunijos, nes namų savininkas jokiū būdu neprileido kunigo, jis karštai meldėsi prie Šv. Barboros ir prašė kad neleistų jam mirti be Šv. Komunijos. Štai angelas atnešė jam Šv. Komunijos ir pastiprino jo sielą.

Panašiai mūsų Išganytojas stiprina kiekvieno ligonio sielą Šv. Komunija mirties valandoje.

LIETUVOS VYČIŲ 19-tojo SEIMO PROTOKOLAS

CENTRO VALDYBOS RAPORTAI.

Centro dvasios vadams kun. Pr. J. Vaitukaitis savo raportą išduoda žodžiu. Tinkamo raporto apie visos organizacijos dvasinį stovį išduoti negalima todėl, kad asmeniškai nebuvo galima aplankyti tolimesnių kuopų, o raportai apie narių dvasinį stovį buvo prisiūsta tik nuo 3 kuopų vietinių dvasios vadų. Kad sužinotum tikrą organizacijos dvasinį stovį, visiems Apskričių bei kuopų dvasios vadams būtina reikalinga sąži-

ningai ko-operuoti su Centro dvasios vadu, prisiunčiant vardus tų, kurie nepildo savo tikybinių pareigų.

Jis taipogi ragina, kad visos kuopos bei atskiri nariai daugiau ko-operuotų su Centro Valdyba, ir kad į Centro valdybą būtų renkama tik tinkamieji asmenys, kurie gerai eitų savo pareigas ir ištesėtų ligi galui. Baigdamas jis pabrėžė, kad taikos ir vienybės išlaikymo dėlei būtinai reikia palaikyti Centro autoritetą.

Raportas priimtas su pagyrimu.

Centro pirmininkas A. Onaitis išduoda šį raportą:

Lietuvos Vyčių Centro Pirmininko Raportas.

Kaipo Lietuvos Vyčių Centro pirmininkas, teikiu Lietuvos Vyčių 19-tam Seimui savo raportą. Šiame raporte pateiksiu savo mintis ir patyrimus nežiūrint ar kam tinka ar ne. Mano darbuotėj per keilius metus patėmijau daug nesmagių dalykų, kuriuos nebeiškentėjęs aiškiai ir rimtai jums išdėstysiu.

Man teko šiomet varyti ekskursijos darbą. Berods buvo pradžia gera; pramatyta buvo geros pasekmės. Visai bereikalingų trūkumų atsirado. Viena kad nei per centrą, nei per pačią Vyčių spaudą nebuvo galima iš kuopų išigyti pilnus kuopų antrašus. Reikalui prisėjus nebuvo galima suteikti instrukcijų ir pageidavimų, taip pat ir apgarsinimus tinkamai išdalinti. Paskutinio- mis žiniomis tai ekskursija nepavyko pasekmingiausiai. Buvo maždaug apie 50 ekskursantų. Atskaita dar nėra prisiūsta, tat pelno dar nežinau ir negaliu pateikti seimui. Vienok galėsiu taip pat pasielgti, kaip ir pereitų metų komisija ir vėliau viską tinkamai prisiūsti. Čia priminsiu, kad pereitų metų komisija pilnai atsiteisė ir pelno buvo. Pelnas prisiūstas centrui.

Ypatingai rūpinausi čarterio sutvarkymu naujai Jersey City, N. J. kuopai. Nepasiaiškintas buvusio raštininko pasielgimas žymiai trukdė darbą. Galūtinai per p. Lapinską buvo ir tas parūpinta.

Einant prie darbo pereitais metais dėlei sunkių laikų reikėjo spausti pinigą, kad jisai toliaus nueitų. Tariausi su spaustuvės vedėju ir galutinai nutarėme, kad algos žymiai turi būti numazintos. Prie pat progos radosi ir darbininkų spaustuvėje, kurie nebūdami vyčiais manė tvarkyti Vyčių reikalus. Vien tik vyčiai turi tvarkyti vyčių reikalus; nereikalingai briaunantis asmenis reikia prašalinti. Tat buvo sutarta, kad prašalinti visus darbininkus ir pasamdyti Vyčius. Žinoma už pigesnę kainą. Su pagelba p. A. Lapinsko apie Vasario mėnesį tą galutinai mes įvykdėme. Tuo būdu sumažinom išlaidas apie 35%.

Daug laiškų buvo man rašytų dėl mokesnių sutvarkymo. Mėginau kiek galėjau tą dalyką tyrinėti. Tuom klausimu beveik ko neišėjau iš kantrybės. Tyrinėdamas klausimą radau, kad visi raštininkai kuriuos mes turėjome mėgino širdingai viską pilnai sutvarkyti. Bet pasirodė, kad ne visos kuopos, nežiūrint visų tų rūgėjimų, nemėgino su centru ko-operuoti. Raštininko prašymų neišpildė.

Daugiausia skundų buvo iš tų kuopų iš kurių gal tik trys ar keturi asmenys negavo savo "Vyties". Jei- gu jūs, kaipo kuopos, prašymų patys neišpildo, del Dievo meilės, kaip gi galite reikalauti, kad tais klausimais valdyba pataikautų? Ar norite, kad tas jūsų centras visas žinias iš oro išrinktų? Ar patys negalite pastūmėti darbą? Ar norite, kad vienas sėdėdamas centre be informacijų širdingos pagalbos jums padirbtų, kaip jūs norite, o jūs nenorite nei prisidėti. Ko-operacija reikalinga!

Parūpinau laipsnių formą, kurią manau seimas patobulinęs galutinai priimss arba atmes.

Apgarsinimų vedėjas p. V. Stancikas pasiliko labai daug organizacijai skolingas pinigų, tat p. Lapinskui daviau įsakymą, kad jisai būtų prašalintas iš tos vietos. Žinoma, jam reikia atsiteisinti už užsilikusius pinigus. P. Lapinskas tą išpildė.

Visus pranešimus, kurie man prigulėjo patalpinti "Vytytje" parūpinau. Kelius raštus ir paraginimus prie darbo irgi parūpinau.

Visame kuogreičiausiai atsakinėjau į man rašytus laiškus.

Čia priseina man, nebe šaltais žodžiais, bet visa širdimi išreikšti ačiū p. Lapinskui už jo darbuotę ir ko-operaciją.

Gerb. seimo dalyviai, jeigu nebūtų buvusios jo neuilstančios darbuotės centras būtų labai keblioje padėtyje. Raštininkai vienas po kito savo pareigų nepildė. Jisai varė jų darbą pirmyn. Kaipo mano pirmasis pavaduotinis Chicagoje, jis kiekviena prašymą ir įsakymą išpildė. Išpildė, taip, kaip aš pats būčiau pildęs. P. Lapinskas yra VYTIS.

Seka toliau patėmijimai apie organizacijos darbuotę, draugus ir neprietelius.

1. Kuopos, nežiūrint kalbų ir išsiteisinimų, neduoda Centrui pilnos paramos. Mokesnių reikalais nesiranda centre pilnai visų kuopų antrašų. Tat ypatingai raštininkams ir kuopoms negalima siūsti raštų ir paraginimų. Šiandien randasi tiktai eššios kuopos, kurios turi sau vardą. Iš visų pageidavimų per kelerius seimus nei vienas iš jų nebuvo išpildytas per visus dešimties kuopų. Beveik visi tie dalykai yra seimų reikalauti. Ar jūs nemanote pildyti jų ar reikės valdybai padaryti kuopų darbus. Ar manote, kad tai ko-operacija? Ar su gryna sąžine gali visų kuopų delegatai man pasakyti, kad tai yra ko-operacija. Jei- gu jūs nariai negalite mažesniuose dalykuose klausyti seimų ir savo vadų, kaipgi galima tikėtis paramos didesniuose dalykuose? Apsimastykit!

2. Dvasiškija, kuri galėtų žymiai pagelbėti platini- me vienintėlės katalikiškos organizacijos, išskiriant apie 20, per itšisus metus miega. Per Kunigų Vienybę, jie galėtų išgauti didelę prijautimą nuo kitų kunigų. Vienok tokio prašymo negirdime. Prie to dar, turėdami vieną katalikišką jaunimo organizaciją, vietoje ją šelpti, jie rengiasi organizuoti kitą. Negalima paremti tos, bet reikia kitos. Skaitosi mūsų prieteliais. Mūsų organizacijoje randa garbės vietas. Mūsų seimuose mums ginčina ir tvarko mūsų reikalus, o išvykę namon per itšisus metus tyli arba kritikuoja nuošaliai. Nesuprantu prietelystės tokiais pasidarbavimais.

3. Vyčiai neskaitote savo laikraščio ir del to nežinote apie žinias jame paskleistas. Prašymai patalpinti "Vytytje" tą aiškiai parodo. Neišpildote jų. Tat žinoma neskaitote "Vyties".

4. Seimai patys susidedantis iš narių atvykusių iš visų kolonijų neima ant savęs pilnos atsakomybės galūtinai nuspręsti savo reikalų. Konstitucija pažymi, kad ji augščiausia mūsų tribuna. Seimo nuosprendis yra galutinas. Mažuose dalykuose jūs imate atsakomybę, didesniuose dalykuose bijote. Geras pavyzdys yra įsteigimas pašalpos ir pomirtinės skyrių. Planai buvo suteikti pereitame seime. Kas atsitiko? Seimas galūtinai negalėjo nuspręsti kurį planą paremti, išrinko naują komisiją tą dalyką tyrinėti. Tat seimui po seimui vis renkamos komisijos ir galų gale dalykas užmirštinas. Šiame seime man rodos nebus raporto tame klausime, nes mano prašymas, raginas pasidaruoti tuo reikalu, liko užmirštas.

6. Nariai seimuose renka sau valdybą, jie persta- to juos kaipo savo vadus itšisiems metams. Jie teippat nusprendžia darbuotę del tų metų. Vadai veda bet jeigu nariai nenori veikti, ar galima ką nuveikti? Kiekvienas jūsų sumanymas čia turi būti įvykdintas. Kas juos ga-

li įvykdinti, taip, kad pasekmės būtų kuogeriausios! Pavieniai nariai ir kuopos gali tą padaryti. Iš dangaus atsiūsti vadai negalės parodyti gerų pasekmių, jeigu jūs patys nariai nedirbsite. Šitame dalyke aš esu tikras, kad Lietuvos Vyčių organizacija pilnai nepažįsta, kas yra centralinė organizacija. Vietiniai laikosi gana stipriai, centralinei organizacijos, daliai jie veikia silpnai. Ar jūs nesuprantate, kad pirmiausia jūs prigulite prie centro, o ne centras prie jūsų. Čarteriai ir konstitucija yra centro, kur priklauso pavienios kuopos. Kodel gi jūs nedirbate visų pirmiausia, kad centrą sustiprinus, kad jis galėtų pilnai savo darbą varyti, tai yra platinti organizaciją po visas kolonijas. Atstatydinkit centrą, kad centras galėtų jus ir jūsų darbus šelpti. Nuo seniai yra raginamas, kad centro naudai būtų rengiami vakarėliai. Niekur negirdėtis, kad kuopos tai darytų. Atbuskim Vyčiai, atminkime, kad į puodą reikia daug įdėti, pakol galima pradėti iš jo. Centras yra jūsų jį patobulinus ir pakėlus geron finansinēn padėtin, būtų galima tikėtis daug naudos.

6. Patys jūs nariai susirinke seime renkate vadus. Jūs duodate autoritetą, bet per ištisus metus jūs neprišimat to autoriteto. Tais atžvilgiais jums ir nereikia Centro Valdybos.

Baigdamas prašyčiau pildyti savo nutarimus. Nesvarstykite reikalus, jeigu nemanote pasidarbuoti. Dirbkite su valdyba, ne prieš ją. Jeigu manote, kad jiems garbės užteks, perminkykit savo mintis. Nėra jokios garbės vadovauti, jeigu negalima darbo atlikti. Jūs savo pasidarbavimu valdybai teikiate ne garbės, bet paniekos. Del tokios garbės niekas uoliai ir ilgai negali padirbėti.

Del to, kad per pereitą seimą man teko išgirsti, kad organizacija man apmoka visas kelionės išlaidas ir darbo, išlaidas, aš pateikiu seimui sąrašą išlaidų.

STARLIGHT HAPPINESS

I love to muse and find myself enthused
By the vast profusion of solitary stars...
And you say: "I'm alone!" ...how confused
Your sense of happiness that boldly bars
Solitude and communions sweet
With Nature out of man's complete
Source of solace here below!
Why you yourself the greatest happiness to forgo
By leaving Nature's sources flowing wide
To seek your solace side by side
With some wretched mortal who
Will be as destitute in happiness as you!
But I in inspiration claim
The sweetest friendship with the name
When I gaze into the eyes
Of the million-spangled skies
And find therein a countenance
Benign beyond all recompense!

THE SKIES

O wave-blue skies with clouds of white
Bedecking you with foam,
How I rapture at your sight
That leads me nearer Home!

THE JOY OF DEATH

Never to close the eyes
Upon this suffering world and cold
Would be a trial, in every wise,
Compared with death, a hundredfold!

O SLEEP, SO SWEET!...

Sweet sleep to close the wearied eyes
Beneath the silent marches of the skies
To banish dreams from out a virgin-realm...
What a gift with which to overwhelm
The wearied consciousness of man
And leave him in a paradise where he began!

"Confound it," Jerry muttered as he swung his smart Buick coupe to avoid crashing into an ambulance. The slippery streets of early December contrived with the thick fog, which made it impossible to see more than half a block in front of you, to put in jeopardy anything that got in Jerry's way. Not that Jerry cared. Just now he felt like smashing something, but controlled himself for no explicable reason.

"Come now", old man," he cheered himself, "just because that little snip of a Marilyn gave you the high-hat is no reason why you should want to bust the whole world in the nose. Before you know it, she'll be calling you to say that all is forgiven. What has she to forgive anyway? She ought to crawl on her knees asking to be forgiven."

As he continued on his way he resumed his train of thoughts which had been interrupted by a red light. "Yes, sir, that baby lost all chances of becoming the wife of the promising young doctor, Gerald Lellanger, when she told me that she didn't want old heirloom for an engagement ring. A large, square cut diamond or nothing. Well she can have it—nothing. Just think what mother's maneuvers almost got me into. Never did care for the girls anyway. From now on I stick to my work, become a great surgeon like dad—and no more women."

With these words he was turning into the driveway of his home when he saw someone in front of the car. The breaks groaned as he jammed them on, but too late—a muddled fur-clad figure of a girl lay in a heap on the wet pavement.

He got out of the car. "It would be a girl. Enough of trouble already", he spoke aloud. But his doctor's instinct recalled his duty. He picked up the unconscious form and carried it to the door of his home.

"Why doesn't someone open this door?" he mumbled as he rang the doorbell. He remembered that it was the servants' evening off and that his mother and dad were out. After some fumbling he located his key and let himself in.

He gently deposited his burden on a couch, removed her muddy seal coat, and set about to determine the extent of her injuries. A twisted ankle, a large gash on the forehead, and a bleeding lip was all the damage he had done. He attended to the injuries and then took a good look at his victim. Not expensively yet smartly dressed, could not be more than twenty-two, about five foot four, straight black hair pulled back disclosing bits of pink ears, a perfect nose, and a swelling lower lip,—he catalogued her. There was no doubt of her being pretty under other conditions. As he went in search of some stimulant for the girl, he decided that she would have brown eyes.

When he returned he found that she had regained consciousness. He noticed that her eyes were blue—a dark blue. He explained the nature of her accident and assured her that her condition was not serious.

"How long do I have to stay here?" she then asked.

"Well, it will take at least ten days for your ankle to be strong enough to walk on. How do you feel now?"

"Not very badly," she answered feeling her ankle. "How am I to get home?" she asked looking up.

"You're not going home. You're going to stay right here until you are all right."

"Oh, but I can't," she contradicted.

"Oh, but you are," he mocked, then continued, "mother will make you comfortable, and I'll be here to see how you are getting on. You see I'm a doctor," he ended, deciding that blue eyes were more becoming to her than brown ones would have been.

"But that would be imposing—"

"Nothing of the kind. I got you into this mess and this is the least that I can do," he said flashing a smile. "Is there anyone you'd like to have me notify?" he asked.

"There's no one here. And if you say this is not serious I don't think I'll alarm mother. She lives in Harborville," she explained.

"Your landlady?" he suggested.

"No, I have a flat of my own. Seeing the rent is paid for the month, I don't think I'll be missed," she tried to smile in spite of her lip.

They were interrupted by the doorbell. As Jerry went to answer the bell she looked about the living-room. Smartness, comfort and good-taste pervaded it. Satisfied she closed her eyes and thought of the young man who was the cause of her being there. About six feet tall she judged him to be. Black wavy hair, white teeth, she even recalled the crooked one up in front, a square chin—she had not completed the mental picture when Jerry returned with a tall, black-haired lady.

"Mother, this is the young lady that I so recklessly knocked over," Jerry introduced her.

"I'm sorry, dear," Mrs. Lellanger expressed her sympathy, "but Jerry says that you will be quite well soon."

"O, accidents will happen," the girl replied thinking that "Jerry" suited him very well.

"We'll have to get you upstairs for the night," Mrs. Lellanger announced.

Suiting her words, Jerry picked up the young lady and carried her to the guest room. When the injured girl was enthroned among the pillows Mrs. Lellanger asked for her name.

"Sylvia Jardine," came the answer.

"Miss Jardine, I'll bring you some warm milk. Then you must try to get some sleep," with that Jerry's mother left the room calling Jerry to come down with her.

They reappeared a few minutes later. "This will warm you up at least," Mrs. Lellanger said as she set down the tray with a glass of warm milk and a plate of cookies.

When Sylvia had disposed of the milk Mrs. Lellanger told her to ring for anything that she may want. Then with a "good-night" the two left Sylvia for the night.

As soon as Jerry and his mother were out of earshot Mrs. Lellanger began, "we'll send her to the hospital the first thing in the morning."

"I'm sorry, mother, but we are not going to do anything of the kind," Jerry interposed. "I told her that she was to stay right here until she was entirely well."

"But, Jerry, tomorrow night is the party. You're going to have your engagement to Marilyn announced. How is it going to look having this strange girl here?"

"You may have the party, but there won't be any engagement of mine announced. Marilyn and I broke up today."

"Just a lovers' quarrel—"

"No. I tell you we're through and I mean it. Goodnight, mother," and Jerry stalked out of the room, leaving Mrs. Lellanger dumb-founded.

In the morning Mrs. Lellanger coaxed and pleaded with Jerry to send Sylvia to the hospital and to call Marilyn. He would do neither.

The party passed off uneventfully and without Marilyn's presence.

He cornered his mother, who had not yet forgiven him for his break with Marilyn, and told her, "Mother, I'm going to ask Sylvia to marry me."

"Have you taken leave of your senses?" was her reply.

"No, but I love her."

"Have you told your father?" she then asked him.

"Yes, and he said—'More power to you. Sylvia's a nice girl' — So you can wish me luck too, Moms."

"But you don't even know who she is", his mother reasoned.

"She's the sweetest girl in the world", came the answer.

"Why she's not of our social level. She's a nobody. Think of your career. She's only after your money anyway," Mrs. Lellanger was becoming agitated.

"I'm still going to ask her to marry me," came the unruffled reply.

"Well, promise me you won't ask her till tomorrow", his mother requested.

"Oh, all right, if it will make you feel any better. Now I'm going to the hospital. I'll be gone about three hours, 'by,' and he was gone.

Mrs. Lellanger went up to Sylvia's room. "Well, you'll be glad to hear that you can get up today," she began, "Jerry said that you may want to go back today."

"Did he say that?" Sylvia smiled faintly.

"Yes, he would have told you himself only that he was called away," Mrs. Lellanger answered.

So it did not matter whether she went or not. He had not even come to say goodbye. Well, she at least would have this one perfect week to cherish in her otherwise drab world. So ran Sylvia's thoughts as she mechanically dressed herself. She thanked Mrs. Lellanger for all her kindnesses and left.

Mrs. Lellanger was complimenting herself on her tactfulness, forgetting that she yet had her son to deal with. This young man came home in the highest of hopes only to have them blasted by the news that Sylvia had gone.

"Oh, mother, how could you send her away?" he accused her.

"I didn't send her away. Why she was glad to go." Mrs. Lellanger felt that the lie was excusable.

"You know you had something to do with her leaving like that. She would have waited for me to come back," Jerry persisted.

"I tell you she was glad to go. No doubt she wanted to get back to her kind. You're much better off with her gone.

"What do you mean 'her kind'? But what's the use arguing with you?" Jerry sank dejectedly into a chair.

"Now calm yourself. You'll soon forget her", his mother offered.

"I never will. Did she say where she was going?" he asked snatching at the last gleam of hope.

"I didn't ask her", and seeing that she was doing more harm than good Mrs. Lellanger left the room.

In the weeks that followed Jerry searched for Sylvia everywhere. He went through the department stores, the office buildings, the telephone company. He even tried some of the factories where girls were employed. All was to no avail. He lost interest in his work and in life. Christmas and New Year Day were the saddest that Jerry could remember as ever having experienced. His mother was beginning to have qualms of conscience because of the part she had played in being instrumental of her son's sadness — a sadness almost bordering despair. Yet, Mrs. Lellanger hoped that Jerry might forget.

About the middle of January, as Jerry was strolling listlessly through the smart shopping district of the city, it came to him that the next day was his birthday. Even as a little boy he had always remembered his mother with some gift on his birthday. No matter how badly he felt now a habit of many years could not be broken. He summoned enough of interest to look around for something to get for his mother on his twenty-sixth birthday.

He came to a gift shop where in the window he spied an ivory jewel case. Thinking that it would please his mother he went in to purchase it.

The little shop was breathing freely after its Christmas rush. He was the only customer. The proprietress came to him with, "What can I do for—"

"Sylvia," Jerry gasped, "gosh, I've looked for you everywhere."

"Why the sudden interest?" she asked attempting to appear as though she did not care.

"Why did you go off that way?" he pursued ignoring her remark.

"Because you told me to."

"I never did."

"Well, you told your mother to tell me, which was the same thing," she held her ground.

Jerry not wishing to compromise his mother anymore did not tell Sylvia just what role that lady had played in separating them.

"Sylvia," Jerry pleaded, "won't you—"

"Your mother," Sylvia was wavering.

She knows better now", Jerry patiently explained, "Sylvia, give me the best birthday present I've had. Tomorrow's my birthday. So give me yourself as a gift."

Sylvia showed her willingness to be a gift by snuggling into his arms.

HARTFORD, CONN.

Council 6

At our Sept. meeting many topics pertaining to the beginning of winter activities were brought up. The most important of these being basketball. It was decided to put both of our city championship teams on the floor again. The financial end of the project is to be taken care of thru the sale of raffle tickets. The committee in charge includes Father Gradeck, Sophia Vagail, and Barbara Witkowski. It is to the direct advantage of every club member to aid this committee in every possible way. Let's help them put it over!

NOTES OF INTEREST:

Our annual Halloween Dance is to be held on Saturday, October 31, 1931 at the Holy Trinity School Hall, located at the corner of Broad St., and Capitol Ave. Each year this dance has been more and more successful. Let's go folks, we're all invited.

Stanley Shimkus retained his club tennis championship by defeating Pres. William Stages in the final match of the club tournament. Stan. by the way is built quite a bit on the lines of Bill Tilden.

Anthony Labeskis handled the routine of the tournament very capably.

Walter Mazotas recently accompanied Lieutenant Baker of the local national guard unit on an aeroplane flight to Texas. He reported a great trip.

Frank Braskey, former local and State K of L president recently paid us a visit. He has been sojourning in Arizona.

A few weeks ago we were very pleasantly surprised to learn that one of our most dependable members of a few years ago had returned permanently to Hartford. Marion Yakaitis is the person to whom I refer. She had been making her home in Chicago. In behalf of the club I would like to welcome her back into our midst. Undoubtedly many of the members will be strangers to her, but that will not bother a girl of Marions' type for long.

John Shages and Anthony Ladkous recently returned from a trip to Washington, D. C., reported a fine vacation. Atlantic City and New York were included in their travels as was also Bloomfield and Glasonbury.

The party at Bokus' Farm at which many club members were present proved to be quite a success. Potatoes were baked and "dogs" were roasted. Punch was served at intervals which were filled in with dancing.

It is my unpleasant duty to mention the recent death of one of our members. Known to most as just John, he passed away after an emergency operation. A very quiet and unassuming chap was John and it was for these very qualities that made him so well liked. His sudden passing away was a shock to all of us who can not yet believe that he is gone. Yet we feel sure that where ever he is sure to be well thought of.

KLUBNOX:

At the party at Bokus' farm the dogs were not the only ones to be roasted. In fact had there been any cannibals present they would have certainly had a few delicious meals. Some tender and some — well what do you think?

Some people at the party were also well done internally as well as externally. In fact a few were too well done and boiled over.

Cigars were smoked by almost everyone, including the women.

A new class has emulated from the modern movie-tone motion pictures. This new class of people may be well described as the parrot-tones. A modern definition of which might be as follows: One who after seeing a movietone picture continually parrot-tones. The latest parrot-tone crack is — There were four girls and two men in the party, making six girls al-together.

ROCHESTER, N. Y. Council 93

CAN'T BE ALARMED!

Though you haven't heard from us for some time we are still here and active as much as ever.

The summer season brought a laxity of meetings and activities which had a tendency to break up the K of L Club at Rochester. But the "Old Rochester

"Spirit" showed itself at the re-organization meeting that was held on Wednesday, September 30, at St. George's Church Hall. The meeting was brought about through the efforts of the re-organization committee composed of Father Baksys, Miss I. Rovaite, and Mr. J. Morcan.

The meeting was a huge success as everyone present was there with the idea in mind to re-organize a bigger and better Club and to be actively engaged in accomplishing big things.

Competent officers, who had previously made known through church activities, were elected. President — John Morcan; Vice President — Joseph Brown; Secretary, Frank Jurlen; Treasurer — Frank Collins.

Many new and old members were present which was really good to see. Speeches were made by such prominent members as John Morcan, Joe Brown, Frank Parks, and Isabelle Rovis, who stressed the ideals of the club and explained the advantages of being a K of L member over others who were not. Father Baksys, Amelia Krajeris, and Frank Jurlen also spoke about the advantages of attending meetings, of co-operating and working together.

A drive for new members will be started at a Halloween Party where it is hoped that many new members will join our club.

HOMESTEAD, PA. 11-ta Kuopa.

Rugsėjo mėn. 27-tą dieną tuojau po Šventų Mišių bažnytinėje salėje buvo laikytas mėnesinis susirinkimas Liet. Vyčių 11-tos kuopos. Pirmininkas Antanas Yankaitis atidarė susirinkimą su malda. Rašt. Al. Baliukas perskaitė protokolą. Potam buvo įnešta ir paremta laikyti "Card Party" Lapkričio 8-tą dieną bažnytinėje salėje. Tuom rūpintis buvo išrinktos šeimininkės panelės Adelė Petraitė ir Olesė Milunaitė. Taipgi nutarta, kad kiekvienas narys ir narė dovanotų kokį nors "prizą". Tikimės didelio pasisekimo.

Mūsų klebonas kun. S. J. Čepanonis eina geryn — jisai tikisi atlikti Kalėdines apeigas. Lai Dievas duoda jam tiek stiprybės. Čia reik pasakyti, kad jam koja buvo nupiauta balandžio mėnesį. — Rūta.

SO. CHICAGO, ILL. Council 114

Our last meeting was held at the home of our secretary M. K. Johnny, certainly looked comfortable in the big Morris chair while Al. had to be satisfied with the radio bench.

The meeting was opened just as usual, the minutes were read and approved. We decided to run a dance for the parish benefit. A committee was elected, which will make all the arrangements. Hoping the committee will have the tickets at our next meeting. After a little refreshments we all departed contented.

An ice-cream social was held and quite a large crowd attended. We wish to thank the orchestra for playing so well. The main attraction of the evening was Turk and Charley. The way Turk played that push in and push out instrument (squeeze box) was a scream. Charley also was an expert at playing his cat gut (in other words the violin). I'm sure the crowd appreciated your music; nobody was sitting, so it must have been good.

Wrigley and Frank had an ice-cream contest. Boy! could those boys eat, especially Wrigley who happened to be the winner.

Love-lorn can certainly dance the Lithuanian hop, where in the name of heaven did you learn to do it? Will you teach us?

Mary K. have you ever worked in a cafeteria, the way you tossed dishes around (paper dishes) without breaking them is beyond us. You certainly would make a marvelous waitress.

Eddie, don't you like ice-cream or are you on a 18 day diet?

Louis, why were you so down hearted, did your, girl friend give you the air? Don't be blue there is plenty of us that are dying to go out with you, tell me, is there a chance?

Al. if you don't stop playing with the yo yo, I'm afraid we will have to dress you up as you were dressed years ago, meaning when you were a kid about three years old.

Tony R., even if you get married that's no sign that you have to forget the meetings, bring the wifey along.

Rose, we would like to have you at our next meeting, don't dissapoint us.

Ann B. forget and forgive, we all miss your company.

The baseball boys are doing fine. We all hope that they will keep up the good work — and they did! You'll hear more sooner or later, Adious.

— The Shadow.

SPRINGFIELD, ILLINOIS. Council 48.

DO YOU KNOW THAT:

Minnie Patkus has been wearing a beautiful diamond engagement ring for the past two months. The lucky boy is none other than our own Sammy Lapinski. Let the wedding bells ring out.

Joe Mankus and Adolph Tisckos hiked twenty miles out in the Country on Sun. September 27 after dinner. They were looking for a good place to shoot rabbits when the season opens.

Pete and Ann Kurila sure must have a lot of ambition, going to business school at nights and working during the day. More power to you brother and sister.

Frances Urbas and Petronella Kessler seem to be inseparable. If one is there, you're to find the other there also.

John Zibutis and his 5 "Vagabonds" furnished the music for our first Fall Dance "pulled off" at the Lincoln Inn Wednesday, September 30.

We missed Sammy Lapinski and Minnie Patkus, Minnie and Anthony Rudis and Esther Shures at the hop.

Victor and Eva Alane in spite of their busy married life took time to have some fun at the "shin dig".

Mr. and Mrs. Cooper our "old timers" still can strut their stuff as well as some of the younger members.

Mary Arnish knows "that gentlemen prefer blondes". Who were those nice gentlemen friends you were dancing with Mary?

Frances Mankus, our president, was there with her friend Adella alone. And boy what lively steppers they are.

Ann Tiskos showed a lot of pep. I don't think she sat out a single dance.

Ah yes, we saw smiling Bella Darron flashing a new diamond also. Tell us who he is, will you Bella?

— "Lad".

HARRISON AND KEARNY, N. J.

Council 90

Now that vacation is over and everybody is back to the old gang, looking like indians, and ready to act like them if need be, let's get together and make this season the most active.

And have we promising future? I'll say we have. Here's a few earfuls of eye-openers.

Our active dance committee is losing sleep over plans to make our dance of October 17, 1931, the most enjoyable and intertaining one of the season. Have you attended any of their past affairs? If you have, I'm sure you wont miss this one.

Then there's a new house committee, and the buzzing among them, I am sure, will produce some interesting results before long.

Next comes the dramatic committee, and let me tell you — they mean business.

Last but not least our sport division. The teams certainly look ready for action. Just as soon as the managers are elected, both basketball and bowling teams of both sexes will start working for the season, and just keep your eyes on them.

The council takes this opportunity and cordially invites all the neighboring councils to their Fourteenth Annual Shadow Dance, Saturday, October 17, 1931. At Hantman's Auditorium, 756 Harrison Avenue, Harrison, N. J.

We assure our guests that they will pass a very enjoyable evening of shadow dancing, to the strains of the popular Syncopating Collegiates.

I'll be seeing you.

Spalių mėn. 2 dieną Vyčių klube įvyko pagerbimo vakaras baseball'o tymo. Šis vakaras buvo labai linksmas.

Apie 10 val. vak. P. Velyvis pakvietė visus prie stalo, apkrauto įvairiais valgiais, bet gaila, visi svečiai netilpo prie vieno stalo, turėjo laukti antro.

Visiems susėdus dvasios vadas pradėjo vakarienę su malda. Pirm. paaiškino, kad šis vakarėlis buvo surengtas pagerbti 90 kuopos baseballininkus, nes jie paliko N. Y. ir N. J. apskričio čempionais ir gavo gražią "trophy", kurią apskritis buvo paskyręs trys metai atgal, su suprantamu, kad kuri kuopa laimės čempionatą per tris metus paeiliui, tai ta kuopa gaus taure ant visados. Taip, 90 kuopa ją laimėjo. Be to, apskritis suteikė 12 medalių pavieniams žaidėjams.

Didžiausį įspudį šiame vakare padarė J. Deskevičius apskričio sporto vedėjas, kada įteikė vyčiui Klimui stovylą už "home runs". Stovyla vaizduoja žaidėją belaukiantį sviedinio.

Kaip ir paprastai, kalbų netrūko. Ypatingai pažymėtina kun. L. Vaicekausko kalba, kurioje jis ragino ir sportininkus ir šiaip narius sutartinai veikti.

Visi nariai ir svečiai reiškia mūsų House Committee širdingą ačiū už surengimą tikro gražaus vakaro. O Kearny-Harrison vyčiai dėkoja atvykusiems svečiams iš Paterson, Bayonne ir Newark.

COUNCIL 25 CLEVELAND, OHIO

(Before the burning down of the Lithuania Hall)

T'was the ordinary night at the Lithuania Hall,
A building designed to accomodate all,
The chapters discussions — the montly affairs.
It's a tumbled down shack, and, honest — no bragin
The opening was a dandy — the ending just swell,
Complete from beginning up to the hell.
T'was a sight for your eyes, and without laughter
Order was called to the growd gathered there
The hall sure enough wasn 't packed to the rafters
But just the same it proceeded thus.
The president started with a prayer, and then all
Followed in usual manner, then came the roll call
Bless me! if all our members weren't there
With the single intention and object in view
To start a little commotion or something that's new
The meeting proceeded at a speedy precision
And finished all old things in addition
But members were ready with ideas too
That made the gang stand and say when.

Evening.

Boldly, sadly descends
The autumn evening. The town
Overflows with morning dew
Had I a place to go, I wouldn't
Be at home or out on a stew.
Some evenings are wasted,
Some evenings spent in vain —
If only I had a place to visit,
A place that I could call my own
Maybe I wouldn't be lonely;
I wouldn't be blue.
Instead I'd be thinking of something new
Sitting and thinking
Where members do stay
Brings me the slogan
Where's my wondering
Boy a going to play.
Think of it — if we had a club house
Where all of our members, visitors
Too, could spent the evening and
Chat to you too.
Standing on cornners members,
You know lowers your standard
Three fold or so.
But built up our club house
And see to it quick, where
Our members hang out or click.
It may be a dance spot or a
Spaghettic inn???
But bring them together
And make it a big hit. — A Fiddler.

THE CHICAGO DISTRICT ATHLETIC ASSOCIATION

By KONNIE

Baseball Championship to So. Chicago

All details of the baseball contents were given in the Saturday or Tuesday issues of the "Draugas" so it is unnecessary to repeat them here. The Champions were defeated by North Side and by Providence, but the latter game was won by a forfeit because Providence admitted using two ineligible players. The second place team, Marquette, lost two games, both to South Chicago. The District wishes to congratulate the Champions for their excellent sportmanship and playing ability on the baseball diamond.

Baseball Next Year.

It is understood by the councils that a baseball team is an expensive proposition and that if the proper amount of enthusiasm is lacking, it is advisable not to have a team. Throughout the present year, as well as in years past, the managers have had difficulty in keeping the team together and getting the individual players to practice or play. This lack of interest is more evident when the team is on the losing side. We may well ask ourselves whether the continuance of a baseball league is a worthwhile project.

Several suggestions have been given, one being that the team is too expensive and proves to be too heavy a burden on the council so it ought to be abolished in the future. Golf and Tennis teams are suggested to take the place of baseball teams for Summer sport. The idea is a plausible one and may be adopted in 1932 depending on the interests of the councils.

Golf Season Nears End.

This is the first year that the Chicago District has decided to have intercouncil golf matches and its inception of this new sport has brought gratifying results. Starting with but two teams, Marquette and North Side, the league grew like a mushroom. Providence joined the next day, and it was followed by Brighton Park. Cicero and Bridgeport expressed their intention to follow the leaders. The newly organized Town of Lake council also joined.

A trophy has been promised the champions. Hr. Harry Menas, the Chicago professional of the Lithuanian Golf Club, has exerted himself to get the K of L's a suitable vase. The trophy will be a costly object and is not to remain in the hands of the champions permanently unless it is won by that council three years in succession.

North Side is leading the golf league at the present time. It is closely followed by the strong Marquette team. Whether these leaders will keep their position depends upon the outcome of their remaining two or three contents with the other councils.

Standing of the Teams:

	Won	Lost
1. North Side	3	0
2. Marquette	2	1
3. Providence	0	2
4. Brighton Park	0	1
5. Bridgeport	0	1
6. Town of Lake	0	0
7. Cicero	0	0

Basketball Season Here.

With ten teams entered in the race and now practicing for the opening game, the season prophecies to be a hotly contested one with plenty of fire and friendly competition. Ten teams are already entered. The games will be played at St. Phillip's gymnasium which is located at Jackson Boulevard, and Kedzie Avenue. Admission is — gentlemen 50 cents and ladies 35 cents. Just another instance to prove that the gents are valued at a greater sum than the ladies. The games will start at 1 o'clock and continue to 6 o'clock.

The teams will probably play 15 minute halves instead of 8 minute quarters as in the past. This will allow more time for dancing and will tend to keep up the interest of the spectators in the game. The opening date will be announced in the next issue of this periodical.

Chicago District Dance

On November 4th, at the Cicero Parish Hall the sports centre is sponsoring a Fall Dance the proceeds of which are to be used to pay the expenses incidental to managing inter-council meets. Every K of L member is urged to attend this affair for all your friends will be there as well as your enemies, if you have such. Admission is 50 cents, music will be furnished on the installment plan by a capable orchestra. November 4th, is a Wednesday night. We want to see Brighton Park, Marquette, Providence, North Side, South Chicago, Town of Lake, Bridgeport, Gary, Cicero, West Pullman, and the rest of the points South well represented at this dance. Come, with or without, but come.

FROM THE FROZEN NORTH

With icicles hanging from his whiskers the telegrapher brought us a wireless that was flashed across the icy wastes, from way up yonder, informing us North Side is having another important social affair — its 10th Annual Halloween Party. It's on a Saturday night, October 31st, 1931. A new place has been chosen by the council for our friends to make marry in or whatever her name is. If you intend to go save up a half dollar, or bring two bushels of corn and a celluloid dish towel in exchange for one admission.

You can reach the Crystal Ballroom by walking on your knees, it being very difficult to walk on somebody else's knees, or else you can hitch-hike to the place, or find a transfer and cheat the car lines to get there. If you have a boy friend or girl friend who has a car or similar means of conveyance, tie his or her hands, as the case may be, and ride down to the dive. Perhaps you're an individual with a flighty mind. If so, take the Humboldt Park elevated to California Ave. descend the stairs, turn left on reaching the sidewalk, and walk or crawl back one block east to the Crystal Theatre. Elevator fare costs ten cents, but if you're wearing a dark dress or dark suit that evening, you can climb up to the station platform for nothing. Whatever way you choose to get there don't let your conscience bother you or mind what other people will say.

Is it a good place? That's what you may ask. Well, we paid sixty bucks or thereabouts for it plus an El Punko cigar so it ought to be worth about twenty. If your domicile is South take any car or road North to North Avenue, and the later to California Avenue, or

Washtenaw Avenue. You can't miss the place. It took me only an hour to find it. Dancing will last till 12:30 A. M., starting at 8:30 P. M. An agreement has been made with the manager allowing us to drill holes in the floor and watch the movie in the Crystal Theatre below during our dance intermissions. You'll hear an orchestra that you've never heard before. Neither have we. They claim nobody can duplicate their music. They can't even play the same tune again in the same way themselves. They don't play good, says the manager, but they play real loud. Isn't that a nice recommendation?

Council 5 gives but two dances each year. One on Valentine Day and its big splurge on Halloween Night. Those of you who have attended the Halloween dances need no second invitation. Wash your neck and come. Girls wearing Eugenie hats will be admitted for the same price. If you don't come we'll think you're crazy, if you do come your friends will think you're crazy. Either way you take it you're crazy.

As never,
— Konnie.

"GETTING AN EYEFUL"

Boy, oh boy! did you see Professor Vismanus strut his stuff at the gathering we had Saturday? Did you see the way he swung Margie Z. around, and by the way did you notice the fancy way he has in smoking a cigarette.

Mine gootness! it am not safe for the fellows no more to go down de club when de womin is around. Mine gootness once more, they beat you up, thrown you on de floor, step all over your hat, wipe their shoes on your pants, sock you where they ain't supposed to, put powder all over your coat, and then ask you what's de matter when you sit down half exhausted, Help! a victim.

Used to think that Violet T. was a quit girl but don't think so anymore after I seen her in action the other night. Boy oh boy what she did to John Karalukus and Willie Peckaitis is nobody's business.

Anna Putrimas from the other side of the World (Loooooong Hiland Sity) comes down full of potatoes and then when she goes to play pool, knocks all the balls from the table. Don't eat so much "bullboo" Anna and you will playmuch better.

BELIEVE IT OR NOT

Balyfik arba Ne.

Anthony Grigalis has no intentions of aisling it to the altar. (She's got to be a 2 in 1 to upset his mind).

Anthony Amaitis is getting like that over Violet Tursa.

Anthony Mazeika is often seen gazing at show windows displaying, tee hee, womens undies.

Antanas Visminas savo pačia "tu taimina", net kada ir po keturias meilužes savo lize vežioja.

Antanas Alekna, jei augytų ūsus, tai dą kas galetu užstot ant jo. Mat, mislytu, kad "kakrutis".

Anthony Buzas will soon be a "švoogeris".

Anthony Putrimas, the heap big butter ad egg man from L. I. doesn't sell butter and eggs, he sells eggs and butter.

Antonette Buzaitė ought to altar it with Joie.

Adele Buzaitė, will altar it if HIS salary was 30 or 35 per.

Anna Putrima's romance went pfft. But it will be patched up before long. He's just like that... at times.

Ona Ambrozaitė tai bracė meiluzė. Kaip bučkį duoda tai net ir dantis ištrupina... tiktai kaip auksu išpilti.

Chalis Kuzmickas buvo labai nepatenkintas, kaip reikėjo užsimokėt 90 kapeikų už motinų vakarienę. Dabar už tat streikuoja ant klubo. (Biski Chaliukas).

Casy Karpaviciutė is a little too bashful and quit to suit us. A beautiful little girl but she wouldn't be sociable. It really does look bad. Why, nobody will like you. The next time you come to visit the club, go over to the girls and give them a line of baloney... don't worry, they'll stand for it... if not, they'll sit... then ask them to introduce you to the boys, savvy?

Ed Laukaitis doesn't seem to be so pesty anymore, eh, girls?

Ella Ramoškaitė may ankle down the aisle.

Eddie Genevich is a hook, line and sinker... so far.

Pranas Milašauskas verkė tris dienas ir devynias naktis, kad Grigalis nuo jo atėmė kokią Adelę.

Pranas Kizis apseina da kaip Liet. Piliėtis. Ale už kokių dviejų metų, tai toks bus, kaip Antanas Grigalis.

George Prizgint is a MAN even though he is still in his teens and goes to school. (Are you trying to argue with me?)

John Karaliukas is also getting ga-ga... say, what's this anyway. If all the members are going to get that way about it then the membership will surely increase... providing everyone orders twins.

John Karalevich's corporation is beginning to take the shape of barrel.

John Kiela doesn't seem to be interested in the affairs of the club anymore. But we think different... we know well enough the girls aren't what they used to be in the gay nineties.

John Masolskis is oh so so with one of the Stagniūnas's.

Josephine Januskaitė doesn't let on that cupid got the best of her. Before she does, her romance with the coal miner will also go pfft... and for good... because he's not just like that.

CHICAGO, ILLINOIS

Council 16.

The social season of Council 16 was inaugurated on Monday, September 14th, Despite the heavy down-pour and the stifling heat, a large crowd of members and visitors from various councils gathered to help make this first social a huge success.

All present were having a good ol' time, talking, laughing and dancing to the syncopation of the Fairmont Boys, who had brightened the evening with their peppy music. The crowd was further entertained with a few selections sung by Harriet Gričius.

To the strains of Home Sweet Home the crowd dispersed completely satisfied with the evening's entertainment.

Having completed my first correspondence lesson in Sherlock Holmes, I have followed the instructions and snooping around gathered bits of scandal.

Wanda Bartkus and Johnny Tenzi tried to disappear into space, but were tracked down to Jucius' and found indulging in a double sundae after the strenuous workout at the social. Don't work them out so much Johnny!

Dr. Norkus stood out all the dances at the social chattering with a pretty "Miss." What is it, the Miss or isn't dancing good for the feet? Let us in on the secret, Bill.

Mitzi Naujokas recovering from a prolonged illness was present at the social and was quite rushed by the boys. I thought only Clara Bow had this thing called "it."

A certain gent hailing from Council 4 was overheard stating his objections to be called "Tiny". Allright Joe, anything to please you.

Ann Balchunas, watch must be running according to the Pacific Coast time (One hour later than Chicago time) She has been coming late to our meetings. You better see a good jeweler Ann and have your watch fixed.
