## COMMENCEMENT — 1938

Once, not so very long ago, mother dressed us up in all our finery, brought us to grammar school and we were enrolled. A few years passed — to us it seemed only a matter of months — and we were graduated. During this short period of eight years or less, we looked for support from mother and dad. If anything went wrong and our world seemed to tumble down on us, why mother or dad assembled the broken pieces and made everything normal again.

Then came high school, with all its peculiar problems of adolescent age. Here we learned to depend more on ourselves and less on our parents. Nevertheless we depended on them to a great degree to solve most of the perplexing problems we encountered in life.

Four short years passed and we found ourselves in college. Here we ran into life all alone. We discovered how difficult it was to be away from home. We had to stand up on our own feet the entire four years. But still our folks fitted into the picture since they furnished us with moral and pecuniary aid.

Now comes commencement. We face the world on our own. We will have to fight our own battles. We'll have to earn our own livelihood. We're being shoved into Life's

College of Hard Knocks. Standing here on life's threshold we see an entirely different picture than we have ever encountered before. It may seem rozy to some and black to others, but remember, we all have the same future. What we shall make of ourselves depends entirely upon us. The future will test our mettle and will be our judge.

May we invite all the graduates to become Knights, to share your burdens and troubles with your fellow Knights, and to participate in the affairs of an organization whose existence is devoted entirely to "GOD AND COUNTRY".

### ATTENTION COUNCILS

In the July issue of VYTIS, a list will be published showing the number of delegates each council will be allowed to the 26th National Convention to be held at Council 24, in Chicago, August 9, 10, and 11th.

In order to tabulate a correct and complete list, it will be important that all members pay up their dues, and that the council financial secretaries in turn send in the dues to the Supreme Council Financial Secretary not later than July 15, 1938.

Your cooperation will be greatly appreciated.

Be informed that to every ten fully paid up members (up to July 1, 1938) each Council will be allowed one delegate.

Delegates representing *Councils* or *Districts* must be in good standing with the Supreme Council, that is, dues must be paid up to at least July 1, 1938.

# AMERIKOS LIETUVIAI SKAUTAI KVIEČIAMSI Į LIETUVĄ

Lietuvoje, kaip ir Amerikoje, yra skautų (boy scouts) ir skaučių (girl guides) organizacijos. Lietuvos skautų organizacija įsikūrė Vilniuje 1918.XI.1 d., taigi šimet mini savo įkurtuvių 20 metų jubiliejų.

Lietuvos nepriklausomybės atgimimo ir skautų įsikūrimo 20 metų sukaktims paminėti Lietuvos skautai ir skautės ruošia dideles jubilieines tautines stovyklas (National Jubilee Camp). Abi stovyklos įvyks prie Kauno, ant Nemuno upės krantų, labai gražiuose pušynuose. Skautai stovyklaus *Aukštosios Panemunės* kurorto pušyne nuo liepos 8 iki 18 d.

Stovykloje įvyks daug įdomių skautiškų ir sportiškų varžybų (competitions), sporto šventė, vandens sporto šventė, vaikų karnavalas ir kt. Vakaris įvyks didžiuliai laužai (camp fires). Lietuvos skautai yra išgarsėję užsieniuose kaip dideli stovyklų puošimo mėgėjai. Čia bus labai puiki proga pamatyti, kaip stovyklauja Lietuvos skautai savo tėvynėje.

Užsienių skautams bus suruoštos trys ekskursijos: 1) į Kauną, 2) į Pažaislio vienuolyną ir skaučių stovyklą ir 3) į Lietuvos pajūrį — aukščiausias Europoje smėlio kopas (sand dunes), briedžių rezervatus, Lietuvos uostą Klaipėdą ir gražiausius pajūrio kurortus. Paskutinioji ekskursija įvyks stovyklai pasibaigus nuo liepos mėn. 18 d. iki 29 d. Bus plaukiama Nemunu garlaiviu, o grįžtama traukiniu.

*Lietuvos skautai nuoširdžiai kviečia atvykti į stovyklą visus amerikiečius lietuvius skautus, visvien ar jie priklauso lietuvių ar amerikiečių draugovėms. Tenesivaržo vykti ir tie, kurie silpnai bemoka lietuviškai arba ir visai nemoka. Lietuviškai nemokantiems padėti bus paskirti "brolėnai" ("cousins") — lietuviai skautai, kurie moka angliškai.*

Amerikos lietuviams skautams *pragyvenimas stovykloje, o taip pat dalyvavimas minėtoje ekskursijoje, nieko nekaštuos* — jie bus Lietu-

vos skautų svečiai. Taip pat *nemokamai* gaus Lietuvos pasiuntinybės Vašingtone arba konsulatuose New Yorke ir Chicagoje *vizą įvažiuoti į Lietuvą*. Norint gauti nemokamą vizą reikės pateikti pažymėjimą, jog vyksta į stovyklą. Tokį pažymėjimą, pareiškusiems norą vyksti, atsiųs skautų brolijos vyriausioji vadija (Headquarters). Kas nespėtų jį gauti iš Lietuvos, tegul kreipiasi tiesiog į pasiuntinybę arba konsulatą — gaus ten.

Vykstą į stovyklą prašomi kaip galima ankščiau pranešti apie savo atvykimą nurodymais, kada atvyks. Tačiau, jei kas nespėtų iš anksto pranešti, tegu vyksta ir nepranešęs, o atvykęs į Lietuvą kreipiasi į Lietuvos skautų brolijos vyriausiąją vadiją (Kaunas, Nepriklausomybės aikštė 4, telf. 26534) ir bus nusiųstas į stovyklą. Vykstantieji tepasiima su savimi reikalingiausius stovyklautojui daiktus. Palapinės, antklodės, valgyti indus gaus vietoje.

*Visi amerikiečiai lietuviai, kurie turi pažįstamų lietuvių skautų, prašomi paskatinti juos vyksti į Lietuvos skautų stovyklą. Taip pat paraginkite ir pažįstamus amerikiečius skautus vyksti į Lietuvą. Smulkesnių informacijų apie Lietuvos skautų stovyklą galima gauti Amerikos skautų sąjungoje (Boy Scouts of America, 2 Park Avenue, New York, N. Y.), Lietuvos pasiuntinybėje Vašingtone (Lithuanian Legation, 2622 16th Str., Washington, D. C.), generaliniam konsulate New Yorke (Consulate Generale of Lithuania, 46 Fifth Avenue, New York) arba konsulate Chicagoje (Lithuanian Consulate, 100 North East Bellevue Place, Chicago) ir Lietuvos skautų brolijos vyriausioje vadijoje tokiu adresu:*

## MALONŪS BROLIAI VYČIAI!

Šiltų vėjų dvelkimuose išnyko sniegas, nuputojo pavasarėjančiais laukais, pavasario gandas pasklido laukuose. Pavasaris!... Pavasaris!... O Lietuvos Katalikiškojo jaunimo širdyse — gandas didžiulio Jubiliejinio Kongreso.

L. K. J. "Pavasario" Fed. švenčia sidabrinį 25 metų Jubiliejų. Norime šį brangų visai tautai įvykį vainikuoti didžiuliu Kongresu, kuris įvyks š. m. birželio mėn. 28 ir 29 dd. Kaune. Tarp kitų dalykų numatoma suorganizuoti Kulturalinio, organizacinio 25 metų darbo parodą. Norėtumėm, kad ir broliai Vyčiai parodoje dalyvautų, tat maloniai prašome atsiūsti savo vadų ir veikimo fotografijų, būdingesnių dokumentų, Kongresų ir organizacinių ženklų, plakatų, spaudos leidinių ir davinių skyrių skaičiaus ir narių diagramoms. Generalinis Sekretorius.

## DALYVAUKIME OLIMPIADOJ

Lietuvių Pirmoji Tautinė Olimpiada tikrai įvyksta Lietuvoje šią vasarą nuo liepos (July) 17 iki galo mėnesio. Lietuvos sportininkai-atletai ir jaunimas išsijuosęs ten rengiasi kaip save geriausiai parodyti, taip ir broliškus svečius iš artimų ir tolimų pasaulio kraštų pasitikti. Olimpiados laukia visa Lietuva, ypač kad tai bus pirmoji olimpiada Lietuvos padangėje. Olimpiadų idėja yra sena; jau graikai keleta šimtmečių prieš Kristaus laikus rengė sporto lenktynes, kuriose dalyvaudavo atletai iš visų graikiškų kolonijų. Tokios olimpiados buvo tais laikais ir dabar yra pagrystos tautinės vienybės idėja. Senovės romenai, pasaulio valdytojai, irgi aukštai įvertindavo sporto reikšmę ir sporto olimpiadas, — jie sakydavo: "in corpore sano, mens sana" — sveikame kūne, sveikas protas!

V y t i s —

Amerikos lietuvių jaunimas šioje Dėdės Samo šalyje yra aukštai iškėles sporto vėliavą ir keliais atvėjais yra apsilankęs garbės vainikais. Visus juos Lietuva kviečia apsilankyti Pirmosios Tautinės Olimpiados proga: Lietuvos konsulai iš New Yorko ir Chicagos jiems išsiuntinėjo pakvietimus ir Lietuvos sportininkai tikisi turėti savo tarpe tokius garbingus svečius, kurių čia neišvardysiu, bet kurių vardai Amerikos sporte užrašyti aukso raidėmis.

Amerikos lietuvių susidomėjimas Lietuvos Olimpiada pradeda išsisiubuoti, ypatingai ačiū energingoms pastangoms čikagiečių: konsulo p. Daužvardžio, teisėjo p. Zūrio ir daugelio kitų jaunimo rėmėjų ir sporto mėgėjų, kaip iš Čikagos, taip ir iš kitų miestų. Pono J. T. Zūrio, gerbiamo Čikagos miesto teisėjo, vadovaujama neseniai pradėjo veikti Amerikos Lietuvių Atletikos Sąjunga: *American Lithuanian Athletic Association*, 105 W. Madison Street, Room 1905, Chicago, Illinois. Šios organizacijos tikslas yra išaiškinti Amerikos lietuvių visuomenei, kad kiekviename mieste sudarytų Atletikos Draugijas, kurios pasirūpintų pasiūsti į Lietuvos Olimpiadą savo geriausius atletus. Šiam tikslui, kiek mums yra žinoma, talkininkauja p. J. B. Bordenas vadovaujamas Sporto Komitetas Čikagoje, p. G. C. Venclovo vadovaujamas Clevelando Lietuvių Sporto Klubas, p. Simonas Paukštis, Pensylvanijos Universiteto futbolo instruktorius iš Philadelphijos; taipgi Pittsburgho, Wilkes Barre, Scrantono, rodos dar Detroito, Baltimorės ir Brooklyno visuomenės komitetai. Tik iš Naujosios Anglijos jokių žinių nesigirdi. Kai kur komitetas rūpinasi savo geriausiems atletams surinkti reikalingą finansinę paramą kelionei (tik kelionei ten ir atgal, nes buvimas pačioje Lietuvoje Olimpiados metu jiems nieko nekainuos), kai kur gi patys sportininkai žada vykti savo lėšomis. Tarpe Čikagos biznierių yra atsiradę tokių mecenatų, kurie pasižadėjo aprūpinti keletą atletų - delegatų. Iš Lietuvos Vyčių organizacijos irgi kai kas tikisi Olimpiadoj dalyvauti.

Vis tai yra labai džiaugsmingi faktai. Yra pagrindo tikėti, kad Amerikos lietuvių sporto reprezentatų skaitlius Pirmoje Tautinėje Olimpiadoj pasieks bent 25. Olimpiados dalyvių išlydėjimas turės įvykti jau birželio (June) mėnesio gale. Tat gi laiko visai mažai beliko. Padarykite paskutines pastangas, kad gražus darbas būtų gražiai užbaigtas.

P. Žadeikis,  
Lietuvos Pasiuntinys.

## Lietuvių Kalbos Vasariniai Kursai

### Marianapolyj

Nedaug Amerikos lietuvių turi galimybes tinkamai išmokyti savo gimtosios kalbos. Pakenčiamo jos mokėjimo yra labai reikalingi mūsų inteligentai, kuriems nuolatos įvairiomis progomis tenka prabilti į minias. Kaip yra nejauku tokiam intelligentui kalbėti į klausančius lauzyta kalba; jo vertė tuojau nukrinta žmonių akyse. Dar nejaukiausiai jaučiasi patys žmonės, kurie savo širdyje gailisi to vargšo kalbėtojo ir tik laukia, kada jis tas kančias pabaigs. Kas čia sakoma apie viešą asmens pasirodymą, tą pat galima pasakyti ir apie kasdieninius mūsų profesjonolų santykius su savo klientais, pacientais ir rėmėjais.

Marianapolio kolegija yra vienintėlė aukštoji mokykla Amerikoje, kur galima tinkamai išmokyti lietuvių kalbos. Tik, žinoma, ne visi ta kolegija galėjo ir gali naudotis. Jaunuoliai, einantieji specialius mokslus ar juos jau baigusieji, negalėjo mokytis Marianapolyj. Taigi, Marianapolio kolegijos vadovybė, gerai suprasdama šią mokslevivijos būklę, kiekvieną vasarą ruošia Vasarinius Kursus, kuriuose dėstoma lietuvių kalba. Čia juos moko lietuvių kalbos žinovai — pedagogai. Kursai tęsiasi šešias savaites. Be lietuvių kalbos, yra dėstoma ir klasikinės — lotynų bei graikų — kalbos; katalikiškoji akcija; prigimties mokslai. Kiekvieną dieną be pamokų yra ir paskaitos įvairiais mūsų tikibiniais, tautiniais ir visuomeniniais klausimais.

Šią vasarą kursai prasideda liepos 6 d. Lietuvių kalbą dėstys šie mokytojai: kun. dr. Jonas Navickas, Lietuvos ir Amerikos lietuvių istoriją; kun. Kazimieras Urbonavičius lietuvių literatūrą; kun. dr. Alfonsas Jagminas — lietuvių kalbos gramatiką ir p. Jonas Pili-pauskas — lietuvių kalbos sintaksę.

Gretimai su pamokomis eina ir paties studento asmeninis darbas: jam tenka perskaityti visa eilė lietuvių kalboje nurodytų veikalų; kiekvieną savaitę jisai turi patiekti raštinį darbą — kaip skaitytų knygų įvertinimą, taip ir kompoziciją. Studentai artimai supažindinami su periodine Lietuvos ir Amerikos lietuvių spauda.

Pamokos vyksta prieš pietus. Po pietų studentai laisvi — gali naudotis kolegijos parke visomis sporto aikštėmis arba vykti maudytis.

Smulkesnių žinių apie šiuos vasarinius kursus galima sužinoti iš Marianapolio kolegijos vadovybės. Reikia kreiptis šiuo adresu: Kunigas Rektorius, Marianapolis, Thompson, Conn.

## KNOW YOUR SUPREME COUNCIL OFFICERS

**FRANK GUDELIS**  
Ist Vice-President

Last month we presented President A. J. Mazeika and Konstant J. Savickus, one of the press directors. This month we acquaint ourselves with the First Vice-President, the Financial-Secretary, and the Recording Secretary.

Frank Gudelis, the Ist Vice-President of the present Supreme Council Executive Staff, is a resident of Dayton, Ohio, and a member of Council 96. For many years he has taken an active interest in Lithuanian activity and ideals in Dayton and has been an enthusiastic worker in that respect. He holds many positions of importance in different organizations, such as, Trustee of Council 96, Executive Secretary of the Lithuanian Democratic Club of Dayton, Member of the Committee of Holy Cross Parish, and is an Executive of the Federation of Lithuanian Societies of Holy Cross Church. He also maintains an active membership in the Lithuanian Roman Catholic Alliance, the Eagles, and the Gem City Democratic Club.

Paralleling his achievements in organization work we note that Mr. Gudelis holds a responsible position with the local traction company.

This diversified and extensive membership has created a tendency

on his part to achieve the utmost for the Knights of Lithuania. His efforts in behalf of the Knights know no bounds; never has it been said that he turned down an opportunity to perform some function or act in some capacity for his council or the organization as a whole.

---

Anastasia M. Varanis, the Financial Secretary hails from Council 24, Chicago, Illinois. She has had a long and active career among the youth of Our Lady of Vilna Parish. She attended the parochial school there and subsequently graduated Harrison High School.

The recording secretary's and the president's duties of Council 24 occupied her time for a number of years. Synonymous with her activity in the council, is the interest and endeavor which she has shown in the Chicago District and the Young Ladies Sodality of Our Lady of Vilna Parish.

Miss Varanis has extensive executive ability which has been portrayed in the manner in which she conducts the Supreme Council meetings at Chicago and also in the efficient performance of the Financial

**ANASTASIA M. VARANIS**  
Financial Secretary

**BERNICE R. PETRAITIS**  
Recording Secretary

Secretary's duties. Both of which are a genuine credit to the organization.

---

Bernice R. Petraitis, the Recording Secretary is also a member of Council 24, Chicago, Illinois. Her career among the youth of Our Lady of Vilna Parish closely parallels that of Miss Varanis with the exception that Miss Petraitis is a graduate of St. Casimir's Academy. She is a past president of the Immaculate Conception of the Blessed Virgin Mary Sodality and has held the office of Secretary with the Chicago District "Dainos Choir" in whose reorganization she took an active part.

A keen business sense coupled with a determination to accomplish things has definitely equipped her with the ability for leadership.

It has been her duty, during the past year, to keep the entire Staff of the Supreme Council united and in constant touch with each other, even though it is scattered in six different states. Her first year in the Supreme Council has served to increase her determination and desire to work for the ideals for which our organization exists.

## Why Not a Lithuanian Book Of The Month Club?

Would you like to treat yourself to a little stimulant on your quiet evenings at home?

Would you like to vary your daily menu of newspapers and magazines with an absorbing chapter or two written in our own "oldest living language?"

Would you like to develop a taste for some of those luscious Lithuanian phrases with which our present day writers embellish their stories of romance, adventure, drama?

Would it be a point of pride with you to be able to admit to yourself that you can read a Lithuanian book every month and (you can hardly believe it!) be genuinely excited about it?

You and I might have read some of these books long before now, if it weren't for several reasons. One is that light and readable Lithuanian books have been just about impossible to get in this country. Another reason is that while there is an awful lot of pressure exerted on us to buy English books and periodicals, nobody seems to care whether or not we see a Lithuanian book as long as we live. The drug store counters are piled high with enticing fiction books. The news stands are buried under a mass of colorful magazines which attract the eye and arouse our appetite for reading. But it is easier to find gold in your back yard than it is to find a collection of new Lithuanian books.

We can be sure that there is no little enjoyment awaiting us, if we but go out and seek it. And why not? Don't we deserve it? Each year the Lithuanian government offers prizes to the year's most distinguished novelist, dramatist, poet. Would it not be rather a credit to us if we were acquainted with at least these prize-winning works?

Why not form, then, a Lithuanian Book of the Month Club, which would import some of these fine books? From the numerous suggestions offered we could select every month or every two months some interesting little volume; there would, of course, be no compulsion to order books more frequently than we care to. Perhaps we could have a Readers' advisory committee to offer brief reviews of the more important books. Perhaps you yourself would wish to write to the committee stating your reactions to the books you will have read.

No doubt "Vytis" would let this book crowd have a page or two of its journal. There is any number of interesting possibilities. What

diversion, what fun it would be if only a handful of us decided to do something about it. A mere ten of us could start the ball rolling.

Would you like to be one of the first ten? Are you one of those who would enjoy this extra luxury occasionally, during your odd moments, or just you start counting sheep at night?

What about this Lithuanian Book of the Month Club?

— Joseph Boley.

## Catholic Books for Children

Sheed and Ward sent out a small booklet with their Summer News Bulletin wherein is listed good news for parents who would have their youngsters begin at an early age to become better acquainted with Catholic ideas.

There are three books listed by Joan Windham, prefaced with the thought — "Children who read these books will be proof against the sadly current theory that saints may be very good but will be very poor company in heaven". The author introduces more than fifty saints in three books, and, all as people, children would love to make friends with, and as doing things any child would love to do. Surely the right way for children to meet saints! These three books are:

Six O'Clock Saints  
More Saints For Six O'Clock  
Saints By Request".

I cannot help but tell you about the "Gospel Rhymes" by Leonard Feeney, S. J., and others which contain "rhymes on Gospel incidents, of a sort children will ask for endlessly, until to everybody's relief they learn most of them by heart. Not a bad way to begin to know the Gospels.

In conclusion — not a bad way for us to begin to learn a few facts for our own information.

# THE MONTH *in* BOOKS

## Lithuanian Books and Reading

Proud as the Proverbial Peacock you cannot help but be, if this summer has been profitably spent in that age old pastime — READING. The winter season will show you up, as it usually does. The radio, motion-pictures, the modern theatre, do usurp our attention most of the time in this day and age, but there comes the time, the occasion, when you want to do yourself proud in the presence of a certain person or persons. How you wish on and on that you had more profitably used your leisure.

Many of us must have felt that it would have been most desirable to have known more about Lithuania's background during that last discussion of the Lithuanian-Polish dispute.

A book a week! If it must be and cannot be otherwise, budget your time to make it a book a month. By September you will feel you know enough to start talking about it all. After a few weeks of interest try to engage someone else in conversation about this new hobby of yours, you will without doubt find your associates more than eager to try to add facts which they have discovered too. It seems worth trying, don't you think so? It may work out to a financial advantage, too. Herein is a limitless field of endeavor for people who have begun to read Lithuanian and read it to work out some splendid translations, if not gifted to write originals. Once you begin there is no telling where you will find your interest leading you in Lithuanianism.

During the past month Dr. F. J. Hill, Waterbury, Conn., received from Lithuania, in exchange for books in English, a very interesting assortment of titles in Lithuanian. Our Lithuanian born people have found it memory provoking to glance through "Austiniai Kilimai" and "Staltieses" with page after page of colored illustrations of woven articles, designs and tablecloths to be used for various purposes.

"Namai ir Moteris" is filled with all sorts of helpful information to the housewife who would prefer running her household efficiently rather than haphazardly.

To the teacher of today, or the parents of kindergarten-age children, "Lietuvos Vaikas" will provide much enjoyment and is a splendid means of comparing the schoolroom of America and Lithuania. Profusely illustrated with photographs of teachers, supervisors, schools in Vilna, Klaipėda, and smaller cities with their varied illustrated instructions to these tiny children, it is a source of delight to merely page through, if not to actually read.

Learned volumes in Medicine, Zoology and Archeology too, were sent on. If any K. of L. members find their way to Yale University this coming fall, a bevy of Lithuanian books will be found in the University Library for reading.

## THE ANNUAL CHICAGO DISTRICT K of L DAY

The District is having its annual day, July Fourth. To many members its just another picnic, but few realize that this is the twenty-fourth time the Chicago Knights are meeting to celebrate.

The first annual outing started way back in 1914. At first it encountered many difficulties, but with the unceasing efforts of its loyal members and expert advice, the District has seen the traditional commemoration turn to a successful event. There have been a number of times when neighboring cities and states came to the aid and helped us enjoy ourselves and made the Lithuanians K of L conscious. We also can't get away from the fact that there were a few sad memories. Some of our outings did not come up to our expectations, but these were so few and are completely overshadowed by the overwhelmingly successful ones, so that they are very vague in our minds, having been entirely obliterated.

In 1914 only Chicagoans and the immediate suburbanites were present — in 1938 our guests will be Omaha, Nebraska and Dayton, Ohio. This is only one example of our growth and expansion.

The outstanding reason for our success rests in the District's leaders. Who are they? Why the District's officers. Heading the list is Father Michael Urbonavičius, Spiritual Advisor. There isn't a single day or moment when he might to be too busy to lay aside his burdens to do something for his Knights whenever necessary. Never a murmur, never a harsh word — always smiling, always cheerful and ready with a helping hand. He has written and published a short history of Lithuania in pictures which has proved very popular. With the proceeds from this book we secured a temporary Knights of Lithuania home in Chicago. What more can we ask?

Then we have the reliable Stanley Šimulis. We have lost count of the number of years he has consecutively been elected by unanimous vote to the treasurership. He has been on the Committee for these Fourth of July K of L Days for twenty-four years. That's a record that can't be beat by anyone. Just to hear him talk, why he hasn't

done a thing, but when one starts delving into the past it is inevitable that Mr. Simulis' name stands out like a sore thumb at every important doing that the District undertakes. He not only has given his precious time and tireless effort, but it would be very hard to get a complete list of the financial aid that he has passed out to the Knights. May he continue his association with us, and may the organization profit by it.

IRENE J. PAKELTIS  
Secretary—Chicago District

The young and ambitious president of the District is Bill Klimas, or better known as "Boleslovas". Although this is his first term to this high office, he has accomplished his goal. The way he conducts his meetings is the envy of all the Chicago Knights' Presidents.

We are very fortunate in having as our vice-president the well-known attorney, Anthony Lapinkas. It was only a short time back that he was the national president and guided our destinies. His studies forced him to discontinue his activities, but now all that is over and he is back again in our midst working to the best of his ability, giving new ideas, helping us carry them out, and seeing them work out, sitting back and giving the other person credit for their inception.

Last but not least is the quiet secretary, Irene J. Pakeltis. She doesn't "open up" very often, but is

always busy writing letters or minutes of the frequent meetings. The district would certainly miss her if she ever takes a fancy to leave her post which she has held for the last three years. The Founder of the Organization, Honorable Norkunas, has presented her with an official K of L brooch in recognition of her efforts in behalf of the Knights of Lithuania.

There are very few organizations that have such ambitious leaders as these. It all indicates that we are headed for better and greater things in the future.

Good Luck to the Chicago Knights.  
PaIr.

### CONVENTION HARBINGERS

The old adage "Business and Pleasure do not mix" can be entirely disregarded when we are considering plans for attending the Annual Convention. This is the time of the year when we can take our vacation and yet utilize it to serve a useful purpose of our organization by attending the Convention. We can mix business and pleasure!

This annual gathering of the Knights from all the various states to a certain designated city creates closer ties of friendship between the delegates themselves and the different councils they represent. This makes for better understanding of the principles of the organization and the problems which face it.

The Convention Committee reports that preparations are practically completed and the scheduled events and program will be published in the next issue of Vytis. They only lament the fact that the registrations are being delayed. It is the aim of the Committee to arrange this Convention to the satisfaction of each and every delegate. It is urgent that registrations be made in advance. Lend your cooperation to the Committee in order that the preparations may come up to the expectations of every individual attending the Convention.

## Free Summer Course On Board Training Ship

To acquaint the youth of America with the opportunities of a career as officers in the United States Merchant Marine, the American Nautical Academy, National Training School for Merchant Marine officers, Washington, D. C., announces that boys and young men between the ages of 10 and 25 years will be allowed to secure practical ship experience on board a training ship of the Academy within the period from July 1st to October 1st.

The young men may remain on board ship for the entire period or for any shorter time they may wish, but not for less than four weeks.

There is no tuition charge for any of the courses offered by the Academy, and no obligation for future merchant marine, military or naval service of any kind is incurred by the young men.

There is no charge for instruction nor for living quarters on board ship. The only required expense is for meals which are 49 cents. Three meals are served daily.

While on board ship cadets will receive minor medical treatment when necessary without charge. On Sundays the young men will be allowed to attend divine services at the churches of their respective denominations ashore.

Students will join the training ship in Long Island Sound for the summer training period.

Those completing the summer course with a passing grade will be eligible to apply for a

scholarship in the Regular Course.

The Regular Course is designed to cover a period of three years of sea service. The first two of these years the cadet spends cruising, and studying on the training ship. For the third year the cadet is assigned to a steamship of one of the merchant marine lines. Following the completion of these three years of sea service the cadet is eligible to take the officer's examination of the United States Bureau of Marine Inspection and Navigation, Department of Commerce, for a certificate as a Third Officer in the Deck Division of steamships in the Merchant Service of the United States.

Due to the fact that the number of accommodations available is limited, those wishing to take advantage of his opportunity should write at once to the

### WESTFIELD — COUNCIL 30

Oyez — Oyez — Court is now in session. Not much new on the Westfield Lithuanian front except that we expect to go on an outing sometime next month — that is to say, July.

We know for sure that most of the Westfield K of L is in the church choir and that the church choir is going to Thompson, Conn. on the Fourth of July. That means no fireworks, kiddies, remember that.

We know for sure, also, that the parish is going to have a picnic on June 26; we invite all the neighboring councils to attend. A good time is expected by the committee who is in charge of the affair. We expect to have a soft-ball game, so if any of you Lithuanian Tarzans is equal to the task, come down and try to beat the Westfield K of L (that's us folks).

Up to date we haven't had many weddings, but knock on wood, for I hear that there are a few matches in the making.

I saw Tony K. the basketball flash skating up at Babb's, but a husky blonde was holding his hand or vice versa because he sho' wasn't showing his usual stuff.

Ah also heard tell that a few of our fellers was a-going to go to Worcester for the social up there. Mebbe I oughta go tooo.

Also saw Irene A. the other night at the carnival. It grieves me to report that she was alone. Oh well, I heard that he was busy that night.

I thing that this sums up the dope for the week and month. The club hopes to see everybody at the picnic at Legas Farm on the 26 of this month. We, also hope to see you at Thompson on the Fourth of July.

Chris.

### COUNCIL 24, CHICAGO

Council 24 is still a-workin'.  
Doin' its best and truly not shirkin'.  
Hopin' all its meetings will be  
Just as lively as the past one,  
Oh boy, oui, oui.

Talk about climbing the ladder of activity! Council 24 has its eyes on the top — the 26th Annual National K of L Convention, which is to take place on Chicago's West Side this August 9th, 10th, and 11th. Delegates will surely have something to write home about... the interesting sessions and the exciting evenings. The Convention Committee assures you this.

This past meeting showed that the K of L's in West Side are on their toes again. How easily the July 4th K of L Day tickets went. Maybe because of the way Phil Klikunas said: "And who knows, you may be the lucky one and win".

Who was the young lady Wally Čeikis ran out of the clubroom after? He tried to explain she was a prospective member. Do we believe him?

The clubroom is going to taste some soap and water and paint to make it look as it used to for the convention period. No, the sessions will not be held there. But delegates will be curious to see what kind of clubroom Council 24 has. (And will we be proud). While discussing this matter someone suggested to let the WPA handle the job. No sooner the last word was

uttered when one lad sitting at the south wall expressed everyone's mind with: "Aw, it wouldn't be done before the Convention". The same lad together with his buddies next to him, were quipping all evening. God work, boys, sally forth into the clubroom again on Tuesday, June 28!

"Buffalo Gardens" is the popular name of our Parish "grovette". A novelty picnic will be sponsored there Saturday evening, June 25, by the Convention Committee. All Chicago Councils are invited to attend.

Now we have a boys' soft-ball team. Yippee! Ready we are to play any team of our fellow — K of L's. Council 36 might be the nine we'll play against on July 4th at Vytautas Grove. And the girls? Well. They'll amuse themselves with tennis. (And boys will play tennis, too). They're getting a new tennis net. Now try to keep the girls away from the courts. I mean tennis courts. Everyone is going to swing it!

### INDIANA HARBOR, INDIANA COUNCIL 55

Oh, what to do and what not to do is my question. Some complain that their name isn't in the Vytis others complain that it is. I wish some one would send me a solution for this complicated problem. But I can't shirk away from duty so here it goes whether they like it or not. So-o-o, listen my children and you shall hear, a bit of gossip from over here.

The evening of May 2 was set aside for our monthly meeting but due to elections and other complications it was post-poned.

A speedy recovery to Reverend Bičkauskas, our spiritual advisor, who has been ill for some time but is improving rapidly. We hope to have him in our midst in the near future.

News has been flashed about President John Waupsh giving a talk in Hammond, Indiana on May 22 at a C. Y. O. All Day Conference. As I understood, the subject he chose to speak on was Mixed Marriages. Good ole Johnny, the voice of experience itself. Keep up the good work president, we'll all stand by you.

Orchids to Mrs. Lucas and Mrs. Kudlo. They are the oldest and most faithful members in the club. They have rendered many years of hearty services to the club and we all appreciate it very much.

Flash! Katherine Laucis goes to Chicago every other Sunday. Who is he, Kate?

In the spring a young man's fancy turns to thoughts of love. That goes for Peter Genis and Peter Kaspar. P. Genis goes around singing "Two Bouquets, while P. Kaspar's main topic is that certain red head.

With a bodyguard on each side and safety assured, I'll say so-long for the time being.

### GREAT NECK, N. Y. — LODGE 109

Greetings folkses and with all our nice weather there is plenty to do here in our little hamlet. Our annual dance was a success in every-way that you would want it to be. There we were all dressed in our finery and everyone had a swell time, even to drinking out of the loving cup which was presented to our friendly little enemies the Maspethonians.

Our gratitude goes to this dance committee for putting over such an event and I am afraid they will be stuck with the next one as well, due to their good job. Our thanks to Mr. Wesey as interior decorator included.

Since summer is now here, we feel sure our neighbors should visit us more often, with golf, swimming, pin pong etc., what more could be asked for. Even down to roller-skating at which almost all of our fairer members are adept.

Our smallest has now been enlarged to a group of three — Jannie, Helen, and little Francie ("call me vištuk"). Such is life though and I still think she will be fighting hard with all concerned.

Our ping pong table has been duly broken in and no bones as yet have been broken. However, that

remains to be seen and as to who we shall consider the champion of the house still remains a question. Albie Shrimp Lazaunik and Augustus Cot Yuska being both very good. However, we shall see. Our "Annies" (Misses Sosaris and Karis) are still flinging the light fantastic very good. The exhibition will be on roller skates and will really be presented should the occasion present itself. On the other hand. Our Joni Malis and Fron Zorskis fling a mean shag etc. on the dance floor, which has given itself to exhibitions more than once. However, for the "all-time waltz queen" allow me to present tall, blond, blue-eyed Maria Lazaunik.

On the outside looking in of course we have "Tickles Blusonis" rapidly absorbing all to be known as one of our newest. Give me a little time says she and I'll do all right. Her palsy May Kurtinaitis is right with her, naturally. So, with all our smallest, newest, and cutest members, allow me to bid you one and all a pleasant vacation.

In order to encourage our neighbors to visit us more often, may I now announce that our one and only Charles Budris has taken to smoking a pipe instead of cigars. Therefore, you have naught to fear. You name it and I think we have it.

Lil Jonathan.

**COUNCIL 103, PROVIDENCE, R. I.**

Heigh — ho everyone. Now that spring fever has left us, you will hear from us more often.

Our Council celebrated Mothers' Day, by attending Holy Mass and receiving Holy Communion, in a body, as usual.

Two new members have joined our organization, namely, Miss Anne Tamuli, and Albert Gudašauskas.

Our delegates attended the New England District Convention, in Lawrence, with one fourth of our council trailing along, also.

The next District Convention will be held in Providence, and we're eagerly awaiting the month of September, to see our old friends and fellow Knights. The Committee in charge is: Miss Mae Werbicki, Miss Anne Tamuli, Miss Anne Lucas, and, Miss Julia Donn.

One of our fairest blondes, Miss Mary Searles, will march to the altar, with an attractive young chap from St. Casimir's Parish, Worcester, Mass. The entire council wishes you the best of luck, and happiness, Mary!

Most of our council attended the Providence Festival Chorus Concert to hear the Lithuanian Metropolitan Opera Singer, Miss Anna Kaskas, The Lithuanian Catholics of our parish sent a bouquet of roses. Too bad it rained before half the concert was under way. Nevertheless, we all enjoyed hearing Miss Kaskas' rendition of "Don Fatale", and an encore number, written by the Director of the Band, Dr. Frank S. Goldman.

Phil Carter, injured his foot, while playing baseball, but we hope he will be roller skating with the gang in a few weeks.

John Kuprevich our ambitious Dramatic Club coach, has found the Comedy for us and hopes to start rehearsing in a few months.

Mr. Joseph Waitonis, our President and his wife, Mary, our former correspondent, thanked our council for the beautiful wedding gift, and invited all the members to come up and see it at their new home.

Thank you both, we will come up some time.

We also, hope to brag a bit, about our new K of L Club Room. We think its grand, and wish to thank Jay Matuza, Julia Donn and Mary Gudašauskas for furnishing it so nicely.

Our Outing will take place next month, at Lake Pearl, Wrentham,

Mass. All members are requested just to take their bathing Suits, but the boys say, "How about the girls bringing extra lunches".

It's okay with us.

**MASPETH, N. Y., COUNCIL 110**

The warm May sun faded in the vast, flat, cloudless sky, and the moon peered down steadily, and with compassion, on Grand Paradise Ballroom. It was the evening of our 15th Annual Spring Dance. Maidens arrayed in exquisite Parisian gowns, escorted by formally dressed Lochinvars. Knights from near and far came, in happy and picturesque groups. The social event was indeed a success. The Committee composed of, Mike Wezwick, Leon Sobers, Joseph Gedris, Julius Klizo, Mary Augustinas, Ann Yocis, Joseph Augustinas, Chairman Al. Thomas and members. "Thanks", to these unforgettable Knights for their services. "Thank you", is a small non material reward, but the most valuable.

The day after the glamorous affair, the Maspeth Knights joined the parishes' bus outing. A complete bus was occupied by the Knights. Four Elizabeth members who joined us added their merrymaking, and thus completed another day of joy and fun.

Our clubroom were recently redecorated and are now available for inspection. Our "Blue Room" is really "Ducky", Each Monday it is simply crowded with members. I wonder if "Blue Monday", has anything to do with it.

Our two roving contact members, recently acquired by the club paper 110 speaks, will see you all soon. Rumors say that the next international Convention will be in Maspeth.

I wonder, will it?

Don Juan.

**COUNCIL 96, DAYTON, OHIO.**

Bright lights and a display of fireworks will again open up The Annual Holy Cross Garden Party, June 24th, at the parish grounds. Many new attractions will be found; Bingo being the outstanding attraction, under the supervision of our club.

Recently twenty - five members journeyed to Detroit to establish a closer friendship between the two councils. All were well taken care of, by picknicking and attending a banquet. So in the future many trips shall be made from the Gem City to the Motor City.

July 10th has been set definitely as being the date for our Annual Picnic. It is to be held at the Valley View Grove and the Committee promises that its going to be the biggest and best picnic that Dayton has ever seen. The Committee consists of Frank Gudelis, Chairman, Anthony Alexinas, Charles Goldick, Clarence No-reikas, Ann Scott, and, Ann Goldick.

**Council 96**  
**ANNUAL PICNIC**

Will be held at the

on  
**July 10th, 1938**

A great deal of credit must be given to Joe Goldick for editing a monthly paper concerning the activities of the club. In the last issue the members were pleased to know the addresses and telephone numbers of other members. My! you wouldn't think that so many girls have phones. Boys, do your stuff!!

The base-ball team under the management of John Scott have piled up a total of ten wins and no defeats. A record to be proud of! The boys that are playing under the K of L Banner are as follows: A. Alexinas, E. Alexinas, J. Augautis, V. August, J. Bartelis, J. Rimkus, J. Scott, S. Vaitkus, J. Zakar, G. Zelinskas, G. Zubrickas, and, A. Pietrask.

Taking a peek at the coming events, the members have their eyes fixed on July 4th, the K of L picnic in Chicago, the Convention, and the big hike on July 31st.

## OMAHA, NEBR. — COUNCIL 66

Heigh-ho — with all this lovely spring weather, who wants to sit indoors and write a column, but duty calls and answer, I will.

What went on behind closed doors at the last social May 23? The boys finally broke down and gave their all to making a delightful "bunch". The line forms to the right, girls, and please don't push. Rev. Fr. Cesna of Sioux City, with our pastor, Rev. Fr. Jusevich were guests of honor — even they were impressed by the boys' efforts. More power to you, boys!

Lydia Bovick, our Council secretary, was recently elected Most Outstanding Junior Girl at South High School.

The Council held their monthly outing Saturday, May 28 at a sand dune near Plattsmouth. It seems as if the members took the farmers in the pavilion by surprise, when the square dancing began (well, it's almost like our good ole Lithuanian dances).

Bernard Jesonis, home from the Navy for his sister's wedding, was a guest at the "moonlight picnic" and was surprised at the fun people could have.

What's all this about Kelly's? New rendezvous, eh what?

Now to get back to the serene and more beautiful Sunday, June 12. Miss Stella Jesonis was married to Jack Keating at St. Anthony's Church. Miss Genevieve Jesonis was maid of honor and Miss Genevieve Barisas was a bridesmaid. The Council hereby extends their wish of happiness to the newlyweds.

Until next month, when there'll be news about the outing at Linoma Beach, I remain your roving reporter.

The following officers were nominated unanimously: Edward Mescavage, Anne Novitt, Helen Wilkalis and Anne Zemaitis. The entire council congratulated the old officers for their splendid accomplishments and loyalty to the council for the past year and hopes the new officers will cooperate with the members as much as the old officers. Congratulations and Success to the new officers. Our council is gradually climbing up the ladder of success in many ways, socially, financially, sportingly. To date we have approximately 85 members in our council and hope it always will remain that way. We hold our meetings every 2nd and 4th Tuesday of the month.

A social in honor of the council's first year of reorganization (last June 1937) will be held on Saturday, June 18th at St. Michael's Parish Hall. Each member will be limited to two guests. Peter Miske is Chairman of the Committee, assisted by the following: John Novitt, Mary Miske, Al Grigaliunas and Mary Mickunas.

Plans are also being arranged for a picnic to be held in the near future, and final arrangements for same will be discussed at the next meeting.

The Council voted to donate a \$5.00 ad to the National Conven-

tion K of L Journal. At least four or more members from Bayonne expect to attend the National Convention in Chicago this year.

Bayonne will participate in the New York & New Jersey District K of L. Track Meet and we hope our boys will come through with flying colors. The Sports Director was very unsuccessful in endeavoring to get the girls to enter into the track meet, Bayonne will cooperate to its utmost with the committee in charge of this meet and dance to make it a great success for sports as well as financially.

A motion was proposed and adopted to have a K of L Building Fund. Anne Zemaitis is Chairman of this Committee, assisted by Dominick Pocus and Mary Miske.

We extend our best wishes for success to one of our new members Miss Julia F. Sedvydis, cum laude, who was recently admitted to the Bar Association of N. J. and the Bayonne Bar Association. She has the honor of being first female American - Lithuanian lawyer in the State of New Jersey and was the first female "Miss John Marshall" to be honored with that title and also passed her examinations for same the very first time too. She was graduated from The John Marshall School of Law and intends continuing her studies for her Master's Degree.

We also extend our best wishes for success to another one of our new members, Miss Martha M. Lucas, who was graduated from the Bayonne Hospital Nurses Training School and who also expects to continue her studies further at Columbia University this fall. She is a cousin of Father Stanley Valuckas, Spiritual Advisor of the Cicero Council.

Our best wishes are extended to Miss Mary Mockus and Peter Grikstas for their future happiness, who were recently engaged. Both are council members in good standing.

For the benefit of those who desire to know just who the three Musketeers of Bayonne are, well, they are: Alice, Marcine, Julia Sedvydis and Anne Zemaitis.

The council voted to have our Boys join the New York and New Jersey District K of L Soft Ball League.

Hasta luego.

## ATHOL, MASS. — COUNCIL 10

Štai koks vargas buvo kol Atholie-  
čiai Vyčiai vakarą surengė!

Ačiū klebonui už viską, o čia, čia  
Atsiekus mums šį tikslą, o čia, čia  
Ačiū svečiai, kad buvot  
Jūs tokie geri,  
Atvykot, netingėję  
Maži, seni, jauni.

Nelengvas darbas buvo, o čia...  
Kol 'Vyčius' suburem į krūvą, o čia...  
Nors vyrai jie "prie ūsų",  
Bet digti tinginiai.  
Nenori jie vaidinti,  
O priežasčių apščiai.

Bet spiaunam mes į viską, o čia...  
Su džiaugsmu dirbam viską, o čia...  
Kai Juozą mes paprašėm,  
Tas siuntė mus pas Petrą,  
Ir Petras atsisakė.  
Tai ką gi mums daryt?

Bernelis, kad ir Petras, o čia...  
Iš viso jis ne latras, o čia...  
Mergelė jį užburė  
— Jis visada prie jos.  
Juk širdie ne avelė,  
Jai šieno nepaduos' —.

Viltį turėjom mes prie Paul'o, o čia...  
Tas atsisakė mums ant galo, o čia...  
Tarnyba gi jo laukia  
Nuo ryto keturių.  
Reik' pečius jam užkurti,  
Važiuok... (po velnių!)

Priėję Stasei visi sako, o čia...  
Vaidinti Stanley tebeprašo, o čia...  
O Stanley's ners lietuvis,  
Bet jam geriau tylėt,  
Mat, labai sunku yra  
Lietuviškai kalbėt.

Tad spiaunam mes į viską, o čia...  
Su džiaugsmu dirbam viską, o čia...  
Čigonų šokis maišos  
Po galvas mūs' visų.  
Mes lakstom, kaip pakvaišos  
Vis labui mus "Vyčių".

Čigonų šokis yr' nelengvas, o čia...  
Mus laukia dydis darbas, o čia...  
Ketverge mes pas Nellie,  
Ten šokame smagiai.  
Nuo lango Stasė gėlę  
Sudaužė neatsargiai.

Bet spiaunam mes į viską, o čia...  
Su džiaugsmu dirbam viską, o čia...  
Shortcake'ą Nellie neša,  
Valgom jį skaniai.  
O mums gi seilė teka...  
Kaip nér' daugiau — blogai.

Mes šokome dar kartą, o čia...  
Pas tamsiaplaukę Marthą, o čia...  
Virtuvė būt' nemaža  
— Šokimui, kaip tiktai —  
Bet pečius kartu šoka,  
Linguoja pamatai...

#### WATERBURY, CONN., COUNCIL 7

Due to the success of "Open House" held in the past two months, we have to date increased our membership drive with seven new members. All well, and good, but, credit is due to two hard workers, John Janush, and Peter Alexander. Adele Grebliunaitė, Vera Stankiutė, Adelė Stasiunaitė, Nellie Statkevičiūtė, also Antanas Bukauskas, Edmondas Adomaitis, and Antanas Jarusevicius, are the most recent members of the club. Our next "Open House" will be held July 22 at 8:00 P. M.

July 31, of this year should be marked on each and every one's calendar, a joint picnic shall be held with four societies of the parish. Every member is asked to do his or her share. A tidy sum was received as our share in the last one.

A member of this past year, Anthony Kateiva, left for Lithuania in the earlier part of May. Some of the lodge members were at the farewell party in his honor.

During our monthly meeting in May, Adela Greblunas, and Vera Stankus were added to the capable Open House committee.

Note: Where no credit is given — members paid for less than six months. Where no name for credit — blue application card not sent in and not advised who is entitled thereto.

Anastasia M. Varanis,  
 Supreme Council Financial Secretary.

# ON THE SPORT PAGE

with ADOLPH DOBAR

Talk about your proposed horse race matches, here's one that was never mentioned in the books. The race between "Birute", a three year old owned by Kazimer Tralis of Pittsburgh, Pa. and Technor in a special match down in Florida in 1928 and nosed in by almost two lengths. Great turfmen of the vacation-land remember this nag who ran twelve races for her owner and placed in the money eight times. Her last time down the stretch was in December of '29 when she tripped and broke her leg; Tralis destroyed her within the moment of agony.

Down on rosin row our pugilists are still faring well, Al Albin (Penkunis) turned up as Max Schmeling's spar mate. Al will leave Nathan Manns group to join "Der Mox" as a stable mate with Yussel Jacobs at the helm. Al also is slated for a prelim on Louis-Moxie go. Yustin Sirutis, Brooklyn's gleam of joy is still sending his 220 pound charges at heavyweights in the square ring. Still hope Yustin gets a break, Rumors around the East that Tony "Beer-Keg" Galento will entertain Sirutis in a fifteen rounder at an unannounced date, match seems favorable and slated for Newark, N. J., IF???

Big Bill Tranavitch, Rutger University football star is turning to new laurels on track and field competitions; Tranavitch rates one of the most consistent shot-putters in the IC4A group. Seems that Bill can "put" anything from footballs to iron balls to their mark. "Peers to me that the IC4A competitions are being overlooked by our college athletes, don't they care to run along those cinder paths? Those college youth in the Middle West to the Atlantic Ocean are welcome to an issue of: "FIVE EASY LESSONS ON HOW TO BECOME A MILER", or "SPRINTING DOWN CINDER LANES. We are sure these pamphlets will carry enough "yumph" to make the Lithuanian college youth perk up with enough vim and vitality to go out for college

athletics; we want more than Tranavitch, Blozis, Karnish and Gedis limping for prestige amongst the IC4A competitors, come on boys and give. If you're interested, we'll "spike" all rumors concerning the emissary who asked us to quote down a few phrases about the Lithuanian college athletes refusing to enter meets for their Alma Maters; are you redoing Holy Cross Stu's. Give us youth, sport and college, its great to get the chance if you know how to play.

Baseball turned to the worst and then to the good for the Lithuanians.

Johnny Krakauskas, Washington Senators great heckler; put up a stiff beef before "Prexy" Griffiths. Upon his release from Washington to the Trenton Senators, Joe claimed he was "robbed", sent on the wrong road by Buck Harris, manager of the Statesman. Krakauskas put his verbals to Mustaikis of Hazelton and Naktenis of Albany, all of the same circuit, although these Lithuanians could only listen, our Lith-Canuck bellowed so much that he was sent right back to the Washington Senators, fact in the case was that Joe was a little green, but nevertheless Joe showed the American Leaguers how "green" he is with the willow. Also claim that his friendship with Mustaikis and Naktenis was "mutual" . . . Add Pie Traynors help for the National League pennant, Johnny Dickshot, who is helping the Pittsburgh Pirates nearer the flag with his timely hitting. Vito Tamulis is graduating rapidly to the East, now is with Brooklyn Dodgers. Johnny Gedzius is hitting the pill in the "300" mark for Lubock, West Texas League. Tony Valkaitis chases flies for the Superiors, Northern League. Hope some of the talent scouts eye these boys soon, times a-wasting, and the Lithuanians are a-hittin'.

Might as well tell you sport fans there will be no sporting news for July's issue, will vacation for early July and hope to dig up a brighter page for August. Don't forget the "Vytis" on news of the Olympiad of 1938 which will be held in Lithuania, July to August. Its yours till August, keep Lithuanian sportsmen in the limelight; sorry I have to count myself out for this month, but carry on.

## DISTRICT HOT SHOTS

Wonder why South Boston group always break the blue law up in Beantown, bowl on Sunday, tsk, tsk...Worcester gang of Knights is great bunch, don't you people ever change to anything else besides the sport you call roller skating. We'll send a list of sports which will go over big up in that mountainous district . . . Tuning up for golf competitions are the New Jersey golfers, local golf driving ranges are occupied nightly by the Knights . . . Father Kemezis, NY-NJ District advisor is a great golf bug, still waiting for a strong opponent who can break 100; who me? . . . Good idea in this golf situation Mr. Bason, how about a tournament for your district?

. . . Wonder why there are so many arguments at the Sports Council meetings in the East, can't you people ever get to the point in less than three hours, my, my . . . Mrs. Augustinas of Kearny-Harrison is the only femme on the Athletic Board and is she bored? By all means, no; she's a great worker, does better than the opposite sex when it comes to arranging formulas for activities, nice going girl...The Softball schedule is all settled; still waiting for a match between two Districts. How about it people, lets get together on this sitchiashun, bring the New England gang down or better still the Chicago District . . . Hello Philadelphia, time to get started in athletics, give us a ring, Mr. Bason has plans, get in touch with him soon . . . Speaking about lodge papers, Jersey City touches the heart with the "Voice of 124", nice penning by Johnny Smith, ye sport editor. Cholly Bason appeared to be up to something all-ways. Hope we had plenty of his kind around, don't you? **KEEP PUNCHING TILL AUGUST KNIGHTS.**

## ELIZABETH, NEW JERSEY COUNCIL 52

Hello Folks, Remember Us?

### MINSTREL

Now that our minstrel and dance is over, the Knights are relaxing again. Knights of Council 52 thank all fellow Knights of New Jersey and New York District for cooperating with us in making our minstrel and dance a big success.

### "AČIŲ BROLIAI VYČIAI"

A big hand goes to Mr. Albert Mack, social chairman and his committee who worked hard for months, also Mr. Anthony Pinkien who coached the minstrel. As you all know he is one of our club-members. Nice work boys! Charlie Bason of Jersey City enjoyed the show so much, he came out both nights to see it, so he claims. Was it the girls, Charlie, or the show???

### SPORTS

Our boys went right to town coming in first place in the Knights of Lithuania Bowling League. Our City A Bowling Team came out in second place which we think is darn good for all the competition we had for the first year. Next year maybe we'll be on top. Slow but sure is our motto. Congratulations to both teams.

### POETRY

One of our members felt very poetic one night after riding around a table, and wrote a poem about a true friend of every Knight in this council. Since the poem is long it will be published in monthly installments.

### LITTLE JOE

All of us fellows know fair little Joe,  
Who, at the chiseling game, was  
quiet a pro,  
He'd pan-handle a nickle here, a  
quarter there,  
We thank our stars he wasn't a pair.  
We all love Joe with his chiseling  
way,  
And for this love we had to pay,  
Joe never cared how our money he  
spent,  
For on the tear he was always bent.

(Cont. next month)

## SOCIALS

Friday night, the Knights were hosts at a social given for all those who participated in the minstrel. Shrimp ala Chow-mein, to much enjoyment of all the guests, was served. Smiles were added by our pretty maids, Betty, Ronnie, and Jenny, who acted as hostesses.

### FIELD DAY

On Declaration Day this council held their own field-meet. An Indoor Ball game was played by the Lucky Ten Girls and the Sharp Shooters Boys of this council, with the girls winning, NATURALLY!!!! Pinsky, Dugan, and Jr. were exhausted after a 800 yard relay, with the three of them coming in at first place. Shorty Oskutis and his chippie Mary were running all over the field playing tag. Nice game of tennis Florence and Splash Mickiewicz played.

### SIDE LIGHTS OF ELIZABETH

Imagine Shorty Peck running around town with only a pair of shorts on at his age. Shame Shorty! The two champion ice-cream eaters in the club are J. K. and Cap, especially when other people pay for it. Tony Yankin craved excitement at the field meet so she climbed fences, too bad the organ grinder wasn't around Toney. Jimmy prefers Alcatraz Island of all the places. Wonder Why? Is he a woman hater? Cute little flame we have in the club, Jennie Venskus. Why doesn't Helen Butkus come to the meetings? Why does Helen Vaicik like Paterson? What girl in the club has her eye set on a certain boy also in the club and is doing alright for herself. Picture Tessie taking Little Joe for a walk? What famous athlete spent the afternoon on the S. S. Monarch of Bermuda and then went slumming in the evening? Meet a boy who always greets you with a cheerie Hello-Toney Barcas. Vincent Potts would make a very good Scout Master. The girls should know.  
Little Susie.

### NUOTRUPOS IŠ ATHOL "WEENIE ROAST" COUNCIL 10

Birželio 5 dieną iš miestų miestelių suplaukė lietuviškas jaunimas į Athol. Mat Atholiečiai rengė "Weenie Roast" arba lietuviškai tariant — saltisonų kepti Warwick'o pušynelyje.

Iš pradžių, kol saulė dar buvo aukštai, jaunimas susirado sau promogelių. (Juk nuvažiavęs rankų sudėjęs nesėdėsi). Vieni baseball žaidė, kiti per virvę šokinėjo, treči į kalną kopė, ketvirti iš blėtinėlių alų siūrbčiojo, ir tt., ir tt. Pagaliau išalko. Buvo sukurta ugnis ir pradėta kepti saltisonai su lašiniukais. Čia tikrai visiems buvo linksma, smagu ir skanu. Kiek džiaugsmo, kiek skardaus juoko, kiek jaunatviškos energijos visų veiduose spindėjo! Atrodė, kad visi patenkinti.

Bet ne! Štai atsirado ir tokių (žinoma, iš moteriškos giminės), kurios sėdėjo visą laiką nuleidusios akis, kaip po laidotuvių. Kas per priežastis? Manau, visiems aišku. Kaltė tenka vienam Atholiečiui. "Neliūskit, Bostonietės, juk nevisada gyvenimas šypsos. Gal kitą kartą pasitaikys geresnė proga, ir jūs pasidžiaugsit kartu su visais. Juk, žiūrėkit. Bet "daug blogiau" buvo. Manau, matėt, kaip ją visas tūzinas vyrų pririšo su storu lynu prie medžio. Vienas net mėgino laužą sukurti po jos kojomis ir sudeginti panašiai, kaip Francūzų karžygę Joan de Arc".

Bet iš viso, turbūt, daugiausia nukentėjo Joe iš Hudson ir Stanley iš Athol. Mat, jie abu su visais drabūžiais kožkoku budu pateko į šaltinio vandenį. Nemažai mergužėlėms buvo darbo kol jų kelnes ir švorkus išdžiovino. Bet, taipat, nemažiau buvo juoko, kai Stanley, su anklode apsisiaubęs, laukė kelnių išdžiūstant. Čia tikrai komiškas vaizdas buvo, kuris visiems gardaus juoko sukėlė.

Jau sutemo. Pradėta trauktis namo. Aišku, visi grįžome į Athol. Lietuvių salėje buvo šokiai. Tik gaila, ne visi norėjo šokti. Keista, kodės Adam buvo toks nekalbus? Bet jį užretūšavo Frank — šį kartą jis du kartus daugiau kalbėjo, kaip paprastai.

Nellie, gal tu žinai priežastį A. tylėjimo? Manau, kad ir aš jaučiu ją. Visai teisingai pasielgei tu. Nellie. Juk lietuviškas priežodis sako: "Ne avižos eina pas arkli, bet arklys pas avižas".

Įdomu, kelis puslapius "Kleopatros" Stacy perskaitė penktą dieną birželio?

Reikia tikėtis, kad visi (norėjau pasakyti — dauguma) buvo patenkinti "Weenie Roast". Aš.
