L. VYČIŲ NUOSAVŲ NAMŲ REIKALU

Prieš kelis metus L. Vyčių seimas buvo nutaręs statydinti savus namus, net buvo pradėtas organizacinis darbas, keliamas statymui fondas. Tačiau dėl tam tikrų priežasčių viskas sustojo. Manychiau, kad priežastys ne vien personališkos, grupių psichologinės, bet ir regionalinės.

Vyčiams savi namai yra būtini. Tai būtų lietuvių jaunimo kultūros centrais, apie kuriuos spėstųsi visas veikimas: posėdžiai, susirinkimai, seimeliai, vaidinimai, šokiai, bankietai ir k. Būtų galima juose patalpinti apskričių archyvus, knygynėlius ir vyčių veikimo muziejus.

Tik kyla klausimas, kaip būtų geriau, ar statyti bendromis visų vyčių pastangomis vieną Lietuvos Vyčių Centro namą, ar pavienius apskričių namus.

Redakcija yra tos nuomonės, kad būtų geriau statydinti apskričių namus jų centriniuose miestuose arba prie veikliausių kuopų. Ir štai dėl ko. Vienas centrinis namas, pastatytas kuriame nors apskričio mieste, neteiks patarnavimo kitų apskričių kuopoms. Sunkiau būtų sukelti reikiamą fondą, nes kai kurios kuopos, nematydamos sau apčiuopiamos naudos, nenorės prisidėti prie fondo kėlimo. Komplikuotesnė būtų ir namų kontrolė, nes centro valdybos nariai yra išsiskirstę po įvairias lietuvių kolonijas.

Priešingai, šiais atžvilgiais apskričių namai būtų daug pranašesni. Jais galėtų naudotis viso apskričio kuopos, būtų lengvai kontroliuojami apskričių valdybų, su didesniu entuziazmu vietos kuopų nariai prisidėtų prie statymo fondo sukėlimo.

Praktiškai ši mintis jau pradėta realizuoti. Šių metų Lietuvos Vyčių Chicagos Apskričio seimas, įvykęs Ciceroj rugsėjo 29 d., nutarė pasistatyti Chicagoj savo namus. Organizavimui ir fondo kėlimui išrinkta komitetas iš kun. J. Vaičiūno, Stasio Šimulio, J. Juozaičio ir k.

Tai labai gražus ir sveikintinas Chicagos Vyčių užsimojimas. Tetenka tik palinkėti, kad

šis sumanymas būtų kuo greičiausiai realizuotas.

Taip pat ir kiti apskriviai galėtų ruošti statydinti savus namus. Neabejoju, kad jiems pasisektų. Pav., Naujosios Anglijos L. Vyčių apskritis galėtų lengvai pasistatyti savo namus Bostone, New Jersey apskritis Elizabete (o gal ir Brooklyne), Pensylvanijos apskritis—Pittsburghe. Turėtų Chicagos apskričio pėdomis pasekti ir kiti apskriviai.

KATALIKŲ REIKŠMINGOS ŠVENTĖS

Šiuo laikotarpiu — spalio 27 d. ir lapkričio 1 d. pasavaičiui švenčiamos dvi katalikams reikšmingos šventės: — Kristaus Karaliaus ir Visų Šventųjų diena.

Europoje pastaraisiais metais buvo labai išpopuliarėjusi Kristaus Karaliaus šventė — tai buvo Katalikų akcijos diena. Tą dieną katalikiškų valstybių gyventojai papuošdavo savo namus popiežiaus bei tautinėmis vėliavomis ir Kristaus paveikslais. Gatvėse daromos didžiulės procesijos, bažnyčiose iškilmingos pamaldos, salėse religinės paskaitos.

Lietuvoje ši Kristaus Karaliaus šventė buvo iškilmingiau švenčiama — organizacijų nariai eidavo bendrai šv. Komunijos, darydavo iškilmingus susirinkimus su atitinkamomis paskaitomis.

Bendrai lietuviai labai jau nuo senai mėgsta Kristaus Karaliaus pergalės ženklą — kryžių. Visi Lietuvos pakeliai ir laukai nustatyti meniškai, pačių sukurtais, išdrožinėtais mediniais kryžiais, koplytstulpiais ir koplytėlėmis.

Visų Šventųjų dieną, lapkričio 1, lietuviai daro pamaldas prie kryžiaus. Tą dieną dažniausiai ne apeigomis pašventinami nauji pastatyti kryžiai, prie kurių susirenka viso kaimo žmonės (viršelio vaizdely matome tokias apeigas prie naujai pastatyto kryžiaus) ir bendrai meldžiasi, kalba Visų Šventųjų litaniją.

Kun. J. Vaišnoras sukaktis

Šiomet sukako jau 35 metai, kai kun. Jonas Vaišnoras klebonauja šv. Vincento parapijoje, Pittsburgh, Pa.

Kun. Jonas Vaišnoras gimė 1874 m. lapkričio 11 d. Kibyšų kaime, Liškiavos parapijoje, Seinų valsč. Amerikon atvyko 1892 m. ir apsisitojo Pittsburghe. Po kiek laiko išvyko į Detroitą mokslų tęsti. Į kunigus išventintas 1902 m. birželio 6 d., šv. Vincento seminarijoje, Lathrobe, Pa. ir paskirtas vikaru į šv. Kazimiero parapiją, Pittsburghe. Vėliau kiek laiko buvo Elsworth ir Roscoe, Pa., gi šv. Vincento parapijon paskirtas klebonu 1905 m. rugpiūčio 26 d., tad šiemet sulaukė klebonavimo 35 metų sukakties.

Atvykęs čia kun. J. Vaišnoras rado šv. Vincento parapiją gana silpnoje padėtyje. Parapijoje lietuvių buvo vos 80 šeimynų, visi kiti buvo lenkai bei kitataučiai. 1910 m. lenkai nuo parapijos atsiskyrė ir klebonas pasiliko su maža saujele lietuvių parapijiečių.

Vienok kun. Vaišnoras nenusiminė, dar su didesne energija bei pasiryžimu pradėjo parapiją tvarkyti. Suprasdamas katalikiškų mokyklų svarbą, dar tais pačiais metais, nors ir nedideliame mediniame name, buvo pradėta mokykla. Mokė pasaulietės mokytojos. Šios mokyklos pagalba parapijos jaunimas buvo auklėjamas katalikiškoj lietuviškoj dvasioj; dauguma buv. mokinių jau yra sukūrę savas šeimynėles ir gražiai darbuojasi šioje parapijoje. Čia reikėtų pažymėti, jog kun. Vaišnoras yra gal tik vienas iš klebonų, kurs pats išsiauklėjo daugumą parapijiečių bei išsiaugino parapiją. Kiti pagerinimai parapijoje taipgi buvo daroma.

Draugijų veikimas labai gyvas. Klebonui vadovaujant, pastatyta daug katalikiškų ir parapijinių veikalų ir operečių, suruošta koncertų, ir tt. Bet didžiausias kun. Vaišnoras troškimas buvo įsigyti tinkamas mokyklai patalpas. Nuoširdžiai parapijiečiams pritariant, po ilgesnių pasiruošimų, 1926 liepos mėn., dalyvaujant a. a. vysk. Jurgiui Matulevičiui ir minioms žmonių, padėtas mokyklai kertinis akmuo. Nors buvo statoma ir tikrai didelis dviejų aukštų pastatas, visą statybą prižiūrėjo pats klebonas, kad išvengtų parapijai išlaidų. Mokykla užbaigta statyti 1927 metų pavasarį ir birželio mėnesį iškilmingai ji buvo pašventinta.

Mokytojomis pakviestos seserys pranciškietės. 1927 metų rudenį mokyklą jau lankė 240 vaikučių. Ši mokykla, galima sakyti, yra netik šios parapijos, bet ir visos apylinkės lietuvių pasididžiavimo pažiba. Mokykla buvo įrengta, atsižvelgiant į visus moderniausius reikalavimus, su sale pirmame aukšte, kita salė žemutiniame aukšte, gražiai įrengta virtuvė, ir tt. Tik vienas kun. Vaišnoras yra nusiskundimas — paskutiniaisiais metais mokykla vaikučiais nebeužpildoma. Bet to ir galima tikėtis, kadangi parapija turi tik apie 240 šeimynų.

Be kitų draugijų parapijoje dabar smarkiai veikia L. Vyčių 62-ra kuopa. Seniau čia irgi gražiai veikė vyčių kuopa, vienok susidėjus aplinkyboms, trūkstant tinkamų kuopai vadų ir klebonui neturint pagelbininko kuopa buvo nustojus veikti. Dabar atgaivintas ir klebono nuoširdžiai remiamos kuopos ateitis atrodo labai graži.

Kun. Vaišnoras yra švelnaus būdo, meilios šypsenos ir nepaprastai prakilnios bei nuolankios širdies asmuo. Jo meilė tėvynei neapribota ir savo tautos reikalus jis visur ir visuomet aukštai vertina. Surinktos aukos karo metu ir po karo Lietuvos bei Vilniaus reikalams prašoksta daugelį kitų daug didesniu lietuvių kolonijų.

Jo vaišingumas yra niekeno nepralengiamas. Daug rašo laikraščiuose. Jis yra visų mylimas ir gerbiamas, ypač jaunimo. Tai galima matyti iš nepaprastai greito augimo neseniai atgaivintos vyčių kuopos, choro darbavimosi, ir tt. Iš tikrųjų, jis ir yra vadinamas jaunimo klebonu. Nereikia nei stebėtis, jog ir pagerbtuvių vakarienei iniciatyva kilo jaunimo tarpe; komitetas sudarytas daugumoje iš čia augusių ir visas priruošimo darbas vakarienei beveik vien tik jų ir yra atliekamas.

Ne tik lietuvių, bet ir kitataučių, net ir nekatalikų tarpe, kun. J. Vaišnoras yra aukštoje pagarboje. Ir kodėl ne! Kiek jis yra jaunuoliams pagelbėjęs, kiek numirusių dykai palaidojęs, kiek vargšų sušėpęs, kiek nelaimės ištikėtų suraminęs bei patarimą davęs, kiek neturtingiems studentams už mokslą užmokėjęs, tik jam vienam yra žinoma. Lai gerasis Dievulis jam už tai atlygina ir leidžia dar daug daug metelių tarnauti šios apylinkės lietuvių visuomenei.

A. J. M.

ŠIURPULINGŲ ŽINIŲ AKIVAIZDOJE

Juo toliau, juo skaudesnių žinių susilaukiame iš tėvynės Lietuvos ir iš tų, kurie išbėgo nuo bolševikiškojo teroro. Šiomis dienomis gautas laiškas nuo vieno žymaus Lietuvos katalikų visuomenės vado ir buvusio valstybės vyro, dabar gyvenančio užsieny, kuris, tarp kitų dalykų, rašo:

“Gražus sapnas apie mūsų nepriklausomybę staiga nutrūko. Karas sužadino seną rusų imperializmą. Stalinas vykdo toliau Nikolajaus antro svajones. Ir vėl mes esame svetimųjų vergijoje. Tik šį kartą daug baisenėje, negu caro laikais. **Lietuvių tauta pergyvena didžiausią pavojų būti išnaikintai.** Neva vardan dirbančiųjų labo jau prasidėjo masinis inteligentų žudymas. Tikslas aišku — išnaikinus šviesuomenę nesunku bus pavergti visą kraštą. Naikinimas eina negirdėtu tempu. Iš nakties tas ar kitas pažįstamas prapuola. Verkiančioji šeima ateina teirautis, kur padėtas areštuotasis, bet niekas jokio atsakymo neduoda. Virtinės žmonių laukia saugumo policijos koridoriuose, veltui laukia . . .

ŽMONIŠKUMO VARDAN.

Šių ir daugybės kitų šiurpulingų žinių akivaizdoje, mes, laisvosios Amerikos lietuviai, negalime sėdėti sudėję rankas, užsikimšti ausis ir negirdėti to viso, kas dedasi mūsų senoje tėvynėje Lietuvoje. Žmoniškumas reikalauja, kad mes dėtume visas pastangas susiorganizuoti ir dirbti greitesniam Lietuvos išlaisvinimui iš šios gadynės barbarų vergijos ir ištiesti brolišką ranką tiems savo broliams, kurie išbėgiojo nuo baisių okupantų ir pateko į svetimus kraštus, neturi nei pastogės, nei maisto, nei tinkamų drabužių.

BŪKIME DUOSNESNI!

Tiesa, į Lietuvai Gelbėti Fondą plaukia aukos, tačiau nedaug. Šiandien mūsų tautos reikalai yra tokie dideli, tokie svarbūs, kad kiekvieną lietuvių šaukte šaukia prie pasiaukojimo, prie didesnio duosnumo, prie apsidėjimo nuolatiniais mokesčiais. Geri patrijotai lietuviai šiandien neturėtų laukti paraginimų ir prašinėjimų, bet patys savo laisva valia turi dirbti ir siųsti aukas aktualiesiems tautos reikalams ir pabėgėlių šelpimui per Lietuvai Gelbėti Fondą.

Tautiečiai, suprasdami baises Lietuvos žmonių kančias ir matydami tautai didelį pavojų, būkime darbštesni ir duosneni!

Progress of Printing

By Stanley Pieza

This page is a tribute to a simple little German, Johann Gutenberg, who 500 years ago in Mainz, Germany, is said to have invented what was to be the present form of printing.

Printing today is one of the greatest world industries.

Before Gutenberg's time, way back in ancient history, when men had not yet discovered the art of recording, our ancestors planted trees, erected rude altars or heaps of stone, as remembrances of past events. Hercules probably could not write when he fixed his famous pillars.

PRINTING IN STONE AGE

Think how you would be printing a newspaper in the stone age! The boys then took a mallet and some form of a chisel and whacked out their hieroglyphics in the smooth side of a mountain. They sent around brick pamphlets. Egyptians had libraries with brick books.

It would be very interesting to drop into a museum. There you'll see other ancient modes of writing—on tiles, tables of stone, plates of various materials, on ivory, on barks of trees and on leaves of trees and on Egyptian papyrus.

It was on tables of stone that Moses received the law written by the finger of God.

Printers would go on strike today if they had to do their printing as the Romans did. They etched their public records on brass. The speech of Claudius, engraved on plates of bronze, is preserved in a museum in France.

ROMANS USED STYLUS.

Then the Romans began to do their printing by using a stylus, an iron bodkin, with which they scratched a waxed surface on a tablet. The stylus was made sharp at one end to write with and blunt and broad on the other to deface or correct easily.

But the old Romans soon found others uses for the sharp pointed styli. They used them as daggers and a law was passed against their use. History records that a schoolmaster was stabbed to death with a stylus by his own scholars.

Among the ancient Arabs, who, according to the history of Mahomet, seem to have taken the shoulder bones of sheep, on which they carved remarkable events with a knife.

HISTORY PRESERVED.

Indeed the age before printing did not produce voluminous works — but it has given the world the Bible, the works of St. Augustine, Virgil's Aeneid, the philosophies of Plato and Aristotle and works of Cicero!

Thanks to the monks, who labored endlessly in the sanctuaries of their monasteries, we have the records of ancient history, philosophy and science which were copied down by the cowled fathers on parchment.

The discovery of printing by Gutenberg brought the classics and records held in libraries and monasteries to the public. His invention made it possible for the common people to read and through his medium education became popularized.

Printing — in the sense we understand it — in its earliest form consisted in taking impressions from engraved blocks. Its rudiments were known by the ancients. Such printing was practiced in China about the Twelfth or Thirteenth century and books were printed from movable types of clay or wood during the early Thirteenth century in Korea.

INDUSTRY REVOLUTIONIZED

The use of separate types were invented by Gutenberg about the year 1440. This invention revolutionized the printing industry — in fact, it made the industry. Printers and printing sprung up in all parts of the world.

Gutenberg, with several of his friends, first printed several works with wooden types and wooden blocks. In the years 1450-55, he printed the Bible of 637 pages with cut metal type. The pages of the Gutenberg Bible are illuminated to give the effect of a hand-copied manuscript, as desired by the printers, who did not wish their invention discovered.

The development of the printing press provides another remarkable history of achievement.

A BALTIC TRAGEDY

The lights have gone out in three gallant little countries which, just over twenty years ago, won their independence after a hard struggle. Russia has annexed Estonia, Latvia and Lithuania for two reasons. First, in order to improve her strategic position, and secondly because she found her garrisons in these countries dangerously influenced by the local inhabitants. We have reason to believe this latter factor played a very important part.

The methods used to bring about the annexation of these three countries were deplorable, and purely aggressive. Space does not permit us to give the full story. The strength of the United States comment and protest about these events has been remarked upon in some quarters. The reason is that the American diplomatic missions in the Baltic were particularly well informed as to what happened and the methods used. They had so much documentary evidence to prove the aggressive character of Russian policy that they were able to give the State Department the most detailed information. They had been impressed with the remarkable progress made by these countries, the rising standard of living, the honorable conduct of the three Governments, and the general success which they had won in commercial and diplomatic relations with the outside world. All these facts were, we believe, very much stressed in despatches to Washington and convinced the Administration there that this was a case for showing the unqualified disapproval of the United States.

It is to be devoutly hoped that British and United States policy respecting the Baltic States would be co-incident. We have reason to believe that any parting of the ways over this quite small affair would have the most unhappy consequences. Russia would not be sorry for it, and consequently there is the utmost pressure upon us to take a course of which, as the Kremlin knows, U. S. opinion would disapprove.

Sociability -- A Plea

The Knights of Lithuania Organization, has as one of its avowed principles or "raison d'etre" the element of sociability. There are many such organizations and we might say that they thrive and endure or waste away according to the measure of their sociability or unsociability. It is a necessary element in every organization.

Now the momentous question to my mind has been: Has the K of L National Organization as well as the individual lodges or councils that make up the wonderful national whole, succeeded in maintaining the full measure of sociability required to make it a breathing vital group? From personal observation I would not and could not dare to make any definite decision. I have heard it said in various quarters that one reason why the K of L has not a greater membership or enrollment is mainly because of the fact that newcomers do not always find that warm and unaffected sociability when they enter the portals of some individual lodge. Now if that were true we should take immediate cognizance of the fact and endeavor to remedy it. A newcomer or prospective member is not always able by his own reticent nature to push himself ahead socially against great odds. Almost every newcomer would welcome some bit of cordial "howdoyoudoism" from the mature members. I have been told by some young people that they tried to join the K of L but found themselves in the cold from the very first. Now if only some one would take a minute and give him or her a glad hello and introduce him or her to other I'm sure much of this lack of ideal success within the K of L Organization would be patched up. We have in all several thousand members whereas it should be relatively a small task to be able to double that number. O we want it doubled? O Yes. Of course. But what are we doing about it? We might say: "Well it's up to the newcomer himself to make good. We can't fall all over him just because he's a new member and a bit afraid." Dear Knights, do you remember the first time you entered the ranks? How did you feel? Don't you recollect with sweet satisfaction that this one or that one made you feel at home not by failing all over you but just by perhaps a few cordial words or

a small, small smile? The newcomer does not expect that the older, more mature members must fall over them and from the very beginning shower him or her with bouquets of words and fancy smiles. He does and should naturally expect a reasonable sociability.

Let it never be said the glorious youth Organization, the Knights of Lithuania, was ever found wanting in politeness, sociability or chivalry. A Knight as such is a gentleman, one who never offends without a grave just reason. We want ever young man and lady to be a member of our Organization. They need the K of L and we need them. Let us during this year never fail in our social attitude especially to newcomers. I am sure if we do this loyally our numbers will swell and the K of L Organization will be what we all want it to be: an organization for every boy and girl of Lithuanian Catholic name. An organization which like the sun will of itself attract them to us and what is more important hold them. that we examine ourselves and our social attitude. If we are reasonably sociable, congratulations and let's keep it up. If we discover, well perhaps I was a bit cold, then let us be all means get out in the radiant sunshine of our potential sociability. Aye, there's the rub!

VYČIŲ APSKRIČIŲ IR KUOPŲ DĖMESIUI.

Prašome visus apskričius ir kuopas ruošti prie Vyčių istorijos rinkimo medžiagos. Patikrinkime protokolus ir padarykime ištraukas, liečiant šiuos klausimus:

- 1) Kuopos pradžia ir kas davė kuopos steigimo mintį. Ar buvo kada prie kuopos jaunųjų vyčių skyrius?

Report on meeting

The Kankakee K of L held its monthly meeting on Sunday, Oct. 13, at Foresters' Hall, North Dearborn Avenue in Kankakee. The meeting was called for 7:30 P. M.

The Kankakee K of L is proud to boast of four new members; they are: Mathew Dirkus, Johnny Usewicz, Anelie Stanevitz, and Elvira Nenis. This gives a total of twenty-one members in our local council.

The most important business for the day was a motion to promote a dance for the purpose of defraying current expenses. The motion was unanimously adopted and it was agreed that the dance be held on Saturday, November 2nd.

The meeting was closed with a short prayer. Luncheon and dancing followed, and everyone present enjoyed the evening very well — a social success!

Frank Ticiulka, pres.

COUNCIL 112 — CHICAGO, ILL.

Friday, Nov. 8th, 1940 is the nite of our council's 16th Annual Fall Dance. The committee consists of: Charles Urnezis, chairman, Ann Woicek, John Petronis, Jack Juozaitis, and John Shimkus. The committee promises that this dance will surpass all others.

That evening the Chicago District Sports Committee will present a Trophy to our council emblematic of the baseball team's championship in the Chicago District Baseball League. It's the second year in succession that the boys won the crown. Congratulations to the boys, and to Mgr. Earl Rubas for their achievement. I'm sure council will not let this honor pass without showing its appreciation.

Ann Kimont is convalescing after an appendectomy. Jack Juozaitis was quite ill, but after spending a week in a hospital, he was up and around. All of the members wish Ann and Jack a speedy recovery followed by healthier days.

Walter Gailius was elected manager of the Marquette "A" Bowling team, and Earl Rubas was elected manager of the "B" team. This is probably the only time B comes before A. The "B" team won second place last year and is gunning for first this year. The girls, last years bowling champs, are not out to defend their title. Too bad, for we felt sure they could repeat.

The social at the last meeting was grand. Many thanks to Margaret Kaslauskas, Anastasia Sokas, Herman Pudge, and Charles Urnezis. Many new members were introduced, and if they keep coming in such numbers, we will soon be on top. So don't stop folks, keep bringing them in and C-112 will again rise to great prominence.

So I leave you with this axiom, "Tomorrow is the day when idlers work, and fools reform, and mortal men lay hold of heaven."

Omar Iam.

COUNCIL 62—PITTSBURGH, PA.

Hi-ho everybody Here I am, back again to bring you slants from Council 62. We held our meeting on October 1st and here are the results:

We've decided to hold a Halloween Party on October 29. One and all must come masked. Each member is to bring a guest or two

— in the hopes that we may be able to enroll a few more members. This party should be a success as everyone is all pepped up about it. All anyone can hear going around now is "what kind of costume are you wearing?" But no one gives out any information so we're all in the dark.

The date for our skating party has been set for November 15. This was the first open date we could secure, so just be patient, folks, and before you know it the day will be here.

Teams have been chosen in our bowling league. The captains are: Mrs. Onaitis, Helen Saulis, Victor Zink, and Stanley Zabela. These were chosen because of their high averages on the first night we bowled. Only time will tell who'll captain the winning teams. Best of luck to all. Mr. and Mrs. Burnot were appointed official score keepers.

For most of us the bowling season started off with a bang. But for Julie, ah, poor Julie, it was one big flop. You see it was like this — Julie had no sooner released the ball when her feet decided they didn't want to hold her up anymore and so she made beautiful three point landing. Did you get hurt Julie?

A load of thanks to Julie and Marcella for the party they gave the Kof L's on September 24. The occasion was their joint birthday, so they treated the entire council. We hope you've had a happy birthday girls and we do wish you many more.

Anne K. why did you quit bowling with us? Is there a greater attraction at the Roxian?

Norbert, how about a few more lessons on how NOT to bowl?

Aside to "Yehudi" Happy Birthday.

And so with dots and dashes and a few flashes I'll sign off till next time.

Ducky.

COUNCIL 36 — BRIGHTON PARK

Several members from our Council were elected officers of the Chicago District, and we are very glad to mention it here. Mr. James Cherry was elected Vice-President; our competent lassie, Miss Agnes Souciunas — our council secretary for the past five years — was elected Secretary of the Chicago District; and Mrs. Adele Cherry was elected to the Ritual Committee. Congratulations!

We sincerely thank everybody who helped us celebrate our Silver Jubilee on September 13. Anyone wishing to obtain our "Sidabro Knyga" is invited to contact Mr.

James Cherry.

Our bowling teams are already organized. The girls team consists of: Adele and Helen Cherry, Sophie Gimbut, Bernice Liakas, and Helen Sadauskas. The fellows: Bruno and Ed Churas, Chuck and John Yomantas, and Dr. Manikas. They're bowling at Peterson's Bowling Alleys, 35th and Archer Avenue, and they invite you all to come out to watch them. They're really good, and we know they will come out on top this season. Our boys have so far won seven games and lost only two so there's the proof have so far won seven games and lost only two so there's the proof of their ability. Loads of luck, bowlers.

We are very sorry to hear that two of our faithful members, Rose Yenkoski and Ann Kuchshas are ill. We hope you girls a speedy recovery.

Just bits of this and that —

I hear many a girl's little heart turned a somersault or two when the boys from our council arrived at the Silver Jubilee Banquet wearing tuxes.—Didn't you wonder why Mr. Sauris, director of the K of L Choir, was so happy at the Banquet? — Wasn't that an elaborate bar Tony Cherry rigged up for the Occasion? Nice work, Tony. — Have you noticed the gorgeous solitaire Miss Lee Sutkus is displaying on her left hand these days? — And the lovely orchids she wore at the Banquet? Who's the lucky man, Lee? — Speaking of the District Convention, Al Manstavicius of Council 5 did a fine job as chairman of the day.— By the way, C-14 surely took care of details that day. Why they even had a powder room all set up for the girls and an official, decorated limousine for conveying the delegates about. Quite all right. — "Chuck" Stulgaitis of Council 38 (Kenosha, Wisc.) has been seen a-visiting in Chicago quite often. Perhaps there's a "particular" reason, eh? — Have you noticed that all members in the girls' bowling team wear specs (glasses). Don't you wonder if that might be a bit of the reason why they make such good shots? — How do you like the novel ideas Sophie Gimbut has regarding refreshments after meetings? There was pie a la mode one night and taffy apples another. Wonder if well have apple cider and donuts the next time.

We'll tell you about our plans for the winter season next time. So until then, Adieu. **LEO.**

COUNCIL 25 — CLEVELAND, O.

Cleveland, Ohio sends greetings and salutations to all of Knights of Lithuania Councils in America. We hereby announce that the old powerful 25th chapter has been revived and is going forward by leaps and bounds.

With the full help and cooperation of Mr. Mazeika the national K of L president and Mr. Gudelis former president the reorganizing of the Cleveland chapter was started. Last week a monthly meeting was held and a full roster of officers was elected for the remainder of the year. The spiritual advisor is Rev. J. Augaitis. Our president, John Thompson, promises to be one of the club's most energetic and enterprising young men. George Lucas is 1st vice-president, George Vaitkus 2nd vice-president, Stella Ivinskis recording secretary, Lottie Palima assistant, Wanda Suzelis treasurer, and Stella Vaitkus assistant.

An invitation is issued to all Councils especially those in the Pennsylvania and Ohio district to come to Cleveland on the 24th of November, and attend our Guest Dance at the Our Lady of Perpetual Help Church Hall, 18022 Neff Rd. There will be a good orchestra, refreshments and best of all a chance to get acquainted with K of L members from other cities. By the way admission to this dance is free to all.

Many good ideas and suggestions were made at the meeting and all of them will be carried out eventually. Tho' the number of the members may be small compared to the memberships in other cities the energy and enthusiasm more than makes up for the number. Watch Council 25 go forward!

Sigh.

COUNCIL 14 — CICERO, ILL.

Yes, we've gone and done it again. I mean the District Convention. About sixty delegates and guests met in the Parish Hall on Sunday, September 29th, and led by our Spiritual Advisor, Father Grinius, went into church to hear Holy Mass and to receive Holy Communion.

After breaking, the first session took place, followed by dinner at 1:00 P. M. Then came the second session. The convention ended with a dance that same evening.

The success of this convention was due largely to the hard work the committee namely: John Kasu-

laitis, Emily Vaitiekus, Mary Rakas, Aldona Sleinis, Aldona Moccus, Anne Radomskis, Stella Bruzas, Joan Eisin, Marianne Daunis, Raymond Eisin, James Boyd, Jerry Kasulaitis, Joseph Kasulaitis, and a few others.

I'm sure the delegates and guests will agree that the food prepared by our cooks, Mrs. Bruzas, Mrs. Eisin and Mrs. Kairis was the best they've ever tasted, right? RIGHT!

I hope the delegates enjoyed our hospitality as much as we've enjoyed preparing for them.

On Sunday, October 13th, 1940, about twenty (20) of our Council members went out to Milwaukee, Wisconsin to visit Mary Rakas, one of our most diligent workers, who is now at the Sacred Heart Sanitarium. A midget radio was presented from the members. May it brighten her days and speed her recovery.

Personally, this outing was made more pleasant by the presence of our well-liked spiritual advisor, Father Grinius. **MMMD.**

14ta KUOPA — CICERO, ILL.

Apskričio seime buvo delegatų iš sekančių kolonijų — North Side, 5-ta kuopa, West Side 24-ta kuopa, Brighton Par 36-ta kuopa, Marquette Park 112-ta kuopa, Cicero 14-ta kuopa ir iš Kenosha, Wisc.

Kažin kur pradingo Vyčių kuopos iš Dievo Apveizdos Parapijos, Šv. Jurgio Parapijos, Šv. Kryžiaus, Visų Šventų Parapijos, Švento Petro ir Povilo Parapijos. Gal nauja apskričio valdyba galėtų atgaivinti šias kuopas, nes praeityje buvo labai gyvos. Susirupinkite!!

Apie 8 valandą vakare, tuojaus po seimo, įvyko šokiai parapijos svetainėje, delegatų ir svečių buvo pilna svetainė. Orkestra grojo daugiau lietuviškų šokių negu kaip amerikoniškų. Kasžin delko, tai, retenybė. Turbut svečiams patiko šokiai nes prašė daugiau lietuviškų šokių. Apie 12-tą valandą viskas užsibaigė. Delegatai ir svečiai, padėkavojo už apturėtą "good time" ir linksmi išsiskirstė.

Hay Ride Party — Well member's, you asked for it, so we have it, reserve Saturday, October 26, for that is the date. Joseph Dolan, and John Kasulaitis, have arranged a real treat for all of you. All other Councils are invited to participate, please meet at the parish hall at 8:45 P. M. Yer sir! a real Hay Ride Party it will be.

Thanksgiving Eve Dance — As a customary, or perhaps the tradi-

tion, we will have a dance in the parish hall, on Thanksgiving Eve, November 20, please cooperate with us by attending our dance, we will assure each and every one a pleasant time.

I wonder who is the Boss Now!!

I wonder who is Brenda!!

I wonder who is Cobina!!

WATERBURY K of L COUNCIL 7.

"The die is cast," as your new correspondent I warn you, "yours are the consequences."

A little knock,

A little boost,

No harm done,

It's all in fun.

Seen and heard:

Edward "Joe" Satula one of our newer member, moving in on us with his, pails of steam, sky hooks, chechered paints, "blakys," "musys." A fugitive from "Hellzapoppin" judging from the roars of honest laughter.

"Erhlick Varn-Wolfe" after months of experiment finally perfected his "beef injection" a serum for lame turkeys suffering from too many "Thanksgivings."

Charley Ignotas the "Indoor Aviator" taking off in another pinochle game.

The K of L Debs led by "The Unholy Three" the Misses, Mendle, Stadalius, and Stadalius, sticking the boys with, talking refrigerators, galloping gold-fish, and conversing walls, and not mentioning what the floor said to the sole.

Sollies from the Allys:

The K of L Bowling League starting with its traditional bang, and, heading for a banner season, with 60 men and women bowlers led by chairman "Jimmy" Valaitis.

Council 7 C. L. C. Champs managed by "Stramboli" Vaitkevich the "Anaconda Arrow" looking like repeaters judging from early season scohes.

"McCarthy" Lukminas, Al Amorse, and "Willie the Clutch" Valuckas looking for 2 more suckers for their pot game.

Our hat is off too:

Prof. Alexis and the committee in charge, for their untiring efforts and time devoted to making a success of the "First Annual Dinner Dance" given by the St. Joseph's K of L and Choir, Sat. Oct. 19 at the Hotel Elton in Waterbury, Conn.

Ed. Young our new Head-Houseman for the splendid management of our Lodge, and the unusual

profit we are showing thus far.

You and you, Brother and Sister Knight, for your wonderful cooperation with our Board of Officers, in trying to make our club a more rousing success than it already is.

"A ramble and a rumble"

So before the gimmick on the gogankle goes gaflinta and the doohickey what goes on the gaded springs a leak, I would like to say before I close: "In this hour of crisis, we, as God - fearing and peace-loving American, should pray to our God, who is the greatest statesman, to guide the moves of the leaders of our great nation, in striving to uphold the prophecy of the immortal Abraham Lincoln: "That this government of the people, by the people, and, for the people, shall not perish from the face of the Earth." J. S. S.

COUNCIL 26 — WORCESTER, MASS.

October 8th the council held its monthly meeting with the usual attendance. Although activities have slowed up a bit we hope that with the coming months things will start stirring members will take more interest in certain club affairs.

Miss Mary Thompson is chairman of our annual dinner - dance. Anne Luckasovoge co-chairman is. This gala affair is to be held Nov. 27th at the "Eden" Gardens on Franklin St. Next to the Bankroft Hotel. The Admission is \$3.00 per couple. We cordially invite all neighboring councils to attend this affair. Dress semi — formal.

November 9th our council is having a harvest dance at Marronis Park, Shrewsbury, Mass. Admission 25c. Everybody welcome. Don't forget you all have a date with us November 9 and November 27th.

There were quite a few of our members at the Westfield convention. We wish to thank the Westfieldians for their wonderful hospitality and thank their parents who put us all up for the weekend.

A bit of gossip:

News: Jean Stansky received a cedar chest for the birthday. Whens' the date Jean? Adele Novars' famous slogan, "Gee, is my hair a mess." I wish you could see it knights, It's always just so.

Say, can that Caroline Zuma roll her eyes. All I got was his first

name. Some Tony from Westfield. Mary Kuzmickas went to the Carnegie — Holy Cross game. Who is the lucky fellow from Athol who took her.

Julia Burdulis never eats cake just the fancy frosting on it.

Adele Kuzmickas can't bowl unless her inspiration "Pecky" is there.

Tillie Aukstialis sure can pick them. Only they can't seem to stard on their feet when their dancing.

Say Agnes Law how about some new steps in that "Butterfly" dance of yours or is it the "Hula."

Mary Thompson, gee I'm glad we got some new correspondents. Now maybe well have a little more dirt about us:

That was an awful accident some of our boys were in, the night of the District Choir dance, in Wrentham, Mass. We all feel very sorry and hope for a speedy recovery.

As some of you already this is my last column for the Vytis. I enjoyed writing for it and know I shall miss it. If I have written anything that hurt you I'm sorry and hope you'll forgives me. Luck, to my successors.

As ever "Marcele."

COUNCIL 29 — NEWARK, N. J.

Greetings Friends!

I will open this column this month with an invitation to you all to attend the hit of the year — Newark Council's Silver Jubilee Ball. Yes, with a very capable committee in charge, headed by Jack Remeika who is assisted by Eleanor Verba, Frances Bernot, Peter Podgalsy, Vito Barer, Charles Vasas, Eugene Verba, and Loretta Nemanis. You can be well assured that they will do all in their power to make this affair everything that it should be. They have engaged a grand orchestra, a real discovery, "Carl Madison and his Orchestra." This will be a very special dance for a very special occasion, so join us and have a "Specially" good time, on November 30th at St. George's Hall, Newark.

It's nice to see so many members participating in our intra-council's mixed bowling league. Some of our bowlers are even amazed at the competition they are getting from the newer bowlers.

The three Bieksha boys, Joe, Pete, and Johnny, have issued a challenge, to any three Newark council members, for a bowling match. This challenge was taken

up by three bowlers: Vito Dauksys, Michael Akialis, and Joe Sakevich. They have invited us all to come and watch this match, which should be very interesting as all six men are exceptionally good at this sport.

The entertainment committee is making plans for a Halloween Costume Party. Remember the fun we had last year? Of, course, how could anyone ever forget that hilarious evening. So don't forget, all of you spooks, witches, and what-have-you, get out your costumes and join us again. Bet we'll guess who you are in your disguise.

Dan Cupid did it again!! Vincent Sabath said good bye to his bachelor days on October 5th, when he and Nellie Baranauskas took the solemn vows. We all send our sincerest congratulations of this grand couple, and wish them to "Live happily ever after."

Charlie Bason has a grand idea, but why doesn't someone take him up seriously. He suggests that every council set aside their Sat. eve dances to "Dish Nite" and give a shinning new, or even old, dish to each of the fairer sex. In this way, every girls will have something to put in her hope chest — a complete set of chinaware at the end of the year. L. G. N.

COUNCIL 27 — NORWOOD,

Although you haven't heard from us for some time, we have been pretty active. Here's what Knights of council 27 are doing.

We had our regular monthly meeting October 8th where we planed many important events. Most important of all its the coming banquet which is to be held at the Verne Inn. At this affair Mr. Anthony Kneizys and Mr. Charles Viesul St. will be installed in the fourth degree and several others in the third degree. The following make up the banquet committee: Vic Babel, Al Mace, Nell Aidokonies and Nell Pazniokas. Committees reported that plans for our Whist Party and Jubilee Dance are nearing completion. You all remember what a wonderful time you had our last dance; so stand by and watch for the announcement of dates etc.

Before the close of the meeting Alice Jasionis applied for her walking papers. The reason is Stan Pereksli of Athol is to lead her to the alter on November 11. Alice was with us for nine years as secretary of our council and

received a round of applause for her services and pretty resignation speech. Being by far the best worker in the council as well as a live wire socialy, We'll miss her terribly.

Miss Virginia Waselunas was appointed her successor.

We are well aware that all work and no play doesn't teach an old dog new tricks or something. So we had our regular social following the meeting. This month as usual it was an "eat without knives or forks and dance to the music of a jeep box" party at a respectable dive in Stoughton, Mass. If you think you can't eat spaghetti without using a fork, you should watch Nell Aidokonis.

Good bye till next month.

The Pig.

COUNCIL 55—INDIANA HARBOR.

In Memory of a True Friend.

Anthony Glemza is dead. The smiling red face with a cigarette eternally perched on the lips, the twinkling eyes, the plump figure, the hurried speech of the "Organist" is gone. Never again will we laugh at his side-splitting remarks. Never again will we hear a loud, vigorous voice lead the church choir. Never again, for those once lusty vocal cords whispered their final words in a dimly lighted room of the large Edward Hines Jr. Hospital, Saturday night, Oct. 5, when Anthony Glemza — a broken man — closed his eyes to meet his Creator.

May God be merciful.

The "Organist" is now buried. With him lies buried something of the spirit of the parish. Without his leadership, confidence, enthusiasm, and humor our future looms fearful. We Lithuanians — but especially we young people — have lost a faithful friend and a lovable leader. Having suffered this tremendous blow, we'll never completely recover from it.

Frank A. Zaranka.

COUNCIL 10 — ATHOL, MASS.

Delegates to the Westfield convention, Malvina Paliulis, Stephanie Baltren, Joe Salkaus, Al Brazauskas, and guests extend to their truly hospitable hosts a thousand thanks and more for a program of affairs painstakingly prepared and immensely enjoyed.

On Sunday, October 6, we held our autumn mountain climb. Very welcome guests from Worcester and Hudson accompanied us up Mt.

Grace. Mickey Savage, Bill Juononis and Eddie Salkaus distinguished themselves by arriving at the top ahead of the rest; some did not reach the top at all. For our hot dog roast, the tired but hungry crowd moved on to clubhouse Pond where each contributed to the evening's entertainment and his own enjoyment as he pleased—by toasting marshmallows, eating, singing, playing games and even swimming. The committee in charge consisted of Jean Stasiunas, chairman, Margie David, Joe and Bernard Gatautis.

For November's meeting the entertainment committee is Paul Morkunas, Malvina Paulis and Bernard Gatautis.

Our past president, Stanley Perkslis, has let the cat out of the bag. The glad news is that his marriage to Alice Jasionis of Norwood will take place November 11th. We rejoice that he will bring to Athol a wife whose energy matches his own. Congratulations and very best wishes!

Another marriage fever victim, Frank Kasmiskas, is taking for his bride Worcester's sweet little Anne. When asked the date, Frank replied a bit confused, "I don't know — November 9th, I guess." Whatever the date we know it will be the beginning of days and days of happiness for both.

We are happy to report that Chip Novisky, who has been ill since August, is improving to the extent that she is able to be up about the house.

COUNCIL 130 — BRONX, N. Y

Ve-ry ve-ry important item on the calendar that you all should know of, is our dance. Yes, we finally have completed arrangements for one of our ve-ry exclusive dances. Time:

Time: Nov. 23 (Saturday)

Place: Chester Palace

Summation: You can't fail to have a good time, so why not come!

Recently, many of our members had the honor or having the first degree conferred upon them. Rev. Paulekas presided at the very momentous ceremony, and we were all very much impressed.

Attention Great Neck! Not too recently, our Council had the pleasure of playing and defeating your Council at a game of softball, with a score of 6-5. However, we note in the VYTIS, that your correspondent took it upon himself to slight our tender feeling. He

stated that you all won the game, and you know that wasn't so! How about reinstating yourselves in the eyes of our poor broken-hearted boys and acknowledging our victory in this game or games.

Slaphappily Submitted — M. Z.

COUNCIL 116 — WORCESTER

Westfield Convention.

Why did Casey want to walk the streets til 5 o'clock in the morning? With whom I wonder? Could you give us an idea Casey.

Was it the brunette or the blond?

Who were the two girls who went sight seeing in the 1940 Buick?

Could it of been Peg S. and Glamour girl?

Who is Glamour girl??

Keep your eyes open Boy's.

My! My! who were the pretty girls Walter Zakust and Al took to the convention?

Is in't the "Boomp's a Daisy," boy popular anymore with a certain little blond. He used to know once?

We lose the best of Pals.

Have Charlie T. and Tony G. gone to the fights lately?

COUNCIL 55 — INDIANA HARBOR, INDIANA

According to the last report the committe chairman, Charles Koscis, stated that the various arrangements for the occasion are practically complete. The only item left on his memo book, is dancers to wear out the dance floor.

It's never to late

To make your date —

For a dance.

So, please do remember

The tenth of November —

Here's a chance.

These lines prevail in the minds of our super ticket salesmen, Charles Koscis and Charlie Vaisnoris, as they approach a likely prospect.

If you are Veloz and Yolanda, it's all right with us — but we don't know who will sign your contract. If you are one of those "Old-timers," then come around and do the "Frisco Tip Toe."

Bernice Grimala raises her bowling fund (Pin money) by matching pennies at the club meetings. (Penny larceny but she thinks it grand).

Della Jutkus should be entered in the "Golden Gloves" and be taught the art of manly defense. Her predicament—Quote — "When I give tickets to my brother, he

starts to fight." (That's nice).

Who gave up slicing baloney, no matter how thick, to join the ranks of steel producers? (Steel can take it, kid?)

P. S. Attention non-attending members!! A scrumptious social will be held at the hall the Monday night following the Kof L dance. Come one, come all! **Jay-Jaw.**

COUNCIL 61 — PATERSON, N. J.

Your friendly corner "Knights," again hopes that all is well with you and yours.

During our Fall Dance new friendships were made, and old acquaintances renewed. "More," host of the evening reported that all had a good time, seeing is believing . . . 'Twas a tendious and long drawn-out Friday, why, because those Weinie's were just aching to be devoured, and how they disappeared at 12:01 A. M. "Bow-Wow" . . .

An Ol Fashioned Hay-ride, enjoyed by most of us, and incidentally just like the kind "Mom and Pop" enjoyed in Lithuania surprised us all. Here's hoping plans for another ride go thru promptly . . .

scuseitp'leeze . . .

COUNCIL 110 — MASPETH

Well, September 28th has come and gone. It has vanished into the mists of time but it will always remain in our memories. That date was the night of Knights for we held our annual Fall Dance that evening. A small party was held at the club rooms after the dance and the sandwiches disappeared in record time. The (censored) has no more privacy. Oh well, we have more fun because the red checkered tablecloth can be lifted and people frightened out of their wits. Some of the facts that linger in one's memory: — Tony Masulis had to take home Bill Volutsky's girl at 8 in the morning to Richmond Hill . . . Jules Kleizo fed the birds at 9:30 in Central Park — naturally not alone . . . Expert Mike Wezwick tapped the beer keg at the Club — the ceiling will testify as to his accuracy . . . Millie "Cookie" Stalkus and "Cap" of Elizabeth sen together in earnest conversation. At least I can say that everyone present had a swell time!

Maspeth sent some representatives to the dance held by Patterson recently, Pat Kersulis, Nell Ragelis, and Slim Kober definitely decided

that rumble seats are alright but riding in them when its that cold is not.

We have to take the sad with the good — Maspeth beat Great Neck in a soft ball game played there October 6th but during the final play, Michael Wezwick was badly injured. He is now in Flushing Hospital with a broken leg. Speedy recovery, Mike, 'cause we all miss you!

Council 110 held a social October 11th. All proceeds will go to Mike Wezwick. Our thanks to Great Neck, Brooklyn and all others who attended. Several versions of the LaConga and the Rhumba were given. Quiet Bill Miller astonished everyone by the way he went after Franny of Great Neck. What technique! He is now barred from even thinking of joining the Bachelors Club. This leaves the Bachelors Club with only one member — Tony Masulis but the girls are confident that he is weakening.

October 6th was Baltic States Day at the Worlds Fair and some of our members participated in the Lithuanian singing at the Court of Peace. The girls were beautiful in their Lithuanian costumes and they made a great many new friends that day (including a gorilla). Terry Wezwick was christened "Madama LaZonga" that day and she supplies lessons free with the aid of her six daughters. If any one is interested get in touch with Terry!

Al Wezwick now in Uncle Sam's Army visited us last week. I'm positive all the other boys will join because Al in a uniform is simply devastating. (I wonder why they won't let us girls join the Army — we could have lots of fun too). Al will soon be sailing for Puerto Rico — he has all of our best wishes for a successful year in the Army.

This Indian Summer makes me feel too drowy to continue — so excuse me folks while I hibernate until next month with a few occasional forays when the Maspeth Knights entertain.

'Bye now.

"Sleepy Sleeper."

COUNCIL 30 — WESTFIELD, MASS.

Sadness prevailed in our hearts the Sunday night of which we realized that the convention of the New England District of the Knights of Lithuania was finally approaching its grand end. Yes,

convention followers, we, the hosts, really had a grand time ourselves in showing you the sights of our city among the hills. The peole we met, the friends we made, will not, I am sure, pass quickly out of our minds. With this in mind, the Caravan assures you-all, in the name of Council 30, that everybody is welcome back to this squirt of a town at any time they wish. Plans will be made for their well-being.

Now that the convention is over certain people and certain names run through our minds continually. A vote of applause should be tendered to President Frank Razvadauskas for the capable manner in which he handled the business session, while orchids should be thrown to our secretary Miss Helen Minkelis for her able handling of the housing. Honorable mention also to Miss Frances Mikelis and Miss Nellie Lingaitis for the decidedly tedious task of making those identifying buttonettes for all the convention Knights. Folks, I saw those girls working, and believe me, they really **worked**. A word of thanks to Mrs. Frank Adomaitis, one of our younger married Lithuanians, for managing the eating end of the convention. I can still see chicken plates being served out, and with every blue plate special that passes my imagination, I can imagine the amount of work our girls did. And a handshake to the decorating committee, composed of Miss Gladys Jegelewicz, Ann Jegelewicz, Fran-nie Jutt, and Mrs. Adomaitis.

Attention Phil (Clout) Carter of Providence!! The Caravan spotted that scratch, on your cheek. Was the party that rough? Why didn't you call for help, especially when we were in the vicinity. But you came out alive, so what matter eh, wot? I'll see you later about that.

Our council has already made plans for the fall season. By the time you receive this article, our dance of the 19th will have been over, but there are others in the offing, so don't be dishheartened.

Plans have also been made for the construction of clubrooms in the church parlors. The committee in charge is composed of Bernard Minkus, Joseph Jutkiewicius, and Anthony Jonaitis.

An item of importance is that our council is finally coming to life. A committee has been chosen to look into the relative merits of different forms membership drives.

The one which will have most appeal will be the one which will be eventually tried. The committee in charge of this task is composed of Gladys Jegelewicz, Bernard Minikus, and for some unknown reason, that notorious character, the Caravan.

Going back to the convention of the New England district, our secretary reports that most of the councils in this vicinity were present, among them Athol, Worcester (with most people), Providence, South Boston, Hartford, plus a few others. All in all, we had quite a time, and no one is sorry. Who knows, maybe—?

Our gossip column.—A new heart beat for Nellie L. Who is it this time? Worcester? — And Helen M. rates a bit of press notice on her companion. Yes Joe J. of Worcester, I do mean you — “Butch” L. still in the race — Frannie M. also seemed to be squired, but things are really happening here, so why talk — Sophie G. and her escort seemed a bit tete-a tete, n'est-ce pas? Jake of Providence still provides a great deal of amusement as we have already seen — Phill C. of the same place walking with a decided air of ownership, of what, may I ask? — Who picked those flowers on White street. Writing is telling, but ask Worcester — Stretch of Worcester dancing with a mighty mite, some sight — Ask Pop how he felt, and I don't mean my father — and last of all, the story of a man who wanted to show some people some cows — Ye Gods!!

Until that caravan comes home, I still remain, as always

Your Caravan.

COUNCIL 52 — ELIZABETH, N. J.

With November in our minds we pause to note the activities of the council and its members for the months preceding.

What we can say is that we've been through some interesting events. To begin with, we wonder how many can still recall the fiery mission conducted by the Dominican priest at the beginning of the month ending October 15. At any rate it seemed that every body from the council was faithful in his attendance, might after night for the whole week, along with all the younger element of the parish. And it was all very impressive, to say the least.

The next affair on schedule as

we recall was the testimonial dinner honoring our friend Dugan's brother, Dr. Albert Degutis. To those of us who were not there we say you certainly missed something. Like some one was telling us afterward, “plenty to eat, plenty to drink, plenty to hear, and you meet all your friends. “To us the striking feature of the evening was that the speakers seemed to mean every word of their long and eloquent addresses honoring Dr. Degutis. Though it was a very gratifying evening for the doctor, he deserved it. We wish him success.

By this time our annual meeting had arrived and the council elected its new officers for the coming year. Succeeding Mr. John Gedmin as President of the Council was Mr. Al Vaick; John Gedmin assumed the vice-president of Victor York; as Secretary we elected Miss Mary Vaich. (That's nepotism, that's what it is, when two from the family are in any government). For Social Chairman we now have “Spike” Pinkien and as Chairman or Sport, Adolph Oskutis. Senator Senkus replaces our friend Johnny as Financial Sec'y. Miss Žemeckis is Treas.

A fine slate of officers. We could not have voted for any one else better ourselves we ran for all the offices nearly.

The parents of some of our members celebrated their wedding anniversaries with many from our council being present at these function. Brilliant is the word for them, we must say, so congratulations to Mr. and Mrs. Senkus and Mr. and Mrs. Reklaitis whose little boys Billie and Frankie are Knights — of Council 52.

Wedding bells pealed for Alfonse Bunis and his bride from Paterson. Well thus add our congratulations and best wishes.

Items About You and Me:

We wish to state at the outset that these little personal remarks are written in a spirit of American tolerance, friendly sympathy and fraternal understanding. We ask all to cooperate and see that any interesting item about our friends reaches this column thru the Correspondent Sec'y, because it's rather interesting reading.

Our friend Mr. Young tells us that he spends his evening and nights sleeping rather than raising Cain. Is that true we ask — or is it an alibi . . . Just who is it that Eddie K. sees in Brooklyn when he goes there — if any body . . . Her

name is Anne and she's been on the mind of one of the members of our sick Comm. rather much, what with him not getting to things on time and stuff like that . . . To our Financial Sec.: Do you think you can engineer something in this? . . . Our compliments to Messrs. Dugan and J. K. for the fine jobs they did for the past year, one as sports chairman, the other as social chairman. Also to the young ladies who prepare our socials. Not as stale cup of coffee or hardened doughnut was ever served . . . Bowling season getting under way with a bang. Girls with their house league — you should hear them cheer in High C — boys in the N. J. — N. Y. District Tourney. “It's in the bag for our Dodgers and Marines — so we hear . . . That forum perpetually conducted on corner of Riply and Second by some of the boys will soon have to begin in worrying about the cold weather. Yes, many are enjoyable night we've spent there . . . Lucy and her friend Mary promenading along Elizabeth boardwalks Sunday afternoon — just like they used to do in Paris . . . There's something sparking on Miss Vaich's finger. It's from our sports chairman. We hear echoes of a march from Lohengrin — still to come . . . Miss Pinkien's friends missing her at the district convention, wondering with who was she where . . . Just a kiss in the dark — it wan't sung, it happened between our Sec. and one of the delegates at the district convention . . . Welsome to 3 new members, Ann Barkauskas, Victoria Barkauskas and Ann Želinskas . . . We always wondered what the girls do with their bathing suits for the winter, but we see that Lesla K. still wears her practicing to be a mermaid . . . To that young lady who is confronted with the problem of a part time career and marriage. Why not try both, is our suggestion . . . Attention of “Little Susie”: We're still curious about that surprise you promised us for October, last July, remember? Well—?

Well that's every thing. Oh yes, before we sign off let's be the first with it. There are less than sixty shopping days til Christmas.

—Damon Drinkwater Innsted.

COUNCIL 66 — OMAHA, NEBR.

October — the time of Halloween parties, featherticks and more Omaha news . . .

SPECIAL BULLETIN: Bach in circulation again is Eddie Labowskas. In a recent interview Ed announced that he has broken off his two-power pact with D.

The Committee — Ed Shukis, Steve Tome, Bernard Kinsella, Breezy, and Melvina Delosky — Decided to go to Riverview Park on a weinier roast, but at the last moment almost everyone revolted — and wanted to hike to Mandan instead. P. S. Ended up in Riverview. (Practically died from some of Alice's jokes!!!!)

Lingering on and on—even after such a sad parting, is the memory of those three big scrumptious cakes baked by Kathleen Danowski. Kathleen begged Gen. Jesonis not to tell who made the cakes, for fear no one would eat them, but there were very, very few who didn't have more than a first helping. The cakes (and ice cram) were for the social held not long ago. Gen Jesonis brought along some game ideas that really "took the cake!!"

"Dozen" Pakenis spent most of that evening scanning the pages of Lydia Bovich's scrapbook of children's pictures. — Ann Kushleika sat on — well, practically on — the radio all night— New members Dorothy and Kathleen Danowski and Alice Kushleika were present trying to do the La Congo. — Virginia Bazar seemed too quiet— Bernice Nowicki, Elinor Poskus, Hank Shudinis, Bernice Rubek, Stella Rukas and Bennys Mukonis, were on the Missing Persons list— Steve Tome had his lunch inside his sweater (Steve works nights and carries "a mid-night 'snack'.") and everybody attempted to smash it — (the meanies!!) — Frannie Pakenis and John Bazar as though they were made for each other — Bill Bovich and Katie Hoich jabbered together Too, Too seriously — Marian Kinsella and Vic Lawry held hands — Vic Said he had to — Marian was going to hit him if he didn't hold her hands tightly — but the look in Maid Marian's eyes . . . oh, Vicky!! — Charles Kushleika popped in late — He's the 66'ers best escort—not Charlie, but E. L. who took G. J. home.

Good things must come to an end, but so do bad things . . . meaning — 'till we meet again.

Breezy . . .

COUNCIL 6—HARTFORD, CONN.

It seems that our pres. Ed. Monchun is no longer boss. Matrimonial bonds are stronger than he imagined.

In keeping with the pace set by the National Defense Program, the stork has recently presented Mr. and Mrs. John Gauches, (she's the former Edna Gauches) with a little soldier, and Mr. and Mrs. John Dubin (nee Agness Casman) with a little Red Cross Nurse. Production, eh what?????

Billy Zegment, usually a very quiet fellow, has finally lassoed himself a cute little gal. Methinks that the wedding bells will peal forth velly velly shortly. Am I right, Windy?

Is it true that our Sgt-at-Arms, Johnny Casman, is also planning matrimony? Could be!! Could!!

I wonder why Joe "Smythe" Wolfe has been going around, pricing furniture. What, another draft dodger? Adele M. seems to be the unlucky lass.

Our own Brenda and Cobina are very noticeable because of their absence from our council affairs. Come on, girls, get back into the swing of things.

Pappy Manikas, the local czar of basketball, has just advised me that the K of L will be represented by two very strong teams, men's and girls. So, come on, you managers of fast teams in the eastern part or the country, let's get together this coming season. P. S. to local Knights: The teams need your support, both morally and financially. Don't fail them.

With the annual election of officers coming soon, all the candidates are preparing themselves for the usual fight. Some are already scouting for A-1 Campaign Managers.

The local Council is planning a gala Halloween Masquerade and Dance to be held at the clubrooms Thursday night, Oct. 31. Prizes

Also — we're planning to hold our Annual Hike sometime in November. For further details, attend the next meeting.

Most of you have heard of our Stinky Stanulis, haven't you? Well, to tell you the truth, he's down in the dumps these days. "Why?" you ask. "Woman trouble again, that's what it is, just plain woman trouble."

Is it true that Val K. is really serious about that new Doctor we have in town Seems that way, doesn't it?

Inda Groove.

JR. COUNCIL 96 — DAYTON, O.

Our meeting was held on Oct. 3, 1940. There wasn't much said during the meeting but there was a motion to have a Halloween party for members only.

The boys will start basketball practice soon.

We are all happy to have another new member Joe Zakar.

After the meeting the club enjoyed playing Ping Pong and dancing.

As we peep from the sidelines we can see our new member Joe Zakar entertaining Zita Kavalas.

Now looking on for more trouble we find that our glamor girl is going steady with another boy.

Frank Gudelis refuses all cigars. The reason is one blew up in his mouth.

Adele Markey is doing alright with the boys.

Looks like Joe Petkus has been at it again, from the way it looks its pretty bad. We wish you better luck.

Since when did our glamorous Mike Petkus start going around with girls, this is getting serious.

Virgie Greene the mystery girl who has been having a lot of fun lately, now realizes that the boys mean what they say.

Sluz, who has not had any luck with the women lately, now says he will try to stay away from them. We hope. **Smoz tel's Sluz.**

TO THE K. OF L. MEMBERS

Recently I read two issues of the "Vytis" and I must admit that the spirit and unity of the K of L members is commendable. Although I am not a K of L member in fact, I would like to be one in spirit. I am a Lithuanian and a product of Worcester, though I am quite well known in other cities besides my home town. In order to show my admiration for the K of L and its members and also the "VYTIS," I would like to make small contributions to the journal from time to time.

But being somewhat "an outsider," I fear the members will not take to me. Please tell me your attitude in next month's "VYTIS."

"Remember Me."

COUNCIL 115 — LOWELL, MASS.

The first meeting of the season brought forth these who are honestly interested in our K of L. It was voted to establish a custom of "after-the-meeting-socials" by having a social after the next meeting. We hope thus to arouse a hitherto lack of interest in some of our members. The district meeting in Westfield was discussed and President Albin Varoski urged each and every member to try to attend this meeting. I heard, just before I sat down to write this column that the half dozen Lowellites who arose at half past five on Sunday morning to make that trip had a most discouraging day. It seems, so the story goes, that Maisie balked and refused to run. They fed her gas and they fed her oil but she only pushed up the hook of her engine and said, "You can look me over all you want to, I refuse to budge."

How it happened we don't know. Nevertheless the news is out, and it is news to us, that we, imagine us!! are to be hosts to the New England District Convention sometime in April!

Yesterday one of our members asked me if I would like to join a Lithuanian speaking circle. This group, so it seems, had its beginning at the last convention in Hartford. Stanley Norkunas and Al Varoski reported that the minutes of the convention distinctly specified that a particular mention of Mr. Joseph Boley's paper on the beauties of our mother tongue be made to each and every council. We should like to know something more of this Lovers of Lithuanian club that is a club within the K of L. It would be nice, would it not, to have someone with whom you could and would practice Lithuanian. It has often been truly said, that if one wants to be a pianist one must have a piano to play on to be a violinist one must have a violin, and I am a firm believer that if one wants to be a Lithuanian speaker one must have a Lithuanian. If practice makes perfect, and we all know it does, I am all for a Lithuanian with whom to practice my "Lietuvių Kalbą."

Won't somebody, please, tell me some more about this new club?

Till next time,

Your correspondent.

COUNCIL 124—JERSEY CITY, N.J.

Slowly but surely our council is increasing its membership. Our newest member is Peter Lewandauskás who is athletically inclined. We hope his enthusiasm spreads to our less active members.

The district convention held in Bayonne was very well represented. One of our delegates reports that conventions would be better off if there weren't so many heated arguments over trivial matters.

The "Virginia Dare" girls aren't sorry they arrived too early for the convention as they had a nice time picking stickers down Newark Bay with two obliging New Yorkers.

Clouts, clouts and more clouts! They seem to be multiplying rapidly although I heard its a very difficult organization to crash. — Referring of course to the initiation.

Thank, Newark, for the invitation. We'll be there. Have you heard about Charles Vaskas and the French kiss one of our girls gave him?

Boopsy.

APSKRIČIŲ VEIKIMAS

NEW YORK AND NEW JERSEY DISTRICT

Bi-monthly meeting of the N. Y. and N. J. District was held September 22nd in Bayonne, N. J. Rev. A. Paulekas, C. S. S. R. of Bronx, N. Y. opened the meeting with a prayer. Short talks were given by Rev. Stonis, the local pastor; Rev. M. Kemezis of Jersey City; J. B. Laucka, editor of "Amerika," J. Bray, a former K of L member from Bayonne and Gilbert Vanagas, president of Bayonne, who extended a word of welcome to delegates and guests.

10 councils consisting of 55 delegates and 25 guests were represented. Attendance at recent meetings is very inspiring. Practically all lodges have been sending their delegates. Hope representation at future meetings increases.

Congratulations to J. Remeika and L. Ketvirtis who were elected Trustee and 1st Vice-President respectively. Also to Bill Kruze who gained a position on the Board of Governors.

A total of 46 members have been enrolled in the third degree of the ritual. At the suggestion of the ritual committee, fourth degree members will be enrolled at banquet. More details at a later date.

It was decided to sing the K of L hymn after the opening prayer at all future district and council meetings. Also resolved to sing the hymn on the Annual Communion Day just before the start of Mass.

Plans are being made for a K of L day. C. Vaskas, C. Bason and J. Gedman were elected on this committee.

Mr. J. B. Laucka commented on the aim the council of Aid for Lithuania which is striving to regain the independence of Lithuania. It was decided to have Mr. Laucka write to the headquarters of this organization offering our aid in every way in the furtherance of their good work.

A very interesting and exciting softball season. Council 52 (Elizabeth) is the winner, the result of eliminations held between Newark, Jersey City and Harrison-Kearney. It has been a good sport for the summer season and those engineering the season deserve much credit. The Bowling League had its opening day Oct.

6th in Paterson. Many turned out for this sport.

The raffle sponsored by the Athletic Board was held Sept. 27th in Elizabeth. Non K of L members were recipients of the portable radio and \$5.00 in cash.

Closing prayer was said by Rev. Stonis. Immediately after the business session, the local council provided a social with refreshments and dancing for the guests of the day. This proved very enjoyable. Thanks Bayonne. Next convention will be held in Harrison-Kearney.

GRANDSTAND CHATTER

Seeing that my predecessor, C. Vaskas, has taken the proverbial powder, I have been elected to fill his shoes. I hope that I can dish the news (as well as dirt) well enough to hold the attention of my readers, if any.

Our sincere congratulations to Ann Yocius and the president of Maspeth council, John Wezwick, who were united in marriage on August 25th. May the path that you both have chosen be a happy and contented one. Best of luck.

Most mystifying topic of conversation that was making the rounds lately was the complete disappearance of Johnny Bray of Bayonne. Where did he go? Where is he now? Everybody's asking, nobody's answering. Who can get to the bottom of this mystery? . . . The mystery was finally solved when Johnny made a appearance at a recent meeting. It was nice seeing you. Come around more often, Johnny.

Gilbert V. is still the Prince of Personality and Charm of 67. How else can one explain all those dazzling beauties we all see flocking around him like bees after honey at some of the K of L dances.

One of the largest events held recently and worth chronicling about (even tho several months late) is the National Convention. A grand gathering of our fellow N. Y. and N. J. Knights turned out for this ultra in K of L affairs. Our hats are off to the perfect hosts of Hartford, who made this affair a merry one and one where every moment was enjoyed. Many events will be remembered such as Jack Remeikis' swim in the pool, LNG's evening gown, the address our girls gathered (ask A. Z.)

and the ride Stan T. of Great Neck undertook going over and returning in one night. Thanks again, Hartford.

A show worth its price of admission at the New York World's Fair is Winter Wonderland where a Lithuanian lad, Stanley Skidmore of Great Neck, has a big part in the ice skating act. Its a show worth seeing before the Fair closes.

Until we meet in another issue, toodlee — — — MR.

Suvažiavimo išvakarėse rugsėjo 28 d. vakare westfieldiečiai surengė puikų bankietą ir susipažinimui šokių. Sekmadienį, 2 val. po pietų prasidėjo darbo sesijos.

Darbo prezidiumą sudarė: Pr. Razvadauskas — ved.; Pr. Cvilikas — pagelb.; L. Toliliūtė ir J. Langvinaitė — rašt.; Rezoliucijų ir mandatų komisijas sudarė kuopų pirmininkai ar jų įgaliotiniai.

Be išklaustyjų įvairių komisijų raportų ir nebaigtų reikalų padaryta ir priimta kelios naujos rezoliucijos. Daugiausi kalbėta apie naujų narių vajú ir naujų kuopų organizavimą. Pagaliau nutarta išrinkti organizatorių komisiją ir suruošti maršrutą vajúaus laiku. Organizatorių komisiją sudaro F. Grendelytė, J. Jurgelionis ir P. Aleksandravičius. Į sporto komisiją išrinkta po du nariu iš kiekvienos kuopos. Parengimų komisiją sudarė dabar esantieji kuopų pirmininkai.

Priimta rezoliucija smerkiant Lietuvos okupantų žygius ir pasižadėta visuomet ir visais galimais būdais prisidėti prie Lietuvos nepriklausomybės atstatymo darbo. Taipgi paaukavo \$10.00 šelpti nukentėjusius nuo karo Lietuvos pabėgėlius.

Žodžiu, suvažiavimas praėjo sėkmingai. Buvo atvykęs Westfield'o miesto majoras Mrs. Burke ir pasakė gražią sveikinimo kalbą, kun. V. Puidokas ir visi Westfielro lietuviai, ypač jaunimas, mus visus draugiškiausiai priėmė ir pavaišino. Jiem už tai širdingai vytiškai ačiū! Mes Westfielro neužmiršime!

Sekantis suvažiavimas įvyks Lowell, Mass., pavasarį, balandžio mėnesio paskutinį sekmadienį.

KUR DINGO VIENA REZOLIUCIJA

L. Vyčių Naujosios Anglijos Apskritis buvo patiekta rezoliucija Seimui ir po trumpų diskusijų buvo priimta, būtent: "Duoti teises ir galią naujai centro valdybai perorganizuoti vyčių spaustuve."

Čia nenukopiujota visa rezoliucija, bet pasakyta tik mintis.

Perskaite "Vytyje" praeito Seimo protokolą, virš minėtos rezoliucijos nerandame.

Mūsų Apskritis suvažiavimas, įvykęs rugsėjo 29 d., Westfield, Mass. nutarė pareikšti šią pastabą ir reikalauja, kad įvykusi klaida (apleidimas rezoliucijos) protokole būtų atitaisyta!

SUCCESS

MAN, should not be blinded to whatsoever merit exists in the opportunity which he hath in hand, remembering, that a thousand promises for the future should weigh as naught against the possession of a single piece of silver.

FORTUNE, is ever elusive and can only be retained by force. Deal with her tenderly and she will forsake you for a stronger man.

FAILURE, exists only in the grave. Man, being alive, hath not yet failed; always he may turn about and ascend by the same path he descended by and there may be one that is less abrupt. (albeit, longer of achievement and more adaptable to this condition. Seek comrades among the industrious, for those who are idle will sap your energies from you.

The Ishmaelite and the leper, are the same, since both are abominations in the sight of man (albeit they differ much, in that the former may be restored to perfect health. The former is entirely the result of imagination; the latter has poison in his blood.

Whatsoever you desire of GOOD, is yours. You have but to stretch forth your hand and take it. Learn that the consciousness of dominant power within you, is the possession of all things attainable. Have no FEAR, of any sort or shape, for fear, is an adjunct of the minus-entity.

If you have SKILL, apply it, the world must profit by it, and therefore, YOU.

Make a daily and nightly companion of your plus-entity, if you heed its advise you cannot go wrong.

Remember, philosophy is an argument; the world, which is your property, is an accumulation of facts.

Go, therefore, and do that which is within you to do; take no heed of gestures which beckon you aside; ASK NO MAN PERMISSION TO PERFORM.

The MINUS-ENTITY requests favors; the PLUS-ENTITY grants them. Fortune waits upon every footstep you take; seize her, bind her, hold her, for she is yours; she belongs to you.

Start now, with these admonitions in your mind. Stretch out your hand, and grasp the PLUS., which, maybe, you have never made use of, save in grave emergencies. Life is an emergency most grave. Your PLUS-ENTITY, is beside you now, cleanse your brain, and strengthen your will. It will take possession. It waits upon you. START TO-NIGHT, START NOW UPON THIS NEW JOURNEY.
